The state labor mediation board is preparing public employee groups to handle properly any disputes that may arise.

A series if three meetings will be completed in the spring so that all parties connected with possible labor troubles involving public employees as defined by state law will know how to act when the time comes, if it does.

More highly organized employee groups in public and quasi-public enterprises and a substantial increase in public employee disputes has made it necessary to educate those involved, according to Allen D. Chrisholm, chairman of the labor mediation board.

Mr. and Mrs. Glenn McDonough, accompanied by the latter's mother, Mrs. J. W. Gallagher, returned to Grand Rapids Monday. Mrs. McDonough had been here since last summer. Mrs. Gallagher accompanied them for a visit.

Rev. Fr. Victor Gallagher of Reed City visited Christmas with his brother and sister-in-law, Mr. and Mrs. J. W. Gallagher and with his brother-in-law and sister, Mr. and Mrs. Edwin Gallagher.

Michigan Mirror

By ELMER E. WHITE

CHANGES ON THE POLITICAL SCENE are nothing new in the year of an election and the following spring.

But Michigan may set some kind of a record for personnel shifts among party people, despite the fact that a Democrat will be holding the executive office for the seventh straight term.

Gov. G. Mennen Williams is stepping down after 12 years as top man of state government.

* * *

His successor, present Lt. Gov John B. Swainson, naturally wants to place some of the people most helpful and friendly toward him during the primary and general election campaigns in positions of responsibility.

He would also like to retain some of the people from Williams' staff who have the know-how needed. Indications are Swainson will have a measure of both types of people.

* * *

Apparently Gov. Williams will take several of his present key adies with him to Washington where he has a new job as an assistant secretary of state for Africa in the administration of President-elect John F. Kennedy.

* * *

Julie Lawlor, personal secretary to the Governor; executive secretary Sidney H. Woolner; and John S. Abernethy, and administrative aide, have been asked to make the trip to the nation's Capitol.

Others may find a place in Washington in a Democratic year.

At any rate, Swainson will have to replace those who by choice and those who must be expended to make room for those in favor.

While the personnel shift is most obvious in the top reaches of government, where the eyes of the press and the state are mostly focused, changes are bound to occur right down through the reaches of state government and even trickle down to the local level.

* * *

NO FANFARE OR CIVIC celebration marks the departure of Michigan men for military service these days.

The local Blue Star Mothers or some such group quietly sees the inductees and enlistees off at the bus. Sometimes there's a Gideon Bible or a sewing kit as a going away present.

But they continue to go—some 451,795 of them since 1948.

* * *

A typical month sees roughly 800 men ordered up by the State Selective Service through local boards for physical examinations to determine eligibility for induction.

About half that number, often less, sometimes more, are actually summoned for service each month.

Others, of course, volunteer, some enlist in one of the branches of the service for varying periods, and others ask to be drafted.

* * *

Currently the age of the inductees is averaging about 22.

State Selective Service headquarters, located in Lansing, says approximately one million people have registered with local boards in the last 12 years.

Since less than half that number have actually been called to serve, chances for a deferment seem reasonably good.

* * *

SEWAGE TREATMENT PLANT operators must be licensed to serve in Michigan. Some 350 engineers have been so certified to date by the State Health Department.

Examinations are held periodically and may be taken in a series until a person becomes qualified to operate any or all of the four classes of sewage treament plant currently in use in Michigan.

The classification system is based on size of the plant, type of treatment and location.

* * *

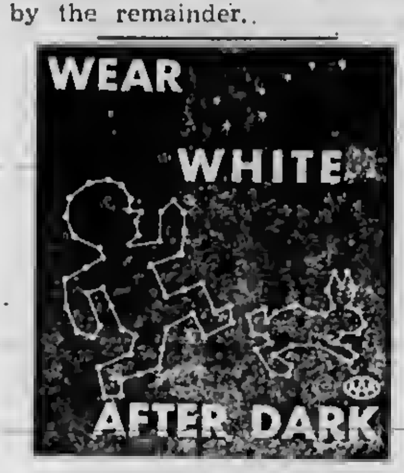
Besides qualified personnel to run municipal sewage treatment facilities and the plants at such state-owned units as mental hospitals, prisons and the like, many industrial concerns have their own treatment plants.

The reason behind the state certification is simply this:

There is a danger of pollution to lakes and streams, contamination of widespread areas and epidemics of disease unless waste is properly handled.

* * *

More than 95 per cent of the state's sewage treatment plants are now supervised by certified operators, and qualified personnel reportedly are being sought by the remainder.



WINNER AAA TRAFFIC SAFETY POSTER CONTEST

Three Called for Pre-induction

The names of the three Charlevoix county draft registrants who will be called for pre-induction physical examinations Jan. 25 have been announced following a meeting of the draft board, Mrs. Mary Bourgoin, clerk of the board, has announced.

They are Arthur J. Donaldson of Ellsworth, Bill R. Filkins of East Jordan and Raymond C. Kuzmik of Boyne Falls.

No one will be called for induction next month.

Ann Arbor by-pass is typical of Michigan's modern freeways

Again Michigan leads the Nation! 500 miles of freeways now open to traffic in Michigan!
A record-breaking 500 miles of modern freeways—[illegible] driving and four times as safe as conventional high[illegible] are now in use by millions of Michigan motorists and thousands of vacation travelers. One highway alone—Interstate 94—runs 203 continuous miles from downtown Detroit to St. Joseph. It's the longest stretch of toll-free, limited access highway in the United States!
Today, Michigan holds 1st place in Interstate System construction—up from 35th place just 3 years ago. Since 1957, Michigan's freeway mileage has increased 5 times! You can thank your capable state highway engineers, backed by efficient contractors and crews.
You can be glad, too, that more than 99% of these beau[illegible] new freeways are paved with concrete. Its lower cost [illegible] proven performance save tax money. Concrete highways and streets outlast asphalt almost 2 to 1 and cost up to 60% less to maintain. Add greater safety. Concrete gives more skid resistance, wet or dry, and better nighttime visibility.
In front-running Michigan and other progressive states, highway engineers choose concrete to save money and provide motorists with the safest, smoothest-riding, longest-lasting highways.

Funeral Services Held Saturday for John R. Struthers

John R. Struthers, 93, one of the community's oldest residents and a retired dairy farmer, died late Wednesday at his home at 502 Newman st.

Funeral services were held Saturday at the Winchester Funeral Home with the Rev. George L. Majors assisted by the Rev. Charles G. Struthers of Morristown, Pa., and the Rev. Richard W. Struthers of Greenville, officiating. Burial was in Brookside cemetery.

Born at Ironton in Eveline township Oct. 11, 1867, Mr. Struthers always made his home in the county. For many years he operated a dairy farm in Hayes township until his retirement in 1941 when he moved to the Newman st. address. He was a member of the Community Church of God and a former director of the Charlevoix Co-operative Co. and the Burgess school board.

He is survived by his wife, the former Anna Marie Sauder whom he married at Ayr on Dec. 8, 1908; five sons, Clarence J. of Southgate, Calif., Clifford W. of Maywood, Ill., Rev. Charles G. of Morristown,Pa., Rev. Richard W. of Greenville and Howard G. of Petoskey; three daughters, Mrs. Bruce K Bartlett, Mrs. Orva Richardson and Mrs. Leo Berg, all of Charlevoix; 20 grandchildren and five greatgrandchildren.

New Years Baby Born at Hospital

For the first time in several years a New Year's baby was born at the Charlevoix hospital. She was Judy Eve Mcdonough who made her appearance at 12:52 a.m. Sunday, Her Parents are Mr. and Mrs. Robert Bruse McDonough,former residents of St. James, Beaver Island, who now reside at 304 May st.

Judy will have two brothers and sisters to greet her when she returns home with her mother later this week.

March of Dimes Campaign Starts January 2

The annual new March of Dimes campaign was launched Tuesday under the direction of Charles A. Robinson, Charlevoix county superintendent of schools, who is serving as campaign chairman for the third year.

Mrs. Louis Hooper will serve as chairman of the city for the second year, Mr. Robinson said.

Other area and committee chairmen appointed by Mr. Robinson are: Sanford Bodley, Hayes township; Mrs. Thomas Nielsen, Ironton; Mrs. William Parsons, Clark Community; (Norwood township; Mrs. Clarence Himebauch, Barnard; Mrs. Vernon LaFreniere, St. James; Mrs. Garth Bryan and Mrs. Charles Moll, Boyne City; Frank Bretz, East Jordan; Pierce Erb, Walloon Lake; Mrs. Rollo Grant and Mrs. Otto Stolt, Bay township; Mrs. Hugh Juday of Boyne City, chairman of the county-wide bowling tourney.

Charlevoix county has had more than its proportionate share of severe polio cases, according to county chairman Mrs. Walter Davis of East Jordan who reports that 10 persons have been aided in the long struggle toward rehabilitation. Others are receiving occasional assistance from the chapter. Altogether, the imately 140 per cent of its total imately 140 per cen of its total collection since the inception of the March of Dimes program started more than 20 years ago. In other words, the National Foundation has forwarded in grants to the chapter an amount equal to nearly half as much as the total receipts of the county despite the fact that the local record of giving has been commendable. In 1960 total campaign receipts were $4,393.47, representing a county-wide per capita-giving of $.3161 as compared with $.2305 for the 30 northern Michigan counties. The average for the state of Michigan was $.1903.

In announcing plans for the 1960 March of Dimes fund campaign, Mr. Robinson said that "the most effective ammunition any of us can supply for the fight to prevent crippling diseases is the dollars we give to the March of Dimes," adding that the residents of the county, through their splendid support of the campaign during the years, have contributed substantially to a great health program that resulted in Salk vaccine. He has asked the continued support of the county in the attack against crippling birth defects, arthritis and polio.

Schools Apply For Grant to Build Bomb Shelter

Applications have been submitted in behalf of the three major high schools in the county for a grant to build a family shelter for use in the event of a bomb attack.

Grants are being made to 20 high schools in the state to underwrite the cost of the construction of such a shelter above ground on school property, Gen. George Ely, Civil Defense director for Charlevoix county, has announced. The shelter will be 10ft. by 10ft. in size and will eventually revert to the school.

Mr. and Mrs. David Thierwechter and family returned Friday to their home in Oak Harbor, Ohio, following a Christmas week visit with the former's brother-in-law and sister, Mr. and Mrs. Jack Rader.

Defense costs per family in the United States are about $1,000 a year.

Plans Drawn for New U.S.C.G. Facilities

Plans are currently being drawn up for new U. S. Coast Guard facilities to be constructed here this year.

Thenew facilities will include a Lifeboat Station and Group office, bulkhead and mooring basin to be constructed on property now owned by the Coast Guard and located on the north bank of the channel between Round Lake and Lake Charlevoix.

An inspection of existing building and other facilities were made in mid-November by Coast Guard officials headed by Capt. T. R. Sargent, Civil Engineer of the Ninth District Office in Cleveland. In the inspection party were representatives of the firm of Leavitt & Spieth, architectural engineers, who will present plans for approval later this month.

Following their approval by the U.S. Coast Guard, it is anticipated that the latter will ask for bids with construction scheduled to begin in April.

A federal appropriation of approximately $300,000 was approved by Congress last year to finance the new facilities.

The new lifeboat station will replace the one located on Pine River near Lake Michigan which has been in use since 1889 where it was constructed by the former U. S. Lifesaving Service which became a part of the U.S. Coast Guard in 1914.

Masonic Rites Held Wednesday for C. A. Weidenhamer

Charles A. Weidenhamer, 82, retired Ford Motor Co. fireman, died Sunday at the Masonic home at Alma where he had lived for the past three and a half years.

Masonic rites were held at the Winchester Funeral home here Wednesday with burial in Oakwood cemetery in Traverse City.

Born in Traverse City Oct. 20, 1878, Mr. Weidenhamer served as a rural mail carrier in Traverse City before going to Detroit where he was employed as a fireman by the Ford Motor Co. Following his retirement, he returned here to make his home. His wife, the former Julia Rinehart, preceded him in death in 1950.

He was a life member of the Charlevoix lodge, F. & A. M. No. 282, and for many years served as chaplain.

He is survived by a halfbrother, George McKenzie of Detroit.

To Hold Annual Dairy Day Meet

The annual dairy program sponsored jointly by the Artificial Breeders associations in the area and the Agricultural Extension service, will be held next Wednesday with an afternoon meeting at Ellsworth and an evening meeting at Alanson, County Agricultural Agent Ed Rebman has announced.

The afternoon program will be held in the Community hall at Ellsworth at 1:30 p. m. A part of the program will include the annual meeting of the Antrim-Charlevoix Artificial Breeders association at which two directors will be elected and the annual report presented.

Speakers will include Dr. James Williams and Dr. Charles Lassiter, both of Michigan State University: Dr. Williams will speak on the technique of settling cows and illustrate his talk with colored slides. Dr. Lassiter's subject will be "Dairy Cattle Feeding."

Both speakers will repeat their lectures at the Alanson meeting scheduled of 8 p. m. at the Alanson high school. The annual meeting of the Emmet Artificial Breeders association will be a part of the program at Alanson.

Co. Supervisors Convene Today

The biennial meeting of the Charlevoix county Board of Supervisors to approve bonds for recently-elected county officials will open at 9:30 today (Thursday) at the County building here.

Several other issues will be discussed by the board in addition to the bonding of county officials.

Sphere Nears Completion At Big Rock Nuclear Plant

The reactor containment vessel or sphere (pictured right) which is nearing completion at the Big Rock Point nuclear power plant and the turbine building and related structures where work is continuing during the winter months so that the project may be completed by the fall of 1962.

The construction of the reactor containment vessel or sphere at the Big Rock Point nuclear power plant located four miles northeast of here on Little Traverse Bay is nearing completion according to an announcement this week by Jerome D. Lescoe, construction superintendent for Consumers Power Co.

The sphere, which is being constructed by the Chicago Bridge & Iron Co., is expected to be completed within the week. Pressure testing of the vessel will start about Jan. 13, Mr. Lescoe added.

In addition, work is continuing on this and other sections of the $30 million nuclear power plant being constructed by the Bechtel Corp. of San Francisco for Consumers Power Co.

The construction of the exterior of the sphere marks the completion of the first phase of the project scheduled for completion in the fall of 1962. However, before the sphere is finished, thousands of yards of concrete will be poured under and inside it. This work will continue during the forthcoming winter months.

The turbine building, shown next to the sphere in the photograph above, was completed earlier to a point where the heating system could be placed in operation thus permitting work to progress without interruption despite adverse weather conditions.

Major equipment for the plant will begin arriving shortly, Mr. Lescoe said.

Ground has also been broken and construction started on an information building to be located near the entrance to the plant site. When this building is completed this spring, individuals and groups visiting the plant will have an opportunity to gain first hand information of the project scope.

The plant is a boiling water reactor.

Consumers Power Co. purchased the Big Rock Point property from Edward K. Shanahan of Birchwood Ranch in June 1950. After site information including soil borings and topography were obtained the first phase of the development of the site was started in March, 1961 with the construction of the entrance road and railroad spur and the installation of electric power lines to the job site.

On April 25, 1960, the Bechtel Corp., engineers-contractors for Consumers', started work on the plant site. Dedication ceremonies macking the start of the major construction were held on July 20. On Aug. 8 the Chicago Bridge & Iron Co., sub-contractors of Bechtel and erectors of the reactor containment vessel, started construction of the sphere.

Local Sailor to Report at Laos

—A local sailor, K. William Purdy AA, is stationed aboard the aircraft carrier, Lexington, which was order from Hong Kong to Southeastern Asia because of the situation in Laos.

Crewmen were on liberty in Hong Kong when the ship was ordered to the troubled area. Liberties were cancelled and the Lexington and other ships in the accompanying task force departed for the area.

William R. Carey New Salesman for King Merritt & Co.

William R. Carey of the Hamlin Insurance Agency has recently received word from the National Association of Securities Dealers, Inc., that his application for registration as a sales representative for King Merritt & Co., Inc. has been approved. Earlier Mr. Carey had been notified of his acceptance as a licensed securities salesman by the Michigan Corporation and Securities Commission. Both notifications followed the successful completion of examinations in December at Detroit.

King Merritt & Co., Inc., is one of the country's leading mutual investment trust fund specialists and as a sales representative locally, Mr. Carey will sell and service mutual funds in conjunction with his general insurance business.

Six Contests Develop For City Offices In Primary Election

Charlevoix was assured of a lively primary election next month as six contests for city offices developed as the deadline for filing nominating petitions passed Monday.

Besides a contest for the office of mayor, contests developed in the three wards for the aldermanic posts and for the offices of supervisor in the first and sceond wards.

E. D. 'Pat' Hawley, cashier of the Charlevoix County State Bank, who earlier announced his candidacy for the city's top post of mayor, will be opposed by Frederick 'Ted' Ager, manager of the Northern Auto Co. here. They will seek nomination to the post being vacated by E. James Hiller who has served in the office since 1955.

In the first ward, Robert Neff of Neff Brothers Food store, and Claude Davy, painter and interior decorator and former alderman, will seek the nomination as alderman to succeed Clare Staley, who is completing his fourth term in the office and who is not seeking re-election.

Incumbent first ward supervisor, Ivan A. Phillips, local building contractor who is currently chairman of the Board of Supervisors, will be opposed by E. J. Edwards who retired last spring as manager of the Belvedere Club.

In the second ward incumbent Richard Donaldson, local appliance store owner and operator, will be opposed by Clifford G. 'Tip' Riley former deputy city clerk, for the aldermanic post and incumbent T. R. 'Ted' Miller, surveyor and former U. S. Forestry official, will be opposed by John A. Uhrick, of the Uhrick Pontiac-Cadillac agency, for the office of second ward supervisor.

In the third ward, incumbent Edward P. Hansen, who operates a Standard Service station, will be opposed by Robert S. Hamilton of the Hamilton Boat Yard for the aldermanic post.

Incumbent, Harry Gebeau is unopposed for the office of third ward supervisor.

Only other incumbent city officials who are unopposed for re-election are Annabell Cunningham, city treasurer who is completing her first term in the office, and Hugh Mayne, city clerk who has served in this office for the past 12 years.

The election will be held Monday, Feb. 20. Deadline for registering for the election will be Friday, Jan. 20. Absent voters ballats may be obtained by writing to the office of the city clerk, Charlevoix.

Taxpayers Bill Of Complaint Dismissed

A request for an injunction to restrain the city of East Jordan, the East Jordan school district and Charlevoix county from levying taxes based on the state's equalized valuation figure as set by the State Tax Commission for the city of East Jordan and the East Jordan school district has been dismissed in a decision handed down Wednesday by Judge Charles L. Brown.

The request for the injunction was signed by representatives of six East Jordan industries and businesses and six individuals and presented at a hearing held before Judge Brown last fall.

In dismissing the case, Judge Brown said that the bill of complaint did not allege any fraud on the part of any of the defendants or the State Tax Commission which was not named as a defendant. As a result he ordered dismissal of the bill of complaint, denied injunctive action and authorized collection of taxes on the state's equalized valuation figure.

The injunction was requested after East Jordan's valuation was hiked by the State Tax Commission following a hearing here. In May. At that time East Jordan's valuation was upped from $2,192,260 to $3,287,041 and the valuation of the school district from $6,664,056 to $8,630,943.

The State Tax Commission investigated the tax set up in the county as the result of an appeal by Charlevoix township. The Commission then equalized all taxing units in the county on the basis of reports submitted by assessors in all taxing units.

Temple Theater Re-Opens In E. J.

The Temple theatre in East Jordan will re-open this weekend under the management of Ben Schenck, it was announced this week.

The theatre will feature movies every Saturday and Sunday evening, a Sunday matinee at 2 p.m. and a children's free matinee at 2 p.m. Saturday.

A schedule of pictures to be shown during the coming month may be found on page three of the Charlevoix Courier.

Michigan Is Everything to Industry

When we look at Michigan, as proud citizens, we admire its verdant forests, its myriad lakes, its miles of smooth highways, its ever-growing tourist attractions. In our praise of the state, we naturally regard as the finest of them all, we sometime forget, however, that natural resources have made Michigan economically great in the past and can make her even greater in the future.

These are the resources imperative in attracting industry here, the resources that assure industrial growth today; the vital ingredient that has made Michigan a dynamic industrial giant for so many years.

The resources are here—all we need to do is to make sure everyone knows it!

For instance, when you see the "Water Wonderland" that is a part of Michigan's natural beauty, remember that the water of which we boast is just one of industry's greatest needs. Water is indispensable, and Michigan has lots of it, as well as an abundance of other resources to fill the needs of industry.

Your newspaper, proud to be a Michigan citizen, will publish a series of public service advertisements, the first of which appears today. The series, telling the story of Michigan's advantages for industry, has been prepared as a cooperative effort of the Michigan Press Association and the Michigan Economic Development Department for state-wide use throughout 1961.

This is our contribution toward reminding our readers that "Michigan is Everything for Industry"—that it has everything industry needs.

You can help, too, in telling the Michigan story to the nation by sending these advertisements to people in other states. This is one way to let them know that which we already know—that Michigan is the greatest!

Do it today. As our advertisement says: Together we can assure a greater future for all of us.

How to Raise A Perfect Delinquent

Juvenile delinquency, as FBI Director J. Edgar Hoover and others emphasize, becomes a graver problem all the time--both in the extent of the crimes committed by juveniles, and in the crime's seriousness. If you as a parent want to join the parade and raise a delinquent, there are certain rules to follow. Frank Brabant, an authority on the subject, who lectures around the country, recently listed them. Here are a few:

From infancy onward give the child everything he wants, so that he'll grow up thinking the world owes him a living. Don't give him any spiritual training: Avoid use of the word wrong'—it may givo him a guilt complex.. Do everything for him, so that he'll become accustomed to throwing all responsibility on to others. Give him all the spending money he wants, and never insist that he earn any of his own. Satisfy his every craving and sensual desire—after all, denial may frustrate him. Take his part against neighbors, teachers and the police. When he gets into real trouble, apologize by saying, 'I never could do anything with him.'

These rules aren't hard to follow and abide by—great numbers of parents have as surging juvenile delinquency shows. You, too, can produce a delinquent, simply and easily.

The authority adds one more observation: 'Prepare for a life of grief. You will be apt to have it.'

JANUARY

IN MICHIGAN · By Harold E Kohn

In the North January is a month of deep, drifting snow and slick, treacherous ice, a bad month for travel and transportation. However, a couple of generations ago, rather than being a frustrating time of stalling, cold starts, and frenzied pushing of man's machines out of snowbanks, winter was the best time of the year to move equipment and heavy goods. A century ago wheeled vehicles such as wagons were used mostly for transporting comparatively light loads over dirt roads and country lanes in spring, autumn and fall. Even then the wheels often sank axel deep into the soft earth. But when winter arrived and the ground froze and snow fell, sleds were removed from storage and the heaviest farm chores were performed. Large stones and huge loads of logs were then moved. If bare spots appeared on the public roads, snow was shovelled into those places and packed down. Instead of our huge modern snow plows to push snow off the roads, the road commissioners employed snow-rollers, used to keep the snow in good condition by packing it down. Many country roads were treated with as much care as are ski-runs in the North Country today. The snow-and-ice covering was carefully nursed along all winter, and long after the early spring winds and sun had warmed the hillsides and pastures, touching them with spots of green, country roads were still paved with January snow.

Our forefathers knew how to use winter's trouble to their advantage.

SOME THINGS WORTH NOTING THIS WEEK IN JANUARY

★ One American scientist estimates that during a single snowfall something like one thousand trillion flakes may fall on one acre of ground. Yet no one has ever found two snowflakes to be alike

★ Ski-clubs are not as modern as one might think. By 1860 there were ski-clubs in Nevada and California.

★ If you have ever taken a trip into New Hampshire or Maine you will remember how, on many farms, the buildings were "jined" or joined into one continuous cluster. Winter was the reason for this. The joined buildings enabled a farmer to do all his winter chores during a blizzard without leaving shelter.

★ January weather illustrates for us the toughness of life. There are creatures that do not die even when encased in ice—certain leeches, a few snails and some fishes such as mud minnows and the blackfish which is found in Alaska and Siberia. (The blackfish often stays frozen for several months, and when the spring thaws come it is released from its ice-prison. Frozen blackfish are sometimes fed to sled dogs. A hungry dog will occasionally swallow a fish whole, to be greatly surprised and bewildered when the heat of the dog's stomach revives the fish and the finny creature begins to twist and squirm.) Some insect larvae can recover after being frozen to hard brittleness with their body temperatures falling to 30 degrees below zero.

Charlevoix IN UNIFORM

Gary L. Curtis MM3 (DV) is among 10 handpicked salors who are undergoing rigorous training at Sasebo, Japan, in a school that teaches them how to survive in the unfamiliar world under the sea, according to a story that appeared recently in the U.S.A. publication "Stars and Stripes".

They are studying in the only Navy diving school in the Far East.

When they complet their six weeks of training they will qualify as second class divers and can enter a five-weeks course in the use or scuba (self-contained underwater breathing apparatus).

Only those volunteers who car pass the most rugged physical and mental examinations can enter the school for it takes plenty of stamina and coordination to handle the 180-pound deep-sea diver's 'hard hat' and the heavy scuba equipment. Mental condition is also a prime factor because the men will be working in a strange element that can turn into a world of terror if they panic or equipment fails.

Only 40 hours of the course are conducted in the classroom. All other instruction is held on the diving float or under water. They also spend time on a decompression chamber learning the effects of high pressure and medical treatment for 'the bends' and other respiratory complications.

The school is conducted according to the U. S. Navy Diving Manual with one exception—students do not learn underwater cutting and welding because there are no facilities for teaching these at present. A huge tank, for teaching these subjects. will be built soon, however.

While in second class diver's training the students go down to a depth of 150 feet and to 130 feet in the scuba school. Students act as teachers for their classmates during these dives although instructors are nearby, ready to take over in an emergency.

The men also learn to tie knots needed by divers, repair and maintain equipment, study the use of hand and line signals and to help other divers in donning equipment or working.

Ten of the instructors are divers themselves who work in many areas of the Far East on salvage jobs and who do routine repair work on ships and facilities in Sasebo.

The school is under the operating command of the auxiliary repair ship Ajax which is serving the Seventh Fleet.

Mr. Curtis is the son of Mr. and Mrs. Russell Curtis.

Top hats to the volunteer "fire-eaters of Charlevoix." We watched them save the main structure of a two-story frame house on the Gamble farm last week. Combatting biting cold, deep snow and a strong wind, these volunteers did a commendable job in holding the blaze to the addition where it appeared to have started. There is something about a fire that always challenges the volunteer fire-eaters.

Bob Bridge must hold some kind of record for receiving the most Christmas cards from one sender. He reports he had about 300 cards from a friend in Wisconsin this Christmas. They started to arrive in small batches at first and the big blow came when a whole sack of cards was delivered. He refused to accept them and they were returned to the sender unclamed. Next came a telegram asking if he found the money.

Charlevoix county's recently elected Probate Judge John Makel may be finding the office a little pressing the first few days. He took over the office Tuesday and Thursday the conference for Michigan Probate Judges and Juvenile Court Judges association opened in East Lansing. Perusing the agenda it appears prudent for an incoming officer to attend the program an we understand Judge Makel will be on hand to acquaint himself with some of the problems encountered by other judges in the state.

A crew from the municipal power plant started removing the Christmas decorations form the business section Tues. We thought the decorations this year wereparticularly beautiful and they were especially unpressive as one approached them over the hills at the north and south ends of the business section. The street is going to look a little drab for the rest of the winter months.

Anne Ratigan Becomes Bride Of Mr. Pelton at St. Mary's Church

St. Mary's church was the scene Saturday morning of the wedding of Miss Anne Ratigan and Arthur J. Pelton.

Parents of the couple are Mr. and Mrs. William Ratigan of this city and Mr. and Mrs. Arthur Willis Pelton of New York City.

The Rev. E. Francis Denay officiated at the single ring service during the nuptial Mass celebrated before an altar banked with greens and decorated with red poinsettias, red and white gladioli and lighted tapers.

Mrs. Frank M. Oleksy was the organist and Mrs. Lee Moerland the soloist.

Given in marriage by her father, the bride selected a sheath costume suit of smoke wool, chocolate velvet headband and veil and, matching accessories for her wedding. She carried a spray arrangement of cymbidium orchid and lilies of the valley with trailing ivy and white ribbons attached to a white prayer book.

Nancy Juilleret was maid of honor. She wore a red wool sheath, a red feather bandeau and matching accessories. She carried a bouquet of yellow mums.

Richard Rosendahl of New York City assisted the bridegroom as best man. David Juilleret and Thomas Bleha seated the guests.

Mrs. Ratigan selected a garnet red Italian silk street length dress, moss green velvet hat trimmed with vari-colored leaves and matching accessories. Mrs. Pelton, mother of the bridegroom, wore a Dior-blue sheath dress fashioned with a portrait collar and matching accessories. Their corsages were of white carnations.

A wedding breakfast followed at the home of the bride's parents. A tiered wedding cake and lighted tapers centered the green linen covered breakfast table.

Immediately following the breakfast the couple left for Chattanooga, Tenn., where the couple will return to their studies at the University of Chattanooga. They will be at home at 5021 Sunnyside ave., Chattanooga.

The bride attended the Charlevoix high school and Mount St. Gertrude Academy in Boulder, Colo. At present she is attending the University of Chattanooga where she is affiliated with the Kappa Delta sorority, the Newman culb and the Playe's club. The bridegroom attended Brooklyn Technical high school and City Colege of New York an is at present in the school of engineerig at the University of Chattanooga where he is a member of the Engineer's Club and the Newman club.

Out of town guests included Mr. and Mrs. A. A. Ranger of Ann Arbor, brother-in-law and sister of the bride; Mr. Rosendahl and Mr. and Mrs. Pelton Sr. of New York.

Not Obigated to Pay For Merchandise Sent Without Order

A gimmick especially prevalent around Christmastime involves sending unordered items through the mail.

The person receiving the package, which may include greeting cards, a book, a toy, clothing, seeds, or any number of things, soon also receives a bill. If he fails to pay, he will receive dunning letters threatening all kinds of stern measures if payment isn't forwarded immediately.

Many people pay for the item under pressure, even though they never ordered it, do not wont it, and have no use for it. The whole affair can prove very unnerving to one who is not acquainted with his legal rights. If you receive unordered merchandise, Paul L. Adams, attorney general suggests ynu remember these rules:

1. You need never accept items which you did not order.
2. You may return the package unopened to the mailman, informing him that **you refuse it.**
3. If you should open tbe package, you have no obligation to return it.
4. As long as you do not use the merchandise, you have no legal obligation to pay for it. Disregard the dunning letters.
5. Keep the merchandise for a reasonable time. If it is not picked up, or if you are not provided wlth postage to send it back, you may dispose of it.

You can't be forced to occept something you neither want nor ordered. Don't let pressure tactics take your hard earned cash.

Glue May Replace A Stitch in Time

Clothing without stitches, houses without nails, and airplanes without rivets—these are among the possibilities foreseen by a University of Michigan expert on adhesives.

Alan A. Marra, professor of wood technology at the U-M, says strong, new adhesives will be increasingly substituted for nails, screws, rivets and other fasteners now in common use.

Marra recently was elected to a two-year term as chairman of the Committte on Adhesives, American Society for Testing Matrials (ASTM).

"The fastening together of materials by the use of adhesives is rapidly becoming the preferred means of assembling many constructions because of the great strength and rigidity that can be obtained, and also because the newer adhesives perform adequately in high speed, mechanized factory operations',, the U-M professor points out.

"The use of adhesives in plywood, furniture, toys ond paper cartons is leading the way to their use in fabriating houses aircraft, boats and missiles.

"Few realize," he points out, "that the performance of helicopter blades, the Atantic cable, safety glass, nylon cords in rubber tires, brake shoes in cars, and non-magnetic mine sweepers is due to the adhesives with which they are assembled.

"The increasing substitution of adhesives for nails, screws, stitching and rivets will result in more efficient designs and production methods for many common articles of manufacture."

The quality of adhesives used in the many different kinds of constructions that exist will be assured in large measure by test methods developed in the ASTM Committee on adhesives, the chairman says.

A member of the Committee for 16 years, Chairman Marra reports the group is coordinating on, and writing specifications for bonding such diversified materiols as wood, metal, plastics, tile, glass, paper, leather, and any combination of these and other substances.

LANSING OBSERVER

By FRANK G. MORRIS

Detroit was given another black eye when the American Legion cancelled arrangements to hold its 1962 national convention in fantastic Cobo Hall.

To some extent, the decision discredited all of Michigan.

For the truth is for removed from the reason given by the Legion's executive committee.

With pious fallociousness, the committe announced that Detroit was being dumped because it had promised 5,000 hotel rooms and apparently will be able produce only 4,760.

The latter total does not include 2,500 motel rooms, many of them near the downtown area. And more are being built.

Mayor Miriani has accepted the Legion's excuse at face value and is making plans tn renew the campaign when the committee meets in Washington next Febuary. The loss of an $6,000,000 spending spree by Legionnaires rightfully has panicked the Mayor.

But if Miriani really thinks hotel capacity is the true reason, he is the only politician in Detroit so naive.

The honest fact is that the American Legion wants no part of Detroit's atmosphere. There are several reasons.

Since World War I, the Legion has been a most powerful defender of the American system of free enterprise. Its vigorous fight against all forms of socialism has been unrelenting. When most of the nation wos regarding Communism as an amusing experiment by incompetents, the Legion was alert and alarmed.

Most of the socialistic goals of the outspoken Democratic Party in Michigan are anathema to the organizotion of war veterans.

The recent election proved again that the ultra-liberals of the Democratic Party are solidly entrenched here.

The election results did not disturb the Legion particulorly.

But shortly before the election, members of the executive committee learned that the 10-year rule barring Communist propagandists from the classrooms of Wayne State University had been repealed by the Board of Governors. Four of the five members of the WSU Board are Democrats chosen for the nomination by the UAW.

The decision at Wayne State is exactly the kind of encroachment the Legion has been fighting.

Then came the big squabble over union control of Cobo Hall. This controversy started the day the immense and beautiful structure was dedicated. The National Automobile Show opened the building, and within hours the automobile manufactures were complaining that they were being gypped by excessive labor rates.

The present storm broke because of a rebellion by exhibitors at tbe recent national convention of Bottiers of Carbonated Beverages.

They screamed they were being charged as much as $11 an hour per workman to set up their exhibits. They complained that the unions would not permit them even to plug in an electrical extension cord or spread a rug.

Detroit taxpayers who have been wondering how they will be able to pay for the $54,000,000 building were startled to learn that exhibitors are compelled to hire union labor for the simplest tasks. The bottlers weren't allowed even to carry a case of pop.

Under the city's agreement, anyone using the hall must pay $6 an hour to electricians, painters, decoraters, plumbers and the like. The overtime and Sunday rate is $11 an hour. The rate for unskilled help is $5 an hour straight time and $7 for overtime.

The minimum charge is four hours.

With the cancellation of the Legion convention, Mayor Miriani announced that labor rates will be cut. But the Mayor is whistling in the dark.

These developments helped bring about the Legion's decision. There was at cast one other that didn't help.

That was the Associated Press story—given prominence nationally—that the school board of Wyoming Township in Kent County has decreed that the Bible shall not be read in classrooms and that no prayers shall be said aloud.

The American Legion opposes all moves toward Godlessness.

Justice Court

Justice John Connolly reports the following cases which appeared in his court recently:

Oscar Bradford Ward, 17, charged with failure to yield right of way, was ordered to pay $5.00 fine and $4.30 costs. Summons was issued by the city police.

Robert L. Manglos, 24, charged with being drunk and disorderly on a public highway, was ordered to pay $5.00 fine and $5.00 costs. He was ordered to pay an additional $5.00 because he was driving with an expired chauffer's license. Summonsee were issued by the State Police.

Anne Ratigan Becomes Bride Of Mr. Pelton at St. Mary's Church

St. Mary's church was the scene Saturday morning of the wedding of Miss Anne Ratigan and Arthur J. Pelton.

Parents of the couple are Mr. and Mrs. William Ratigan of this city and Mr. and Mrs. Arthur Willis Pelton of New York City.

The Rev. E. Francis Denay officiated at the single ring service during the nuptial Mass celebrated before an altar banked with greens and decorated with red poinsettias; red and white gladioli and lighted tapers.

Mrs. Frank M. Oleksy was the organist and Mrs. Lee Moerland the soloist.

Given in marriage by her father, the bride selected a sheath costume suit of smoke wool, chocolate velvet headband and veil and matching accessories for her wedding. She carried a spray arrangement of cymbidium orchid and lilies of the valley with trailing ivy and white ribbons attached to a white prayer book.

Nancy Juilleret was maid of honor. She wore a red wool sheath, a red feather bandeau and matching accessories. She carried a bouquet of yellow mums.

Richard Rosendahl of New York City assisted the bridegroom as best man. David Juilleret and Thomas Blcha seated the guests.

Mrs. Ratigan selected a garnet red Italian silk street length dress, moss green velvet hat trimmed with vari-colored leaves and matching accessories. Mrs. Pelton, mother of the bridegroom, wore a Dior blue sheath dress fashioned with a portrait collar and matching accessories. Their corsages were of white carnations.

A wedding breakfast followed at the home of the bride's parents. A tiered wedding cake and lighted tapers centered the green linen covered breakfast table.

Immediately following the breakfast the couple left for Chattanooga, Tenn., where the couple will return to their studies at the University of Chattanooga. They will be at home at 5021 Sunnyside ave., Chattanooga.

The bride attended the Charlevoix high school and Mount St. Gertrude Academy in Boulder, Colo. At present she is attending the University of Chattanooga where she is affiliated with the Kappa Delta sorority, the Newman culb and the Playe's club. The bridegroom attended Brooklyn Technical high school and City Colege of New York an is at present in the school of engineerig at the University of Chattanooga where he is a member of the Engineer's Club and the Newman club.

Out of town guests included Mr. and Mrs. A. A. Ranger of Ann Arbor, brother-in-law and sister of the bride; Mr. Rosendahl and Mr. and Mrs. Pelton Sr. of New York.

Parent-Teachers to Hear Dr. J. E. Maddy

Dr. Joseph E. Maddy, president and director of the National Music Camp at Interlochen will be the guest speaker at the Jan. 11 meeting of the P.T.A. to be held at the high school music room at 8 p. m., Mrs. Charles A. Duerr, president, has announced.

He will speak on the subject "Interlochen's leadership in Michigan's cultural Life" and will touch on the music camp and what it offers and on the newly-established Interlochen Arts Academy.

Dr. Maddy established the National Music Camp which is affiliated with the University of Michigan.

Tennessee Visitors Take to the Ski Slopes

Courier Photo

These Tennessans from Nashville had a lark here last week on their first skiing adventure. Pictured above they have just been outfitted with ski equipment at the Weathervane Lodge enroute to the slopes of Mt. McSauba. The group was entertained at a week-long house party by Peter Houston at the Houston summer home on the Belvedere club.

They were thrilled with their experiences and expressed a desire to return for more fun in the snow. Mr. Houston is well acquainted with Charlevoix as a summer resort but this was his first visit to Charlevoix as a winter sports area.

Mental Health Lectures to Be Given Here

On Monday night, Jan. 9, at 8:15, the first of a series of monthly "Adventures in Insight" lectures by the Rev. Harold E. Kohn will be given at Friendship hall at the First Congregational church of Charlevoix. These informal addresses are sponsored by the Women's Fellowship of the church. There is no admission charge, but a free-will offering for Women's Fellowship projects will be taken at the close of the meeting. These addresses, are for the general public—men, women, and high school students who are interested in gaining a deeper insight into themselves and their fellows.

Each meeting will open with a 35 minute informal address by Mr. Kohn, followed by a 20 minute question and answer period. The meeting will close with light refreshments served by one of the church circles. Monday evening's subject will be, "The Nature of Mental Illness" and will deal with such matters as "What is mental illness?" "How dooes mental illness begin?" "Why is it that more than one out of every 20 persons born today will spend some time in a mental hospital." "How can I protect myself and my loved ones against serious mental disorders?"

Mr. Kohn has a college degree in psychology, with special emphasis on abnormal psychology, and he served for some time as a counsellor with the staff of one of the Mid-west's largest mental hospitals. He has written considerably in the field of life adjustment, one of his articales on the development of patience being hailed by the editors of The Readers Digest as "an antidote for one of the chief troubles of our times."

The public is cordially invited to these informal addressee. The dates and topic of the three remaining discussions will be announced in the Charlevoix Courier.

Offer Classes in Adult Education At Local School

Enrollments are now being accepted in the adult continuing education program sponsored by the Charlevoix public schools, according to Max Novák who is in charge of the program.

Classes will begin as soon as enough students enroll in any given class, Mr. Novak said.

The following courses have been suggested: Art including ceramics, water color, sketching and oil painting; music, choral or instrumental; commercial, bookkeeping, typing and shorthand; high school courses, mathematics, history, science and dramatics; homemaking, sewing, cooking and home planning; car driving; recreation, volley ball, basketball and dancing; shop including woodworking, drawing and uphostlery and community form including discussion of local, state and national affairs or discussion on today's world, its countries and peoples.

Persons interested in the above or any other class may call the business office, LI 7-6583, or enroll in person at the office located in the elementary building. As soon as enough persons are enrolled the classes will get underway, Mr. Novak said.

Baby Talk

Mr. and Mrs. A. Gilbert Schaerer of Hillsdale are the parents of a son, Steven Lee, born Dec. 22. Mr. Schaerer is the son of Mr. and Mrs. Albert A Schaerer of Detroit who have a summer home on Lake Charlevoix.

To Complete New High School By Early Spring

Work is progressing on Charlevoix's new $995,00 junior-senior high school being constructed on Garfield ave., one block east of the junction of US-31 and M-66.

All three sections of the new facility have been under cover since early fall when the exterior was also completed thus allowing workmen to continue working inside the heated building.

The one-story concrete and steel building faced with brick is being built in two section with Section A which faces Garfield ave., containing classrooms, including science laboratories, special purpose rooms and offices; Section B will be the site of the homemaking, industrial arts and music departments, the cafeteria and related rooms with the new gymnasium located to the rear of this section. In the latter will be locker rooms and physical education department.

Completion of the school is tentatively scheduled for early spring.

Included in the project is the razing of the high school which has been in use since 1901 and the remodeling of the present music and manual arts rooms adjacent to the elementary and gymnasium for uses as classrooms and cafeteria.

New Postmaster General Well Known at Ironton

J. Edward Day of Los Angeles who was named Postmaster General recently by President-elect John F. Kennedy is well known at the summer home of his uncle and aunt, Mr. and Mrs. T. J. Miller, according to Ralph Price at Ironton where he has visited of Ironton.

The Miller cottage is located on Hemingway Point on the east side of the South Arm of Lake Charlevoix.

Mr. Day is executive vice president of the Los Angeles office of the Prudential Insurance Co.

Accident Victims Reported In Good Condition

The condition of D. H. Wood who was seriously injured in an accident near Cheboygan on Christmas Day is reported as satisfactory.

Mr. Wood is still hospitalized at Cheboygan Community Hospital. However, if he continues to improve he will be transferred to the Charlevoix hospital in the near future.

Mrs. Harvey Campbell was transferred Tuesday to the Charlevoix hospital from Little Traverse Hospital in Petoskey where she had been taken last week for surgery on an injured knee.

Mr. and Mrs. P. D. Campbell have been discharged to their home here.

Funeral services for Mrs. Wood who was killed in the two-car collision were held Thursday at the Winchester Funeral Home here.

Seventh Graders To Sponsor World Clothing Week

Seventh grade students of the Charlevoix public school will collect bundles of used clothing to aid needy children and adults in the United States and overseas beginning Monday, Jan. 16, and continuing through Friday, Jan. 20, Supt. R, G. Bennett has announced.

The clothing drive, called World Clothing Week, is part of a nation-wide campaign sponsored by WorldClothing Fund In., a nonsectarian charitable organization which assists orphans and other needy children and adults.

All types of used clothing are needed: clothing for babys, children, teen-agers and adults, as well as shoes, caps, mittens and bedding. Clothing contributions may be deposited at the grade school or given to any school student in the neighborhood.

In announcing the details of the drive, Mr. Bennett said that he expected the World Clothing Week to be one of the finest service projects ever conducted in the school and asked the support by the community. "We hope everyone will look into his heart and his closets" he said in conclusion.

John W. Parsons, Antrim County Resident Passes

Ellsworth ....John W. Parsons, 81, lifelong resident of Antrim county, died unexpectedly Tuesday, Dec. 27, while visiting at the home of Mr. and Mrs. Egbert Wynsma.

Funeral services were held Friday at the Christian Reformed church with the Rev. Donald VanGent officiating. Burial was in the Atwood cemetery.

Born near Atwood in Antrim county Sept. 28, 1879, Mr. Parsons had spent his entire life in the county. He had lived in Ellsworth since 1923. He was active in civic affairs having served as Banks township treasurer for two years; moderator of the Atwood school districe and the village's first assessor, a position he held for two terms. He also was a member of the Ellsworth Community Chamber of Commerce and the Ellsworth Farm Bureau. His wife, the former Jessie DeGroot whom he married on Jan. 2, 1901, preceded him in death in 1955.

He is survived by 16 nieces and nephews.

Tempest puts safety-minded performance in a gas-saving 4!

(Range of horsepower choices from 110 to 155)

Take a Tempest out on the highway and put it through its paces. This car is a whiz at moving into fast-stepping company on an expressway. Takes you from a standing start to a safe operating speed in seconds . . . gets you up a steep hill in high gear.

Run the Tempest over the roughest road you can find. It rides like the big ones because it's balanced! The engine's up front—the transmission's in the rear. And it's got independent suspension at all four wheels. Tires dig in firm on curves and turns. Full 15-inch wheels make car look big. Tires last. Brakes run cooler.

Before it hit the market, Tempest had 3,000,000 miles of testing by engineers, pro drivers and a team of teenagers. Its reliability checked out 100%. Owners have rolled up millions more. The only kick is the one it puts back in driving. Try it!

RECORD OF THE COUNCIL

December 19, 1960

The Common Council of the City of Charlevoix met on the above date with Mayor Hiller presiding. Aldermen present: Hawley, Clare Staley, Kenneth Staley, and Hansen. Absent: Aldermen Donaldson and Grubaugh.

The minutes of the December 5, 1960 meeting were read and approved.

This meeting having been designated as the time and place for a public hearing upon a proposed amendment to the Zoning Ordinance pursuant to Petitions filed by Arthur S. Osborn, and due notice thereof having been given by publication for two (2) successive weeks in the Charlevoix Courier as directed by the Council, after full hearing thereon Alderman Donaldson offered the following Ordinance and moved its adoption, seconded by Alderman C. Staley:

ORDINANCE NUMBER 280

AN ORDINANCE to amend Sections 2103 and 2107 of Article XXI of th Zoning Ordinance, being Ordinance Number 203 of the Ordinances of the City of Charlevoix, as amended, by excluding certain designated lands from Residential District III and including said lands in Industrial District II and to repeal all Ordinance or parts of Ordinances inconsistent therewith.

THE CITY OF CHARLEVOIX ORDAINS:

Section 1. Section 2107 of article XXI of Ordinance Number 203, as amended, is hereby amended by adding thereto and including in Industrial District II the following described lands, viz:

> "The South Half of Lot 66 and all of Lots 67 68 and 69 of Upright and Hurlbuts Addition to the Village (now City) of Charlevoix, Michigan, according to the recorded plat thereof, being in the City of Charlevoix, Charlevoix County, Michigan."

Section 2. Section 2103 of Article XXI of Ordinance Number 203. as amended, is hereby amended by excluding all of the aforesaid lands from Residential District III.

Section 3. All Ordinances or parts of Ordinances inconsistent with the provisions hereof are hereby repealed.

Section 4. This Ordinance shall take effect twenty (20) days from and after the date of its adoption.

Ordinance number 280 adopted by the following yea and nay vote:

Yeas: Hawley, Clare Staley, Kenneth Staley, Donaldson Grubaugh, Hansen. Nays: None Absent None.

Moved by Alderman Donaldson and supported by Alderman Grubaugh that a contribution of $ 35.00 be made to the local Independent Basketball team. Motion adopted by the following yea and nay vote. Yeas: Aldermen Hawley, Clare Staley, Kenneth Staley, Donaldson, Grubaugh and Hansen. Nays: None. Absent: None.

Moved by Alderman Hansen and supported by Alderman Clare Staley that the application of Oscar Ward and Dorothy Ward d. b. a. Arcade Cab Service for a taxi cab license for the year 1961 be approved upon filing with the City a certificate of insurance coverage. Motion adopted by the following Yea and Nay vote. Yeas: Aldermen Hawley, Clare Staley, Kenneth Staley, Donaldson, Grubaugh and Hansen. Nays: None. Absent: None.

Alderman Donaldson offered the following resolution and moved its adoption supported by Alderman Clare Staley.

RESOLUTION

BE IT RESOLVED, BY THE COMMON COUNCIL OF THE CITY OF CHARLEVOIX, that the proposed new Golf Club House be built on approximately the site of the present Club House and

BE IT FURTHER RESOLVED, that the City proceed with plans and specifications for the new Club House in order that construction may be started in the spring of 1961.

Resolution adopted by the following Yea and Nay vote. Yeas: Aldermen Hawley, Clare Staley, Donaldson, Grubaugh and Hansen. Nays: Alderman Kenneth Staley. Absent: None.

RESOLUTION

Alderman Clare Staley offered the following Resolution and moved its adoption, seconded by Alderman Grubaugh:

Whereas, it is necessary for the health and safety of the citizens of Charlevoix to have a locally based and operated ambulance service available at all hours to respond to emergency situations, and

Whereas, after careful study and investigation the Common Council has determined that the operation of such an ambulance service is unprofitable in a community of this size and to provide this service here it is either necessary for the City to establish and operate an emergency ambulance service or to render some assistance to a private operation of the same, and

WHEREAS, Robert Winchester has offered to again provide and operate a 24 hour ambulance service here under an agreement with the City of Charlevoix wherein the City would provide from its Police Department or Fire Department personnel ambulance drivers and assistants when required, to respond to ambulance calls during such periods of time as neither Mr. Winchester, nor an assistant of his, would be at the Winchester Funeral Home to respond to said calls or when additional assistance is required, which periods of time Mr. Winchester shall from time to time designate and give notice of the same to the City under the terms of an agreement worked out between the City and Mr. Winchester; and

Whereas the Common Council deems it to be necessary for the public health, safety and welfare to enter into such an agreement with Mr. Winchester;

THEREFORE BE IT RESOLVED, That the City of Charlevoix enter into the said agreement with Mr. Winchester to provide ambulance service in this area and that the Mayor and Clerk be, and they are hereby, authorized and directed to execute said agreement on behalf of the City:

BE IT FURTHER RESOLVED, That the City does hereby authorize the payment of Five ($5.00) Dollars per call to any of its off-duty personnel operating the ambulance or called to relieve on-duty personnel required for ambulance work under said agreement;

BE IT FURTHER RESOLVED, That the Common Council recognizes that under the operation of this agreement it will be necessary at times for the driver or assistants, supplied by the City, to be responding to calls in this area outside of the City and in such circumstances the Common Council deems said personnel supplied by the City to be an employee of the City of Charlevoix carrying out the contractural obligations of the City of Charlevoix under the above contract required for the purpose of providing ambulance service within Charlevoix and the said person or persons shall not be construed as ceasing to be employees of the City of Charlevoix or performing a non-City duty, when engaged in the operation of said ambulance outside of the City of Charlevoix; ;

BE IT FURTHER RESOLVED, That the City expresses its apreciation to Mr. Winchoster for assuming the burden of again providing this service to the community.

Resolution adopted by the following yea and nay vote. Yeas: Hawley, Clare Staley, Kenneth Staley, Donaldson, Grubaugh and Hansen. Nays: None. Absent: None.

RESOLUTION

Alderman Hawley offered the following Resolution and moved its adoption, seconded by Alderman Hansen.

WHEREAS, the City of Charlevoix deems it expedient and a necessary public improvement to expand its Airport to the West according to plans previously developed by its Airport Committee and to do so it is necessary to acquire the title to the lands owned by Edward Thorp and Shirley L. Thorp being that parcel of land situate and being in the Township of Charlevoix, Charlevoix County, Michigan, described as follows:

> "Commencing at the Northwest corner of the South (S½) Half, of the Northwest (NW¼) Quarter of Section 34, Town 34 North, Range 8 West, as per the U. S. Survey thereof; thence due East on the half quarter line to the center of Emmet and Grand Traverse State Road; thence Southwesterly along the center of said State Road 16 rods; thence due West to the section line of said section; thence North on the West section line to the place beginning and containing 13 acres of land more or less"

WHEREAS, the City of Charlevoix owns certain real estate in the City of Charlevoix, known as the Colonial Club property, which it acquired from the Department of Conservation for the State of Michigan in the Deed recorded in Liber 175 of Deeds on page 388 in the office of the Register of Deeds for Charlevoix County, Michigan, restricted to use only for public purposes and the Council desires to effect a trade of the part of said Colonial Club property consisting of the house and garage and all land to the North thereof which part is more particulary described as that parcel of land situate and being in the City of Charlevoix, Charlevoix County, Michigan, described as follows. viz:

> "Commencing at a point on the North line of Dixon Avenue 146 feet East of the East line of Prospect Street; thence North 351 feet; thence West 4 feet; thence North 5 feet, the point of beginning of this description; thence North 28 feet; thence East 2.5 feet; thence North 250.2 feet to the South line of Petoskey Avenue; thence Easterly along the South lin of Petoskey Avenue to the West line of Meech Street; thence South along the West line of Meech Street to a point 356 feet North of the North line of Dixon Avenue; thence West to place of beginning; being a part of Block 1 of Lindsay Park Addition to the City of Charlevoix and a part of Goverment Lot 2, Section 26, Town 34 North, Range 8 West."

with said Edward Thorp and Shirley L. Thorp for their above described land hereinafter referred to as the 'Thorp property'; and

WHEREAS, this trade of property can be affected only through and by the Department of Conservation; and

WHEREAS, the Common Council deems the same to be a fair exchange of property giving consideration to the deteriorated state of the buildings on the Colonial Club property and the location and size of the 'Thorp property' and the necessity of acquiring the same for Airport expansion;

THEREFORE BE IT RESOLVED, By the Common Council of the City of Charlevoix that the City of Charlevoix apply to the Department of Conservation for the State of Michigan, Lands Division, for the exchange of the aforesaid part of the Colonial Club property for the "Thorp property" ;and

BE IT FURTHER RESOLVED, That the City of Charlevoix convey the above described part of the Colonial Club property to the Department of Conservation for the State of Michigan for the purpose of making such exchange and with the Deed of said conveyance to be delivered to the Department of Conservation upon the condition that it shall be returned to the City of Charlevoix unrecorded, or the land reconveyed to the City of Charlevoix, if required, in the event that said exchange is not completed within a reasonable time; and

BE IT FURTHER RESOLVED, That the Mayor and Clerk be, and they are hereby, authorized and directed to execute and deliver said Deed on behalf of the City and 69 of Upright and Hurlbuts Addition to the Village of Charlevoix and that a copy of this Resolution be transmitted to the Department of Conservation.

Resolution adopted by the following yea and nay vote: Yeas: Hawley, Clare Staley, Kenneth Staley, Donaldson, Grubaugh Hansen. Nays: None Absent: None

The Finance Committee having examined bills totaling $35.784.42 find them correct and recommend they be allowed. Moved by Alderman Hawley and supported by Alderman Hansen that the bills be allowed and orders drawn for their amounts. Motion adopted by the following yea and nay vote. Yeas: Aldermen Hawley, Clare Staley, Kenneth Staley, Donaldson, Grubaugh and Hansen.

On motion the Council adjourned.

MICHIGAN IS EVERYTHING FOR INDUSTRY

The people of Michigan are proud of their state's industrial accomplishments. Its manufacturing plants produce everything from automobiles to xylophones. One reason is that Michigan has so much of what industry needs.

Michigan has abundant sources of both raw and semi-finished materials. Michigan possesses unmatched production know-how in both management and labor. Michigan has great market advantages. Michigan has livability! Water? Michigan is rightly named the Water Wonderland.

This is the first in a series of advertisements to be printed as a public service by this newspaper, each advertisement to describe one of Michigan's advantages for industry. The series will show the attractions our state offers, what it personifies for industry; in reality, what MICHIGAN IS.

Help carry Michigan's message to the nation. Clip these ads and mail them to people in other states with your own comment. Let's talk up Michigan and its advantages for industry. Together, we can assure a greater future for all of us.

This ad is one of a series published as a public service by this newspaper in cooperation with the Michigan Press Association and the Michigan Economic Development Department.

Northmen Edge Rayders First Time Since 1959

★ ★ ★

Charlevoix Rayders Lose to Petoskey Northmen 55 to 52

The Charlevoix Rayders dropped their first game to the Petoskey Northmen for the first time since the 1958-59 season when they lost to the class B outfit by a score of 55 to 52 Friday night.

The game was a seesaw battle all the way with the Northmen going ahead 5 to 0 before Sam Supernaw connected for the first of nine field goals. The Northman, however, held a 15 to 12 advantage at the end of the first period.

In the second period the aide turned and the Rayders outscored their hosts 13 to 9 to go ahead 25 to 24 at half time and to remain ahead 37 to 36 going into the final period.

With 4:45 minutes remaining Charlevoix took a 42 to 39 lead but the advantage was short-lived as the Northmen spurted to a 47 to 42 lead and then coasted to a three point victory.

The victory by the Northmen evens the series between the two teams to 41 games each.

Starting for the Rayders were Supernaw, John Pearl, George Majors, Stan Martin and Don Nowland. Tom Martin joined the action in the first period; Gary Spencer and Jim Dennis in the second, Henry Wagner in the third and Perry Smith in the fourth period.

Supernaw dumped in three field goals and added one from the free throw line, Pearl scored two field goals and Majors a charity shot for the Rayders total as they trailed 15 to 12 at the end of the first quarter after the Northmen had scored six field goals and three free throws.

The tempo changed in the second period with Supernaw scoring one from the floor and five from the free throw line; Stan Martin, Dennis and Tom Martin two points each for a one-point 25 to 24 advantage at halftime. Petoskey scored four field goals and one gift shot.

Both teams scored 12 points as the game went into the second half with Supernaw scoring three field goals and the same number of charity shots; Stan Martin a field goal and Tom Martin a free throw. Petoskey made up its total with five field goals and two gift shots.

Though the Rayders remained ahead early in the final period, the Northmen surged ahead during the final four minutes for the victory after outscoring the Rayders 19 to 15. Charlevoix's scoring was confined to three field goals by Pearl, two field goals and two gift shots by Supernaw, a field goal by Spencer and a free throw by Tom Martin. Petoskey had six field goals and seven free throws.

Supernaw paced the game with 29 points followed by Pearl with 10 for the Rayders. Brook Smith had 11 for Petoskey.

Rayders to Entertain East Jordan Friday Night

The Charlevoix Rafders will entertain the East Jordan Red Devils Friday as the 1960-61 cage schedule goes into the new year.

In other games scheduled for the same night, Harbor Springs will play at Grayling, Boyne City will host Manceona and Gaylord will invade Peilston.

The Rayders with a record of three wins in four eague games will be defending their second place standing when they take on the Jordanites who are presently sharing third place with Harbor Springs and Mancelona with record of two wins and two losses. Charlevoix is sharing second place honors with Boyne City.

The Rayders, who have looked good at times, will have the advantage of playing on their home floor and this, plus their record, should make them the favored team in their meeting with the Red Devils. However, the visitors will have a great deal of height in center, Pete Knudsen, 6-3, and Louls Kraemer, 6-2 forward, who is top scorer for his team something the Rayders sadly lack. Because of this the Rayders will find the going tough against this outfit which shows plenty of promise.

The high-flying Grayling Vikings, leading the loop with four straignt wins, will be hosting the Harbor Springs Rams in this first game after the holidays. Unless the Vikings let down they should continue their winning ways.

Boyne City and Mancelona will battle it out this week in a game which should be a close one. The Ramblers have lost only to Graying while the Ironmen have lost to Harbor Springs and Grayling. The latter has a veteran squad and on the basis of experience should have a winning team. However, the outfit has failed to come through with the type of ball they are capable of playing. Boyne City, on the other hand, has shaped up well and shown promise of improving as the season progresses. For this reason, the Ramblers will be favored in this meeting.

Gaylord and Pellston will each be trying to move out of the cellar position when they meet this week. Both teams have records of no wins in four starts. The Blue Devils, however, have played some pretty fair ball. With a morale booster in the return of John Johnston, big forward who was lost to the line-up at the beginning of the cage season, the Gaylord quintet will probably take this one, leaving the Hornets alone on the bottom rung of loop standings.

This week's games East Jordan at Charlevoix, Gaylord at Pellston ,Harbor Springs at Garyling, Mancelona at Boyne City.

Little Rayders Defeat Petoskey Reserves 50 to 41

Charlevoix's little Rayders remained on the victory trail Friday night, defeating the Petoskey Reserves 50 to 41.

The Charlevoix cagers went into a 10 to 5 first period lead; increased it to 20 to 13 at halftime and 38 to 24 going into the final period when they were outscored 17 to 12 as Coach Terry Rice sent new recruits in the line-up.

Brendon LaBlance, Dan Pearl, Bruce Murray, Frank Curtis and Gary Stutzman started for the Rayders. Pete Ance joined the action in the first period, Gary Balch and Bruce Kroken in the second and Steve Bergmann, Jim Stewart, Rick Miller, Herb Cummings and Dwight Boss in the final period.

Pearl scored two field goals, Murray and Stutzman one each and LaBlance two free throws to give the Rayder quintet a 10 to 5 first period advantage after the Northmen had tallied two field goals and a gift shot.

In the second period, it was Pearl who continued to pace the scoring as he dumped in six points with Ance and Kroken adding a field goal apiece. Petoskey had three buckets and two charity shots.

The Rayders opened the second half by dumping in a total of 18 points including four field goals by Ance, two by Balch, a field goal and two free throws by Pearl and two free throws by Curtis. Petoskey had seven gift shots and two field goals.

In the final period LaBlance and Pearl scored three points each and Murray, Stutzman and Ance two points eaeh. The young Northmen had their best period as they dumped in 17 points including five field goals and seven free throws.

Pearl had 17 and Ance 12 points to pace the scoring for the vietors. Jack Bare had nine for Petoskey.

Swim Pool at Weathervane Lodge Nears Completion

A swimming pool which will feature three "firsts" in motel pools in the state of Michigan is nearing completion at the Weathervane Lodge here, Ralph Gillam, lodge manager announced this week.

Located on the southeast section of the lodge property, the pool will be the first square pool in the state, the first all-enclosed pool for year-around use and the first to be constructed of ceramic tile.

The demensions will be 30 ft. by 30 ft. with the sides of the pool being finished in a blue ceramic tile, the bottom of white ceramic tile and the decking of red quarry tile. It will be entirely enclosed with the second story of the lodge forming a part of the roof; walls will be of sliding glass doors, which, in the summer time, will open on a patio overlooning Round Lake. The pool will range from three to seven feet-four inches in depth with tile steps on the west end leading from the pool to the surrounding deck. The water and the protective area will be heated. The pool will feature the newest filter and purification equipment.

The pool is a Garter and is being constructed by the Harold Frisbey Construction Co., of Ithaca.

It is expected to be completed in approximately a week and will be open to skiers and all other lodge guests.

The lodge, which was opened in August 1959, was host to 150 skiers from Chicago, Toledo, Detroit, Grand Rapids, Indianapolis, and other southern Michigan cities over the New Year weekend.

The 37-unit lodge with its attractive lobby and ski equipment shop is one of the most popular housing facilities for skiers in the north country which is fast becoming a winter sports paradise.

The recently installed ski rental facility has proven most successful and is being enlarged, Mr. Gillam said.

Mt. McSauba Ski Area Opened For Winter Season

Charlvoix's Mt. McSauba ski area opened Saturday for the 1961 winter season and enjoyed one of its most successful weekend, Charles Meier who is managing the park, has announced.

Both tows were placed in operation and remained open Saturday and Sunday afternoon and evening.

Effective at once the tows will be operated Tuesday and Thursday evenings and during the afternoon and evening on weekends.

Many local skiers as well as several parties from out of town and out of state enjoyed the facilities offered at the mountain.

Further information regarding the facilities may be obtained by calling Mr. Meier, Ralph Gillam at the Weathervane or Bill Foechtman, president of the Charlevoix-Mt. McSauba Recreation Corp. which operates the resort.

Explorer Scouts to Sponsor Contest At Boyne City

Explorer Scout Troop 49 of Boyne City will sponsor a basketball game between Cook's Toledo Comets and the Boyne City Independents at the Boyne City gymnasium at 8 p. m. Saturday.

Proceeds from the event will be used for the troop's trip to Philmont Ranch in Arizona next July.

The Comets are members of Dr. David Cook's cage team which was the 1959-60 YMCA Regional AAU champions and the Ohio State AAU runner-up in 1959. The team is composed of well known high school and university athletes. Dr. Cook is the new owner of the Avalanche ski area in Boyne City.

Playing with the Boyne City Independents will be Harold Kerr, coach of the independent outfit, John Hartwell, Gerry Green, Mike Kane, Gary Coon, Doug Newville, Loran Reinhard, Tom Christensen,Bill Ance and Bill Chrisentsen, all well known northern Michigan athletes, many of whom formerly played with the Boyne City Ramblers.

In addition to the basketball game, there will be a half-time pistol shooting exhibition with a dance following the main event, the cage game.

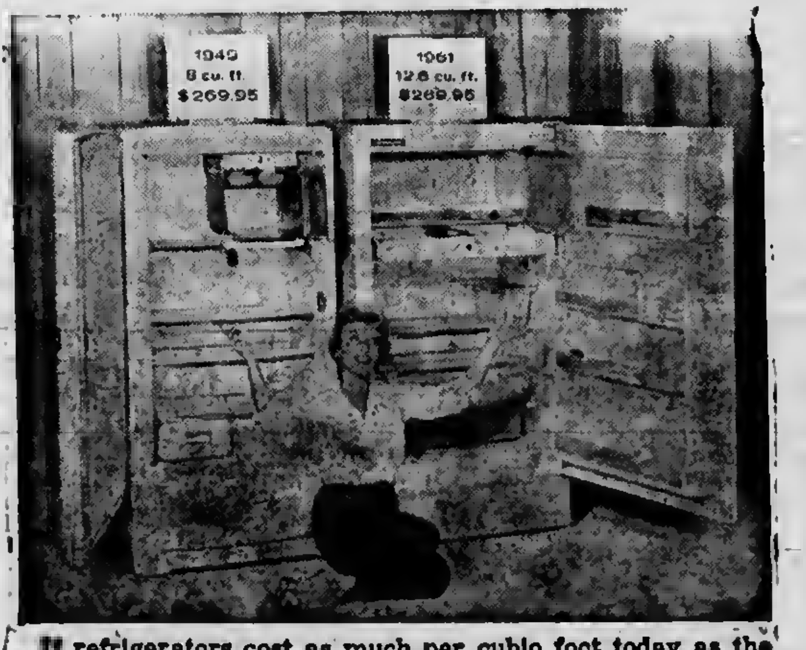
More For The Money



If refrigerators cost as much per cubic foot today as the 1949 model, the suggested list price on a unit like the 1961 RCA Whirlpool, right, would be $422 instead of the $269.95 actually recommended. In addition to offering nearly five more cubic feet of food storage space at the same price, the 1961 refrigerator provides full-width, 87 lb. freezer section, chiller tray and porcelain enamel crisper; door shelves, egg bin, magnetically sealed door closing, and thin-wall insulation. By contrast, the typical refrigerator of 1949 offered, in very nearly the same outside dimensions, only eight feet of storage space, practically no frozen food storage, a small crisper, and no door shelves. Moral of this story: whereas most commodities cost more today than they did 11 years ago, refrigerators and other appliances cost less and offer many more conveniences.

Th RCA Whirlpool is availabe at Puff's Appliance Center Charlevoix.

Council Extends Date On Insurance Bids

The Charlevoix city council began the new year with one of briefest meetings in recent months Monday night.

The deadline for accepting bids for Group Medical and Surgical Insurance was extended from 8 p.m. Jan. 16 to the same hour the following Monday, Jan. 23, to allow bidders more time to prepare their bids.

Approval was given an application for renewal of a taxicab license for 1961 submitted by Lacey Oldham.

Bills totaling $38,131.52 were approved and ordered paid. The figure included $24,755.98 in school taxes paid to the public school; $2,895.75 payment for fuel oil for the diesel plant and a payroll of $6,604.58.

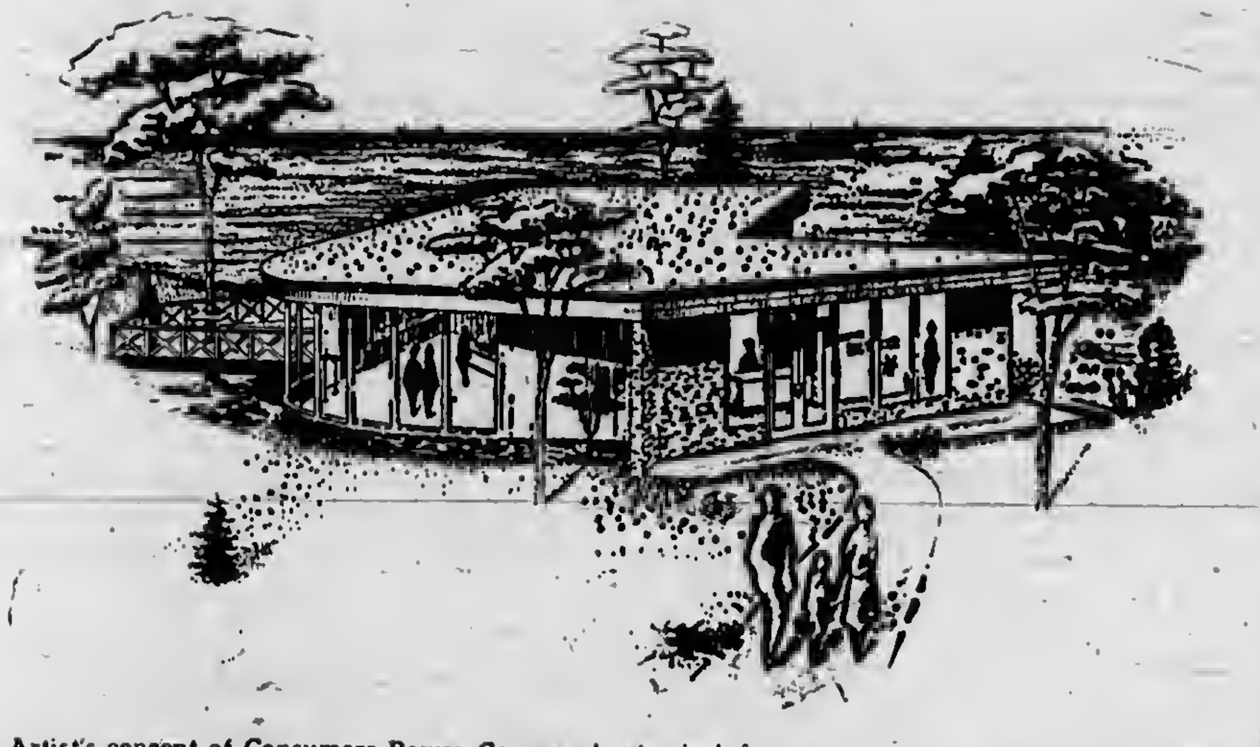
Nuclear Information Center Under Construction



Artist's concept of Consumers Power Company's atomic information center at its Big Rock nuclear power plant site just outside Charlevoix. The building, designed to accomodate groups and individual visitors from schools and other public and private organization, is now under construction and will be ready by summer. It contains an observation deck overlooking the nuclear plant, and a small auditorium for film and lecture sessions. Consumers Power Company is providing the Center because of its deep interest in informing the public on nuclar progress regarding both the Big Rock Point plant and related peace-time uses of the atom.

Municipal Dock Caves In

Courier Photo

Pictured above is the south section of the municipal dock which caved in recently. The damaged section is approximately 60 ft. long and 23 ft. deep, extending back to the sewage disposal plant.

It is belived the undermining which caused the cave-in resulted from the churning of the propellors of the U.S. Coast Guard Cutter Sundew which moved to its wintar mooring at the municipal dock Dec.19. After the ship was moored, the propellors were placed in action when crewmen worked on the ship's engines.

The matter of repairing the dock has been taken up with the U. S. Coast Guard according to City Superintandent who added that repairs would cost an estimated $10,000 to $15,000.

Sign Contracts Covering Research at Nuclear Plant

Contracts between the U. S. Atomic Energy commission, Consumers Power company and the General Electric company covering the research and development program to be carried out at Consumers Power company's Big Rock Point nuclear power station near Charlevoix have been signed according to an announcement by President James H. Campbell of Consumers.

The Big Rock Point plant has been under construction since early 1960. Initial criticality of its nuclear reactor is scheduled for September, 1962.

The $30,000,000 plant, entirely financed by Consumers, will be powered by a reactor of the direct cycle boiling water type. As soon as the reactor is made critical, the plant will be made available by Consumers for four and a half years for use in connection with the research program, covered in a contract between General Electric and the AEC.

Mr. Campbell's announcement referred to two separate contracts.

The contracts call for financing of the rsearch and development program by the AEC.

Under a contract between the commission and Consumers the company will wholly finance the design and construction of and will own and operate the nuclear power plant. The commissioo will reimburse the company for costs up to $500,000 in connection with the research and development program.

The commission will also waive fuel use charges worth $1,650,00 for the first five years of plant operation. (The AEC owns all nuclear fuel material in accordance with an Ac oft Congress.)

Under a contract with the General Electric company, the commission will support the research and development program up to a maximum cost of $3,710,916 subject to escalation up to a ceiling of 10 per cent.

Under separate contracts with Consumers, the Bechtel corporation of San Francisco, is responsible for the design and construction of the plant and the General Electric company will supply the nuclear fuel and perform the research and development work.

Also, General Electric, as subcontractors to Bechtel, will furnish the nuclear steam supply system and certain conventional power plant equipment for the program.

Big Roik Point project stems from an unsolicited proposal submitted to the commission in December, 1959, by Consumers and General Electric. Basic agreement on the nuclear arrangements was reached in May, 1960, and the construction permit for the plant was issued to Consumers a few days later, Mr. Campbell said.

Fund Raising Events Planned For Polio Drive

Plans for several fund raising events for the benefit of the new March of Dimes have been announced by Mrs. Louis R. Hooper, campaign chairman for the Charlevoix area.

In announcing the various benefits, Mrs. Hooper said "We cannot all be doctors but we can help in the fight to prevent crippling diseases by supporting the various fund raising projects or by volunteering our services. If you can assist in any way, please feel free to contact the chairman of the various events or the chairmen of the Mother's March and volunteer your services or contribute your support by attending the various fund-raising events".

One of the most popular fund-raising events has become the annual buffet to be held at the beautiful Weathervane Inn whose facilities are again made available through the generosity of Earl A. Young and the management of the popular restaurant. Mrs. Don Brown assisted by Mrs. Richard Donaldson will be in charge of this event to be held Thursday, Jan. 26. Larry Foley will be in charge of publicity, tickets and solicitations for the event.

Mrs. Carl Johnson, assisted by Mrs. Raymond McBratnic, will be in charge of the Mothers' March scheduled for Tuesday, Jan. 31. Anyone wishing to assist in this event is asked to call Mrs. Johnson or Mrs. McBratnie.

Mrs. Earl Crandall will be in charge of cannisters and coin cards. The cannisters and coin cards were placed in all local business places, restaurants, bars and other locations this week by Mrs. Crandall.

Tentative plans have been announced for a buffet to be held at the Airport Inn under the direction of Mr. and Mrs. Dan Geneit and Mr. and Mrs. Perry Smith and a Coffee Day to be staged under the direction of Mrs. William Lusk. Dates for these events will be announced shortly and a chairman named for the blanket pitches to be held during the Grayling and Mancelona games Jan. 13 and 27.

Plans are underway for a teen dance and several other events in addition to the one listed above.

Chairmen in the outlying districts are also planning special area fund-raising events for the benefit of the new March of Dimes to raise funds to assist in the prevention of crippling diseases such as birth defects, arthritis and polio.

Karl Erber Named Rd. Comm. Chairman

Karl J. Erber was named chairman of the Charlevoix county Road Commission at the annual organizational meeting held Monday.

S. E. Rogers of East Jordan was named vice chairman.

Gerald Fincout of Walloon Lake was installed as the third member of the commission to succeed Claude Pearsall Sr. of East Jordan whom he defeated for the office in the November election.

Russell Curtis Named Co. Tax Co-Ordinator

Russell L. Curtis, Marion township supervisor for the past 12 years, was named to head the Charlevoix county assessment equalization department established at the Octobert meeting of the board of supervisors.

Mr. Curtis will assume his new duties as soon as the Marion township board accepts his resignation and appoints a successor.

The position will pay an annual salary of $5,000 plus mileage. An office will be established in the county building and a clerk engaged to serve the office at some future date.

For the present Mr. Curtis said he would be working with the State Tax Commission.

In other action during the biennial meeting of the board of supervisors, an appropriation of $1,000 was made to the Charlevoix Retarded Children's Center. The board also adopted a resolution urging the adoption of new legislation to permit schools and centers comparable to the one operated here to become eligible for state aid. Copies of the resolution are to be mailed to all counties in the state, to state legislators and the Department of Public Instruction.

Mrs. Harold Geiken appeared before the board to solicit support for a county-wide library. Ivan A. Phillips, chairman of the board, named a committee of five to study the library problem in the county and to report on their findings at the April meeting. Members named to the committee include Arthur Spltz of Boyne City, Don Kondziela of Walloon Lake, William Taylor of East Jordan, Harry Gebeau of Charlevoix and Hugh Graham of South Arm township.

Bonds for recently elected and other county officials were also aporoved. Those whose bond were approved were the county clerk, county treasurer, deputy treasurer, register of deeds, surveyor, sheriff, four sheriff deputies, circuit court commissioner, two coroners and one road commissioner

Boyne Falls Man Placed on Three Year Probation

A Boyne Falls man, charged with breaking and entering in the nighttime, was placed on three years probation when he appeared before Judge Charles L. Brown at Traverse City Thursday.

He is Thomas R. Wellman, 21, who had spent the major part of the past year in the county jail on four different minor charges before he was arrested Sept. 24 by State Police of the Petoskey post who watched him break into Bell's restaurant a few hours after he had been released from the county jail here.

Judge Brown stipulated that the first year of his probation must be spent at Camp Pugsley. H ewas transported to the corrections camp by Sheriff Glenn E. Rose who had taken him to Traverse City to be sentenced.

Marine Club to Meet at City Hall

New officers of the Charlevoix Marine club will assume their duties at the regular meeting of the club called for 7:30 p. m. Thursday (tonight) at the Charlevoix City hall.

Projects to be carried on by the club during the ensuing year will be one of the main subjects for consideration, according to Commodore Robert Wexstaff. Door prize and refreshments are also social features of club meetings.

Draft Board Calls One for Induction

One Charlevoix county draft registrant will be called for induction Febuary 15 to fill the county's draft quota for the month and two others will be ordered to report for pre-induction physical examinations February 15, according to Mrs. Mary Bourgoin, clerk of the draft board.

The names of the men to be called will be announced following a meeting of the draft board, scheduled for January 16.

Sundew Crewmen To Attend School In Grand Haven

The U.S. Coast Guard cutter Sundew, under the command of Cmdr. William R. Richards, is expected to depart Saturday for Grand Haven where a number of crewmen will attend a Coast Guard-sponsored Leadership and Boarding School.

Crewmen from the ice breaker Mackinaw and from the Charlevoix Mooring Station will also make the trip and attend the school.

Perch Fishing Through Ice Good at Ironton

The perch are biting at Ironton is the news being spread by Glenn Williams of Ironton.

"The fishing was only fair Saturday but on Sunday they really started to bite and many exellent catches have been brought in." Mr. Williams said Wednesday.

The fish are taken through the ice from fish shanties placed on the ice by private owners or others, ranging in size from small 'one holers' for those who wish privacy to the larger six and eight holers, all of which are for rent by Ironton residents. Housing facilities as well as bait and other equipment are also available at Ironton.

The fish shanties are spread over the South Arm of Lake Charlevoix from approximately 1,000 ft. north of the Ironton ferry to Holy Island, a distance of 1½ miles. More than 50 shanties of various sizes were scattered over the area early this week with more appearing daily. The ice is from four to eight inches, Mr. William said.

Ski Lessons Offered at Mt. McSauba

Ski instructions are now being offered at the Mt. McSauba ski area, according to 'Chuck' Meier, who is managing the park for the Charlevoix-Mt. McSauba Recreation Corp.

Mrs. John Wight, an experienced skier, is available for private lessons or for lessons on a class basis Mr. Meier said.

Efforts are presently extended to organize classes for both children and adults. Any onewishing to join a class is asked to call Mr. Meier or Mrs. Wight.

Mrs. Wight, who claims Fresno, Calif., as her home, came to Charlevoix with her husband, an employee of the Bechtel Corp. of San Francisco, general contractors for the Big Rock Point Nuclear Power plant.

Facilities at the Mt. McSauba ski park are open Tuesday, Thursday and Saturday evening, Wednesday afternoon beginning at 1:30 p.m. and Saturday and Sunday afternoon, beginning at 1 p. m.

At times when the facilities are not open to the public, they are available for private parties. Information may be obtained by calling Mr. Meier or William Fochtman, association president.

IOOF Sickroom Equipment Totals 2,965 Days in 1960

The Round Lake lodge No. 293 I.O.O.F., provided a total of 2,965 days use of sick room equipment inlluding hospital beds, wheelchairs, crutches and bed rails during 1960 according to a report made this week by Sims Baker and Joseph R. Williams, co-chairmen of the Hospital Bed Committee.

During the year the seven beds owned and maintained by the lodge were in 13 homes in the community for a total of 2,115 days; four wheel chairs were in seven homes 450 days; seven pairs of crutches in five homes 220 days and two sets of bed rails in three homes for 180 days.

Donations totaling $10 were received from users and will be used to buy new equipment.

The lodge conducts this loan service as a community service.

To Begin Pressure Testing at Big Rock

Pressure testing of the recently-completed reactor vessel containment vessel or sphere at the Big Rock Point Nuclear Plant by its builders, the Chicago Bridge & Iron Co., is expected to get underway Friday according to Jerome D. Lescoe, Construction superintendent for Consumers Power Co.

The Chicago firm which will conduct the tests that are expected to take several days to complete is a sub-contractor to the Bechtel Corporation of San Francisco, general contractors for the power plant being built for Consumers.

To conduct the tests, the more than 8,000 linear feet of weld in the sphere will be painted with a soap anti-freeze solution as the sphere is filled with five pounds pressure per square inch of air pumped through a four inch airline by a battery of five compressors capable of pumping up to 600 cubic feet per minute.

Upon completion of the 'soap bubble' test, the pressure will be increased to the design pressure of 27 pounds per square inch and then be given an over-load test of 1½ times design pressure or approximately 33 pounds per square inch. The pressure will then be lowered to design pressure (27 pounds) and the sphere put through a second 'soap bubble' test.

Upon completion of this phase of the tests, it will be given a pressure being maintained over leak rate test with the design a 30 hour period during which pressure variances will be observed.

If the sphere stands up under these pressure tests, it will be approved and turned over to the Bechtel Corp. and then to Consumers and the next phase of the work on the sphere started, Mr. Lescoe said.

This will include the pouring of a concrete floor in the sphere and the construction of supporting and shielding structures for the reactor vessel and its auxiliary machinery, equipment and piping. The structures within the sphere will be approximately 100 ft. high or comparable to a 10-story building.

Meanwhile, construction of the conventional section of the plant continues.

Charlevoix C of C Approves Amateur Photo Contest

Tenative plans for an amateur photo contest were approved Monday evening at the regular monthly meeting of the directors of the Charlevoix Chamber of Commerce. Details of the contest are to be worked out by the program committee headed by Miss Kay Fitch and Glenn Kenney as co-chairman. Other members of the committee are Mrs. William Ratigan, Phil Lawence, Robert Winchester, Barney Engelhart, Bernie Ward Sr., William Fochtman, Frank Ochs and Edward K. Shanahan.

It is tentatively planned to offer cash prizes for pictures in four different classifications. Classifications suggested are; recreational (outdoor sports), Scenic, public and private buildings, and miscellaneous. More details about the contest will be announced when rules and specifications have been completed by the committee.

Plans are also underway for an annual Chamber of Commerce dinner to be held sometime in February. Details will be announced later.

Report Divorces Drop, Marriages Increase in Co.

There were more marriages and births but fewer divorces and deaths in Charlevoix county in 1960 than in 1959 according to figures released this week by F. R. Bulow, county clerk.

There were 117 marriages as compared to 67 in 1959; 202 births compared to 185 the year before and 147 deaths as compared to 166 in 1959. Twenty-three divorces were granted compared to 32 out of 49 filed in 1959.

A record of vital statistics over the past four years follow:

	1960	1959	1958	1957
Marriages	117	87	115	105
Births	202	165	235	212
Deaths	147	166	163	122

Band Parents To Sponsor Annual Dinner

The annual Band Parents dinner sponsored by the Charlevoix Band Parents Association will be held at the high school cafeteria next Thursday, Jan. 19, according to Clifford G. Riley, president of the sponsoring organization.

Mrs. Robert Withers will again serve as general chairman of the event. She will be assisted by several committees to be named this week.

Serving is scheduled to begin at 5 p.m. The same popular prices as in previous years will remain in effect. Plans are being made to serve as many patrons as last year when more than 500 meals were served in 2½ hours.

Tickets will go on sale this week with the 150 members of the Senior and Reserve bands as sales people.

Name Cherry Pie Baking Winner At Ellsworth

Miss Susan Carpenter, 16 year old daughter of Mr. and Mrs. Lynn Carpenter placed first in the Cherry Pie Baking Contest at the Ellsworth high school Jan. 5. Susan, a junior, started cooking in 4H club several years ago. She has had three years of home making and frequently uses her cooking skills at home.

Second place in the contest was won by an unusual contestant, Glen Alward, 16 year old son of Mr. and Mrs. Charles Alward of Atwood. Glen frequently bakes pies for the family. He also gained experience last summer as an employee at the home bakery of Mrs. Harry Potter in Atwood. He plays in the high school band and likes to hunt and fish.

Miss Elaine Pott, 15 year old daughter of Mr. and Mrs. Peter Pott of Atwood placed third. Her hobbies are sewing and music. She is a sophomore and is a member of the high school band.

Judges for the contest were Mrs. Rhea Dawson, Mrs. DeVere Dockham, and Mrs. Roy Staudemeyer.

MEMO . . .

From the Editor's Desk

There seems to be no secrecy about the new Charlevoix Flying club that was organized late last fall but for some unknown reason it has never been given any widespread recognizition. We now learn there are 11 enthusiastic members in the club who will be taking flying lessons from Joe McPhillips, manager of the Charlevoix airport.

The club has purchased a four place Stinson plane from Robert Winchester, and given it an attractive paint job. We hope the club doesn't neglect to get an insignia on the plane "Charlevoix Flying Club".

Officers are: Ralph Hess Jr., President; Max Hosmer, vice president; Robert Foss, secretary-treasurer; Jesse Penn, trustee; Paul Olsen, trustee.

Other members of the club are Robert Pearl, Byron Wright, Don O'Brien, Glenn Kenney, Richard Fochtman and Des Milligan.

The General Electric 1961 calendar recognizes Northern Michigan and the Consumers Power Co. Big Rock Point nuclear plant which is under construction four miles east of Charlevoix. Topping the calendar pages for each month are reproductions of artists paintings of subjects of special interest.

Big Rock Point is the subject for the month of June. The artist, Tran Mawecke, presents three sail boats racing across Grand Traverse Bay with the Big Rock plant dominating the shoreline in the background.

The General Electric Co. is interested in Big Rock Point. It will carry on a research and development program here under an agreement with Consumers anr the Atomic Energy Commission.

Most of us really get excited when we get something for nothing and no strings attached. It happened this Christmas to four Charlevoix residents.

The gifts were awarded by Hess Furniture and Puff's Appliance Center.

Lucky persons at Hess furniture were Mrs. Edna Gallagher who received a 9x12 Mohawk rug, Mrs. Elizabeth Trimble and Mrs. Emma Wells who each received a 27x36 inch Tommy rug.

The lucky winner of the Puff's award was Crayton Kerr. The prize, a 21-inch RCA television.

When we see these valoable and enjoyable gifts offered by Charlevoix merchants, we wonder why we haven't been among those who put their name on the dotted line when we visited the stores.

1961 MERCURY MONTEREY 2-DOOR HARDTOP

TRADITIONAL MERCURY COMFORT Only Mercury has Cushion-Link Ride (standard on Monterey and Meteor 800)—a unique suspension system that absorbs jolts and jars that come through to you in other cars. It "gives" backward and forward as well as up and down. And Mercury has a longer wheelbase (120 inches) and greater weight (up to 241 pounds heavier) than other cars in its price range. Result: you enjoy a smooth, solid, steady big-car ride you'd expect to pay much more for. There's plenty of stretch-out room in Mercury, too—even more rear seat hip, shoulder and head room than in last year's spacious Mercury. Wider doors and more trunk space, too.

TRADITIONAL MERCURY VALUE There's extra value in Mercury's engine choice—all the way from the Super-Economy "6" (Mercury's first "6") to the powerful Marauder V-8's. And even the top-performing V-8's deliver up to 15% better gas mileage. There's extra value in Mercury's seven self-servicing features. From self-lubricating chassis to self-adjusting brakes, they save you money every mile you drive. Everywhere you look, the 1961 Mercury offers you traditional Mercury values. Now, for the price most people pay for a new car, you can own a *Mercury*. Take your pick of Mercury's three great series and drive it today!

Kiwanis Governor Installs Area Officers

Courier Photo

Edward K Shanaham, (left) new president of the Cherlevoix Kiwanis Club, pictured with a sap bucket so that he might carry on his hobby of making maple syrup.

Pictured with him are (l to r), Harold Pletz, governor of the Michigan District of Kiwanis, who officiated at the ceremony, E. J. Edwards, retiring president and Curtis Burlin, secretery-treasurer of the local club.

The sap pail was presented to Mr. Shanahan in behalf of the local club by R. G. Bennett, , former lieutenant governor for District 15.

★ ★

E. K. Shanahan was installed as president of the Charlevoix Kiwanis club at a joint installation ceremony with Petoskey and Harbor Springs at This Ole House at Conway Monday evening.

He succeeds E. J. Edwards in the post.

Harold Peltz of Lansing, governor of the Michigan district of Kiwanis International, presided at the installation ceremony during which Robert Hall was installed as president of the Harbor Springs club and Elmer Carter as head of the Petoskey club.

Mr. Pletz was introduced by Ralph S. Hemilton of Charlevoix, immediate past lieutenant governor of District 15.

Twenty-four members of the local club attended the joint meeting. Among those attending were Glenn B. Snider who was installed as first vice president and Barney Englehart, second vice president. Curtis Burlin is the new secretary-treasurer, succeeding Jack Grubaugh in the office.

The Inside Story

Next time you see a truck on the road, picture some of the things you buy right along . . . or have in your home . . . or hope to own some day . . . and you'll have the inside story on what that truck's carrying. For it's a fact that everything you eat, wear or use travels part or all of the way to you in trucks. The familiar things that are required to run a household—or a business—they all depend on trucks to get where they're needed. So, you see, the real inside story is that trucks are absolutely essential to your everyday living!

Here's how the Wide-Track Pontiac keeps pace with your stepped-up driving schedule!

Pontiac for '61 is tuned and tailored to enliven the extra hours you spend in a car. Weight is trimmed to give you more action with less expense. Wider doors open farther to ease your getting in and out. There's more room inside. Outside, Pontiac has a more parkable, garageable size. You maneuver without effort, sit steady and straight on curves and corners. This comes from the built-to-the-road stability of new Wide-Track. And Pontiac's famous V-8 performance lets you take city or turnpike travel with assurance.

Choose the car that has kept pace with the change in your driving habits. Inspect, drive, select the '61 Pontiac of your choice.

THE ONLY WIDE-TRACK CAR!
Pontiac has the widest track of any car. Body width trimmed to reduce side overhang. More weight balanced between the wheels for sure-footed driving stability.

Red Devils Dump Rayders 51 to 38

Though they tried, neither player managed to touch the ball as it seemingly went into orbit during the Cherlevoix-East Jordan game Fridey night.

Jim Dennis (in white uniform) and Bill Sherman, (51) seem suspended in midair as the wait for the ball to come down while John Pearl (right) poises for attack, which followed.

East Jordan Wins Game On Free Throw Line

The Charlevoix Rayders dropped their second league game of the current season Friday night as they lost to East Jordan 51 to 38.

The Rayders trailed throughout the game 10 to six at the quarter and 28 to 17 at halftime before closing the gap to three points, 32 to 29 late in the third period only to have East Jordan go ahead 36 to 29 as the quarter ended.

Charlevoix outscored the visitors 14 to 13 in the field goal department but lost the game on the free throw line where the Jordanites were successful on 25 of 41 attempts, capitalizing on 25 personal fouls called on Charlevoix. The Rayders hit on 10 of 21 attempts. The Red Devils collected 16 personal fouls.

Sam Supernaw, John Pearl, George Majors, Stan Martin and Henry Wagner started for Charlevoix. Tom Martin joined the line-up in the first period after Majors collected his second foul with 2:52 remaining in the first period; Dan Pearl also saw action in the first period; Don Nowland in the second and Jim Dennis in the third period.

Playing a tight defensive game, three minutes and 12 seconds passed before Supernaw scored the first field goal of the game to make the score 2 to 1 after Bill Cox had hit for one from the free throw line. Before the period ended East Jordan had scored two field goals and the first six of 25 free throws. Charlevoix had six points on three field goals by Supernaw.

In the second period, the visitors spent most of the time on the free throw line, collecting 14 points on eight trips to the line. They also had two field goals.

The Rayders had two field goals by Wagner, a field goal and two free throws by Dan Pearl, two charity shots by Supernaw and one by John Pearl. Majors left the game with 1:14 remaining in the half after collecting his fourth personal foul of the game.

Trailing 28 to 17 at the half, the Rayders came back to score three quick baskets including two from outside by Stan Martin and one by J. Pearl to cut the Jordanites lead to 28 to 23 before the Red Devils scored three points to take a 31 to 23 lead. Supernaw hit on a field goal and Stan Martin added a free throw before East Jordan scored one point from the free throw line to make the score 32 to 26. Stan Martin with a field goal and John Pearl with a single cut the Red Devils lead to three points, 32 to 29 before they pulled away to a seven point, 36 to 29 third period advantage.

As the final period got under way, East Jordan scored six points to pull away to a comfortable lead and go into a semi-stall. Stan Martin went to the bench with 5:04 remaining, followed by Supernaw with 2:08 remaining. In the final period John Pearl scored two field goals, Tom Martin one and Supernaw three singles for a total of nine points. East Jordan scored six of their 13 field goals in this period plus three free throws, two of which were scored after the final whistle had blown.

Supernaw tallied 13 points for Charlevoix followed by John Pearl with eight and Stan Martin with seven.

Louis Kraemer had 17 and Bill Sherman 10 for East Jordan.

Reserves Win Fifth Straight In League

Charlevoix's little Rayders continued to travel the victory trail as they rolled over the East Jordan Reserves by a score of 61 to 33 on the home floor Friday night.

The local five rolled to a 17 to 6 first quarter lead; increased to 37 to 19 at halftime and 50 to 24 at the third quarter before winning by a 28 point margin.

Starting for Charlevoix were Pete Ance, Brendon LaBlance, Bruce Murray, Frank Curtis and Bruce Kroken. Others who joined the line-up were Steve Bergmann, Gary Balch, Herb Cummings, Rick Miller, Jim Stewart, Ben Cunningham, Nick DeYoung, Melvin Holburn, Jim Holmes, Larry Edwards, Charles Mort, Dave Novotny, John Ochs, Joo Smith, Vance Wood and Dwight Boss.

Curtis who ended the game with 26 points, collected five field goals and a free throw in the first period assisted by Ance, LaBlance and Murray who scored one field goal each for 17 points. The visitors were limited to six points including two field goals and two free throws.

In the second period the Rayders scored 20 points including nine by Curtis, three each by Balch and Edwards, two by Bergmann and one each by Ance, LaBlance and Stewart. East Jordan had 13 points.

As the game went into the second half, Curtis scored three field goals, Murray two Ance three gift shots and Kroken one point. East Jordan was limited to one field goal and three charity shots in the third quarter.

In the final perlod, with the line-up changing rapidly as everyone saw action, Blach scored three field goals, Edwards one and Ochs two free throws for Charlevoix's 10 points. The Visitors had nine points on a field goal and seven free throws.

Roberts and Shepard shared scoring honors with nine points each for the visitors.

Grayling Dumps Harbor To Hold League Title

The Grayling Vikings continued to lead the league with five straight wins after dumping Harbor Springs 59 to 37 while Mancelona defeated Boyne City 48 to 44 and East Jordan won over Charlevoix 51 to 38 to throw all four teams into a four-way tie for second place following Friday's action. In the fourth game, Gaylord downed Pellston 52 to 42 to move out of the loop cellar. Harbor Springs was dropped to third place.

Grayling 59 Harbor Springs 47

Paced by Frank Gross with 28 points, Grayling rolled to a 18 to 12 first period lead over the Harbor Springs Rams, increased their advantage to 32 to 25 at halftime and 44 to 38 going into the final period before winning by a 12 point margin. Gary Stutzman had 15 points for the Rams who lost Fran Lauer midway in the final period and Tom Graham late in the final period, via the foul route.

Mancelona 46 Boyne City 44

In another game won from the free throw line, Boyne City outscored the Ironmen 17 to 12 in the field goal department but were outscored 22 out of 25 from the free throw line. The Ramblers who had a total of 20 personal fouls called on them hit on 10 of 23 attempte. Mancelona collected 18 prsonal fouls.

Boyne City took an 11 to 6 first period lead over the visitors, saw Mancelona knot the score 24 all at halftime and then went ahead by two points, 36 to 34 at the end of the third period. However, their margin soon melted as they were outscored 12 to 8 in the final period by the Ironmen. The Ramblers lost Glen Tatham and Doug Grubbe midway in the final period via the foul route. Walt Klein paced the game with 21 points for the Ironmen. Jack Dixon had 13 for the Ramblers.

Geylord 52 Pellston 42

Pellston held the visiting Gaylord Blue Devils to a 9 to 9 first quarter tie but trailed 26 to 14 at halftime after a bad second period when they were outscored 17 to 5. In the third period they managed to cut one point from the Blue Devil lead but still trailed 39 to 28 going into the final period when the Gaylord height and experience made the difference. Merle Cameron had 14 points for the Hornets while big John Johnston, back in the line-up, had the same number for the victors.

THE '61 CHEVY BRINGS JET-SMOOTH TRAVEL DOWN TO EARTH

This is the Impala Sport Coupe — just one of 20 Jet-smooth Chevies!

HERE'S WHAT GIVES CHEVY ITS JET-SMOOTH RIDE—
Full Coil suspension—*Chevy's one of the few cars with a coil spring at every wheel.* Precision-balanced wheels —*For smoother rolling with less vibration.* Sound-hushing insulation—*Sheet metal is carefully insulated against drumming and vibration.* 51 built-in "shock absorbers" —*Cushion the chassis against shock and shake.* Live rubber body mountings—*Extra-large butyl rubber cushions that further isolate the ride from the road.*

Better just circle your dealer's block the first time you try a Jet-smooth '61 Chevy. Get anywhere near an open highway and he's liable never to see you again.

What we mean, Chevy's ride whets your yen to travel. Wins you over with its delightful coil-spring smoothness, its hushed comfort and light steering. You find yourself feeling sorry for people who buy higher priced cars, thinking they have to pay premium prices for a luxury ride.

That may have been true at one time, but not any more. Chevrolet's ride, its roadability, just doesn't take second place to anybody's. Drive one soon and see.

New Executive Officer of Suudew

Courier Photo

Lt. John A. Dearden (right), axecutive officer of tha U.S. Coast Guard Cutter Sundw for the past 34 months, pictured with his successor, Lt. Norman D. Lynch, who arrived hare recently from a Coast Guerd Loran Station in tha Phillippine Island to assume his duties as second in command of the ship that has made Charlevoix its home port since June, 1958.

★ ★ ★

The U. S. Coast Guard cutter Sundew has a new executive officer.

He is Lt. Norman B. Lynch, a 1956 graduate of the U. S. Coast Guard Academy, who came here from a year's duty as commanding officer of a Coast Guard Loran Station in the Philippines to assume his new duties.

He succeeds Lt. John A. Dearden who has been assigned to the U. S. Coast Guard Receiving Center at Cape May, N. J.

Lt. Lynch is a native of West Brook, Conn., and attended Brown University in Providence, R. I., before entering the Coast Guard Academy in New London, Conn. Since receiving his commission, he served aboard the cutter Taney at Alameda, Calif., and as commanding officer of a 95 ft. patrol boat at Alameda before going to the Philippines.

He was accompanied here by his wife, Barbara and two daughters, Nancy, 2½ and Jennifer, who will be one year old Saturday. The family is residing at 201 E. Dixon. While Mr. Lynch was in the Phillippines, his family lived in Westfield, N. J.

Mr. Dearden had served as executive officer of the Sundew since March 1958 and came here with the ship in June of that year when Charlevoix was made its home port. A native of Leominster, Mass., he is a veteran of 14 years in the U. S. Coast Guard and served at the U.S.C.G. Headquarters in Washington, D. C., for 3½ years prior to being assigned to the cutter Sundew.

He left Tuesday for his new assignment, accompanied by his wife, Barbara, and children, John and Ellen. They will make their home at Cape May.

Cmdr. William R. Richards is skipper of the Sundew.

County Cherry Pie Baking Contestants

KIWANIS
CLUB

Courier Photo

Pictured above are the cherry pie contestants and their respective instructors.

They are (l to r) Miss Martha Wilson, East Jordan home economics instructor; Mary Lou Murray, East Jordan; Mrs. C. A. Odmark, home economics instructor, Charlevoix; Donna Berg 3rd. place winner and 1960 county champion, Charlevoix; Jeanette Novak, first place winner, Charlevoix; Mary Jane Zynewicz, Boyne City; Judy Kotalik 2nd place winner, East Jordan; Judy Gerrie, Boyne City; Miss Beverly Trimble, home economics instructor, Boyne City.

★ ★ ★

Can she bake a cherry pie?

She certainly can. . . . and did . . . a pie which won her the Charlevoix county cherry pie baking championship and an opportunity to represent the county in the state contest to be held in Grand Rapids next week.

She is Jeanette Novak, 16-year old Charlevoix high school junior, who was participating in the county contest for the second year when she won the title.

Jeanette, daughter of Mr. and Mrs. Max Novak, was one of six entries in the county contest.

Others were Judie Kotalik, East Jordan high school senior and daughter of Mr. and Mrs. Edward Kotalik, who was runner-up in the contest; Donna Berg, Charlevoix high school junior who was the county winner in 1960 and the daughter of Mr. and Mrs. Leo Berg, who placed third; Mary Lou Murray of East Jordan, Judi Gerrie and Mary Jane Zynewicz of Boyne City.

The bake-off was held at the Charlevoix high school homemaking room Monday afternoon under the supervision of Mrs. Clare Brown, county home demonstration agent. She was assisted by the instructors of the entries, Miss Beverly Trimble of Boyne City, Mrs. Martha Wilson of East Jordan and Mrs. C. A. Odmark of Charlevoix, host teacher.

Judges were Mrs. Marshall Sayles, Mrs. William Huckle and Mrs. Patrick Steiner of East Jordan and Miss Anne Baumgartner of Charlevoix.

On Monday evening the participants and their instructors were dinner guests of the Kiwanis club at their regular Monday dinner meeting.

Mrs. Brown, who has conducted and judged many pie-baking contests, said that this was the most difficult one she had ever been associated with. "Never have I seen so many lovely pies and charming girls. The judges certainly had a hard time coming up with a winner."

Jeanette, accompanied by Mrs. Odmark, will go to Grand Rapids Thursday and Friday of next week to participate in the state contest.

The pie baking contest is sponsored by National Red Cherry Institute, National Red Cherry Producers and Growers and the National Red Cherry Processors, the country contest was sponsored by The Kiwanis club.

The entries are judged not only on their culinary ability but on their poise, personal appearance and personality.

Rayders Meet Defeat from Boyne City

The Boyne City Ramblers dumped the Charlevoix Rayders by a score of 47 to 39 Tuesday night to gain possession of second place in League standing, a positino shared with East Jordan, as the first half of the Northern Michigan Class C schedule drew to a close.

In the meeting the Ramblers took a 9 to 7 first guarter lead which the Rryders overcame to knot the score 21-all at halftime but a bad third period in which they were outscored 12 to 3 put the Rayders in the hole as the game went into the final priod. Though they scored 14 points in the final quarter, the Rayders were unable to overcome the deficit.

Sam Supernaw paced the scoring for the Rayders with 17 points. Jim Dennis, John Pearl and Stan Martin had five points each; Don Nowland, four and Tom Martin two. Gary Spencer was the other starter.

Glen Tatham had 19 and Jack Dixon 12 for the Ramblers.

Soil Conservation Annual Meet to Be Held Here Jan. 26

The 13th annual meeting of the Charlevoix Soil Conservation District will be held on Thursday evening, January 26th, according to Ed Rebman, County Extension Director, and Secretary of the Board of Directors of the soil district.

Continuing the practice of rotating the annual meetings, this year's meeting will be held in Charlevoix in the band room of the high school.

The meeting will start promptly at 8 p.m. with a showing of a movie concerning conservation. This will be followed by the annual business meeting, under the chairmanship of William Korthase, Jr. of Boyne City. The business meeting will include annual reports, treasurer reports, awards of certificates to outstanding cooperators, and the election of one director.

The term of John Wieland, representing the area south of Charlevoix, will expire at the annual meeting. A nominating committee has met and they have selected three nominees for this position. They are: John Wieland, Joseph Stutzman, and William Himebauch. Other nominations will be accepted from the floor.

Following the business meeting there will be local acts from Charlevoix to furnish the entertainment. A lunch will be served by the directors wives to all who attend.

March of Dimes Buffet Sponsored By Airport Inn

Additional plans for benefit events for the new March of Dimes now being conducted in Charlevoix under the direction of Mrs. L.R. Hooper have been announced this week.

The third annual March of Dimes buffet will be held at the Airport Inn Saturday evening through the cooperation of the owners, Mr. and Mrs. Hank Felix and Des Milligan. A committee composed of Mr. and Mrs. Dan Geneit and Mr. and Mrs. Perry Smith are again in charge of the popular event which is held late in the evening.

Date for the annual Coffee Day has tentatively been set for Friday, Jan. 27, according to the chairman, Mrs. William Lusk.

Plans for the annual buffet at the Weathervane Inn Thursday, January 26, are progressing under the direction of the co-chairmen, Mrs. Don Brown and Mrs. Richard Donaldson. Serving will begin at 5:30 p.m. The buffet will feature a choice of many home-cooked foods.

The Mothers' March will be staged Tuesday, January 31, under the direction of Mrs. Carl Johnson and Mrs. Raymond McBratnie.

Coin cards have been distributed in both the Charlevoix Elementary and St. Mary's parochial school through the cooperation of Glen B. Snider, principal in the public school, and Mrs. Edith Stenman, who heads the event at St. Mary's school.

Mrs. Johnson and Mrs. McBratnie, co-chairmen of the Mothers' March, have announced the following will assist in the march which is the major event of the campaign:

Mrs. Eugene Gillispie, Mrs. Harry Strother, Mrs. Cass Russell, Mrs. Arthur Emmons, Mrs. Kenneth Cellner, Mrs. Robert Lieberman, Mrs. Bill Six, Mrs. Richard Bergmann, Mrs. Arnold Loper, Mrs. Frank Novotny, Mrs. Walter Smith, Mrs. Russell Lewis, Mrs. Bernie Ward Jr., Mrs. Lyla Arvilla, Mrs. George McWatters, Mrs. Robert Winchester, Mrs. Don Bogart, Mrs. Kenneth Staley.

Band Parents Stage Annual Dinner Tonight

The annual band dinner, sponsored by the Charlevoix Band Parents Association, will be served at the high school cafeteria beginning at 5 p.m. tonight (Thursday).

Tickets for the dinner will be available at the door according to Mrs. Huge Mayne, chairman of the ticket committee.

Cliffor G. Riley, president and Mrs, Lyla Arvilla, secretary of the sponsoring organization, have lined up committees of band parents who will assist in preparing and serving the dinner. Chairmen of the various committees include Mrs. Riley, dining room; Mrs. Karl J. Erber, decorations; Mrs. Bruce Bartlett, coffee; Robert Withers, serving and Mr. Riley, clean-up. These chairmen will have the assistance of approximately 30 band parents and 15 band members will assist with the serving and act as bus boys.

The meal, which will be prepared by Mrs. Marie Blissett and Mrs. A. D. Cunningham, assisted by a committee of band mothers will feature baked ham, mashed potatoes, vegetable, salad, rolls, dessert, coffee or milk. The same popular price will prevail and children's tickets will be available at half-price.

Early ticket sales indicate that another large crowd will be served. However, it is emphasized that, while the line may be long, the serving will be done with a minimum of delay.

The dining room will open at 5 p. m. and will remain open until all are served.

Funds realized from the event will be used for band equipment projects, Interlochen scholarships and travel expenses for the band.

D. H. Wood, who has been hospitalized at Cheboygan Community hospital since Christmas Day, was transferred to Charlevoix hospital via ambulance Tuesday.

Michigan Is Water Unlimited

It has become an easy habit for residents of Michigan to tell friends elsewhere that "we live in the Water Wonderland," a habit because we are so used to the beauties of our 11,000 sparkling lake, the 3,100 miles of Great Lakes shoreline, the 36,000 miles of rivers and streams rippling through our acres of forest lands.

All this we take pretty much for granted, as it has become a part of our lives in Michigan. A fact that escapes most of us is that without water for industry, most of us would be without jobs, whether we are directly engaged in manufacturing or whether we work in a store, an office or one of the many other service industries.

Water is indispensable in the actual process of manufacturing in many industries. It may be used to temper steel, or to transport raw material or semi-processed material such as salt in solution and wood fibre: to remove scale from iron, and bark from pulp logs. It is used as a solvent and a dilutant in the chemical industry, or as a cleansing agent to remove floating wastes in many other industrial processes.

The amount of water used by industry varies according to its product—it takes about 680,000 gallons to make a ton of steel, 25 gallons of water to produce just one gallon of gas for your car, about 11,000 gallons of water to make the fibre used in a man's summer suit.

No matter the amount needed, when it comes to water for industry, Michigan is indeed "Water Unlimited" as pointed out in an advertisement appearing in your newspaper today.

The advertisement is one of a series being presented as a public service by the Michigan Press Association, of which your newspaper is a member, and the Michigan Economic Development Department.

Serving as a reminder to all of us of Michigan's wealth of natural resources, it is hoped the advertisement will also serve as a means to inform industry in other states of the advantages to be found in Michigan.

You can help spread the word, too, by sending the advertisements to your friends across the country.

Industry's awareness, everywhere, of Michigan's unsurpassed resources can mean benefits for all of us.

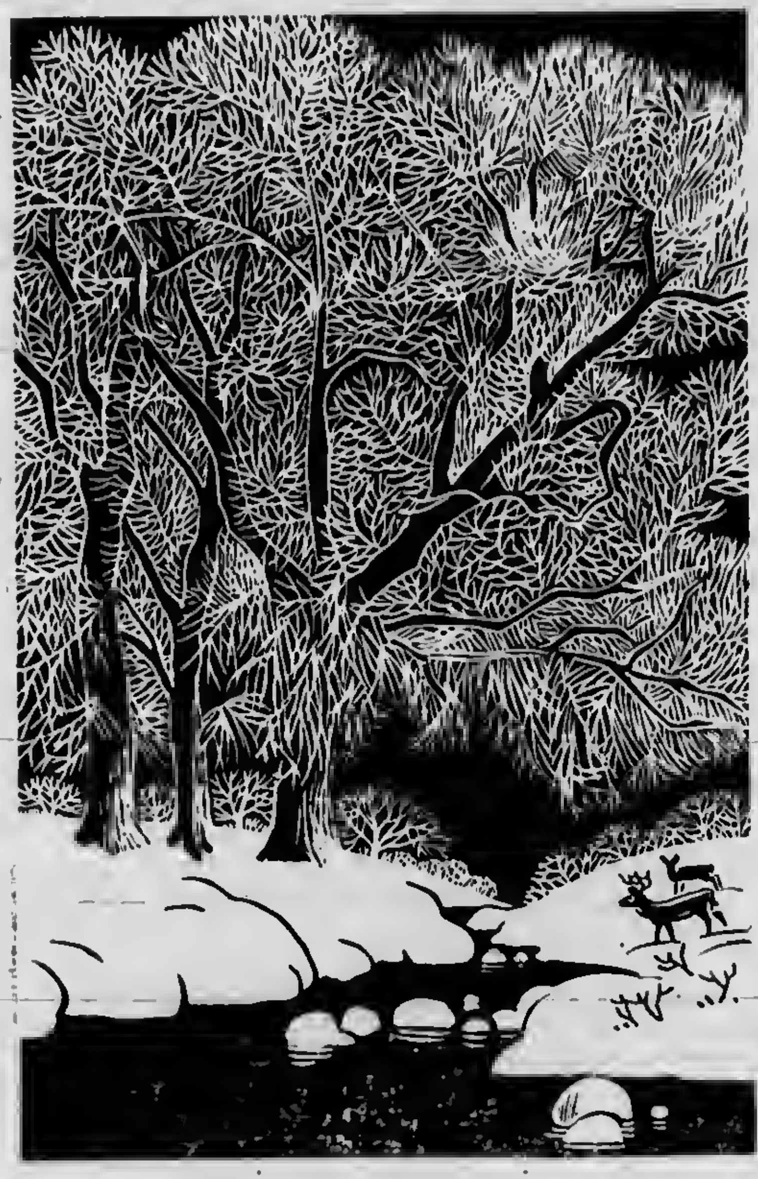
Notes from a northerner's diary

By Harold E. Kohn



A Brief Beauty

Last night all was quiet here on the edge of the woods, the softest, gentlest breath of air was hardly enough to drift a snowflake from its perpendicular path to the earth. During the cold, blue, silent night hours a moist layer of air hovered over the lake shore and the bordering woods, and where it touched the cold surfaces of trees and shrubs the moisture condensed and froze into delicate ice crystals. Now dawn has come, and this is an enchanted morning. The white innocence of the winter landscape is heightened by a shimmering, thick, frost-icing, giving the whole region the appearance of a freshly decorated wedding cake.

Like a wedding cake, the beauty of this morning is transient. It will not last long. A few hours perhaps a day, and the warmth of the sun, or a mischievous, stiff wind, will carry off the brief loveliness, and it will be but a haunting memory.

I've often thought that much of the awesome beauty in the world is related to transiency and dependent upon brevity. This sparkling, crystalline frost will not last forever, nor will the glassy dewdrop trembling on a summer's blade of grass, nor will a sixteen year-old's fresh flush of vitality, high spirits and spotless innocence, nor will a child's carefree laughter. Nor will our days here on earth last forever, and the grandeur of being alive is somehow mysteriously bonded to that fact of their brevity.

A young girl was gleefully describing an amusing incident that occurred on the railroad coach from which she had just detrained. She told how an old woman had crowded into the coach beside her, cramming into the limited space numerous bundles, besids a basket of apples and a bird cage, until the girl could hardly breathe. A listener asked the young lady why she didn't tell the old woman to find another place for her parcels, to which the girl replied, "Why, it wasn't worth making trouble. We had such a little way to go together!" At the best our journey together here is brief. Most annoyances are not worthy of our complaint. Many of another person's thoughtless deeds can be passed over silently.

Why mar our days by grumbling, when life is so beautifully brief and so briefly beautiful?

There seems to be an issue brewing as to what is going to happen to the public library when the school installs a library in the new high school. There is considerable doubt among some residents about the status of the present library since over the years the city has contributed various sums toward maintenance although it has been operated by the school which has also supported it and collected the various tax funds earmarked for library use.

A number of pertinent questions must be resolved when the library is transferred to the new school building. Will the city maintain a public library? Who owns all or part and what part of the books in the present library? If the city operates a library, will a portion of the earmarked library tax funds be available for the city? What strings does the Carneige Foundation have on the present building if it is abandoned as a library? It's time for the public to take an active interest in the situation before the city finds itself without a public library.

Mr. and Mrs. Charles Ness of Petoskey have announced the engagement of their daughter, Judith Anne, to D. Bruce Pease. The prospective bridegroom is the son of Mr. and Mrs. Allen Pease of this City.

Wedding plans have not been completed.

The bride-elect attended the Petoskey high school and is presently employed at City Newsstand. Mr. Pease is a graduate of the Charlevoix high school.

Garden Club to Hear Rev. Harold E. Kohn

Members of the Charlevoix Garden club, headed by Mrs. Clark Coulter, will entertain their husbands at the annual husbands' night dinner and program to be held at the home of Mrs. Jack Rader Tuesday.

Plans for the event have been made by a committee composed of Mrs. Robert Yonkman, Mrs. Pearl Grate, Mrs. Ralph S. Hamilton and Mrs. Coulter.

The 6:30 p. m. cooperative dinner will be followed by a program featuring the Rev. Harold E. Kohn as the guest speaker. He has selected as his topic "When I Step Out of doors".

The garden tip for the month is: Foresight and planning this month will save time in the spring rush.

It's a Girl

Mr. and Mrs. Donald Wells announce the birth of a daughter, Julie May, January 11, at Lockwood hospital, Petoskey.

I See By The Courier . . .

Mrs. A. D. McClain was expected to arrive Wednesday from Phoenix, Ariz., for an extended visit with her son-in-law and daughter, Mr. and Mrs. Ray Wood. While in Michigan she will enter Munson hospital in Traverse City for eye surgery.

Mr. and Mrs. Robert Breidenstein of Boyne City visited Sunday with the latter's parents, Mr. and Mrs. Alfred Gill.

Miss F. L. Edson left here Thursday for Minneapolis Minn., where she joined her sister, Mrs. J.L. Knowlton for a Pacific cruise. The pair will board the SS Monterey Feb. 1 at San Francisco for a cruise that will take them to many South Sea Islands and Australia.

M.J. Foster returned home last weekend from a two week vacation trip to Palo Alto, Calif., to visit his brother and sister-in-law, Mr. and Mrs. Jack Foster. While in the west he attended the Rose Bowl game in Pasadena.

MICHIGAN IS WATER UNLIMITED

Whether in single stream from factory faucet or in thundering volume, water is at work and at hand for industry in Michigan.

Water is almost everywhere in Michigan. Michigan has 11,000 inland lakes and 86,000 miles of streams, and Michigan has a vast underground water reserve. Lake levels vary little, stream flow is stable and, except for very limited areas, ground water levels have shown no apprec change since record-keeping began.

Michigan is almost surrounded by the greatest supply of fresh water in the world, the Great Lakes. Stand anywhere in Michigan and you are within 85 miles of one of the Great Lakes.

Michigan is first in water resources—today, tomorrow and for the whole foreseeable future.

Help carry Michigan's message to the nation. Clip these ads and mail them to people in other states with your own comment. Let's talk up Michigan and its advantages for industry. Together, we can sure a greater future for all of us.

Boy Scouts to Observe Annual Boy Scout Sunday

Five thousand Boy Scouts, Cub Scouts, Explorer and Sea Scouts of the Scenic Trails Council are expected to fulfill their religious duties, "A Scout is Reverent", regularly and in accord with their faith and convictions.

In the Council, Boy Scout Sunday will be observed either Feb. 5 or 12, depending on the program of the various churches according to plans made by one thousand Scoutmasters, Den Mothers, Explorer Advisors, Commissioners and adult committeemen. Plans call for at least two Scouts in uniform with one adult to be present in every church in the Council in order to make Boy Scout Sunday a spiritual success.

More than 300 clergymen have been asked to participate in the program by building their sermonson themes relating to the Christian message and Scouting, according to Dr. Earl L. Baker of Travehse City, chairman of the advisory committee.

Dickens Study Club 18

The Dickens Study club will feature a guest night meeting at friendship hall of the first Congregational church at 7:30 p. m. Monday.

Mrs. L. R. Hooper will speak on the topic "My Experiences as a Wartime Nurse", During World War II, Mrs. Hooper served with the Harvard Unit, a volunteer group, which served with the British troops in England and the Continent.

Dessert will be served by the club officers.

Name Miss Durance President of Past Matrons Club

Miss Frances Durance was elected president of the Past Matrons Club at the annual election of officers held during a meeting at the Durance home.

She succeeds Mrs. Alfred Gill in the office.

Mrs. Floyd Ikens was named vice president and Mrs. Wayne Belding, secretary-treasurer.

The next meeting will be held at the home of Mrs. Frank J. Novotny at 8 p.m. Monday, Jan. 30.

Invited to Attend Inauguration

There were few invitations to the inauguration ceremonies in Washington, D. C., Friday received by residents of Charlevoix county.

However, Mr. and Mrs. Joseph Howe were among the fortunate few who were invited to attend the inauguration ceremony and accompanied events.

Funds for UNICEF Being Accepted

Funds for U.N.I.C.E.F. to purchase supplies for the peoples of the Congo who at present are undergoing hardships are now being accepted at the local school.

Mrs. Charles Bleha is in charge of the program which is voluntary with no planned drive to raise funds for these unfortunate peoples.

To Demonstrate Bomb Shelter

The shelters for which schools in the county have applied for federal assistance for construction will be for demonstration purpose only Gen. George Ely, Charlevoix Civil Defense director, has explained.

Federal funds will be made available to 21 schools in the state. The shelter must then be constructed under the direction of the school and made available for demonstration purposes. The structure, 10 ft. by 10 ft. in size, will then become the property of the school after a given length of time.

The United Nations head quarters now ranks as the top tourist attraction in New York. More than two million persons a year visit it.

Charlevoix Upsets League Leading Vikings 72 to 49

Rayders Hold the Lead All the Way in Game With Grayling Vikings

Playing heads up ball all the way, the Charlevoix Rayders upset the league leading Grayling Vikings by a score of 72 to 49 on the local floor Friday night.

Averaging 18 points a period, the Rayders jumped into a 17 to 11 first period lead; increased it to 36 to 23 at halftime before going ahead 54 to 40 going into the final period to hand the Vikings their first defeat of the current season.

Coach Don Carey started a new combination of players with Jim Dennis and John Pearl playing the forward position, Sam Supernaw at center and Stan Martin and Gary Spencer in the guard positions.

Henry Wagner and Don Nowland joined the action in the second period; Dan Pearl in the third and Tom Martin, Perry Smith, George Majors and Lee Weitenga in the final period.

Supernaw scored first in the game with Frank Gross, top scorer in the loop, knotting the score two-all. In the next two minutes Dennis, Pearl and Spencer had each sunk a two-pointer for an 8 to 2 lead. With 3:44 remaining in the period, Grayling called time out in order to halt the Rayder attack with the score 12 to 5 at that time.

Charlevoix ended the period with a 17 to 11 lead including three field goals by Pearl; two field goals and acharity shot by Supernaw; two field goals by Deunis and one by Spencer. Grayling had four field goals and three charity shots with Gross held to three points.

As the Rayders outscored the visitors 19 to 12, Pearl added seven points including one free throw; Supernaw three field goals; Dennis two and Martin one. The Vikings' scoring was limited to three field goals and six free throws as the Rayders led by a 13 point margin at halftime

As the second half got underway, the Rayders continued to control the game as Supernaw dumped in three field goals and one free throw; Martin added six points including two free throws; Pearl two field goals from outside and Nowland a free throw.

The Vikings had their best period, field goal-wise, scoring six plus five gift shots.

With the final period less than a minute old, Martin left the game with five fouls with 7:27 remaining and was replaced by Spencer. At the 6:28 mark, Dennis collected his fifth personal foul and was replaced by Tom Martin.

The short-handed Rayders, however, were not to be denied as they continued to dump in the double-counters with Supernaw tallying five; Pearl three and Nowland one to bring the Rayders total number of field goals to 33 for the game. Grayling had nine points including four field yoals by Gross.

Little Rayders Dump Grayling Reserves 61-35

Charlevoix's little Rayders made it six in a row in league play Friday night as they dumped the visiting Grayling Reserves 61 to 35 in a game which saw the local quintet lead all the way.

Charlevoix jumped into an 11 to 3 first period lead; increased it to 24 to 12 at halftime and 38 to 30 going into the final period when they outscored the visitors 23 to 7 for the victory.

Pete Ance Brendon LaBlance, Bruce Murray, Frank Curtis and Gary Stutzman started for the Rayders. Bruce Kroken, Gary Balch, Steve Bergmann, Nick DeYoung, Herb Cummings, Larry Edwards, Rick Miller, Dave Novonty, Jim Stewart and Dwight Boss also saw action.

In the first period Ance scored two field goals, LaBlance three points and Murray and Curtis a field goal apiece to account for the Rayders' 11 points. Grayling had three points on a field goal and free throw.

In the second period the young Vikings had nine points on four field goals and a single while Curtis was dumping in three field goals, Ance two and LaBlance one with Balch adding a charlty shot to give Charlevoix a 24 to 12 halftime lead.

Going into the second half the visitors had their best period, scoring 16 points on six field goals and four gift shots while Charlevoix had 14 points including eight by Curtis, three by LaBlance, two by Stutzman and one by Ance for a 38 to 28 lead as the period ended.

In the final period Curtis added eight more points; Murray five; Balch four; Ance three; Edwards two and Kroken one for 23 points despits the fact that 10 players other than the starters saw action.

Curtis tallied a total of 24 points including 10 field goals; Ance added 12; LaBlance eight; Murray seven and Balch five.

Fellon had 12 for the Viking reserves

A Grayling player, center Sherm Neal, reached in vain for the ball as Rayder guard Stan Martin (30) scored against the league leading Vikings, upsetting them in a 72 to 49 rout on the local floor Friday night.

Awaiting the descent of the bell are Viking Tom Neel and Rayder Gary Spencer.

NMCC Teams Remain in Four-Way Tie for Second Place in League

While Charlevoix was upsetting the Grayling Vikings by a score of 72 to 49 Friday night, East Jordan was edging Harbor Springs 55 to 52; Boyne City was defeating Gaylord 35 to 20 and Mancelona was rolling over Pellston 59 to 36 as all victors remained in a four-way tie for second place in Northern Michigan Class C League standings.

East Jordan 55 Harbor Springs 52

It was their performance from the free throw line that again won the game for the East Jordan Red Devils who trailed the Harbor Springs Rams most of the way until the final minutes when Louis Kraemer put them ahead by scoring four free throws on two trips to the line as time ran out.

The Jordanites had trailed 16 to 13; 25 to 23 and 38 to 35 by quarters. The Red Devils were outscored 20 to 17 in the field goal department but collected 21 points on 32 tries from the free throw line while having only 13 personal fouls called on them. The Rams collected 23 personal fouls and hit on 12 of 17 attempts. Kraemer paced the visitors with 20 points. Gary Stutzman had 18 for the Rams.

Boyne City 35 Gaylord 20

With Gaylord hurting from the loss of regular forward Dave Dresback who was out of the line-up with an ankle injury, the Blue Devils were never in the running against Boyne City who led 7 to 2; 18 to 7 and 27 to 14 by quarters. Glen Tatham had 17 points for the Ramblers. John Johnston and Larry Simpson came through with six points each for the Devils.

Mancelona 59 Pellston 36

Paced by Walt Klein who had 16 points for the game, Mancelona led the cellar dwelling Pellston Hornets 13 to 5; 31 to 14 and 46 to 23 by quarters. Tom Moeke came through with 12 and Denny LaCroix with 11 for the winning cause. Denny Steele had 12 points for the Hornets.

It would seem that young people ambitious to become President of the United States would do well to study law—23 of our presidents have been lawyers and President-elect Kennedy, a graduate of Harvard Law School, will make the number 24.

Schedule March of Dimes Events for Weekend

The 1981 March of Dimes continues with several major fund-raising projects planned for the coming week according to Mrs. L. R. Hooper, local fund chairman.

A buffet dinner will be held at the Weathervane Inn tonight (Thursday) with Mrs. Don Brown and Mrs. Richard Donaldson in charge of the event. The owners and manager of the popular eating place are donating the facilities of the Inn for the third year. Music for dancing following the dinner, which begains at 5:30 p. m. will be the John Kay Trio with the musical aggregation donating their services.

Friday will be Coffee Day in Charlevoix according to Mrs. William Lusk, who is arranging the special day. Cooperating in donating the proceeds of all coffee sales to the March of Dimes on this day will be the Chatterbox, the Sugar Bowl, Williams Newsstand, Schroeder & Hovey Drug, the Coffee Cup and Liston's Grill.

Mothers of the community will march Tuesday to accept donations for the new March of Dimes devoted to the prevention of polio, birth defects and arthritis. The March will begin at 7 p.m. and continue through the evening with more than 35 mothers participating.

Tentative plans are afoot for a teen-age dance for the benefit of the March of Dimes. William Supernaw, high school senior, and Connie Oleksy are completing arrangements for the event tentatively scheduled for Feb. 4.

Ronald Geer will be in charge of a blanket pitch during the Charlevoix-Mancelona game here tomorrow (Friday) night.

The buffet supper at the Airport Inn Saturday night planned by Mr. and Mrs. Dan Geneit and Mr. and Mrs. Perry Smith netted $111.26 according to Mrs. Hooper. The total included a $25 donation by the owner, Mr. and Mrs. Henry Felix and Desmond Milligan who also donated the facilities of the Inn. Hams were donated by the Bay Shore Packing Co., Kroger Co. and Thompson-Cain Meats. Maxbauer Creamery donated dairy products.

The blanket pitch held during the Charlevoix-Grayling game, arranged by Lorraine Heise, high school senior, netted $41.80.

Mrs. Hooper joined with Mr. and Mrs. Smith and Mr. and Mrs. Geneit in thanking all those who contributed to the success of the buffet supper Saturday.

Development Corp. Elects Directors At Annual Meet

Four incumbents directors of the Charlevoix Decelopment Corp were re-elected for a three year term at the annual meeting of the shareholders held Friday evening at the city hall. Directors re-elected were A. L. Livingston, elected were Archie L. Livingston, Harold M. Totten, Frank Novotny and Joseph R. Williams. Vice president Totten presided at the meeting in the absence of President Ralph V. Hess.

Mr. Livingston, treasurer, reported the corporation now has $10,440.05 on deposit with another payment of $1,500 due in February on the industrial mortgage held by the organization.

Shareholders discussed the possibility of re-investing this money and raising additional funds if a satisfactory industrial proposition were presented. It was pointed out by the officers that the by-laws specifically stato that the money on hand be used only to redeem the outstanding stock of the corporation when the mortgage is paid in full. There are four more payments on the mortgage including the payment due in February.

Officers of the corporation will be elected by the directors at a later date.

Annual Band Dinner Reported Successful

The annual dinner sponsored by the Charlevoix Band Parents Association is expected to net more than $400 according to C. A. Odmark, band director and chairman of the ticket committee.

While returns are incomplete, it is indicated that receipts for the dinner will exceed $600 with expenses totaling opproximately $200, leaving a profit that is expected to exceed $400, Mr. Odmark said.

A record crowd of 571 people were served at the dinner with 296 being served during the first hour, a remarkable feat considering the limited facilities of the present cafeteria. Credit for this, Mr. Odmark commented, must go to the efficiency and cooperation of the more than 35 band parents, the 16 band members and especially to the school cooks, Mrs. Morie Blissett and Mrs. A. D. Cunningham, who did their usual fine job of organizing the preparation of the meal.

Mr. Odmark expressed the gratitude of the 125 band parents to oll those who supported the project by purchasing tickets and attending the dinner.

Robt. Livingston Elected Director State Savings Bank

Robert B. Livingston, cashier of The Charlevoix State Savings Bank since 1959 and on the bank staff since 1945, was elected to the board of directors January 17 at the annual stockholders meeting. The election of Mr. Livingston increases the board membership to six directors.

Following the stockholders meeting the directors re-elected officers of the bank: Harry A. Craig, president; and Archie L. Livingston, executive vice president. Other directors are P. D. Campbell, Cornelius D. Geiken and Edward J. Edwards.

Stockholders were informed the bank had experienced the best year in its history, according to Archie L. Livingston.

Fire Wipes Out Buttliere Home

The home of Mr. and Mrs. Jerome Buttliere located five miles south of here on US-31 was completely destroyed by fire late Tuesday evening.

The family, including four children, escaped the fire in only the clothing they were wearing.

Mr. Buttliere told Fire Chief John Curtis that he had gone to the basement shortly after 9 p. m. and found the entire area over the furnace in flomes. Mrs. Buttliere called the Charlevoix fire department and then she and her husband rushed to the upstairs bedroom to awaken their children, Carol, 10, Jerome, 9, Kathy, 7, and Toni 5, and carry them from the house.

The fire spread rapidly through the partitions of the two-story frame building and the couple was unable to save any of their possessions.

Fire Chief Curtis said the entire structure was engulfed in flames when the fire department arrived. Winds up to 25 miles an hour, near zero temperatures, heavy snow and a shortage of water hampered the efforts of the fire department to save at least a section of the structure. The loss is partillay covered by insurance.

The family was housed at the home of Mrs. Buttliere's parents, the Martin Elzingas, and her brother and sister-in-law, Mr. and Mrs. Richard Elzinga, for the night.

The house had been badly damaged by fire 2½ years ago and the couple had completely re-built the structure, installing a new bathroom, lower ceilings, re-plastering walls and were prepared to redecorate the entire house, Mrs. Elzinga Sr. said Wednesday morning.

LGMF Directors Hold Mid-Winter Meeting

The administrative committee of the Lenore Goldman Myer Fund met Thursday at the home of the chairmen, Mr. and Mrs. Arthur Ranger, for a mid-winter meeting.

At the meeting, Robert Bridge, treasurer of the fund, reported that $681.00 had been spent during the fiscal year that ended Aug. 1, 1960. He added that the amount spent since the fund was established now totals $19,144.10 or approximately $1,000 annually.

Among the projects financed by the fund is milk for children who might not otherwise receive the nourishing food. The fund underwrites the cost of the milk at the Charlevoix public, St. Mary's parochial and Charlevoix Retarded Children's school.

The fund was established in 1942 as a living memorial to the late Lenore Goldman Myer, daughter of Mrs. Alvin D. Goldman and the late Mr. Goldman, The fund offers emergency assistance with the exception of medical aid to persons in the Charlevoix area who are not receiving financial assistance form other sources. The fund has underwritten the cost of clothing, food, coal and fuel oil and other materials for residents of the area who have suffered a misfortune such as a fire or who have needed temporary assistance for o sbort time.

In making his report, Mr. Bridge said that the fact that the fund has spent less in recent years speaks well for the economy of the community and for the residents of the Charlevoix area who have had to ask for assistance only when in dire need.

Miss Frances Milner was named to the revolving committee to succeed Mrs. Charles Hamlin. Other members of this committee are Mr. and Mrs. James Hiller and Mr. and Mrs. Gordon Freedman.

Members of the permonent committee are Mr. and Mrs. Ranger who serve as co-chairmen, Mr. and Mrs. Bridge and Mr. and Mrs. W. F. Meyer.

March of Dimes Benefit

A community card party will be held at the Norwood Community hall ot 8 p.m. Saturday for the benefit of the March of Dimes according to Mrs. William Parsons, fund chairman for Norwood.

A potluck lunch will follow.

Everyone is invited to attend the event and lend their support to the March of Dimes.

Edw. K. Shanahan Named Delegate To GOP Convention

Delegates to the Charlevoix county Republican convention last week Wednesday elected four delegates and four alternates to the State Republican convention to be held in Detroit. They also heard reports on the legislative situation and were briefed on political trends.

Delegates elected at large were Edward K. Shanahan with Mrs. Arthur K. Rouse of Boyne City as alternate.

Area delegates elected were: Charlevoix, Lee Moerland with Clarence Meggison alternate; Boyne City, Arthur Speltz with Arthur Rouse alternate; East Jordan, Howard, Porter with Ralph Price alternate.

In reviewing the Legislative situation, Representative Clarence Meggison stressed particularly the pressure being put on members of the legislature for more expenditures of state funds. He suggested the only means of combatting the pressure would be an organized effort by those who want more economy in state government.

Mr Shanahan, county chairman, suggested those who are conservative in their beliefs to be more active politically. He pointed out the difference between a reactionary and a conservative approach to the problems. He cited a significant trend was shown in the last election toward the conservative side and called attention in particular to 24 socialistically minded members of congress who were defeated by young Republicans.

What Makes Main Street Go?

This week, like every week, throughout the 50 states some 11,000 smaller daily, weekly and semi-weekly newspapers will "go to press". These papers will carry the only broadly circulated written record of the people and events, the problems and opinions that shape our lives in the community, the state and the nation. The editorial pages provide the greatest forum of independent free expression in the world. The value of this in a country where majority opinion will decide public policies with which we all must live cannot be overestimated.

On the pages af these thousands of newspapers will appear the advertising that gives the spark to the engine of private enterprise. Our tremendous transportation and retailing system, capable of moving and displaying all the nation's wares would be of little benefit, unless people knew what products were available, at what cost, where they could be purchased, and in addition, were inspired to buy.

Advertising makes Main street go in every city, town and village. The head of every family knows that the only way to find the right price for the quality merchandise desired is to look to the advertising. The alternative would be to spend endless hours in an attempt to find out who has what.

It is advertising that enables the newspapers to provide information, and local interest news to the communities they serve. There would be no free press were it not for the advertising by local merchants and industries who support the press but do not control it.

Whether you are selling, buying or merely interested in remaining a free informed citizen of the United States, advertising performs a three-sided and indispensable service.

A Forerunner of Progress

It is often necessary to bring down to the local level. progress that is being made in a state in order for individuals to appreciate the benefits they receive.

A recent comment in the Riverton (Wyoming) Ranger, illustrates how American enterprise grows ahead of the nation. The Ranger said, "In the Riverton area, a new 34,000 volt electric line was put in use in 1953. The 50 mile line was to have capacity for the community for the next 15 years. After seven years, the line capacity is already full, a new one with eight times the capacity is only months away from use."

This progress "just couldn't happen", stated the Ranger, "if there wasn't a supply of abundant, reliable low cost electric power in the state. . . making possible industrial and mineral industry growth which brings with it prosperity in Wyoming."

The Wyoming situation expresses graphically the part taxpaying, investor owned electric companies play in the development of any community in the nation. The completion of Big Rock Point nuclear plant may well release a potential industrial expansion that can benefit Charlevoix and the adjacent areas.

Adventures in Understanding

Notes from a northerner's diary

By Harold E. Kohn

Prayer for A Sick Boy

O God, Our Father,
To whom all the greatest of earth
Are but little children,
And to whom all the little people of earth
Are great,
Hear our fervent prayer
For a child who is ill.
Accept our thanks for him,
For all his better hours,
For every delight he has found
In sweet, simple pleasures,
For his royal reign
Over a boyhood kingdom
Of toys, puppies
Rabbits and fish,
For all the joys he has brought
To hearts that love him.
We are grieved that he is ill,
But we are glad he is alive.
We are distressed by his pains,
But we praise Thee for moments of relief,
And for every hour of restful sleep.
Merciful Father,
Restore health to his body
And joy to his heart.
May the secret places of his spirit
Hide no doubt or fear,
But rather give shelter to happy thoughts
In his wakeful hours
And happy dreams while he sleeps.
Grant him the abiding confidence
That he is loved
By all whom he loves
And, above all, by Thee.
Give him strength
For his uphill climb
Through this illness.
Then lead him on his way
Up the road of a good and useful life—
Singing.
Amen.

telephone lines

By LES JOHNSON, *Manager*

"NUMBER, PLEASE?" . . . According to our best information, this famous phrase originated in Chicago, way back in 1895. Before this, telephone operators responded with such phrases as: "What do you want?", "Hello", "Number?", and "What number?". The whole Bell System adopted the words in 1904—so you can see that our present operators are following a long tradition of courteous service.

SOMETHING NEW ON THE DIAL of most telephones being installed these days is an Area Code. The Area Code is part of your telephone "address," indicating your section of the country. Printed on the dial, it's easy to give your Area Code to persons in other parts of the country who call you. If they use the Area Code when calling you, their calls will go through faster, whether dialed direct or put through by an operator. Your Area Code is used only for calls from distant places—never on local calls, or calls to phones with the same Area Code.

AREA CODE 313

A NEW VOICE aid has been developed by Bell Telephone Laboratories for those who have lost the use of their vocal cords. Weighing only seven ounces, this artificial larynx is battery-operated. It comes in two types: one unit simulates a man's voice, one a woman's. It is being made available on a nonprofit basis. For more information, just call your Michigan Bell business office.

Masons Swamp IOOF in Cribbage

The Masonic cribbage players retaliated Thursday night in the third round of the annual cribbage tournament with the Oddfellows who had won the first two rounds of play. In the third round the Masons tallied a 549 score, wiping out the Oddfellow lead of 109.

Ira Olney was high score player for the Masons and Dewey Hosler took the honors for the Oddfellows.

Kowalske-Blisset Vows Spoken At First Congregational Church

In a quiet ceremony solomnized at the First Congregational church Saturday evening, Mrs. Betty A. Kowalske of Boyne City became the bride of William F. Blissett of this city.

The bride is the daughter of Mrs. Edna Eaton of Boyne City and Earl Barkley of Woodland. The bridegroom is the son of Mrs. Nathan D. Blissett and the late Mr. Blissett.

The Rev. James P. Sherman officiated at the single ring service in the presents of their immediate families and close friends. Arrangements of white mums and lighted tapers decorated the altar for the candlelight ceremony.

The bride selected a pastel blue orlon jersey dress fashioned along princess lines, matching blue accessories and a corsage of pink rosebuds for her wedding.

Mrs. Harvey Cole of this city, sister of the bridegroom, as her only attendant, wore a pastel pink jersey gown, matching accessories and acorsage of pink roses.

Mr. Cole assisted his brother-in-law as best man.

Mrs. Eaton chose a navy gown and matching accessories for her daughter's wedding. Mrs. Blissett, mother of the bridegroom, wore a navy dress and navy and white accessories. Corsages of red roses complimented their costumes.

Immediately following the ceremony, a reception for relatives and friends was held at the home of the bridegroom's mother. Arrangements of white mums and pink rosebuds decorated the refreshment table which was centered with a three-tiered wedding cake.

Following a wedding trip to Phoenox, Ariz., the couple will return here to make their home at 406 Burns st.

The bride attended the Boyne City high school and has been employed at the Boyne Products Co. In Boyne City. Mr. Blissett, who attended the Charlevoix high school, has sailed for the past 11 years for the Peckands-Mather Steamship line and during the recent navigation season served as second assistant engineer aboard the George Armstrong.

Michigan Mirror

By ELMER E. WHITE

G. Mennen Williams has a habit to deal with if he wants to do well in his new job as Assistant Secretary of State for African Affairs in the administration of John F. Kennedy.

Put simply, Williams must change the habit of speaking his mind in public on whatever issue he wishes or any question that is put before him.

For 12 years, Williams has been the public leader of the Democratic party in Michigan. As such, he had to answer primarily to himself for any view he might express on any issue. In short, Williams was the chief policy maker of the particular organization which he represented and as such he was a leader to be followed. In Washington, it is a different story.

As a member of the Kennedy "team," Williams must be extremely cautious not to embarrass or offend the administration. His job, though it may truly deal with more important questions than he faced in Michigan and be of greater significance from the standpoint of world governmental affairs, is nevertheless that of an underling.

That Williams recognizes the difficulty of his new role is certain. He has admitted he will miss the "individual eminence" which he had as governor. As he made the transition, Williams said he "can't say very much now because now I don't speak until I hear the leader speak".

The adjustment is, of course, one which many people have made before Williams. But Williams served as a chieftain for much longer than most who leave to become indians in the war party of another. He also held a special position among Democrats and was even instrumental in helping his new boss get elected President.

Still, there is no doubt that the habit of 12 years will be hard to break, even for a man of Williams intellectual ability.

Dignified Otis M. Smith, Michigan's Auditor General and the first Negro to be elected to statewide office, takes himself and his job seriously. Above all, he believes in his own real ability to do the job to which he was elected.

Smith is proud to be the first of his race to attain such a high position, but he is also cognizant of the fact that it was ability and not inheritance that brought him to a position of leadership.

He also seems to feel deeply the gratitude and humility toward the people who elected him that some politicians might sham.

Smith compiled a distinguished record as an attorney, and as chairman of the Public Service Commission before Gov. G. Mennen Williams appointed him Auditor General to fill the vacancy created when Frank Szymanski left to take a Wayne County Judgeship.

Smith's election apparently came, not because of the fact that he is a Negro, nor in spite of it, but because voters felt he had demonstrated that he could do the job.

"Yellow Jaundice", the liver-damaging ailment which is really infectious hepatitis under another name, hit a peak in Michigan during 1960. State health department officials said the disease should decrease slightly in 1961, if it runs true to its pattern of reaching a peak about every six or seven years.

The more than 2,000 cases of the disease reported in the state last year came close to doubling the previous record, set in 1954

Michigan mirrored a national increase in the disease during 1960. Sanitation breakdowns in certain communities during an unusually wet spring season were largely to blame for the jump, officials said.

Infectious hepatitis spreads through the intestinal-oral route, the doctors said. Best protection against the disease is a high degree of personal cleanliness, with frequent hand washings a necessity. Winter and spring, when family members are in frequent close contact, are the peak times for outbreaks.

CARD OF THANKS

I sincerely want to thank the Doctors Grate and Saltonstall, the nurses, nurses aids and all those who were so kind to me during my stay at the Charlevoix hospital. Also I want to thank the ladies of the Baptist church and of the V. F. W. Auxiliary for their cards and flowers; Rev. Lewis for his words of cheer and his prayers, also my very dear family who took care of everything at home. God bless you all.

Yours sincerely,

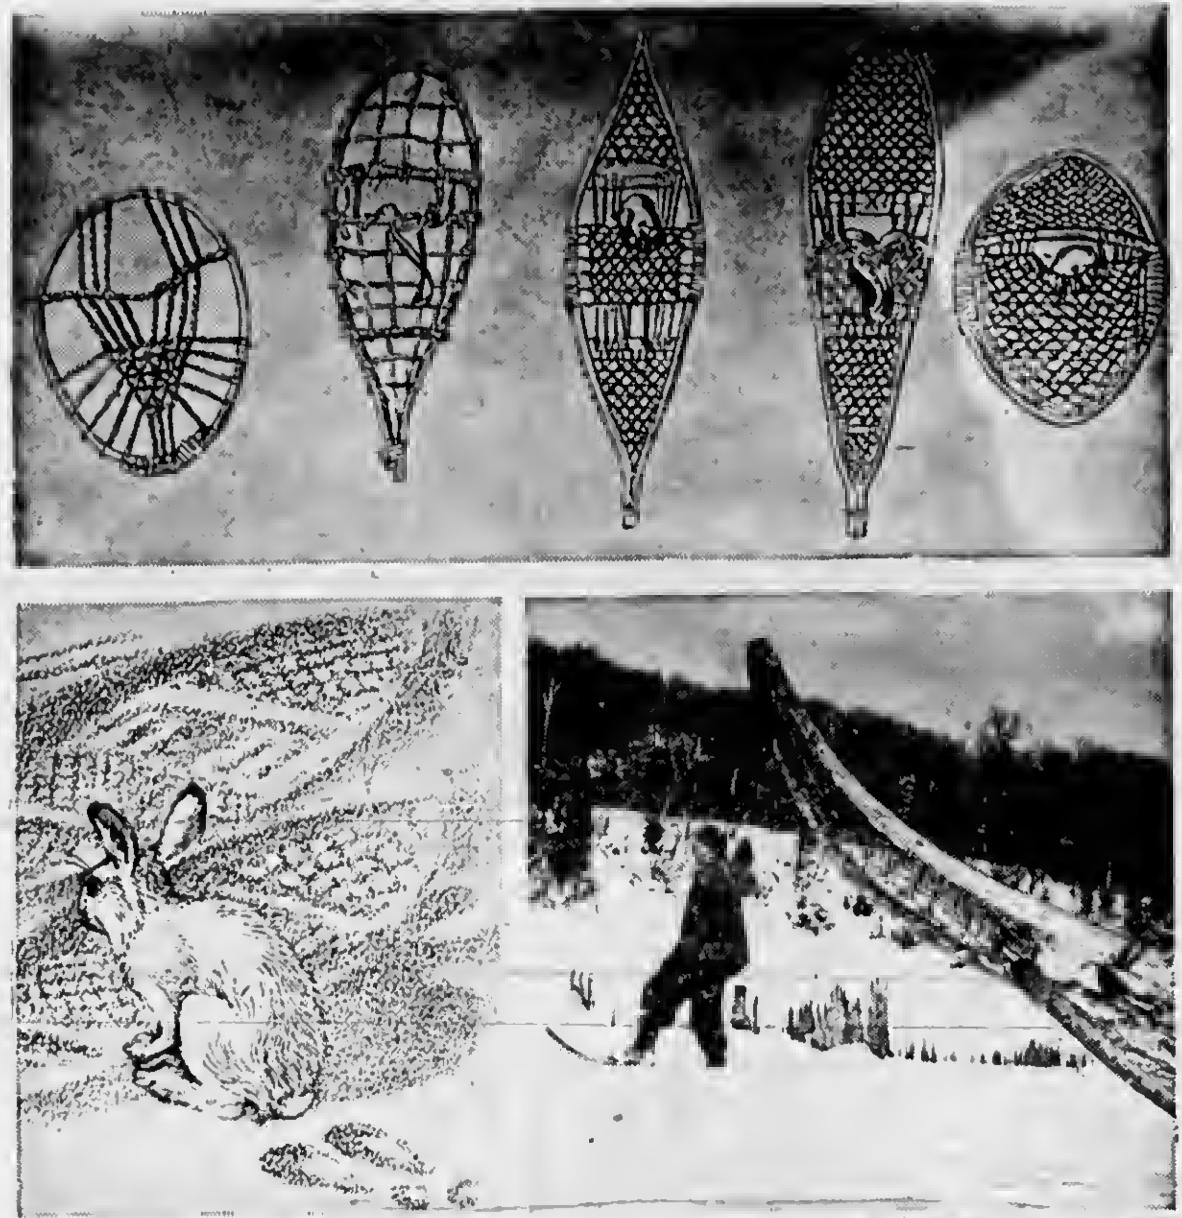
Webbed Feet of The North



The history of man's existence in northern, deep-snow regions of the world is essentially based on snowshoes. His expansion into northern inland areas can be traced to the first webbed snowshoe, the bearpaw type (upper left), which dates back some 2-3000 years. Scores of other styles have since been developed, stemming from the five basic frames above. Different as these styles are, they were all designed to give northern man the same mobility long enjoyed by the varying hare whose nickname, snowshoe, comes from his large hind feet. Snowshoes are just as important now as they were thousands of years ago to northern hunting groups who survive by means of daily game kills. Here in Michigan they are invaluable to trappers and hunters as well as foresters, game men, and conservation officers who survey an[illegible] areas.

Mich. Dept. of Conservation

* * *

In all the northern wooded regions of the world, man's survival through harsh winters has for ever been vexed by problems of deep snow.

How can a man move through deep snow? How can he find food? If war comes, how can he chase or retreat?

The snowshoe hare long ago developed large hind feet for support while being chased through deep snow. The bear learned to store up fat and snooze away the deep-snow months. Birds fly south. Wolves and coyotes, in packs, take turns running down a snow-weary quarry.

Developed Physical traits, hibernation, migration, pack hunting; these serve the animal world in the struggle against snow and cold.

Man, on the other hand, could not hibernate, was frequently loath to migrate, and found his body puny against the rigors of winter. Pack hunting, wolf-style, proved helpful, but provided only a partial answer. Various aids, such as clothing and housing were needed to get the frail human machine through wintertime. And because deep snow mired all movement by foot, the vast inland areas of the northern continents remained unoccupied for centuries.

Then, about 6,000 years ago, after man had been on earth half a million years, the idea of snowshoes as n means of winter travel was hatched. It is thus very recent in man's history. The idea was born somewhere in central Asia between 3,000 and 4,000 B. C., and apparently in a single locale.. Furthermore, snowshoes were not developed independently anywhere else, as frequently happened with early "inventions."

There is of course no record of that first crude snowshoe, either where made, by whom, or of what material. But the idea spread from that part of origin to Europe and eastward across Siberia. It probably crossed the Bering Strait into this continent about 3,000 B. C.

At that time, it was a very simple "plank-type" of foot attachment, a wooden snowshoe, unlike the same types of today It had none of the webbing, upturned toe, or framework known in the present-day snowshoes.

The grand-daddy of all present webbed snoeshoes, the circular bearclaw type, followed the plank by 3,000 years, crossing from Siberia to Alaska about the time of Christ.

When it arrived in Alaska, this early webbed snowshoe was on the feet of an Athabascan-type Indian. It was flat, round, had no toe-hole, and was attached to the foot by wrapping thongs several times through the shoe and around the foot. The branches or stripes of hide that served as weaving material were threaded haphazardly onto the frame.

The webbed snowshoe moved south and east through the heavy snow belt of North America. The jounrey took 1,000 years, more or less, to penetrate from the Bering Strait to the central and eastern United States. Michigan and the Great Lakes area have thus known "snow-shoed" feet for probably less than 1,000 years.

In range, snowshoes are sharply limited to northern hemisphere areas of heavy snowfall. Eskimoes of the tundra have little need for them, their world being mostly ice-covered. And further south, snowshoes have been used locally for marsh travel, but with doubtful success; so that in general, they are limited in use to locales where 100 or more inches of snowfall in a year.

This range includes North America, northern Japan, Outer Mongolia and Siberia, northern Europe, Scandinavia, and a few smaller areas. In North America, the range is mainly north of the Mason-Dixon line, although snowshoes are commonly used in the California mountains, southern Nevada, and as far south as the Rio Grande Valley in New Mexico.

All those northern inland areas named above became habitable after the sonwshoe was invented The most important factor that made for this expansion inta the interior was that man could now track and catch his food animals regardless of snow depths. Living inland in the winter called for constant travel to traplines, gamo runways, and wildlife concentration points. When the snowshoe arrived, bison, reindeer, and caribou all became available on a day-to-day basis

The snowshoe was necessary for this original inland migration, and it is still of life and death importance to the northern hunting groups who survive by means of daily game kills.

Scores of separate types have developed since the first webbed snowshoe came on the scene, stemming from these five basic frame types: 1) the bearpaw, having a one-piece frame with a round toe and round heel, 2) the unnamed but widely used one-piece frame with a round toe and pointed heel, 3) the Athabascan, having a two-piece frame with a pointed toe and pointed heel, 4- an alternate Athabascan type, having a two-piece frame with a round or squarish spliced toe, and a pointed heel, and 5- the Naskapi, limited to northeastern Canada, having a two-piece frame with a round toe and round heel.

The wooden snowshoe really occupies a separate catagory, and was a type which failed to prosper in North America. The opposite was the case in Europe, where plank snowshoes prospered at the expense of the webbed type.

The most common type of snowshoe used in Michigan today is the one-piece frame with a round toe pointed heel, and two mortised crossbars. Excepting the bearpaw, to which it is related, this is the oldest frame type of snowshoe known and has proved its serviceability throughout North America for centuries.

The Athabaseans, for example, developed the upturned toe now common in the Great Lakes snowshoes. They developed the two types of frames which bear their name. They founded a sysstem of rights and left for snowshoes, presumably to ease walking. They have used up to six crossbars in their snowshoes.

The Algonkian Indians of Central Canada and the Great Lakes, meawhile, developed the hexagonal weaving commonly found here and originated the use of a selvage throng around the inside of the frame on which to attach the netting.

It is not known which of the two nations developed rectangular weaving or the use of a toe-hole, but both participated in these improvements. Both Indian groups probably participated in development of the single crossbar without mortising, the principle of mortising crossbars into frames, and the use of two crossbars as in Great Lakes snowshoes.

Rayders and Mancelona Tie for 2nd Place in Loop

★ ★ ★

Rayders Score Win Over Pellston Hornets

The Charlevoix Rayders got back on the victory trail Friday night by dumping Rellston 56 to 47.

The Rayders are now tied with Mancelona for second place in loop standings with three other teams, Boyne City, East Jordan and Grayling, sharing first place.

Jim Dennis, John Pearl, Sam Supernaw, Stan Mártin and Gary Spencer started for the Rayders. George Majors entered the line-up in the first period; Don Nowland in the second and Danny Pearl in the third.

The Rayders edged into an 11 to 10 first period lead; held on by one point, 28 to 27 at halftime; went ahead 41 to 37 at the three-quarter mark only to see the Hornets close the gap to three points before the Rayders pulled away for the nine-point victory.

Charlevoix went ahead 11 to 10 in the first period on two field goals by JohnPearl, three points by Majors and two free throws each by Dennis and Martin. The Hornets also had three field goals and four free throws.

Both teams scored 17 points in the second period with Supernaw scoring six points, Majors, four; J. Pearl, three and Nowland, one field goal. Pellston had only three field goals but collected 11 charity shots incuding eight by Merle Cameron who also scored one field goal.

As the game went into the second half, Charlevoix started to hit for double-pointers with Supernaw scoring three and Martin, Spencer and Majors one each. Danny Pearl had one free throw. The Hornets scored four field goals and two gift shots.

In the final period the Hornets closed the gap to three points before the Rayders pulled away for the victory. Martin scored six points, Spencer, four; Supernaw, three and Dennis, two as Charlevoix outscored Pellston 15 to 10. Pellston had four field goals and two free throws.

Supernaw paced the scoring for the victors with 15 points. Merle Cameron was top scorer for the game with 20 including six field goals and eight out of nine free throws.

This Week with Class C Teams

Boyne City and East Jordan will battle it out for a share of League lead when they meet on the Ramblers' floor Friday night to headline the action in Northern Michigan Class C league.

In other games Charlevoix will host Mancelona in a game to decide possession of second place in the standings; Harbor Springs will travel to Gaylord and Grayling will entertain Pellston.

Boyne City and East Jordan, tied with Grayling for the top spot in the loop, will square off against each other this week in a game which promises to be a battle from the start to final horn. Each team has been defeated twice, the Ramblers by Grayling (52-47) and Mancelona (46-44) while the Red Devils have lost to Grayling (60-50) and Boyne City (39-38). Since their early meeting with the Ramblers, the Jordanites have shaped up into a smooth working outfit who have learned to utilize their height to advantage and have not lost a game since the holidays. The Ramblers, on the other hand, lacking height have played only mediocre ball and have not looked particularly impressive at any time. If they are to retain a share of first place, the Ramblers will have to play head-up ball all the way. However, the Jordanites, by virtue of their height and record of four straight win, wil be slightly favored in the meeting despite their earlier loss to Boyne City.

In their first meeting with the Ironmen, the Rayders lost by a 10-point 55 to 45 margin. Since then the Charlevoix quintet has been dumped by Boyne City and East Jordan while winning over Grayling Harbor Springs, Gaylorl and Pellston (2 games). Mancelona has lost to Harbor Springs, East Jordan and Grayling (in the first game of the season). The Ironmen have a versatile outfit paced by Walt Klein who dumped in 30 points against Grayling and seemingly have a well balanced outfit. The Rayders, on the other hand, have been a hot and cold team, playing red hot ball one night and just fair ball another night. Should they have one of their good nights they could take the Ironmen but Mancelona has a lot to lose so will be at their best-thus the game should be a close one with the results a toss-up.

Everyone expected the Harbor Springs Rams to be one of the strong contenders but something happened along the way and to date the Rams have posted only two victories. However, they should come up with a win this week as they take on the Gaylord Blue Devils who have but one victory, a 10-point win over Pellston, a team that upset the Rams last week.

Grayling should successfully defend its first ptace standing against the Pellston Hornets despite the fact that the latter seem to have found their stride, defeating the Rams and giving Charlevoix a good game during the past week.

Three-Way Tie Develops for 1st Place in NMCC

A three-way tie for first place in Northern Michigan Class C standing developed Friday when Grayling was dumped by Mancelona by a score of 65 to 41 while Boyne City and East Jordan were posting victories over Harbor Springs and Gaylord, respectively. The Ramblers defeated the Rams 47 to 40. The Red Devils dumped Gaylord 60 to 37. In the fourth game of the night, Charlevoix won over Pellston 56 to 47.

Mancelona 65 Grayling 41

Paced by Walt Klein who made 30 points, the highest number scored in one game this season, the determined Mancelona Ironmen forged into an 18 to 14 first quarter lead; increased it to 36 to 24 at halftime before going ahead 42 to 30 at the three-quarter mark. Frank Gross had 12 points for the Vikings.

Boyne City 47 Harbor Springs 40

The Boyne City Ramblers had to come from behind to defeat the Harbor Springs Rams Friday night in a game which saw the victors tie the score early in the third quarter, which ended 30 to 30 after a seesaw battle throughout the period. The Rams had taken a 11 to 9 first period lead and held on 22 to 20 at halftime only to see their lead vanish as the game progressed. Jack Dixon had 17 points for the Ramblers. Gary Stutzman had 14 for the Rams.

East Jordan 60 Gaylord 37

With three players hitting double figures in the scoring department East Jordan led the Gaylord Blue Devils 12 to 9; 25 to 16 and 40 to 25 by quarters to move into a first place tie with the Vikings and the Ramblers. Louis Kraemer had 12 and Bill Cox and Pete Knudsen 11 each for the victors. Dick Bottomly had 11 for Gaylord.

Little Rayders Meet First Time Defeat 65 to 50

Charlevoix's little Rayders suffered their first defeat of the current season Friday night when they were downed by the Pellston Hornets 65 to 50.

The loss snapped their victory skein at eight games.

The Rayders outscored their opponents 18 to 17 in the field goal department but lost on the free throw line where the Hornets hit on 31 points out of 48 attempts while collecting 19 personal fouls. Charlevoix hit 14 of 27 attempts but had a total of 31 personal fouls.

Starting for the Rayders were Brendon LaBlance, Gary Balch, Bruce Murray, Frank Curtis and Gary Stutzman. Others who joined the fray were Pete Ance and Bruce Kroken in the first period; Rick Miller, Larry Edwards and Dwight Boss in the second quarter; Herb Cummings and Ben Cunningham in the third quarter and Steve Bergmann, Dave Novotny, Jack Stockwell and Pete Brock in the final stanza.

The Pellston Hornets forged into an early lead and were ahead 21 to 16 at the quarter. Thirteen of the 21 points were scored from the free throw line. The Rayders scoring was confined to six field goals and four free throws.

In the second period the Hornets continued their march to the free throw line, scoring nine charity shots and two field goals. The Rayders had seven points on three field goals and a single shot.

As the game went into the second half Pellston continued to lead the young Rayders, scoring five goals and four gift shots. Charlevoix had 10 points on four field goals and two free throws.

In the final period the Rayders slugged it out with the Hornets, with each team scoring 17 points but the last period surge was not enough to overcome the early deficit as the Rayders suffered their first defeat.

Curtis paced the scoring with 19 points. Murray tallied 7; Stutzman, 6; LaBlance, Kroken and Miller, [illegible] each; Boss three; Ance, two and Cummings, one.

Hedrick had 21 and Hire 15 for Pellston.

Rayder forward John Pearl (43) goes up for a one-handed jump shot during the Charlevoix Pellston game Friday night which the Rayders won 55 to 47 to go into a tie with Mancelona for second Place.

Watching as Pearl gets off his shot are [illegible] Stan Supernaw (23) Hornets Rick Anderson (43), Merle Cameron (30), Tom Bricker (44), Ed Clear (10) and Gary Grant (22).

The Rayders will host Mancelona this week in a battle for possession of second place in loop standings.

JANUARY

IN MICHIGAN • By Harold E Kohn

Keeping a nature diary in which you record your experiences in the out-of-doors and your observations concerning them is one way of enjoying your sojourn through the seasons.

This morning I glanced back across the years, through the help of my journal of nature jottings, and came upon these items concerning January:

★

January 15, 1958

A drizzle of winter rain has been falling last night and part of today.

Six school buses slid into the ditch in one southern Michigan community, and some rural schools in our neighboring Emmet County closed because of the treacherous roads.

★

January 6, 1959

Across much of the nation last night was a night to remember, weatherwise, —one of the coldest in recent history. Even the South Americans felt the frigid breath of winter. In the Panhandle region of Texas the mercury dived to a record of 25 degrees below zero. Natural gas was rationed to industry so that Texas hospitals and other public buildings could be kept warm.

Maryland, Tennessee and North Carolina experienced below zero temperatures—a real rarity for that region.

After a three day cold wave with temperatures registering as low as 43 below zero, a tiny community in western Wyoming, Big Piney, experienced a warm spell of a mere 7 below zero.

On the Atlantic seaboard the massive front of frigid air was pushed along by high winds that rose to 63 miles an hour at the New York airports, tossing planes about on the ground but fortunately killing no one. However 20 deaths in the nation were blamed on the bitter cold, including a 74 year old Michigan man who collapsed and froze near his stranded car.

All around us below zero temperatures prevailed—5 below at Alpena; 10 below at Escanaba; 11 below at Gladwin; 7 below at Jackson and Marquette.

But here at Wide Sky Harbor the lowest temperature we have noticed in the past 24 hours was 4 above.

★

January 21, 1957

One of the chief hazards of a "January thaw" such as swept over the Northland within the past few hours is that buds on trees and shrubs are tricked into untimely activity and begin growing and unfolding. Then a quick freeze catches them unawares and deals them a shocking, sometimes fatal, blow.

★

January 22, 1959

More of the same weather tomorrow and Saturday.

Much of the crew of WPBN-TV, Traverse City, had to remain at the studio all night.

Heavy sleet and ice fell trees in central Michigan cutting power lines and telephone lines—A sleet storm hit the thumb area and school closed at Caro, Mayville and Cass City.

★

January 22, 1957

Even through light is at its lowest intensity in the depths of winter, the floor of the deciduous forests is brighter than at any other time of the year. The canopy of leaves, which kept the woods so dark all summer, is gone from the tree tops, and such light as the sky now affords sifts down through the naked branches and spills over the snow onto the woods floor.

★

January 22, 1959

9:00 A. M.

Since 7 o'clock this morning, the temperature has stood at 11 degrees above zero, and yesterday's snow and sleet storm persists.

In the distant part of the country the elements are on a boisterous rampage. Thousands are homeless in Ohio, Indiana, Pennslyvania and western New York, where floods are rampant. The Allegheny River is one of the worst culprits, spilling its spite over a wide area. Winds racing up to 100 miles per hour have roared through several coastal areas in the East. But here in the North the weather is more silently and subtly wicked—not brashly sweeping homes away on a river's crest and drowning scores in a sudden deluge. Instead, it works by silent stealth and indirection, piling up snow and letting men die of heart attacks while, with unaccustomed energy, they assault the drifts with shovel and plow, or letting a family perish in a fire caused by overheating a stove while trying to drive off numbing cold.

Today's weather is a child's delight, for it forces a vacation from study. Traverse City Schools are closed and, more locally, the schools at Boyne City, East Jordan, Ironton, Walloon Lake, Alanson, Pellston, Levering, Alba, Horton Bay and Resort Township among others. In all, more than two hundred Michigan schools forego classes today because of the storm, many of them for the first time in forty-years.

★

10:00A. M.

A radio announcer has just reported that temperatures have begun to plunge "drastically" throughout the Midwest, as the winter of 1958-1959 reminds old-timers that the chill blasts of January can still measure up to "what they used to be."

Snow continues to fall. Every branch is big with it and every roof and porch, car top, and fence rail burdened with it. Now and again the mute whiteness is ruffled by a sudden gust of wind that lashes at every snow-covered things, whipping into shreds the glistening sheets and glittering lumps and flinging the tatters far and wide. But winter clouds are undiscourageable and begin again to lay filagree coverlets upon all the windswept places.

Thomas Carey Presented With Bishop's Cross

Thomas Carey, senior warden of the vestry of Christ Episcopal church, was honored at the winter convention of the Episcopal Diocese of Western Michigan when he was presented with the Bishop's Cross for Distinguished Service.

The presentation, the first of its kind in the diocese, was made by the Rt. Rev. Charles E. Bennision during services held at St. Mark's Cathedral — Wednesday morning. The cross, which is to be presented annually, honors a layman for long and devoted service to his church.

Mr. Cary has been a member of the vestry for six years and has always worked diligently in behalf of the church.

Also in Grand Rapids for the convention are the Rev. Robert J. Conkman, pastor of the church, and Jack Lengfelder, a delegate to the convention from the local church.

There are no highways in heaven so there's no sense in going there by car.

Big Inventory Causes Lay-offs At Local Plant

Temporary curtailment of production this week will result in layoffs of approximately 50 per cent of the employees at the Freedman Artcraft Engineering Corp, Gordon L. Freedman, president of the firm hos announced. Mr. Freedman anticipates present inventories of finished goods will begin to move in 30 days enabling the firm to step up production. He hopes to be back to normal production by June with normal employment.

It is the oolicy of the company to maintain production and store the finished product during slack periods. The present recession, however, has exhausted storage facilities which caused a partial curtailment of production and employment in January.

Mr. Freedmon pointed out that orders for delivery took a nose dive immediately after election. He interprets the condition to be a watch and wait attitude on the part of the customers who buy the display Cabinets manufactured here. He believes as soon as the new administration sets a definite pattern that business will take a more normal trend which will be reflected in normal production at the looal plant.

As of now the inventory is more than three months ahead of delivery. The sooner the present inventory is moved the sooner the plant can return to normal production.

This is the biggest lay-off the firm has experienced in the past eight years, Mr. Freedman said.

Two Candidates Seek Top Post In City Primaries

Interest is mounting daily in what promises to be the 'hottest' local primary election Charlevoix has experienced in recent years.

Only three incumbents, Hugh Mayne, clerk; Annabelle Cunningham, treasurer and Harry Gebeau, third ward supervisor, are without opposition in the election scheduled for Feb. 20.

This leaves contests on the bollot including o race for the post of mayor being vacated by E. James Hiller who bas served in the office since 1955.

E. D. 'Pat' Hawley, who is completing his first term as first ward alderman, and Frederick 'Ted' Ager are candidates for the post on the ballot to succeed E. James Hiller for mayor. Mr. Hiller did not seek the post for another term.

Two contests have developed in both the first and second wards including those for alderman and supervisor.

Claude Davy, former first ward alderman, and Robert Neff are seeking the nomination for the office being vacated by Mr. Hawley while veteran first ward supervisor Ivan Phillips, present chairman of the county board of supervisors, is being opposed by E. J. Edwards.

In the second ward there is equally as much competition with incumbent alderman Richard Donaldson being opposed by Clifford 'Tip' G. Riley and incumbent second ward supervisor Ted R. Miller is finding opposition in Jack A. Uhrick.

The sixth contest is for the aldermanic post in the third ward where incumbent Edward P. Hansen is being opposed by Robert S. Hamilton.

Absent voters' ballots for this interesting election may be obtained by writing to the office of the City Clerk,, City Hall Charlevoix.

Adventures in Understanding

Notes from a northerner's diary

By Harold E. Kohn

Beyond Ourselves

Man is the one creature that is capable of immense self-consciousness. It is his species that is interested in mirrors for self-reflection. (Animals, such as monkeys, and birds, such as parakeets, will look into a mirror, too, but they believe they are seeing another creature of their own kind, and not themselves, as is evident from the way they try to look behind the mirror.) Man writes autobigraphies, keeps diaries, indulges in introspection and in countless other ways manifests his absorbing self-awareness.

Some self-consciousness is good. Indeed it is necessary to the sustentation of life. If a person is not aware that his body craves food he may starve, and if he is unaware af his body's need of clothing and shelter he may freeze. If he ignores his inner demand for fellowship and assistance he becomes isolated from his fellows. Some self-awareness is necessary for all decent living.

But self-centeredness is one of the worst of our errors and sins. It is an intellectual and emotional fault, beause no person is really the center of the Universe, and to think as if he were is a collosal intellectual blunder. To feel as if he were is a stupendous emotional fallacy. To act as if one were the center of the Universe, and that all things here were meant to satisfy one's wants is to possess an immense moral flaw, for when one treats his fellow men as if they had no reason for existence but to minister to one's demands and to guarantee one's comforts, then one hurts others and arrests the growth of his own spirit.

How can one be both self-interested enough to care for himself and unselfish enough to serve his fellows and his God? The answer lies in allowing oneself to become an expression of something bigger than self. The great artists of all time have done this —painting pictures not for their own eyes alone to behold, but for galleries where they would bless the eyes of others. For the purpose of expressing beauty—which was here before they came and remained here when they were gone— they fed, clothed and housed themselves so that beauty might be revealed through them. It is reported that the painter, Raphael, wore a candle attached to his cap while he worked at his easel. He did this so that his own shadow would not fall upon his work. The greatest artists have kept themselves out of the way of their work. They were not primarily intereseted in expressing themselves, but in expressing something beyond themselves.

Composers of the world's most enduring music have combined self-awareness with self-dedication. They have been consecrated to the task of expressing something of greater worth than bodily cravings,but they attended to the body's demands so that they might remain alive to produce sounds that reach deeper than sense.

Ministers, more than most people, must keep in mind that self-erpression is not life's highest goal, or is it the purpose of the pulpit. When the preacher is at his best he is expressing more than himself. It is the preacher's task to remind his listeners of God, not the preacher's education, his burnished vocabulary, or his homeletical skills. Education, well-chosen words, and speaking skill should be there, but not attention-seeking or attention-getting. The more a listener thinks about the preacher, even if his thoughts are ever so complimentary, the more the preacher fails in his primary task. The more the worshipper thinks uplifting, redemptive, soul-strengthening thoughts about God the more the preacher succeeds. It is not nearly so important that a worshipper leaves church saying, "What a good sermon!" as it is that he depart exclaiming ',What a good God!" Preaching at its artful best is not self-expression, but expression of something and Someone beyond oneself.

Prayer is not for the purpose of bringing yourself to God's attention or to tell God something about yourself that He does not already know, or to tease Him into doing something for you that He is reluctant to do. The purpose of prayer, and of all worship, is not to get God's attention, but to give Him yours. Here is the chief fault of much popular religion, it leaves a person much as he was before worship, because it is man-centered. It invites the self-conscious to take still another look at himself. It suggests to the self-seeking, grasping person that there is still more that he can get for himself if he will use the proper formula in approaching God. It reverses our relationship with God so that instead of our being His consecrated servants seeking to do His will, God is our obedient servant dedicated to our comfort and devoted to making our lives easy. Now it is agreed that worship should hold a mirror to a man for a moment so that he can see himself as he is. But to spend long at the mirror is fatal to the life of the spirit. Worship should invite a person to move from the mirror to a window where his vision is drawn to higher things. So the Psalmist sang, "I will lift up my eyes to the hills. From whence does my help come? My help comes from the Lord, who made heaven and earth." . . . "My help" — that signifies man's natural interest in himself. "The hill," . . . "the Lord who made heaven and earth" — that is the big step in worship from mirror to window, from self-interest to dedication, from self to beyond self.

A bass player in the Metropolitan Opera Ochestra went to hear "Rigoletto' on his night off. He was amazed and almost overcome when he heard for the first time the stirring melody of " LaDonna e Mobile." Always before he had been so utterly engulfed in the "um-pah-pah, um-pah-pah" of his bass instrument that he had missed the melody.

Could we be missing the beauty and grandeur of life because we are too absorbed in the few notes we are sounding?

Pegeantry was introduced into inaugural parades by Martin Van Buren. En route to the Capitol he proceede own Pennsylvania Avenue—the "Route of Presidents"—in a handsom phaeton built of wood from the frigate Constitution. His cavalcade included infantrymen, cavalrymen, and political delegations.

Voice of Our Readers . . .

Mrs. Smith and I had the pleasure of spending the week between Christmas and New Years in your area, and we were most impressed the way Bridge Street was decorated for the holidays. We feel that the City fathers should be highly complimented on the attractive decorations in such good taste.

We were most impressed and enjoyed our stay very much. I urge summer visitors to come to Charlevoix during the holiday season to see a most attractive city during this time. The decorated homes added much to the picture, too. Charlevoix is to be complimented.

Most sincerely
Kenneth W. Smith

Mr. and Mrs. Robert Parker To Live in Philadelphia

Holy Redeemer church in Detroit was the scene Saturday of the wedding of Gail Ann Curtisand Robert Parker.

Parents of the couple are Mr. and Mrs. Russell L. Curtis of this city and Mr. and Mrs. Victor Parker of Detroit.

The Rev. Fr. Phillips officiated at the double ring ceremony in the presence of more than 75 guests. Tradtiional music and the wedding marches were played by the church organist.

Given in marriage by her father, the bride chose a gown of white silk for her wedding. The fitted bodice buttoned to the waist in back with self-covered buttons, featured long tapered sleeves and a portrait neckline edged with lace. Tiny bows were scattered over the full, floor length skirt. A crown of seed-pearls and sequins secured her short veil and she carried a white Bible topped with an arrangement of white. carnations and cascading stephanotis and ivy.

Linda Parker of Detroit, sister of the bridegroom, was maid of honor. She wore a gown of light blue nylon flocked with white over taffeta fashioned with a round neckline and full ballerina length skirt. Her headdress was of matching blue net and she carried a bouquet of white baby tufted mums.

Pamela Korth of Charlevoix, cousin of the bride, and Karen Miller of Lake Orion and Detroit, as bridesmaids, wore gowns and headdresses identical to the honor attendants and carried identical bouquets.

Richard Hoffman of Detroit assisted the bridegroom as best man. James Taylor of Detroit and James Bzura of Dearborn, cousin of the bridegrom, were ushers.

Mrs. Curtis selected a royal blue acetate and wool dress, matching accessories and a corsage of white carnations and red sweetheart roses for her daughters' wedding. Mrs. Parker mother of the bridegroom, wore a jacket dress of spatter print silk, black accessories and a corsage of white carnations and rosebuds.

Immediately following the ceremony, a buffet dinner was held at Sammy's Hall. A three-tiered wedding cake topped with the traditional bridal couple centered the bride's table. Mrs. Vivian Walton and Mrs. Naomi McPherson, both of Battle Creek, aunts of the bridegroom, served the cake. Mrs. Gerald Fielstra and Mrs. Marvin Postinus, both of Grand Rapids, cousins of the bride, were in charge of the gifts.

For traveling on their wedding trip to Philadelphia, Pa., where the couple will make their home the bride changed to a royan blue suit and matching accessories.

The bride is a graduate of the Charlevoix high school and Carnegie Institute in Detroit. Until her marriage she was employed in the medical library and records office at Lincoln hospital. The bridegroom, a graduate of Holy Redeemer high school and a veteran of two years in the U. S. Marine Corps, is employed by the Saturday Evening Post of the Curtis Publishing Co.

In Detroit for the weding were Mr. and Mrs. A. C. Mort. Other guests were present from Grand Rapids, Lansing, Battle Creek and Dearborn.

Local Boy Scouts Schedule Circus Appearance

Scouts of Charlevoix's various Boy Scout groups will be among the 5,000 from the five districts of the Scenic Trails Council who will appear in Scout Circuses held in five locations in March and April.

Charlevoix's Scouts will appear in the circus to be held in Petoskey April 22.

The Circus, touted as Scouting's biggest public display of pageantry, thrills and skills of Scouting, will provide the public with an opportunity to learn, first hand, of the programs of Cubbing, Scouting and Exploring. Each of the district circuses will feature eight to ten acts, including a salute to Old Glory; a Storyland parade, depicting dozens of Cub Scout monthly themes; Cub Scout home-made games; Boy Scout fun with skills; Indian dancing; indoor obstacle course; Explorer fun and adventure and others.

The Scout circus differs from the Scout-O-Rama conducted the past two years in the methods used to interpret Scouting to the public.

The Scout-O-Rama featured hundreds of boys in many district booths showing skills whereas the Scout Circus will show the boys coordinated into large acts with priecodic highlights.

Vicki Miller Honor Guest at Shower

Vicki Miller, bride-elect of Ernest G. Smith Jr., was guest of honor at a bridal shower given Thursday evening by Mrs. James Alger, Mrs. Norman Gillispie and Mrs. Kenneth Balch at the latter's home.

The 17 guests enjoyed games followed by a social hour and refreshments. She was presented with a variety of lovely gifts.

Masons Hold Lead

The Masons won the fourth night of cribbage play Thursday by 535 points giving them a total lead of 975.

John Gray was high for the Masons with a perfect score of 968 points. Sims Baker was high man for the Oddfellows.

Carter Gospel Team To Appear Nightly At Baptist Church

A series of meetings featuring America's only full-time Interracial-Interdenominational Evangelistic party will be held at the First Baptist church here Feb. 12 through 17, the Rev. L. L. Lewis, pastor of the church has announced.

The evangelistic party will make its initial appearance at the 11 a. m. worship sevices at the church Sunday, Feb. 12. One of the group will speak at the Young People's meeting at 7 p.m. and all three will again speak at the 7:30 p.m. meeting that evening.

Nightly meetings will be held at the church at 7:30 p.m. Monday through Friday Feb. 13 through 17.

In the group are Rev. Edward Carter, Mrs Ruth Carter and Miss Treatre Thumith.

Rev. Carter, an inspiring song leader, is an able preacher presenting the message of the Gospel without sensationalistic methodists; Mrs. Carter is outstanding organist and pianist as well as soloist and Miss Thumith is a peerless accompanist in Gospel music, both in instrumentals with Mrs. Carter at the organ and in accompanying the Carters as they sing. She is also director of the children's work.

Lenore Erber Is Canditate for St. Homemaker

Lenore Erber, Charlevoix high school senior, has been named the 1961 Betty Crocker Homemaker of Tomorrow.

Having received the highest score in a written examination on homemaking knowledge and attitudes taken by graduating seniors in the local school, she became a candidate for the state Homemaker of Tomorrow which will be announced in March.

Each school Homemaker of Tomorrow will receive an award pin representing the slogan "Home is Where the Heart Is". The examination papers of school winners will be entered in competition to name the state's Homemaker of Tomorrow.

The first ranking girl in each state is granted a $1,500 scholarship with the second place winner receiving a $500 scholarship in the contest sponsored by General Mills.

She is the daughter of Mr. and Mrs. Karl J. Erber.

Plans Underway To Re-Construct USCG Bulkhead

Objections based upon reasons of navigation, to the proposed reconstruction of the U.S. Coast Guard bunkhead located on the north bank of the channel between Round Lake and Lake Charlevoix must be filed at the Detroit office of the U.S. Army Engineer District, Corps of Engineers, not later than 4:30 p.m. EST, February 15, according to a public notice issued this week.

Written protests must state the reasons pretaining to navigation upon which the protest is founded.

The notice is posted as a matter of course when application is made for a permit to authorize work in or over a navigable water of the United States.

The proposed construction involves the replacing of an existing wood and steel bulkhead (dock) with a steel sheet pile bulkhead on Coast Guard-owned property located on the north bank of the channel between the two inland lakes; the proposed bulkhead will begin approximately 50 ft. west of the centerline of the C & O railroad bridge and extend in a westerly direction in irregular allenment a distance of 451 feet to what is commonly known as Old River, then 59 ft. northerly along the river bank.

Mr. and Mrs. Robert Kelly and son, Kim, have returned to Bay City after spending the week-end with Mrs. Kelly's father, Walter Taylor, and her brother-in-law and sister, Mr. and Mrs. Claire C. Martin.

Charlevoix Defends Second Place Standing In N M C C League

The Charlevoix Rayders successfully defended their second place standing Friday night, toppling the Mancelona Ironmen into third place by a score of 59 to 55.

The Charlevoix Rayders took an early lead in the game for a 16 to 9 first period advantage, held on 33 to 26 at halftime and 47 to 40 going into the final period where they had a 15 point lead at one time. The victory avenged an earlier loss to the Ironmen early in the season.

John Pearl, Jim Dennis, Sam Supernaw, Stan Martin and Henry Wagner started for Charlevoix. Danny Pearl replaced Dennis the latter collected his third personal foul late in the second period; Don Nowland joined the action in the third period when Dennis collected another personal with 2 and a half minutes gone in the third period; Gary Spencer went in for Nowland late in the same quarter.

Pearl scored the first bucket of the game with 6:58 remaining, followed by Dennis who added three points for a 5 point lead. Mancelona knotted the score 5-all before the Rayders pulled away for a 16 to 9 advantage as the period ended.

Dennis had tallied four field goals and a single; Pearl two field goals; Martin one and Supernaw a free throw. Mancelona had four field goals and a single.

Both teams scored 17 points in the second period but the Rayders never relinquished their lead as they remained ahead 33 to 26 at halftime on four field goals and three charity shots by Supernaw; two field goals and single by Martin and a gift shot by Dennis.

With their top scorer, Walt Klein tied up, Denny LaCroix took over scoring honors for the Ironmen, scoring four of their seven field goals for the period. They also had three charity shots.

As the game went into the second half, the two teams matched each other, point for point, with Martin and Wagner scoring three buckets each and Pearl adding one. Mancelona had five field goals and four from the free throw line.

Going into the final period, Charlevoix rolled up a 59 to 44 lead before they relaxed their defense and Mancelona cut their winning margin to four points as field goals and two singles and Wagner and Spencer one point time ran out. Supernaw had four each for 12 points. Mancelona scored seven field goals and a free throw.

Supernaw paced the game with 22 points followed by Martin with 13; Dennis with 10 Wagner seven; Pearl six and Spencer one.

Klein, who was held to three points in the first half, tallied a total of 17 for the game followed by Tom Moeke with 15; Denny LaCroix with 10; Kenny Johnson with eight and Richard Dickinson with five. Larry Bengtson was the fifth starter.

Grayling and Boyne City to Settle First Place Loop Title

Leadership in the Northern Michigan Class C league will bo determined this week as Grayling and Boyne City, currently tied for first place, clash on the latter's floor to headline the loop action for the night.

In other games Charlevoix will invade Gaylord; Mancelona will travel to Harbor Springs and East Jordan will entertain Pellston.

In their first meeting on the Viking hardwoods, Grayling defeated Boyne City 52 to 47. However, the score may be different this week as the Vikings who have been defeated by Charlevoix and Mancelona play on the smaller Boyne City floor. The Ramblers have been defeated by Mancelona (46-44) as well as Grayling.

On their home floor the Ramblers are always tough and with three of their starting five hitting double figures last week, they will be hard to stop. The Vikings, however, with their sights set on their first league title the Grayling outfit can be expected to be battling right down to the wire. As a result this game will probably be one of the closest ones of the season with the Ramblers slightly favored but only because they are playing in home territory.

The Gaylord Blue Devils seem to have a new lease on life with the return of Dave Dresback to the line-up and will be tough adversary on their home floor. They gave the Rayders a close game here in their earlier meeting and the Charlevoix outfit will have to be on their toes all the way if they are to successfully defend their second place standing. With so much at stake, Charlevoix shuold come through with a victory.

Harbor Springs trimmed Mancelona (47-39) in their first meeting but since then the Rams have failed to shape up. Unless they display more than they have in recent games, the Ironmen, a scrappy, versatile outfit, should avenge the earlier loss without too much trouble.

East Jordan will host the cellar-dwelling Pellston Hornets who are sharing last place with Gaylord. Though the Hornets have been playing some pretty fair ball recently, it is doubtful if they will be any match for the big Red Devils who are presently sharing second place with Charlevoix.

Little Rayders DumpMancelona Reserves 68 to 47

Charlevoix's little Rayders got back on the victory trail this week with a 68 to 47 win over the Mancelona Reserves.

Charlevoix starting five composed of Brendan LaBlance, Larry Edwards, Bruce Murray, Frank Curtis who had 30 points for the game and Rick Miller jumped into a 22 to 7 first period lead which the visitors cut to 33 to 23 at halftime and 50 to 42 going into the final period.

Edwards hit on five straight shots early in the game for 10 points with Curtis contributing five, Murray four, LaBlance two and Miller one. Mancelona had three field goals a gift shot.

In the second quarter Mancelona found the range and dumped in 16 points to 11 for the Rayders who counted seven by Curtis and a field goal each by LaBlance and Murray.

As the game went into the second half, the two teams slugged it out toe to toe with Mancelona coming through with 19 points to 17 for the local quintet on seven by Pete Ance, six by Curtis, three by LaBlance and one by Gary Stutzman.

In the final period Curtis hit for six field goals, Stutzman added three points, Bruce Kroken two and Ance one while the visitors were held to five points.

Ance had eight points; LaBlance seven; Murray six; Stutzman four, Kroken two and Miller one for the game.

Others who saw action were Gary Balch, Steve Bergmann, Dave Novotny, Herb Cummings, Ben Cunningham and Dwight Boss.

Hood had 24 for Mancelona.

Rayder Stan Martin goes up for a jump shot in the Charlevoix-Mancelona game here Friday night which the Rayders won 59 to 55 to knock the Ironmen out of second place.

In the background is Sam Supernaw who was top scorer for the game with 22 points.

Ironmen awaiting completion of the play are Larry Bengtson (23), Walt Klein (21) and Richard Dickinson (55).

This Week with Class C Teams

Boyne City toppled the East Jordan Red Devils from first place Friday night as they downed them 69 to 63 and Charlevoix knocked Mancelona out of second place by a score of 59 to 55 as Harbor Springs was edging Gaylord 49 to 45 and Grayling was roaring over Pellston 60 to 41.

Boyne City 69 East Jordan 63

In the game in which Boyne City lost three of its starting five players via the foul route, the Ramblers led the visiting Jordanites 15 to 9 at the quarter only to see them go ahead briefly in the second period. However, the lead was short-lived as the Ramblers came back to take a 31 to 26 halftime advantage whilethey increased to 46 to 39 going into the final period.

Glen Tatham, Jack Dixon and Tom Kujawski left the game early, midway and late in the last period after collecting five personal fouls each but not before they had scored 12, 16 and20 points, respectively, for the Ramblers. Pete Knudsen paced the Red Devils with 16 points. Louis Kraemer had 15 before leaving the game with five personals late in the game.

Harbor Springs 49 Gaylord 45

Harbor Springs and Gaylord played to a 12-all first period tie before the latter went ahead 31 to 30 going into the second half. A bad third period in which they were out-scored 12 to 2 found the Blue Devils trailing 43 to 32 as the period ended. Gaylord came back strong in the final quarter, outscording their guest 12 to 7 but their efforts were not enough to erase the third period deficit.

Frank Lauer paced the victory for the Rams, with 17 points followed by Gary Stutzman with 13 and Tom Graham with 10. Jamie Guggisberg had 11 for Gaylord.

Grayling 60 Pellston 41

The Grayling Vikings had no trouble defending their top standing in the loop as they led the visiting Pellston Hornets 17 to 13; 39 to 23 and 55 to 31 by quarters behind the scoring of Frank Gross who had 23 points for the game. Merle Cameron had 11 for the Hornets.

Annual Tax Sale

STATE OF MICHIGAN In the Circuit Court for the COUNTY OF CHARLEVOIX In Chancery

In the Matter of the Petition of Otis M. Smith, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon. No. 204-4

On reading and filing the petition of the Auditor General of the State of Michigan praying for a decree in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the March term of this Court, to be held at Charlevoix in the County of Charlevoix State of Michigan, on the 6th day of March A. D. 1961, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be taken and entered as prayed for in said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such decree, on the first Tuesday in May thereafter, beginning at 10:00 o'clock a.m. on said date, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the county of Charlevoix, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the decree shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered, and if, on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. Charles L. Brown, Circuit Judge, and the seal of said Circuit Court of Charlevoix County this 20th day of December A. D. 1960.

Charles L. Brown, Circuit Judge.
Countersigned, Fenton R. Bulow, Clerk.

STATE OF MICHIGAN In the Circuit Court for the COUNTY OF CHARLEVOIX In Chancery

In the Matter of the Petition of Otis M. Smith, Auditor General of the State of Michigan for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Charlevoix, In Chancery:

OTIS M. SMITH, Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this petition under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 126 of the Public Acts of 1933, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) $1.50 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said several parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your petitioner prays:

a. That within the time provided by law this court may determine and decree that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final decree in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said decree provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount decreed against the same, shall severally be sold as the law provides;

d. That your petitioner may have such other and further relief in the premises as to this court may seem just and equitable.

And your petitioner will ever pray, etc.

Dated: December 18, 1960

OTIS M. SMITH,
Auditor General of the State of Michigan for and in behalf of said State

Beaver Island Civic Assoc. Holds Workshop

St. James, B. I.—The promotion of Beaver Island as a summer resort and a sportsmen's paradise will be the theme of a workshop to be held at the Beaver Lodge Friday and Saturday, according to George VanBuren, president of the Beaver Island Civic Association which is sponsoring the two-day event.

Invitations have been issued to Central Michigan University which has an off-campus classroom and dormitory on the island, the Michigan Conservation Department, local and area businessmen, Beaver Island Boat Co. and flying services in the area to send representatives to the workshop where opinions and suggestions regarding the best methods of future island promotion will be exchanged.

Friday afternoon and evening will be devoted to discussions with businessmen and CMU representatives with regard to better advertising, business promotion and related subjects. Saturday afternoon and evening will be turned over to the Conservation Department with discussions concerning fishing, hunting, parks and forestry.

Planning to attend from Charlevoix are Karl J. Erber who will represent the Charlevoix county road commission and the Beaver Island Boat Co., Mrs. Erber, James W. Gallagher of the boat company and Joseph McPhillips of the McPhillips Flying Service.

Motorist Has Narrow Escape

Ellsworth—An unidentified man who had fallen asleep in his car in Ellsworth possibly owes his life to Mr. and Mrs. Marvin Wynsma. Mrs. Wynsma noticed the car stuck in a snow bank and called her husband about 6:45 a. m. to investigate. Mr. Wynsma called Levi Donaldson at once. He found the man asleep with the motor still running. The car was very hot and full of carbon monoxide. It is belived that five minutes more would have been too late to have saved the man's life.

Mr. Donaldson commended Mr. and Mrs. Wynsma for their deed and urges anyone to report such matters to him immediately.

Kiwanians Test Winter Swimming in Charlevoix

Courier Photo

Taking a swim in February, at least in Charlevoix was a first for the members of the Kiwanis club who were guests Monday evening of Ralph Gillam, manager of the Weathervane Motor Lodge. Mr. Gillam as choirman of the Monday evening program, entertained the members with a movie in the lodge lounge, followed by a swim in the new indoor heated pool (for those who "hadn't outgrown their swim suits"). After the swim the members returned to the lounge for coffee.

Caught through steamed up camera lense ore pictured above (l to r) in the water Harry Bingham, Edward J. Edwards, Glenn Snider, and Ted Wiedman Archie Livingston is relaxing in the chair after a dip and Leonard Burns and Ralph Gillamn are plunging in for a race across the pool.

The new indoor pool has proved a popular feature with ski guests at the lodge this winter, Mr. Gillam said, and announced this week that the pool will be open to the public from 1 p.m. to 10 p. m. from Sundays through Thursdays each week at a nominal rate. He stipulated ,however, that children under 15 years of age must be accompanied by an adult.

The pool olso will be available for special groups or pool parties by making reservations in advance.

One Sentenced; Two On Probation in Circuit Court

A Charlevoix man was sentencer to Southern Michigan prison and two others were placed on probation during a special term of circuit court here last week at which Judge Charles L. Brown presided.

Levi Wanegeshik, 21, was sentenced to two to 14 years in Sourthern Miehigan prison on a forgery charge. This was the second such charge against Wanegeshik.

Kenneth J. Gablow and Donald A. Washegesic, both 17, charged with breaking and entering in the nighttime and unlawfully driving awoy an automobile, were placed on five years probation, ordered to pay fines of $10 and costs of $175 each and to make resititution in the amount of $50 each.

They broke into Essenberg's grocery the night of Nov. 14 and took beer and bottles of other alcoholice beverages, cigarettes, and money from the cash register and then drove away a car belonging to Steve Dubell. The car and some of the items taken from the store were recovered the following morning.

A charge of obtaining old age assistance by fraud against Alfred Stanek, 72, of East Jordan was dismissed.

Rev. Kohn to Give Second Lecture on Mental Health

On Monday evening at 8:30, the second of a series of "Adventures In Insight" lectures on mental health will be delivered by the Reverend Harold E. Kohn. This funtion is set for 8:30 P.M. rather than early so that men and boys wishing to attend may first enjoy the Father-and-Son Banquet at the First Methodist Church. The meeting will be held in the First Congregational Church, in Friendship Hall. This is a non-sectarian service to which the general public is cordially invited and where everyone will feel at home. The important emotional problems of men, women and children will be discussed in the informal address by Mr. Kohn, dealing with the subject, "How Can I Beeome More Stable Emotionally? How Can I Better Handle My Moods?" The address will be followed by a twenty-minute question and answer period in which members of the audience con ask any questions they wish reloted to the problems of understanding oneself and understanding others.

Well-qualified in the field, the Reverend Kohn has a college degree in psychology, concentrating in obnormal psychology. In one of the Midwest's largest mental hospitals he has served as a counsellor with the staff. From his considerable writing in the area of life adjustment, Mr. Kohn has been recognized for his published work in books and outstanding magazines.

C of C Requests Local Service For Unemployed

Steps were taken Monday by Paul Koler, secretary-manager of the Charlevoix Chamber of Commerce, to work out a plan with the Petoskey branch office of the Employment Security Commission to handle area unemployment applications in Charlevoix.

Mr. Koler discussed the feasibility of his proposal with Mr. Kelly, manager of the Petoskey office and Mr. Smart, district manoger. They would make no commitments beyond stating they would investigate the local situation.

Mr. Smart, district manager of the three county area with headquarters in Petoskey, pointed out that in each of the three counties, Emmet, Charlevoix and Otsego and Banks township in Antrim, there is a part time service avaible in one of the centrall located cities. In Charlevoix county this service is maintained n East Jordan. Unemployed persons in this area may at present apply for their compensation at eather East Jordan or Petoskey.

There are now about 1,700 claims being processed in this district, according to Mr. Smart. He did not, however, have a breakdown of the applicants in the Charlevoix area. This breakdown is now being made by Mr. Kelly and should be available late this week, he said.

Mr. Smart explained that seasonal unemployment is chronic in this district and that each year the office is besieged with requests from most of the cities and towns in the district for a part time service to handle local payments. He says because of the limited personnel and travel time involved it is not practicable to establish part-time service in each locality. For that reason they select the one locality in each county which, in their opinion, will best serve the need of the county.

Rates Increased At Charlevoix Hospital Feb. 1

Effective Wednesday, Feb. 1, rates at the Charlevoix hospital were increased in order to keep pace with the rising coat of operation.

The dcision to raise the rates at the local hospital was made at a meeting of the board of directors Thursday.

The rates, as of Wednesdav are: private room, $24.00 per day; semi-private, $18.00 per day and pediatrics, $7.00 per day.

In making the announcement regarding the necessary increase, o spokesman for the board said that the rates at the looal hospital continue to be the lowest in the area. The increased cost of materials, utilities, labor and other necessary items made it necessary to increase the rates if the hospital is to continue operating, the spokesman added.

Mrs. Lottie Tumath, Pioneer Resident Dies at Grandvue

Mrs. Lottie Tumath, 83, pioneer resident of the Chorlevoix county, died early Wednesday at Grand-Vue Medical Facility near East Jordan where she had been o patient for three months. She had been in failing health for some time.

In oddition, the board has been notified there will be no draft call for March and no one would be called for pre-induction physical examinations.

Hospital Guild Offers Nursing Scholarship

Application blanks for the sixth annual nursing scholarship offered by the Women's Guild of the Charlevoix Hospital are now available according to Mrs. Alfred Gill Jr., chairman of the Guild's scholarship committee.

The blanks may be obtained at the offices of high school principals, county nurses or from Mrs. Gill.

The scholarship is offered to seniors and graduates of schools in the area served by the Charlevoix Hospital.

Given on the basis of scholastic standing and financial need, the scholarship offers $300 to a girl entering the field of professional nursing. The money is given at the rote of $100 per year with the first check given at the time she enters a school of nursing of her choice; subsequent checks are given on the anniversary of this date. If the girl leaves training for reasons other than health before completing her course the money she has received must be repaid.

In 1960 two scholarships were awarded. One was given to Sandra Zipp who is a student nurse at Saginaw General Hospital school of nursing and the second to Nancy Klooster who is enrolled at Evangelical Deaconess Hospital school of nursing in Detroit.

Compensation Not All Gravy

Those persons in the community who will be receiving unemployment compensation during the next few weeks should be given some consideration by the district office of the Employment Security Commission.

A very few of those people may find some kind of temporary employment before local industries get into production again. The others must subsist on the benefits they receive. The hitch is that they must drive about 36 miles each week to get their unemployment compensation. This definitely increases their expenses at a time when their income is reduced to a minimum.

We see one of two alternatives; First, and the most logical, have a representative of the district office in Charlevoix one day a week to handle all applications in this area. The other would be to make extra allowance to those who are forced to pay extra expense for transportation to receive the benefits for which all employers are paying.

It is time for a co-ordinated effort by the city administration, the Chamber of Commerce and employers who are footing the bill for unemployment compensation to get action from the Employment Security Commission.

Voice of our readers

Has the time arrived when something can be done about the very inadequate Charlevoix Public Library program? I am thinking chiefly of the hours when the building is open to the public. A library that is closed all day Staurday, and much of the time during the rest of the week, falls far short of providing the services expected by people in a City like Charlevoix.

Our neighboring communities are offering far more and superior library facilities. Summer people tell us that a good library can mean much in making their visits pleasant and profitable. Modern libraries are adding records, films and special programs to the usual offerings of books and other printed material.

This is not to criticize the librarian or the Public Schools. They have assumed a responsibility which has apparently been shirked by the City government. A City Library Board should be appointed, with the responsibility of developing the kind of Library program that the citizens of Charlevoix deserve.

Civil Defense to Be Theme of V.F.W. Auxiliary Meet

Civil Defense will be the theme of the Feb. 16 meeting of the V.F.W. Auxiliary to be held at the post home at 8 p.m.

Mrs. Leland Warner is general chairman of this meeting.

The March 2 meeting of the organization will be devoted to making cancer pads according to the president, Mrs. Kenneth Staley.

The group voted to send an additional $10 check to the V.F.W. National Cancer Fund which offers assistance to Auxiliary members. Mrs. Harry Elzinga, chairman of this committee, reported that residents of Michigan had received more than $4,000 assistance from this fund during the past six months while contributing only $1,200. Anyone wishing more information regarding the fund may call Mrs. Elzinga.

The organization has been notified of the name of the hospitalized veteran they have 'adopted'. He is Roscoe Smelser who is a patient at the V. A. Hospital, 1500 Wiess st. in Saginaw. William Holland of Charlevoix is also a patient there. Members are asked to remember both veterans with valentines.

May 25, 26 and 27 were named as Buddy Poppy Days by the local group.

The Chinese auction sponsored at the meeting for the benefit of the Retarded Children's Center netted $4.65 plus gifts of hot pads, measuring spoons and candy.

"The Come and Get Me" prize for attendance was not given this week as the member named was not present. As a result it is growing and the next drawing will be a sizeable one.

Election of officers will be held March 16.

Campus Comments

Many colleges and universities are making the end of their first semester of studies. As a result, a number of students are spending mid-year vacations with their respective family.

Among those who have been here are Madelyn Rabach, Barbara Jarvis, Marlou VerWys, Marilyn Novak all students at Central Michigan University. Marianne Makel has transferred to North Central after attending Central for one semester.

Judy Koteskey, a student at North Central Illinois College at Naperville, Ill. returned to her studies there Saturday.

The Dean Davenports and their children of Mt. Pleasent where he has an assistantship at Central Michigan are also here.

Eric Arvilla, Joel Arvilla, Jill Stewart and Mary Schuchard, all students at Northern Michigan College in Marquette, also have been here.

Stanley Harwood and Gerry Foster, students at Michigan Tech in Houghton, spent the weekend here.

Sue McBride, a student nurse at the Blodgett hospital in Grand Rapids, is spending a month with her parents, Mr. and Mrs. Carl McBride.

Nancy Juilleret, a student at Western Michigan University is spending several days here.

Christ Episcopal Church to Hold Lenten Services

Weekly Lenten services will be held at Christ Episcopal church beginning Thursday, Feb. 16, and continuing throughout the Lenten season, the Rev. Robert J. Yonkman, pastor of the church has announced.

The services will be held from 7:30 until 8 p.m. every Thursday during Lent. Meditations will be conducted by the Rev. Yonkman and will be of a non-denominational nature. The service, in keeping with the spirit of the season, will be designed to stimulate an awareness of the Chirst spirit in one's life.

There will also be a celebration of Holy Communion at 11:30 a.m. every Friday during Lent.

Topics and dates for the series of Thursday night services follow: Feb. 16, "Why the Christ"; Feb. 23 "God and Jesus"; March 2, "The Purpose of Jesus"; March 9, "Jesus and Healing"; March 16, "Jesus and the Law"; March 23, "Was Jesus Practical" and March 30, "The Christ and You".

All services at the church are open to all.

To Hold Girl Scout Craft Workshop at Bay Shore Church

The Girl Scout Craft workshop, postponed from last month, will be held at the Bay Shore Presbyterian church at 8 p.m. Monday.

The event is being sponsored by the Petoskey and Charlevoix Girl Scout Councils.

Mrs. Don Ballard and Miss Norva Bathke, craft consultants of Petoskey are working with the Petoskey trainer, Mrs. George Malloy and Mrs. Lloyd Arnold of Charlevoix in planning and presenting the workshop.

Local leaders are asked to bring a completed craft complete with pattern or instructions to the meeting. Some crafts will be done at the meeting, Mrs. Arnold said.

The workshop, which will open at 7 p.m. and continue to 10 p.m., is open to all leaders in the area. Among those planning to attend are leaders from Boyne City, Petoskey, East Jordan, Bay Shore, Ellsworth, Alanson and Charlevoix.

Coffee will be served during the evening.

Plans are presently being made for an outdoor workshop to be held later this month.

Concert Goers to Hear Herman Godes, Latvian Pianist

Herman Godes, the brilliant young pianist from Latvia will appear at the Petoskey high school auditorium, Saturday evening, February 11, under the auspices of the northern Michigan Community Concerts Association.

Completely unknown in this country until he made his first North American tour during the 1951-52 season, Godes immediately won the hearts of his American audiences for the refreshing delicacy and sensitivity of his playing.

He has performed with outstanding success in London, Amsterdam, The Hague, Copenhagen, Stockholm, Oslo, Helsinki, Vienna, Milan, Zurich and many cities in Germany.

This will be the third in a series of four concerts being offered by the northern Michigan Community Concerts Series this season.

Charlevoix Retains Share of Second Place in League

The Charlevoix Rayders retained a share of second place in league standing Friday night defeating the Gaylord Blue Devils 52 to 46.

In Friday's action the Rayders edged into a 15 to 14 first period lead; increased it to 27 to 24 at halftime and 39 to 32 at the three-quarter mark before coasting to victory.

In the starting line-up were Jim Dennis, John Pearl, Sam Supernaw, Stan Martin and Henry Wagner. Gary Spencer and Don Pearl joined the action in the first period with George Majors going into the line-up in the second period.

The Rayders took an early lead in the game and remained ahead by one point at the quarter after Supernaw had scored five points, Dennis two field goals and Martin, Wagner and Dan Pearl one field goal apiece. Gaylord had four field goals and six gift shots for 14 points.

The Rayders outscored the Blue Devils 12 to 10 in the second period for a three point lead at halftime. Dennis had three points, J. Pearl, Supernaw, Martin and D. Pearl a field goal apiece and Majors a free throw for one point to keep the Rayders in the running. Again the Blue Devils were dependent on free throws for the lion's share of their points, scoring six from the key plus two field goals.

The action slowed in the third period as Charlevoix scored 12 points including two by J. Pearl; three by Wagner;; two each by Supernaw and Majors and one by Dennis. Gaylord had four field goals.

In the final period the Rayders took a sizeable lead before the Blue Devils started to hit to close the gap 47 to 46 late in the period. Charlevoix, however, pulled away for the six-point victory.

Dennis, J. Pearl and Supernaw had three points each and Wagner and Majors a field goal apiece to account for the scoring.

Gaylord had seven field boals for the final period.

John Johnston paced the game with 19 points for the losing cause. Supernaw had 12 and Dennis 11 for the Rayders.

Little Rayders Defeat Gaylord 60 to 41

Charlevoix's little Rayders had to overcome a halftime deficit Friday to defeat the Gaylord Reserves 60 to 41.

The Charlevoix quintet went ahead 14 to 12 at the quarter but trailed 24 to 22 at halftime before snapping back to take a two-point 36 to 34 third quarter advantage. In the final period they outscored the young Blue Devils 24 to 7 for the victory.

Brendan LaBlance, Larry Edwards, Bruce Murray, Frank Curtis and Rick Miller started for Charlevoix. Pete Ance, Gary Stutzman, Bruce Kroken, Gary Balch, Herb Cummings, Joe Smith, Steve Bergmann, Dwight Boss, Jim Stewart, Albert Wojan and Jim Holmes also played.

Murray and Ance scored five points each and Edwards and Curtis a field goal apiece to account for the Rayders 14 points in the first period. Gaylord tallied five field goals and two free throws as they trailed 14 to 12.

In the second period, the Blue Devils took the iniative, outscoring the Rayders 12 to 8 for a 24 to 22 halftime advantage. Jack Snell, who had 21 points for the game, scored all of Gaylord's points for the period while the Rayders were confined to three points each by Curtis and Ance and a field goal by Balch.

The Rayders found their stride in the third period to score 14 points for a 36 to 34 lead going into the final period. LaBlance and Curtis had five points each with Murray and Ance each adding a field goal. Gaylord's scoring was confined to three field goals and four charity shots.

In the final period the Rayders pulled the game out of the fire by pumping in 24 points including seven by Curtis; five by Balch; four each by Murray and Boss; three by Ance and one by Smith.

Curtis had 17 points, Ance 13 and Murray 11 for the Rayders.

Dolley Madison was belle of the first inaugural ball held in Washington, the National Geographic Society says. So many attended the brilliant affair in Long's Hotel on March 4, 1809, that windows were smashed to give ventilation.

The Olympic Games, first held in 776 B.C. were dis-continued in 394 A.B. and not revived until 1896.

Boyne City Edges Grayling Out of First Place Standing

The Boyne City Ramblers edged the Grayling Vikings out of first place in Northern Michigan Class C league standings by a score of 44 to 43 Friday night while Charlevoix dumped Gaylord 52 to 46; East Jordan trounced Pellston 60 to 36 and Mancelona defeated Harbor Springs 59 to 50.

Boyne City 44 Grayling 43

A free throw with two seconds remaining gave the Boyne City Ramblers possession of first place in loop standings after the Grayling Vikings came from behind to knot the score 43-all as the final seconds ticked off.

Stymied by the Ramblers tight defense, the Vikings trailed 10 to 4 at the quarter; 24 to 16 at halftime and 35 to 24 at the three-quarter mark. However, they caught fire in the final period and dumped in 19 points to tie the score before a personal foul sent Jack Dixon to the free throw line with two seconds remaining. He scored on the first of two tries for the one-point victory as time ran out. The Vikings lost Joe Robertson via the foul route with a minute remaining. Frank Gross had 14 points for Grayling including seven of his team's 19 field goals. Glen Tatham paced the scoring for the Ramblers with 13 points including five of the team's 15 field goals. The Ramblers collected 14 of 20 free throws while having 11 personal fouls called on them. The Vikings scored five of 11 free throw attompts and had 15 personal fouls called on them.

East Jordan 60 Pellston 36

Coach Tom Regan emptied his bench as the East Jordan Red Devils led the Pellston Hornets 15 to 5; 29 to 13 and 51 to 23 by quarters behind the scoring of Louis Kraemer who had 14 points for the game. Merle Cameron had 13 points for Pellston.

Mancelona 59 Harbor Springs 50

Harbor Springs jumped into a 14 to 11 first period lead only to see it fade as the Ironmen went ahead 29 to 23 at halftime and 39 to 33 going into the final period. Frank Lauer left the game early in the fourth period when he collected his fifth personal foul.

Walt Klein paced the game with 22 points for Mancelona. Paul Ranney, up from the Reserves, had 14 for the Rams.

Walloon Hills to Host Annual Winter Sports Day

Plans for the second annual Explorer-Co-ed winter sports day to be held at Walloon Hills ski area Saturday, February 18, have been announced by Harvey Griswold, Boy Scout representative for the Northern District of the Scenic Trails Council.

The special day is planned for the enjoyment of Explorer Scouts, Sea Scouts and Boy Scouts who are 14 years or older and their dates. All groups will be accompanied by adult leaders.

The day will begin with registration at the club house at 10 a.m. During the day there will be skiing, tobogganing and snowshoeing, followed by supper at the lodge, a sleigh ride, dancing and special entertainment, a magic show by the Great Richard, a marshmallow roast, dancing and movies.

Reservations must be made through adult advisors with Mr. Griswold.

Elderly William Henry Harrison delivered the longest inaugural in history, the National Geographic Society says. Consisting of nearly 8,500 words, it required one and three-quarters of an hour to orate. At the other extreme was George Washington's second inaugural—only 135 words.

28 CARS WANTED IT!
PONTIAC'S TEMPEST WON IT!
(Motor Trend CAR OF THE YEAR Award goes to Tempest!)

The editors of this top-flight magazine voted solidly for Pontiac's newcomer—the Tempest. Here's what they said: "We studied 28 American cars. The Tempest flexible drive-shaft is the most sensible, dependable power train we've seen!" "Equalizing the weight on the front and rear wheels gives the Tempest great traction and ride." "The Tempest 4-cylinder engine should do wonders for gas economy." Take it from these car experts. See your Pontiac dealer.

Annual Tax Sale

STATE OF MICHIGAN In the Circuit Court for the COUNTY OF CHARLEVOIX In Chancery

In the Matter of the Petition of Otis M. Smith, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed theron. No. 261-

On reading and filing the petition of the Auditor General of the State of Michigan praying for a decree in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the March term of this Court, to be held at Charlevoix in the County of Charlevoix State of Michigan, on the 6th day of March A. D. 1961, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be taken and entered as prayed for in said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such decree, on the first Tuesday in May thereafter, beginning at 10:00 o'clock a.m. on said date, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the county of Charlevoix, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the decree shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered, and if, on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. Charles L. Brown, Circuit Judge, and the seal of said Circuit Court of Charlevoix County this 20th day of December A. D. 1960.

Charles L. Brown, Circuit Judge.
Countersigned, Fenton R. Bulow, Clerk.

STATE OF MICHIGAN In the Circuit Court for the COUNTY OF CHARLEVOIX In Chancery

In the Matter of the Petition of Otis M. Smith, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed theron.

To the Circuit Court for the County of Charlevoix, In Chancery:

OTIS M. SMITH, Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this petition under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 155 of the Public Acts of 1937, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) $1.50 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said several parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your petitioner prays:

a. That within the time provided by law this court may determine and decree that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final decree in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said decree provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount decreed against the same, shall severally be sold as the law provides;

d. That your petitioner may have such other and further relief in the premises as to this court may seem just and equitable.

And your petitioner will ever pray, etc.

Dated: December 16, 1960

OTIS M. SMITH,
Auditor General of the State of Michigan for and in behalf of said State

Motel and Resort Operators to Meet At Weathervane

The weathervane Motor Lodge will be host today (Thursday) to motel and resort operators from Antrim and Charlevoix counties who will meet for the purpose of forming an area chapter of the Michigan Motel and Resort Association and the parent American Motor Hotel Association.

Oakley R. Bramble, executive vice president of the state association, will present an explanation of trade association objectives, policies, programs and services at the meeting scheduled for 1:30 p.m.

Michigan Motel and Resort Association was organized in 1955 and affiliated with the American Motel Hotel Association the following year. Its membership is now statewide. Area and community chapters now number 14 with more being organized.

The activities of the MMRA and its parent organization, AM HA, do not conflict or compete with Chambers of Commerce or area promotion agencies but work with such groups.

Sponsors of today's meeting here are hoping for a large attendance from seasonal as well as year-around resort and motel operators.

Dr. Gerald Gibbons Heads Credit Union

Dr. Gerald C. Gibbons was reelected president of the Charlevoix Credit Union at the annual meeting held Sunday at St. Mary's school hall.

Mrs. Alfred Scheid was renamed vice president; Mrs. Narge Ferguson, secretary and Donald Johnson, treasurer.

Frank Ross was named to the board of directors.

Martin A. Beer of Petoskey, vice president of the Paul Bunyan chapter, Michigan Credit Union League, and treasurer-manager of St. Francis Xavier Credit Union of Petoskey, was the guest speaker at the meeting.

County Residents Contribute $1,333 Through TB Seals

Fifty-four of Michigan's 83 counties have topped 100 per cent in the 1960 Christmas Seal campaign according to the state Christmas Seal Organization.

Charlevoix county's figure was 102 per cent is recording one of its highest TB funds in history, it was reported.

Money-wise, the county residents have contributed $1,333 as of Monday, Jan. 30, to break "the chain of TB infection". This is an increase over the total of $1,303.96 contributed last year.

Annual Klondike Derby To Be Held Sunday at Rod and Gun Club

The Charlevoix Rod and Gun club will be the scene Sunday of the annual Klondike Derby for Boy Scouts of the Northern District of the Scenic Trails Council.

More than 200 Scouts from 15 northern Michigan communities will participate in the Klondike Derby being held under the sponsorship of the Charlevoix Kiwanis Club and the Charlevoix Rod and Gun Club.

Approximately 50 patrols will enter Klondike sledges in the event to be run over a 1½ mile course on the club property where five stations have been established. Participants will display their skills in ice rescue, compass and measurements, knot tying, fire building and first aid at these stations.

Registration will begin at 1 p. m. at the clubhouse located a quarter of a mile off US 31 three miles north of here. The running of the Derby is scheduled to get underway at 2 p.m.

A huge warming fire will be built on the club property and hot food will be available for participating Scouts and their adult leaders.

E. K. Shanahan, president of the Kiwanis club, will be master of ceremonies. The Charlevoix Sea Scout Ship 2t1 under the direction of their skipper, Robert Somerville, will officiate at the opening ceremony. The Rev. James P. Sherman will present awards following the Derby.

William Ratigan, Glenn B. Snider, James Whitley and Allred Bergmann will be in charge of the public address system and announcements.

Manning the various stations will be the following members of the sponsoring clubs:

First Aid: E. J. Edwards, Dr. Robert G. Martin, Jesse Penn and Max Novak.

Fire building: E. D. Hawley, Ted Miller, Lee Moerland, Charles Bergmann and Gerald Selpb.

Compass and Measuring: Lawrence Feindt, John Schmidt, Earl Holburn, Hal M. Hill and Louis Warner.

Knot tying: Ted Weidman, Robert Somerville, John Uhrick and A. L. Livingston.

Ice rescue: Arnold Wadas, Howard Parsel, Gordon Moeller, George Hutchinson, Robert Hooper and Russell Lewis.

Other committees which will be in charge of special features of the Derby are:

Sledge judging: Fred Willis, Glenn Kenny, Frank J. Novotny and Charles Blcha.

Preparation of hot food at the clubhouse: Barney Engelhart, John Mol, Kit Carson, R. G. Bennett, Arthur Osborn, Robert Richards and Joseph Williams.

Warming fire: O. V. Cunningham, Clare Staley, Ernest Paul and Harold Lang.

Records: H. E. Bingham, Ralph S. Hamilton, Jack Grubaugh and Harry Ladd.

Roads and parking: Ralph S. Hamilton and Jack Mol will head a large committee named to direct traffic at the clubgrounds.

The Petoskey Kiwanis club will assist with manpower at the event.

Physical arrangements for the Derby were completed by a committee comoposed of Mr. Wadas, Mr. Parsel, Leonard Burns who is neighborhood commissioner for Scouts, Mr. Grubaugh, Mr. Cunningham, Mr. Staley, Robert Bergmann of the Boy Scout committee and Louis Edwards, Scoutmaster.

The course was laid out Sunday by a committee composed of Mr. Edwards, Mr. Wadas, Mr. Parsel, and Mr. Burns.

The entire Klondike Derby has been planned under the direction of Harvey Griswold, Scout representative for the northern district, who will be on hand Sunday to assist with the Derby.

Interest Mounts In Charlevoix Twp. Primary Election

Interest is running high in the primary election to be held in Charlevoix township Monday.

One contest for the office of township treasurer appears on the Republican ballot. The incumbent, Mrs. Ted (Rose) Bergmann who has served in the office for 11 years is being opposed by a newcomer to township politics, Mrs. Rex (Joan) Blanchard.

Only partisan contest on the ballot is between Republican Clarence Goldstick who is being opposed by Democrat Mrs. Julius (Rose) Elzinga for the office of Justice of the Peace.

Incumbents who are candidates on the Republican ballot are: supervisor, Clarence F. Rabach; clerk, Mrs. Clayton A (Kathryn) Smith; trustee, Henry Stephan; constable, Robert Bruce Donaldson. A second candidate, Douglas Way, has also filed a nominating petition for the office of constable. The township has two so there is no contest.

No one has filed for the Board of Review, Mrs. Smith, township clerk said. However, write-in votes are expected to nominate a candidate whose name will appear on the ballot in the April election.

Plant Executive Speaks at Banquet

In a brief but enlightening talk Jerome D. Lescoe, plant superintendent for Consumers Power Co. at the Big Rock Point Nuclear Power plant, spoke on the importance of replacing diminishing supplies of fossil fuels such as coal and oil and related products with atomic heat for the generation of power to the 180 fathers and sons at the annual banquet held Monday evening at the Methodist church.

Mr. Lescoe, who geared his talk so that it would be of interest to the youngsters as well as the adults in his audience, said that world wide intesest is focused on the Big Rock Point and its plans for research into the use of atomic heat for generating power and for other uses.

Four generations of one family was represented at the dinner attended by Ed Boss, his son, John E., his grandson, Dale and great-grandson, Dale Jr.

Dean Davenport was master of ceremonies and Carlton Smith gave the toast to the sons and his son, Carlton II, responded with a toast to the fathers. C. A. Odmark led group singing and Rev. Raymond McBratnie gave the invocation.

Funeral Rites Held Tuesday For Geo. Glados

George Glados, 81, who had operated the Sugar Bowl here for 52 years prior to his retirement several years ago, died Sunday at the Charlevoix hospital where he had been a patient for two weeks. He had been in failing health for several months.

Funeral services were held Tuesday at the Winchester Funeral Home with the Rev. Raymond McBratnie officiating. Burial was in Brookside cemetery.

Born in Athens, Greece, Feb. 22, 1879, Mr. Glados came to Cansda in 1897 and was employed there before coming to Michigan where he operated candy stores in Escanaba, Traverse City and St. Johns before coming here about 1905. He operated the Sugar Bowl at 219 Bridge st. from then until his retirement a few years ago. Since then he had operated a popcorn stand adjacent to the Palace theater.

He was an avid sports fan and followed Charlevoix high school athletic teams until this year when he became ill and unable to attend football and basketball games.

He was a member of the First Methodist church and the Elks lodge of Petoskey.

Surviving are his wife, the former Maude Williams whom he married at Traverse City Nov. 21, 1910; two daughters, Mrs. Lowell (Julia) Merica of Modesto, Calif., and Mrs. Mary Ann Loomis of Charlevoix; four grandchildren; one great-grandchild and a brother and sister in Greece. Mrs. Merica who had been here visiting her parents returned to her home last week Thursday.

Local business places were closed from 2 to 3 p.m. Tuesday in respect to Mr. Glados whose cheerful friendliness endeared him to the entire community.

PTA Sponsored All-School Fair Set for Sat. Night

The last call to the Fair . . . the P. T. A. Fair . . . was issued this week by Mrs. James W. Gallagher, chairman of the annual event which is the gala occasion of the winter season.

Anybody who is anybody will be at the Charlevoix high school beginning at 5 p.m. when a chicken or chilli supper will be served in the high school cafeteria.

The colorful midway complete with booths, games and every kind of carnival attraction will then open for the enjoyment of young and old alike. The fair will conclude with a dance in the high school gymnasium late in the evening.

The annual Fair is sponsored by the P. T. A. in cooperation with all the grades in the school and various civic organizations. Funds derived from the event are used to purchase equipment for the school.

Band Students Win First Division Ratings in Festival

The Charlevoix contingent attending the District 11 Solo and Ensemble Festival at Gaylord Saturday performed very well according to their director, C. A. Odmark, who reports that they received seven first division ratings, the same number of second place ratings, two third and one fourth place rating.

Winners of first division ratings representing "the finest conceivable performance" were the brass sextet composed of Evelyn Peters, Joan Riley, Robert Odmark, Bruce Kroken, Steve Kroll and Gary Stutzman; a cornet trio composed of Evelyn Peters, Ted Tunison and George Majors; a flute-oboe duet, Sandra Tuomela and Richard Odmark; a flute duet, Linda Nowland and Teri Freedman and soloists, Richard Odmark, oboist, and Robert Odmark, French horn. All are from the Senior high division.

Second divison rating, representing a very good performance with minor defects", were won by cornet soloist, Evelyn Petera; a clarinet duet, Barbara Sugden and Judy Walker; a clarinet duet, Linde Nell and Ruth Schofield; a clarinet trio, Lynette Mayne, Betty Stoel and Sharon Cunningham. Third division winners in the Senior high group were James Stewart and Steve Bergmann who played a clarinet duet.

First division winners in the junior high section were a flute duet, Marsha McCall and Roberta Hiller; second division winners were a clarinet quartet composed of Nancy Snider, Nancy Novak, Mary Ann Cummings and Sherrel Pearsall; a cornet trio, Ben Cunningham, Tom Hawley and Harold Smith and a clarinet duet composed of John Ochs and Donna Korth. A clarinet trio composed of Warren Belding, Robert Bergmann and Drew Young received a third division rating and a cornet duet played by John Duerr and James Uhrick received a fourth place.

Accompanist for 13 of the Charlevoix entries was Mrs. Leonard Burna.

Judges at the event were Dascho Daschoff of Ferris Institute, Al Peppel of Ionia high school and Howard Hornung of Ludington high school.

Correction

Rates for pediatric rooms at the Charlevoix hospital were raised to $17.00 per day not $7 as erroneously stated in the Courier.

Observe 61st Anniversary

Mr. and Mrs. William F. Smith, Pioneer residents of this community, will observe their sixty-first wedding anniversery Mondey.

A quiet femily gathering at the couple's home at 108 Petoskey ave. this weekend will mark the occasion for the community's oldest couple.

Mr. Smith was born at Two Rivers, Wis., April 1, 1874, and as a boy sailed the Great Lakes as a cabin boy. He continued to sail for sometime following his marriege in 1900 before establishing a draying business which he operated until the early 1920's. At that time he became manager of the Ayres Boal farm in Heyes township, a position he held until 1930 when he and Mrs. Smith retired to their present home.

Mrs. Smith, the former Catherine Haggerty, was born in Berea, Ohio, Aug. 5, 1874, and came to Hayes township at the ege of nine years. Her perents were among the earty settlers in the area north of here which at that time was covered with virgin hardwood forests.

To Observe "World Day of Prayer" at Baptist Church

The annual World Day of Prayer will be observed in Charlevoix Friday, Feb. 17.

On that day Protestant church women in the Charlevoix area will join in the seventy-fifth annual observance of the special day in a special service to be held at the First Baptist church at 2 p.m.

Joining in the observanec will be the Church of God represented by Mrs. Robert Gill; the First Methodist church, Mrs. Gerritt Potter; Assembly of God church, Mrs. Charles Elzinga; the First Congregational church, Mrs. Harold Geiken and the host church, Mrs. Walter Smith.

The theme of this year's service in all churches around the world will be "Forward Through the Ages".

Miss Cunningham Named Treas. of County Red Cross

Miss Annabelle Cunningham was named treasurer of the Charlevoix county chapter of the American Red Cross at the annual meeting held here recently.

She succeeds Mrs. J. K. Reed who has retired as a member of the board after serving many years in the office.

Mrs. Leota Dunsmore of Boyne City was named to the board of directors.

The promotion of water safety and home nursing was discussed and plans for the coming year were outlined at the meeting. Plans also were made for a Junior Red Cross drive to be held in the elementary schools of the county during the current school year.

Skin Divers to Try for Record At Torch Lake

How deep can skin divers dive? Four members of the Battle Creek Skin Divers club will attempt to prove the answer Sunday at Torch Lake when they will attempt to break the world's record of 176 feet, James Sams of the club has anounced.

Preliminary dives will be made on Saturday and the attempt to break the present under the ice dive will be made on Sunday. Mr. Sams states the best known depth dive under ice was 176 feet made at Torch lake.

Divers scheduled to try for a new record are Sherm Scott, Joe Arnold, Lloyd Sanders and Joe Pajak.

It is expected the adventure will attract considerable attention from skin diving enthusiasts throughout the country.

Council Approves Initial Plans for Clubhouse

Initial plans for a new clubhouse to be constructed at the municipal golf course were approved at the regular meeting of the City Council held Monday night.

The plans, drawn up by Louis Orlowski Jr., former local resident now living in Detroit, call for a one-story structure approximately 59 by 64 ft. complete with a 24 by 40 ft lounge, and two bedroom living quarters. The clubhouse will be built east of the present clubhouse on Central ave. A sum of $1,300 was approved for completed plans and specifications based on the initial plans with the understanding that Mr. Orlowski would supervise the construction of the new clubhouse. Plans call for the completion of the clubhouse for the 1961 season.

The transfer of a Resort Class B liquor license to a Resort Class C license with dance permit and two bars as requested by the Belvedere Club was approved. Copies of the resolution approving the transfer are to be sent to the Liquor Control Commission.

The dete for the acceptance of bids for the harbor improvement project approved early was extended from Feb. 27 to March 13.

The council approved bills totaling $25,535.70. The total included a revenue bond payment for the water fund in the amount of $5,868.75; city-used utility payment, $1,074.15; accounts receivable—purchased, $3,402.11; payment for diesel fuel for utility plant, $1,930.50 and a payment of $1,512.66 to the R. G. Moeller Co. of Grand Rapids for repairs and parts for the city-owned grader.

School Receives $8,143 Tax Money from Mich. Bell

The Charlevoix public school system received $8,143 as its share of a record $14,857,665 paid to the state primary school fund in 1960 by the Michigan Bell Telephone Co.

This in an increase of $444 over last year, according to C. Lester Johnson of Petoskey, area manager of the company.

Schools throughout Charlevoix county received from Michigan Bell's payment a total of $29,560. Payments were based on the county school census of 4,229 and the local school census of 1,165.

The tax payment amounted to $6.09 for each student on the census rolls for the 1059-60 school year.

The state primary school fund receives payments not only from Michigan Bell but also from other telephone companies and from the telegraph, railroad, Railway Express, Pullman and railroad car loaning companies.

Candidates for City Offices By-pass Issues Likely to Develop

On the surface there appears to be no vital issues in the coming primary election Monday but undercurrents indicate the coming year may produce quite a storm over electric rates in the city. Two aldermen, Richard Donaldson and Kenneth Staley, have been hounding the council for a revision of electric rates during the past year but have not been successful in bringing the issue to a vote.

Other issues likely to face the city fathers during the coming year will be the library, the industrial climate and the city airport. None of the candidates has made an issue of these problems except second Ward Councilman Donaldson who maintains electric rates are excessive and points a finger at the $210,000.00 accumulated in the electric fund.

Net earnings of the power plant for the 1959-60 fiscal year were $29,850.00, according to the auditor's financial statement. What part of the accumulated fund represents net earnings and what part reserved for depreciation has raised some question.

Following are briefs of the candidates whose names will appear on the ballot at the primary election next Monday.

Candidates for the top office to succeed E. James Hiller who is not a candidate for mayor after serving five years are E. D. 'Pat' Hawley and Theodore G. 'Ted' Ager.

Mr. Hawley has been associated with the Charlevoix County State Bank for the past 25 years and is now cashier and director of the years as a member of the Charlevoix Board of Eduction and on the board of directors of the Chamber of Commerce. He is presently completing his first year as first ward alderman.

Mr. Ager has served as manager of the Northern Auto Co. here for the past 8½ years During World War II he served in the U. S. Air Force. This is his first venture in politics.

Incumbents Hugh Mayne, clerk, and Annabelle Cunningham treasurer, are unopposed.

Mr. Mayne has served as city clerk for 13 years. He is bookkeeper at the Erber Oil Co.

Miss Cunningham is completing her first term as city treasurer. Prior to her election to the post she was deputy county treasurer for 26 years.

In the first ward there are contests for both the aldermanic and supervisor's posts.

Claude Davy, retired decorator, is returning to the political arena after having served as aldreman for 2½ years between 1948 and 51.

Robert Neff, a newcomer to the political ring, is opposing Mr. Davy for the aldermanic post being vacated by Clare Staley. He is a former member of the Michigan State Police, co-owner of Neff Brothers Food market and former chairman of the retail division of the Chamber of Commerce.

Incumbent supervisor, Ivan A. Phillips, is being opposed by E. J. Edwards.

Mr. Phillips is completing his sixth year on the Charlevoix of the board. He was a member of the Building and grounds committee during construction of the new court house and a member of the Grandvue hospital facility during its construction. As chairman of the board he presently is an ex-officio member of all committees.

His opponent, Mr. Edwards, is entering politics for the first time as a candidate for the office of supervisor. He retired last March after 28½ years as warden and assistant secretary-treasurer of the Belvedere Club. He has served 15 years as a director of the Chamber of Commerce and on the Charlevoix hospital board of directors.

In the second ward incumbent alderman Richard Donaldson is being opposed by Clifford G. Riley and incumbent supervisor Ted R. Miller by John A. Uhrick.

Mr. Donaldson is completing his second term as second ward alderman. He is a partner in Pulf'a Appliance and is a veteren of four years in the U. S. Air Force.

His opponent, Mr. Riley, is a Navy veteran of World War II and is venturing into politics for the first time though he was associated with city government for nine years when he served as deputy city clerk. He is presently employed as stock controller at American Mold Engineering Co.

Incumbent supervisor, Mr. Miller, has served on the board of supervisors since 1955. He is a retired contractor and has a major in forestry. He also is a registered surveyor.

His opponent, Mr. Uhrick, has been a resident of the community for the past five years and owns and manages Uhrick Pontiac-Cadillac Sales and Service. This is his first venture into city government.

In the third ward incumbent alderman, Edward P. Hansen is opposed by Robert S. Hamilton. Harry Gebeau who is completing his first term as third ward supervisor is unopposed for the post.

Mr. Hansen, a Standard Service station operator, is completing his second term as third ward alderman. Prior to that he had served as clerk of Charlevoix township for one term. He is a veteran of service in the U. S. Air Force during World War II and is a now a member of the Air Force Reserve.

Mr. Hamilton is making his initial appearance in political circles at this time. He has been a member of the Charlevoix volunteer fire department since 1948; an active member of the Chamber of Commerce and the Charlevoix Marine Club. He is a veteran of two years in the U. S. Army during World War II and owns and operates the Hamilton and Son Boat Yard.

For those who are away or cannot visit the polls on election day, absent voters' ballots are now available at the city hall.

Your Golden Opportunity ! ! !

Since the Primary Election is the important one city-wise, Monday is your golden opportunity to elect a progressive Mayor and council.

Last spring people advised me to "stay out" of the City Government for my own good. These were well-meaning friends who later voted for me since I indicated an electric rate reduction was necessary and I would work for the same. This I have done to the extent of putting rate reduction proposals in the form of motions for the council to vote on. Unfortunately, these were voted down by others.

This coming year will be an important one if you will put that (X) for new progressive persons who will consider facts and keep themselves free from any private obligations to certain businesses or personalities.

There are many ways to represent you—the people of Ward 2 and of Charlevoix. One of them is to inform you. We must have a majority vote of four to pass anything at a council meeting. I will be there one more year.

Will you be at the Polls Monday to send someone to represent **YOU**?

There are some vicious rumors being circulated that any change in the electric rates or system would result in all 18 electric employees losing their jobs. There is no foundation for this sort of talk and it is designed to make out persons that are interested in lower rates are not interested in the welfare of city employees. On the contrary, these persons are being employed at only two-thirds of the wage others receive in similar positions elsewhere.

The welfare of city employees is always uppermost in my mind as it was last Monday evening (Feb. 13th). It was proposed that we give a faithful employee no notice and an immediate pay reduction of $1,230.00 per year. I object to this and insist this is not in the best interests of Charlexoix. These councilmen completely ignored a city employee's welfare in this case. Alderman Donaldson and myself need help to protect city employees' welfare. We realize if we are to expect good competent employees to work for us, we must give them more security than your council was going to give this man last Monday night.

KENNETH A. STALEY
Councilman for 2nd Ward

P. S. to Ward 2—Richard Donaldson has been a firm supporter of reduced electrical rates and has worked tirelessly toward this end.

it's GREEK *to me...*

Of course it's not. But for most of us it might as well be Greek . . . or Greek might as well be Chinese.

The point is that a message not understood is useless. It may be of vital importance, like a coded message in war time — but if for the life of you, you can't decipher it, you're dead.

Your life does depend on what God says. His Judgment Day words may be, "Depart from me ye that work iniquity" or "Enter into the joy of your Lord." But which sentence you will hear depends on whether you have heard and believed the message God has sent to you in the person and passion of Jesus Christ. God's Word in Jesus Christ is that there is forgiveness with God.

Do you read Him? Or is it all Greek? The New Testament was first written in Greek, but Christian men have translated it, and Christian pastors are waiting for you to come to church during the days of Lent to hear God speak in English.

How much effort went into breaking codes in the war. Put effort today into understanding God's message of peace to you.

IVAN PHILLIPS
First Ward Supervisor

Primary Election
Monday Feb. 20th

WHY?

He has faithfully faced up to every issue when the best interests ofthe county were at stake regardless of opposition.

His six years experience on the Board of Superivsors is a valuable asset in the operation of county government. He has further proved himself when serving on the building and grounds committee and the past year as chairman of the Board.

We are of the opinion the best interests of the County, City and First Ward will be achieved by re-electing Mr. Phillips First Ward Alderman. We urge you to check his record before you cast your vote at the Primary Election next Monday.

Rayders Drop to Third Place in NMCC League

The Charlevoix Rayders were dropped to third place in league standings Friday when they were upset by an inspired Harbor Springs outfit by a score of 74 to 68 Friday night.

Under the leadership of scoring guard Gary Stutzman who couldn't miss from any place on the floor, the Rams, who came to Charlevoix with only seven players when the remainder of the squad was benched for disciplinary reason, forged into an early lead and relinquished it only once throughout the hard-fought game.

Starting for the Rayders were Jim Dennis, John Pearl, Sam Supernaw, Stan Martin and Henry Wagner. George Majors, Dan Pearl, Gary Spencer and Tom Martin also saw action.

With a minute gone in the game, Stutzman put the Rams ahead 1 to 0 from the free throw line before field goals by J. Pearl and Wagner gave the Rayders a 4 to 1 lead. Fran Lauer made it 4 to 3 and Supernaw scored a charity shot to make the score 5 to 3. However, from then on the visitors controlled the game as the Rams went ahead 16 to 12 at the quarter. Supernaw had five points; Wagner four; Pearl two and Martin one compared to six field goals and four gift shots by the Rams.

In the second period the Rams continued to pace the score as they poured in five field goals and 12 free throws while Charlevoix was scoring 16 points including eight points by Supernaw; five by Wagner; two by Pearl and one by Martin.

The Rayders got hot as the second half got underway and poured in 30 points to 19 for the Rams to go ahead 58 to 57 at the three-quarter mark. Supernaw and Dennis had nine points each and Martin, Spencer and Majors four each to account for the Rayders' total. The Rams had eight field goals and three charity shots.

Shortly after the last quarter got underway the Rams knotted the score 60-all before pulling away for the six point victory.

Paul Ranney had seven points; Stutzman three field goals; Frank Lauer and Jay VanHoven a field goal each to give the Rams 17 points and the victory margin.

Martin and Supernaw had four points each and Spencer a field goal for 10 points for the Rayders.

Stutzman of Harbor Springs and Supernaw of Charlevoix shared scoring honors with 26 points each.

Boyne City Gains First Place in Loop

Positions in league standings will again be at stake this week as the Northern Michigan Class C title race continues along the home stretch.

Highlighting the action will be the game between Boyne City and Mancelona on the latter's floor Friday night. In other games the Charlevoix Rayders will invade East Jordan; Harbor Springs will entertain Grayling and Pellston will travel to Gaylord.

In addition to a tough game Friday, the Charlevoix outfit will host the Petoskey Northmen in a return game Tuesday.

The title-bound Boyne City Ramblers will be out to avenge an earlier loss to the Mancelona Ironmen when they invade the latter's den this week. The Ironmen are presently tied for third place with Charlevoix and Grayling with a record of seven wins in 11 starts. The Ramblers are Currently leading the loop with nine wins in the same number of games.

In their first meeting the Ironmen downed the Ramblers 46 to 44. However, since then the Boyne City outfit has coasted to victory over all comers. Mancelona, on the other hand, was defeated by Charlevoix. Both teams were dumped by Grayling the first time around but won return games.

But records show that wins and losses mean little for most of the teams in the loop are capable of upsetting opponents on given nights.

Mancelona must win this week if the Ramblers are to be halted in their march for the title. With so much at stake the Ironmen can be depended upon playing heads-up ball. In addition, they will have the advantage of playing on their home floor.

In their first meeting with East Jordan, the Rayders were downed by a score of 51 to 38. This week the Charlevoix quintet will have an opportunity to avenge this earlier loss and must come up with a victory if they hope to share in the title.

Whether or not the local outfit can overcome the height advantage that was their undoing in the first game with the Jordanites remains to be seen. If they can then they may come through with a win but the going will be tough.

On Tuesday the Rayders will host the Petoskey Northmen, a team that dumped them 55 to 52 in their first meeting. This, too, will be a close game.

Grayling, now in third place, will move into Harbor Springs this week with the idea of getting back on the victory trail. However, they may find their assignment a tough one now that the Rams have a victory over the Charlevoix Rayders to their credit, proving that they have a well-round team when they put their hearts to it. The Rams could if they played ball as they did against Charlevoix, take the visiting Vikings by a sizeable margin.

Pellston and Gaylord, tied for last place with one win in 11 games wll decide this week which team is to remain in the cellar position. Both teams have displayed some good ball on occasion so this, too, could be a good game with the outcome a toss-up.

This Week with Class C Teams

East Jordan dumped Grayling 48 to 40 and Harbor Springs defeated Charlevoix 74 ot 68 to knock the Vikings and the Rayders out of second place while Mancelona won over Gaylord 52 to 35 and Boyne City trounced Pellston 56 to 36 in games played Friday night.

East Jordan 48 Grayling 40

Paced by Louis Kraemer with 16 and Duane Raymond with 13, the East Jordan Red Devils forged into a 15 to 8 first period advantage over the Grayling Vikings and never relinquished their lead as they went ahead 26 to 16 at halftime and 38 to 31 going into the final period. Tim Neal had 14 points and Frank Gross and Tom Wright 10 each for the Vik-

Boyne City 58 Pellston 38

With 12 Ramblers seeing action, the Boyne City quintet romped over the Pellston Hornets 14 to 5; 32 to 12 and 41 to 25 by quarters behind the scoring of Doug Grubbe who had 15 points for the victors. Merle Cameron had 13 for the Hornets.

Mancelona 52 Gaylord 35

The Mancelona Ironmen, paced by Denny LaCroix with 19 points, over-ran the Gaylord Blue Devils 12 to 6; 32 to 16 and 35 to 26 by quarters to move into a tie for third place with Charlevoix and Grayling. Art Teboe had eight points for the Blue Devils.

Rayder Reserves Dump Harbor Rams By Score of 59 to 43

Charlevoix's little Rayders continued their winning ways Friday night, dumping the visiting Harbor Springs Rams 59 to 43.

Before the game was over the Rams had lost one player, young Pifer, with a badty sprained ankle and six others via the foul route so were allowed to finish the game with four players who were actually disqualfied by virtue of their foul records.

The game was marked by 68 personal fouls, including 34 on each team. The young Rams had only eight field goals but were successfut on 27 of 53 free throw attempts. Charlevoix had 25 field goals and nine of 41 free throw attempts.

Charlevoix romped to a 21 to 4 first quarter lead; remained ahead 31 to 20 at halftime and 48 to 29 going into the final period as Coach Terry Rice sent his entire squad into the game.

Frank Curtis had eight points in the first period with Pete Ance contributing seven; Brendan LaBlance, Bruce Murray and Gary Stutzman a field goal each. Harbor Springs had one field and two gift shots.

As more and more Rayders entered the line-up the Rams took the lead, outscoring the home team 16 to 10 to cut the Rayders' halftime lead to 31 to 20. Stutzman had three field goals, Larry Edwards and Bruce Kroken one each.

Harbor Springs collected 10 points from the free throw line and three field goals for 16 points.

In the third quarter the Rayders got back in stride and scored 17 points including six by Curtis, five by Ance, two each by Rick Miller and Kroken and one by Curtis. The Rams had nine points on five free throws and two field goals.

In the final period the Rams outscored the Rayders 14 to 11 on two field goals and seven free throws but were unable to overcome the early deficit.

Nick DeYoung scored three points and Ben Cunningham, Spike Mort, Dave Novotny and John Ochs had two points each.

Ance was top scorer for the game with 13 points followed by Curtis with nine and Murray and Stutzman with eight each. Kroken four, DeYoung three; LaBlance, Miller, Edwards, Cunningham, Mort, Novotny, and Ochs had two points each. Others who played were Steve Bergmann, Gary Balch, Herb Cummings, Jim Holmes, Joe Smith, Jerry Stewart, Pete Brock, Al Wojan, Vance Wood, Steve Kroll and Jack Stockwell.

Mike Lauer had 15 points for the visitors.

Annual Tax Sale

STATE OF MICHIGAN
In the Circuit Court
for the
COUNTY OF CHARLEVOIX
In Chancery

In the Matter of the Petition of Otis M. Smith, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon. } No. 264-4

On reading and filing the petition of the Auditor General of the State of Michigan praying for a decree in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the March term of this Court, to be held at Charlevoix in the County of Charlevoix State of Michigan, on the 6th day of March A. D. 1961, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be taken and entered as prayed for in said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such decree, on the first Tuesday in May thereafter, beginning at 10:00 o'clock a.m. on said date, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the county of Charlevoix, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the decree shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered and if, on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. Charles L. Brown, Circuit Judge, and the seal of said Circuit Court of Charlevoix County this 20th day of December A. D. 1960.

Charles L. Brown, Circuit Judge.
Countersigned, Fenton R. Bulow, Clerk.

STATE OF MICHIGAN
In the Circuit Court
for the
COUNTY OF CHARLEVOIX
In Chancery

In the Matter of the Petition of Otis M. Smith, Auditor General of the State of Michigan for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Charlevoix, in Chancery:

OTIS M. SMITH, Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this petition under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 126 of the Public Acts of 1933, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) $1.50 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said several parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your petitioner prays:

a. That within the time provided by law this court may determine and decree that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final decree in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said decree provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount decreed against the same, shall severally be sold as the law provides;

d. That your petitioner may have such other and further relief in the premises as to this court may seem just and equitable.

And your petitioner will ever pray, etc.

Dated: December 16, 1960

OTIS M. SMITH,
Auditor General of the State of Michigan for and in behalf of said State

"Neither Snow, Nor Rain"

Herodotus, the Greek historian, said it in the 5th century, B.C., and you'll find it today inscribed on the main post office in New York City: "Neither snow, nor rain, nor heat, nor gloom of night stays these couriers from the swift completion of their appointed rounds." With the Christmas rush not far behind us, it's a good time to pay tribute to those who, day in, day out, in fair weather or foul, see that the mail gets through. Your postman deserves a pat on the back, but he'll settle for a smile . . . Incidentally, the motor truck plays a vital part in the distribution of the mail, serving the length and breadth of Michigan, from the most densely populated cities to the most remote rural areas.

Three Patrols Place First in Klondike Derby

Charlevoix's three Boy Scout patrols were among the seven from the Northern district of the Scenic Trails Council to win blue ribbons in the annual Klondike Derby held at the Rod and Gun Club here Sunday.

One hundred and ninety-six Scouts entered in 26 patrols from six northern Michigan communities gathered for the Derby which was run off in record time and was proclaimed a success by Boy Scout officials and the sponsors, the Charlevoix Kiwanis club and the Charlevoix Rod and Gun club.

Blue ribbon winners in the Derby were Charlevoix's Flaming Arrow patrol headed by Drew Young which was the first to complete the five station course and which had a total of 95 points, the Snake Patrol headed by Tom Hawley and the Owl patrol by James Uhrick, Cheboygan's Fox patrol, Pellston's Buffalo patrol, and Petoskey's White Dove patrol which also received 95 points and the Flaming Arrow patrol. Other winning patrols had from 92 to 94 out of a possible 100 points.

Fifteen second place or red ribbons and four yellow or third place ribbons were awarded to other participating patrols.

Patrols could earn a total of 10 points at each of the five stations first aid, knot tying, fire building, distance and compass and ice rescue and 50 points for the Klondike Sledge built by the patrol.

Scouts from Petoskey, Pellston, Cheboygan, Walloon Lake, Boyne City and Charlevoix participated in the Derby and enjoyed refreshments served at the clubhouse after completing the course.

Scout officials who planned the event and worked with the sponsoring organizations was composed of Robert O. Bergmann, Scoutmaster Louis Edwards, assistant Scoutmaster Dale Meredith, Russell Lewis and Leonard Burns of the local comnorthern district Scout representative.

The Charlevoix Sea Scout Ship under the direction of their skipper, Robert Somerville, was in charge of the opening ceremony and assisted with the stations.

Contests Develop in Township Caucuses Held Saturday

Township caucuses held Saturday by residents of adjacent townships have resulted in party contests in Norwood and Hayes township and a township ballot rather than a party ballot in Marion township.

Norwood township

The Republican caucus held Saturday afternoon resulted in a full slate of officers being nominated: supervisor, William Parsons; clerk, Mrs. Charles (Henrietta) Weisler; treasurer, Orville Hilton; trustee, Sam Campbell; justice of the peace, Stanley Lord; board of review, George Light Sr.; constable, Dawson Way; highway commissioner, Warren Schoals; delegates to the party convention and officers for the next caucus, George Light Sr. and Mrs. Parsons.

Heading the Democratic ballot approved at the caucus held Saturday evening is Clyde Warner, incumbent supervisor who was nominated at the Democratic caucus after he was defeated at the Republican caucus; clerk, Mrs. Joseph (Josephine) Stutzman; treasurer, Harold Lietz; trustee, Steve Faculak; justice of the peace, Mrs. Charles (Emma) Wells; board of review, Mrs. Orville (Bettie) Harding; constable, Frank Gengle; highway commissioner, Joseph Stutzman; delegates to the county convention, Mr Stutzman, Mrs. Clyde Warner and Mrs. Orville Harding.

Hayse township

Incumbent township supervisor, Lee Sneather Jr., heads the list of candidates nominated at the Democratic caucus held Saturday night. Appearing on the ballot with him will be: clerk, Quinton White; treasurer, Paul White;; trustee, Peter Winnick Sr.; justice of the peace, Frank Sneathen; constable, Jake Deschermeier; board of review, Nathaniel Smith Sr.; highway commissioner, Bob White; township committee, Lee Sneathen Jr., Mrs. Theodore (Martha) Tunison and Mrs. Winnick.

Edward K. Shanahan, as candidate for the office of supervisor, heads the Republican ballot adopted at a caucus Saturday afternoon. Other candidates are: clerk, Frank Burnett; treasurer, Mrs. Amandus (Hazel) Evers; trustee, Lloyd Kuebler; board of review, George Smith; justice of the peace, Leo Berg; constable, Thomas Hamlin; highway commissioner, Robert Straw.

Marion township

In Marion township where the residents favor a township ticket to party ballots, Clyde Cunningham, who was appointed recently to fill the unexpired term of Russell L. Curtis who resigned in January to accept the position of county tax coordinator, will head the ballot as candidate for the office of supervisor. Other candidates are; clerk, Charles Mascho; treasurer, John L. Boss; trustees; Burr Blanchard and William Himebauch for terms of two years (two to be elected); justice of the peace, Lawrence Straw for four year term to succeed himself and John Clarke to fill unexpired term of Mr. Cuningham (two to be elected); board of review, Robert Potter for four year term; constables, William Marme Jr. and Louis Drost for terms of two years (two to be elected) and highway commissioner, Rowley Williams.

Beaver Island Civic Association Sponsors Workshop

Better Business Improvement on Beaver Island was the topic discussed at a recent workshop sponsored by the Beaver Island Civic Association.

Representatives from the Conservation Department, Central Michigan College, Charlevoix County Road Commission and the Beaver Island Boat Company attended.

Among the projects discussed were; shelter for Boy and Girl Scout groups in case of rainy weather, flower beds, tree planting and picnic tables at convenient locations along the highway.

Henry Allan, president of Beaver Island Boat Company announced changes in the rates for the coming season.

M. C. Bovee of C. M. U. said the college will open the first week in May and continue for two weeks after Labor Day.

Mr. Treat of the Conservation Department told of plans to help curb illegal bass fishing at Garden Island, Hog Island and on Inland lakes.

A ham dinner was served at Beaver Lodge to the delegates and their wives. Roger Carlisle showed films of the Island.

Industrial Corp. Elects Officers

Directors of the Charlevoix Industrial Development Corp. elected officers for the ensuing yeor at an organization meeting last Saturday. The election of officers by the directors, customarily held immediately followingthe annual meeting at which directors are elected, was postponed to a later date because some of the directors had other engagements at that time.

Officers elected were: Harold M. Totten, president; Max Novak, vice president; Joseph R. William, secretary; and Archie Livingston, treasurer.

The directors have had two meetings since the annual meeting in the interest of locating a possible new industry in Charlevoix, according to Mr. Totten. A contract has been mado and the directors have outlined the necessary procedure should the time come to negotiate with a potential industry.

To Stage Annual Blue & Gold Dinner At V.F.W. Post Home

Net $500 at All School Fair

The fourth annual P.T.A. Fair held at the Charlevoix high school last Saturday proved to be a success for grownups and children alike despite Inclement weather.

Sponsored by the P.T.A. the fair grossed approximately $900, Mrs. James W. Gallagher, Fair chairman, reported Monday. She added that it was expected that the event would net about $500 after all the bills were paid. Funds derived from the Fair will be used to purchase equipment for the new school.

During the height of the festivities Jose Olsen and Mary Ann Cummings were crowned king and queen, respectively, of the Fair. Runnersup in the eighth grade competition for the sale of tickets were Melvin Matchett and Tanya Lambert.

The entire school and various civic organizations cooperated in presenting the Fair.

In announcing the results of the Fair, Mrs. Gallagher also expressed her thanks to all those who worked so energetically to see that everyone had such a good time.

Special Session On Mental Health Slated for Monday

A speciol session in "Adventures in Insight" will be held at Friendship hall of the First Congregational church at 8:15 p.m. Monday. The special session will open with short introductory remarks and the balance of the hour will be devoted to discussion of the many questions that were not answered at the close of the last regular lecture.

The Reverend Harold E. Kohn will discuss topics related to personality and mental health.

Those attending this question session will be provided with a list of topics from which to select their questions. The 12 topics selected by the most persons will then be discussed by Mr. Kohn.

Refreshments will be served by the Women's Fellowship of the church at the close of the session.

Armed Services Week Directs Interest to 310th Ordnance Co.

In observance of Armed Forces Week, the Charlevoix Courier has taken this opportunity to bring to the attention of its readers the activities of one of the military organizations that makes Charlevoix its headquarters, the 310th Ordnance Co.

Headed by Capt. John N. Barkdoll, the company has a roster of 80 officers and enlisted men who come from 15 communities within a 35 mile radius of the company headquarters located at 106 Antrim st. The personnel include men who have completed regular 'hitches' in the service, either through the draft or enlistment, veterans with longer service or those who received their basic training under the Reserve Forces Act 1955.

It is the job of the 310th Ordnonce company to troin this cross-section of community life to carry out the purpose of the unit which is that of a field supply company. In the cose of the 310th, it would be attached to a division or corps under active duty conditions and would store repair parts and equipment for other units within the division or corps. As Capt. Barkdoll explained "In the field we could supply you with anything from a part for a rifle to a 12-ton truck. However, under training conditions storage and inventory are limited so our activities here are limited.But we do get a chance to see how efficient we are when we go to camp for two weeks and live in the field as we would if we were on active duty."

In the field, the company becomes a moving storehouse mounted on a vehicle in which is stored parts for repairs and initial requistion.

Every company must be prepared to carry out its assignment in the field in relation to other units and to care for its own needs. The 310th is no exception for within this company which would almost double its roster in combat, are men who are trained to carry out every phase of the company's needs as well as fulfill the company's assignment.

The men who make up the 310th Ordnance Co. which has made Charlevoix its headquarters since 1051 come from Petoskey, Boyne City, Boyne Falls, Bellaire, Central Lake, Mancelona, Elk Rapids, Indian River, Wolverine, Vanderbilt, Alba, Elmira, Harbor Springs, as well as Charlevoix.

MEMO . . .

From the Editor's Desk

We have always maintained that more than one candidate for a public office makes for more interest in public affairs. The primary election last Monday indicates we are on the right track.

First and foremost, the little campaigning by the candidates was conducted clean and sportsman-like. None appeared to have a personal ax to grind and they were opposing each other in much the same spirit as two men would oppose each other in a game of golf.The important point is the fact that voters took more interest and turned out to vote. Further, the importance of each elector's vote was appearent in the result. For instance, two more votes in the first ward for Ivan Phillips could have tied up his race with Edward J. Edwards for aupervisor. Three votes in the second ward could have done the same in the race between Theodore Miller and Jack Uhrick. Robert Hamilton lost to Ed Hansen by only 12 votes. Don't ever aay your vote doesn't count.

Charlevoix has a new weekly newspaper, THE FLASHY TRASH. We just discovered it although the seventh issue appeared last week. The two young editors are Jerry Stewart, 12 and Paul Martin, 11. These two young journalists are struggling with a two-page carbon copied sheet that has exceptional news interest. We take the liberty to quote a couple of the ads which appeared in the last issue. "By None A Day Multiple Vitamins. Adv." "Rash Dog Food Made From Lean Red Trash." Newswise they have covered sports, national events, church activities and letters to the editors with the replies. Congratulations to Jerry and Paul.

Stick with it if you like. You may or may not be a financial success but you'll get a lot of living.

Charlevoix had one of those infrequent visitors from the far north last Week—an artic owl. The bird was discovered perched on top of the TV antenna at the home of Don Pearsall on May st. These huge snow-white birds always attract wide attention when they venture this far south. We have been told that their occasional visits are made when there is a shortage of food in their native haunts.

Voice of Our Readers . . .

An article which appeared in the February 16th issue of the Charlevoix Courier, and in various letters which have been circulated throughout the city, stated that Alderman Donaldson, and Alderman Staley, have attempted to lower electrical rates for the City of Charlevoix, and have not received any support from other members of the Council. This is only partly true. Both alderman have worked very hard on lowering electrical rates, but now don't you agree that the City of Charlevoix, should know beyond the slightest doubt that the lower rates would cover all costs that should be charged to our electric plant, including plans for future expansion. I feel, and I am sure you do too that there are many factors concerned other than just simply lowering the electrical rates.

As an alternate procedure the City has engaged the services of Cummins and Barnard Engineering Corporation, to make a complete study of all electric producing and distributing facilities of the City of Charlevoix, and make recommendations of alternates of purchase power along with the city generating power, city generating all power, using all purchase power, etc. Then when this study is completed the same Engineers will study the City's rate structure and make recommendations based on the above facts.

My reason for bringing this matter to your attention is to help, you the Citizens of Charlevoix, understand all of the facts, not only a few. What seems to be "nothing" to some people requires hours of future planning for others.

To Observe 49th Anniversary of Girl Scouting

The forty-ninth anniversary of Girl Scouting will be observed next month.

Charlevoix's Girl Scouts will observe the event by attending the Bethany Lutheran church in a body on Sunday, March 12.

The theme of Scouting for the year is "Yesterday's Girl Scouts —Today's Career Women". As part of the observance Charlevoix Girl Scout troops will present thumbnail biographies of today's career women who were once Girl Scouts.

This week's biography, written by Scrout troop 13 composed of eighth, ninth and tenth grade students, features Mrs. Robert Richards, fifth grade teacher in the Charlevoix public school for the past 15 years and active in the Scouting program since 1935.

As a girl, Mrs. Richards was a member of the Camp Fire Girls, a youth organization for girls comparable to Scouting. In 1935 she joined the Girl Scouts as an adult volunteer worker in Zanesville, Ohio, where she was a troop committee woman and later pdesident of the Zanesville Council. She has been an active member of the local council since coming here, having served in a number of positions including Council president. She is presently a member of the nominating committee of the local council.

Parents Announce Engagement of Miss Stockwell

Mr. and Mrs. Byron D. Stockwell have announced the engagement of their daughter, Jean Marie, to William J. O'Daniel.

The prospective bridegroom is the son of Mr. and Mrs. Joseph S. O'Daniel of Lebanon, Ky.

A spring wedding is planned by the couple.

Miss Stockwell is a 1956 graduate of the Charlevoix high school and last summer conpleted four year enlistment in the U. S. Navy where she served as an operating room technician, a position she now holds at St. Luke's-Presbyterian Hospital in Chicago. Mr. O'Daniel is a graduate of St. Augustine high school in Lebanon and attended St. Catherine's College in Springfield, Ky., before enlisting in the U. S. Navy. He also is an operating room technician.

Mr. and Mrs. John Schroeder and Mr. and Mrs. Karl J. Erber plan to leave Sunday on an extended vacation trip to New Orleans, La., and the Southwest including Arizona.

I See By The Courier . . .

Mrs. Marion Jackson Sr. who is spending the winter in the south visited the Sarasota Jungle Gardens during a recent trip on Florida's Lower West Coast.

Among the Charlevoixans who are vacationing at Kinder Camp near Parker Dam on the Colorado river are Mr. and Mrs. Ray Shearer, Mr. and Mrs. Harold Pearl, Mr. and Mrs. Lee Mason and Ray Pearl. The latter's sister, Mrs. Hazel Phillips of Pasadena is also there with them.

Streeter and her four children, Laurie, 7, David, 5, Michigan, 3, and Carol, 2, departed recently via plane for McChord Air Force Base, Wash., from where they were scheduled to leave Feb.15, for Japan to join their husband and father, Staff Sgt. Streeter who has been stationed there for the past eight months. He is a veteran of eight years in the U. S. Air Force.

Mr. and Mrs. James Taylor had as their weekend guests Mr. and Mrs. A. M. Paterson and Mrs. Robert Vaughn of Hillsdale.

Amy Mitchell has completed her studies as medical secretary at Carnegie Institute in Detroit and has arrived here to spend two weeks with her parents, Mr. and Mrs. Carl Mitchell. She will formally graduate from the institution in June.

Mr. and Mrs. Ray Kipke have spent the last two weekends visiting relatives. One weekend they visited in Holland wth their son-in-law and daughter, Mr. and Mrs. Donald Bambach where they saw their new grand-daughter for the first time and in Lansing. They also called on the Lloyd Curtises of Spring Lake. Later they were in Manistique for the eightieth birthday anniversary of Mrs. Kipke's father, William Turpin.

Mr. and Mrs. Howard Timmer have returned to Grand Rapids following a weekend visit with the former's parents, Mr. and Mrs. Peter H. Timmer.

ATLAS?? thor? TITAN?

They're just words to most of us. Yet we see them as deterrents to communist aggression, the guarantees of peace and freedom.

But somebody better understand them. Somebody better be able to make them and mount them and fire them.

There are other words with even greater fire power — *Grace* . . . *Savior* . . . *Atonement* . . . *Justified*, You'd better do better than *hope* somebody *else* understands them. They must be used in a war inside of you, by an army in which only you can enlist. The devilish aggressor has already invaded your life and only attack can now succeed against him.

Lent is a training school in the use of Christian rocketry. Come to church in these days and set the enemy within you up as a target for God's attack. What's more, you'll find enough thrust in God's Son, Jesus Christ, to lift you up to a new world and a new way of life. The three stages of Grace and *Justification* and *Atonement* never fail to bring any faithful user into the orbit of God's love.

MINUTES OF SCHOOL BOARD MEETING

January 16, 1961

Present: Martin, Dinwiddie, Freedman, Blanchard C. Smith, Al Smith, Bennett, Supt. Absent: Lieberman.

The meeting was called to order by the Vice-President at 8:07 p.m.

Minutes of the meeting of January 3 were read and approved.

It was moved by Dinwiddie, supported by Martin, that bills in the amount of $2,024.92, payable from General Fund, be approved and ordered paid. Motion carried: 5-0.

Moved by Blanchard, supported by C. Smith, that bills in the amount of $8,797.86, payable from Building & Site Fund, be approved and ordered paid. Carried: 5-0.

Mr. Bennett reported that he had contacted the companies whose bids had been accepted and they all agreed if the orders were placed now the order would protect the price and delivery would not necessarily be made before such time as the new building would permit. Mr. Hagler, of Classrooms, Inc., met with the Board and regarding the order for furniture stated that color selection should be made as soon as possible as thirty days would be needed for shipment after delivery date was specified. However, he again stated that delivery would not be made until such time as the building was ready. Mr. Hagler, speaker for his company, stated that reduction in price of the furniture during the waiting period would be passed on to the Board of Education.

It was moved by Dinwiddie, supported by Martin, that the interest due the First National Bank of Petoskey on the 1951 Building Bonds, amounting to $250.00, be approved and ordered paid. Carried: 5-0.

A letter from McFadden Corp. was read, confirming firm prices on their bids for furniture, with 90 days for delivery.

It was moved by Dinwiddie, supported by Blanchard, that the recommendation of the Furniture Selection Committee with regaurd to the order for Brunswick furniture to Classrooms, Inc., be approved subject to any decrease in price between now and time of delivery, time of delivery to be within 45 days after notice to Brunswick, and also subject to the right of this Board to select a design different than that originally selected from Brunswick—they to be informed of color selection as soon as necessary to complete the order—and no payment to be made until delivery of said furniture. Motion carried: 5-0.

Moved by Blanchard, supported by Dinwiddie, that the order to McFadden Corp., as recommended by the committee, be accepted—based on a firm price on everything ordered, whether in stock or not; acceptance of the order based on firm price with 90 day's lead time, with the advantage of a decrease if any between now and time of notification for delivery. Carried: 5-0.

Al Smith entered the meeting.

Gordon Cornwell, architect, made a report on the progress meeting held in connection with the new high school. He indicated the following to be of immediate concern: plastering, painting, and floors. Following these there must be cleaning, hanging of doors, hardware, setting of lockers and glass and window stool above them, mill work etc. He advised that April 3 is a more likely date than March 27, as suggested by Mr. Bjorklund. He also said that Mr. Bjorklund must be informed that a superintendent must be appointed who would be acceptable and be in charge whenever Mr. Bjorklund, Sr., is absent for whatever reason. Mr. Cornwell also advised that he would contact the Bonding Co. and indicate to them the progress. Further, in his report Mr. Cornwell reported that Davis Electric and Wares & Son, contractors, had with them at the progress meeting Mr. Harry Running, an attorney, who reported that the delay in building was affecting his clients adversely as to their bonds and urged progress be speeded up. Mr. Cornwell suggested that the bonds held be these two firms be terminated with "A" and "B" buildings completed and new bonds be given covering the work in "C" building. Mr. Norman Ance, who was present, agreed that this would be satisfactory and possible. Mr. Ance further agreed to write to the Bonding Co. covering Mr. Bjorklund's contract, after Mr. Cornwell had made contact.

It was moved by Al Smith, supported by Blanchard, that the check in the amount of $19,739.92, in favor of Wallace N. Bjorklund in payment of Certificate No. 15, be released. Motion carried: 6-0.

Mr. Bennett reported on the Central Michigan University partnership plan with the Charlevoix schools, and advised that a team of four had been sent to study our school for approval, leading to sending teachers for training.

Moved by Dinwiddie, supported by Martin, that Judy Vi McKnight be offered a contract for the remainder of the school year 1960-61. Motion carried: 6-0.

The meeting adjourned at 11 p.m.

February 6, 1961

Present: C. Smith, Freedman, Martin, Al Smith, Lieberman, Blanchard, and Supt. Bennett. Absent: Dinwiddie.

The meeting was called to arder at 8:17 p. m.

Minutes of the meeting of January 16 were read and approved.

It was moved by C. Smith, supported by Martin, that bills in the amount of $3,365.48, payable from General Fund, be approved and ordered paid. Motion carried: 5-0.

Moved by Freedman, supported by Martin, that bills in the amount of $16,859.28, payable from Building & Site Fund, be approved and ordered paid. Carried: 5-0.

Mr. Cornwell, architect, was present and reported on plans for backboards in the gym, both for those at the ends; which have been ordered—and for four backboards at the sides. Prices for the four additional were presented as running from $2,568 to $3,617. Mr. Cornwell was asked to determine the cost with power for lifting, and with a color to match that of the roof deck.

Mr. Blanchard entered the meeting.

Further discuession with Mr. Cornwell was held with regard to the hood in the kitchen, aluminum strips in certain sections of glass, and fire extinguishers.

The motion was made by Freedman, supported by Martin, that Change Order No. 6 to the contract of Wallace N. Bjorklund, for a substitution of Herculite Glass backboards for metal fan-shaped, for an additional $484; and addition of two doors and frames, plus hardware, not before specified, for an additional $402.82—making a total addition of $886.82, be approved and the Superintendent authorized to execute same. Carried: 6-0.

Moved by Martin, supported by Al Smith, that Change Order No. 6 to the contract of Davis Electric, for additional light fixtures in the canopy of the main entrance to 'B' building, for an additional $194.00, be approved. Carried: 6-0.

The suestion of landscaping was introduced and it was decided to ask Mr. Matson, project engineer, because of his extensive experience in that field and because of his generous offer to help, to prepare a complete plan so that it may be started as soon as possible.

It was moved by Freedman, supported by C. Smith, that substitute teachers be paid $18.00 a day effective immediately. Motion carried: 6-0.

Moved by Martin, supported by Al Smith, that Mrs. Rose L. Hilton, employed in maintenance, be place on a regular pay status. Motion carried: 6-0.

Moved by Freedman, supported by Martin, that Mr. Bennett be authorized to sign an agreement with the University of Michigan for a concert to be given by the Men's Chorus on April 8, as requested by local study groups and the Band Parents Association, with the understanding that any funds over and above expenses be placed in a fund for future concerts. Carried: 6-0.

Mr. Lieberman reported on the swimming pool project of the local Kiwanis Club. Since recommendation had been made that the size of the pool be a minimum of 25x 60 feet and that advantage be taken of the room now used as a cafeteria, for a more comprehensive project, it was decided to suggest a joint meeting to discuss details.

Mr. Bennett reported on the following:

The Phelps Railroad crossing hearing, with County Road Commission, Public Service Commission, State Police Safety Division, C. & O. Railroad, County Supervisors, and School authorities.

The co-operative in-service teaching plan with C.M.U., with two assistant teachers assigned as of February 6.

The Bridgeport meeting on team-teaching, attended by him and Mr. Snider.

Plans to visit the Brunswick plant at Kalamazoo to see new line of furniture.

Proposed program of the Northern Michigan Educational Association on Teaching Aids, of which we are an active member.

The President, Mr. Lieberman, appointed the following as committees:

Office furniture committee: Freedman, Dinwiddie.

Landscaping committee: C. Smith, Blanchard.

The meeting adjourned at 10:45 p.m.

SUNDEW REPORT

The Sundew was underway Friday for speed trials in the ice field just beyound the pier-heads. The purpose of the trials was to determine if our main generators were fuctioning properly after two weeks of repairand adjustments.

The fish tug, Buddy L., attempted to follow us to open water but due to heavy slush ice was unable to make headway and was advised to return to Charlevoix.

Open water areas were at a minmium as the recent cold spell froze most of the lake with at least a surface coat of ice.

We returned to Charlevoix Friday afternoon with both main generators functioning properly.

Sundew Scuttlebult

David Eddy, SA, was given a medical discharge from the Coast Guard. Before entering the service he had frost-bitten hands and this caused him severe pain when working out of doors in cold weather . . . Garabed "Arab" Arslanian departed Sunday for USPHS Hospital, Detroit, for dental treatment.

CARD OF THANKS

We wish to thank the doctors, nurses, nurse aids and all the hospital staff for the kindnesses to George Glados while a patient in the hospital. Also to those who expressed their sympathy in so many beautiful and practical ways during our recent bereavement. We extend our heartfelt thanks.

Justice Court News

Justice John J. Connolly reports the following cases which appeared in his court recently.

Allen C. Collins, 31, charged with larceny by conversion, was bound over to the March term of circuit court following examination before Justice Connolly. A $1,000 bond set early was continued. Collins allegedly arranged to purchase a car from the Northern Auto Co. and after all papers were in order, borrowed the car to go to Petoskey to get funds to finance the purchase. He was arrested in Muskegon Dec. 7, several days after taking the car, according to the charge. He has been free on bond.

Robert Clark, 32, was also bound over to the March term of circuit court on a paternity charge following examination before Justice Connolly. Bond was continued at $100. He also has been released.

Robert W. Trombley, 44, of Grand Rapids, charged with speeding, was ordered to pay $15 fine and $4.30 costs. Summons was issued by the State Police.

Louis T. Soblesky, Sr. 53, of Saginaw, charged with speeding, was ordered to pay $5.00 fine and $4.30 costs. Summons was issued by the State Police.

Irvin J. Haysner, 44, of Cadillac, charged with making an improper turn, was ordered to pay $5.00 fine and $5.00 costs. Summons was issued by the City Police.

Marilyn B. Curtis, 25, charged with ignoring a stop sign, was ordered to pay $5.00. Summons was issued by the State Police.

William D. Howell, 23 of Cheboygan, charged with driving with an expired operator's license, was ordered to pay $5.00. Summons was issued by the State Police.

Richard H. Sucher, 33, of Detroit, who earlier pleaded not guilty of reckless operation of an airplane, last Wednesday changed his plea to guilty and was ordered to pay $35 fine and $15 costs. In a complaint signed by the Michigan State Police he was charged with 'buzzing' Boyne Mountain Jan. 2, 1961.

It's not the turning, slowing or backing, but the straight away when judgment's lacking.

Rayders Drop to Third NMCC Basketball Title With Grayling

The East Jordan Red Devils racked up a 67 to 59 over the Charlevoix Rayders Friday night to move into a tie for first place with Boyne City while the local quintet dropped to a tie for third place with Grayling.

In a game which was a battle form beginning to end both teams scored 22 fields goals.

The Red Devils collected the winning margin from the free throw line while they hit 23 of34 attempts while having only 14 personal fouls called on them.

The Rayders, on the other hand, were successful on 15 of 22 attempts but collected 22 personal fouls.

Jim Dennis, John Pearl, Sam Supernaw who has slowed down by an ankle injury, Stan Martin and Gary Spencer started for the Rayders. George Majors and Perry Smith joined the line-up in the second period, Henry Wagner and Terry DeYoung in the third peroid and Don Nowland the third period and Don Nowland and Tom Martin in the final quarter.

Charlevoix jumped into a 20 to 15 first period advantage only to have East Jordan edge into a 31 to 30 halftime lead which they increased to 49 to 42 going into the final period.

In the opening period Dennis hit for four field goals and a gift shot, Martin for five points, Supernaw for four and Pearl for two. The Jordanites had six field goals and three free throws.

The Rayders' torrid attack cooled off in the second period as Pearl scored three points, Dennis, Supernaw and Smith two each and Martin one for a total of 10 points.

Going into the second half, the Jordanites' attack gained momentum as they scored six field goals and the same number of free throws while Charlevoix had 12 points including seven scored by Supernaw; four by Dennis and one by Pearl. Martin went to the bench with five personal fouls midway in the period.

In the final period Charlevoix scored a total of 17 points including seven by Supernaw, four by Pearl and a field goal each by Nowland, DeYoung and Smith. The Jordanites, however, poured in 18 including four field goals and 10 free throws.

Louis Kraemer paced the game with 21 points. Supernaw had 20, Dennis 15 and Pearl 10 for the Rayders.

Boyne City And East Jordan Battling For League Title

The race for the Northern Michigan title is expected to go right down to the wire this season with the main contenders, Boyne City and East Jordan, battling it out with opponents in the next two weeks.

Mancelona, in second place one game behind the league leaders, can only share in the title should the Ramblers and the Red Devils lose their remaining games.

Of the two top teams, East Jordan has the toughest games yet to play. They will host Harbor Springs this week and close out the season at Mancelona while Boyne City will entertain Gaylord this week and play here in the final game of the aeason.

This week will also find Mancelona traveling to Pellston; and Charlevoix invading Grayling.

East Jordan downed Harbor Springs by three points when the two teams met on the Rams' floor early. Since then, however, the Harbor Springs outfit seems to have caught fire and in recent weeks have downed Charlevoix and Grayling. The two teams will be about the same size, with both having considerable height. By virtue of their record, the Jordanites will be favored but they will find a tough adversary in the Rams and will have to play head-up ball all the way.

Boyne City will take on Gaylord, a team that has two wins, both over Pellston, to their credit The Ramblers should win handily.

Charlevoix and Grayling will be battling for possession of third place in loop standings when they square off this week. In their first game the Rayders handed the Vikings a decisive defeat. However, in successive weeks both teams were dumped by an inspired Harbor Springs outfit. The Rayders have proven that they are capable of dumping the Vikings but will have to play their best brand of ball if they want to finish the season in the top half of the league standings.

The Mancelona Ironmen, barring a complete let-down should come through with a decisive vistory over the cellar-dwelling Pellston Hornets.

Little Rayders Rack Up 53-34 Over Jordanites

Continuing along the victory trail as their current season nears its conclusion, the Charlevoix Reserves racked up a 53 to 34 victory over the East Jordan J-V squad on the latter's floor Friday night.

The little Rayders jumped into a 15 to 5 first quarter advantage; went ahead 25 to 11 at halftime and 40 to 23 going into the final period.

Pete Ance, Brendan LaBlance, Bruce Murray, Frank Curtis and Gary Stutzman started for Charlevoix. Rick Miller, Gary Balch, Bruce Kroken, Larry Edwards, Steve Bergmann, Herb Cummings, Ben Cunningham, Dwight Boss, Dave Novotny, Jim Stewart, and Steve Kroll also saw action.

Murray, Curtis and Stutzman scored five points each to account for the Rayders' 15 points for the first period. The Jordanites had two field goals and a free throw.

As the game went into the second period Curtis added four points and Murray, Kroken and Edwards a field goal apiece to give Charlevoix a 25 to 11 halftime lead. East Jordan had four free throws and a field goal.

Going into the second half Curtis scored 10 points, Murray and Stutzman contributed a field goal each and Miller a free throw for a total of 15 points and a 40 to 23 lead after the young Red Devils had scored five field goals and two free throws.

With the line-up changing throughout the last period, Bergmann scored two field goals, Miller, Curtis and Murray one each and LaBlance, Balch and Edwards a free throw each for the Rayders. East Jordan had 11 points on two field goals and seven gift shots.

Curtis paced the scoring with 21 points followed by Murray with 11 for the victors.

Roberts had 20 points for the Jordanites.

Rayder Perry Smith (11) goes up to score one of the 22 field goals dumped in by the Charlevoix Rayders at East Jordan Friday night. Though they matched the Jordanites in this department, the Red Devils won on the free throw line to go into a tie for first place with Boyne City in league standings.

This Week with Class C Teams

The Mancelona Ironmen dumped Boyne City 48 to 45; East Jordan defeated Charlevoix 67 to 59; Harbor Springs edged Grayling 51 to 48 and Gaylord trimmed Pellston 46 to 32 to knock the Northern Michigan Class C loop standing into a cocked hat.

Boyne City's loss and East Jordan's win now places the two teams in a tie for first place; Mancelona moves into second place; Charlevoix and Grayling are presently tied for third; Harbor Springs is in fourth place; Gaylord next and Pellston in the league cellar.

Mancelona 48 Boyne City 45

Mancelona had to come from behind to clip the Boyne City Ramblers Friday night after the latter had led 14 to 10 at the quarter and 27 to 21 at halftime. However, the Ironmen started to hit as the second half got underway to outscore the Ramblers 16 to 7 for the period to take a 37 to 34 lead. Both teams scored 11 points in the final period when the score was tied several times before Mancelona pulled away for the three-point victory. Mancelona lost Tom Moeke with four minutes remaining and Larry Bengtson with two minutes to go with five personal fouls. Boyne City lost Terry Newville with an injury midway in the final period and Glen Tatham with five minutes to go when he collected his fifth foul. Walt Klein paced the victors with 16 points followed by Denny LaCroix with 12. Jack Dixon had 12 points for Boyne City.

Harbor Springs 51 Grayling 48

The Rams and the Vikings battled it out 11-all in the first period of their game Friday night before the visitors went ahead 23 to 18. As the second half got underway the Rams popped in 25 points for a 43 to 31 advantage going into the final period and remained ahead until the final horn. Frank Gross had 22 points for the Vikings but his efforts were not enough. Gary Stutzman had 19 points for the Rams.

Paced by John Johnson with 16 points, the Gaylord Blue Devils moved out of the cellar position they had been sharing with Pellston as they led the Hornets 11 to 4; 19 to 8 and 35 to 16 by quarters. Merle Cameron had 12 points for Pellston.

Annual Tax Sale

STATE OF MICHIGAN
In the Circuit Court for the COUNTY OF CHARLEVOIX
In Chancery

In the Matter of the Petition of Otis M. Smith, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon. } No. 281-1

On reading and filing the petition of the Auditor General of the State of Michigan praying for a decree in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the March term of this Court, to be held at Charlevoix in the County of Charlevoix State of Michigan, on the 8th day of March A. D. 1961, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be taken and entered as prayed for in said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such decree, on the first Tuesday in May thereafter, beginning at 10:00 o'clock a.m. on said date, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the county of Charlevoix, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the decree shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered, and if, on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. Charles L. Brown, Circuit Judge, and the seal of said Circuit Court of Charlevoix County this 20th day of December A. D. 1960.

Charles L. Brown, Circuit Judge.
Countersigned, Fenton R. Bulow, Clerk.

STATE OF MICHIGAN
In the Circuit Court for the COUNTY OF CHARLEVOIX
In Chancery

In the Matter of the Petition of Otis M. Smith, Auditor General of the State of Michigan for and in behalf of said State, for the sale of certain lands for taxes assessed theron.

To the Circuit Court for the County of Charlevoix, in Chancery:

OTIS M. SMITH, Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this petition under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 128 of the Public Acts of 1933, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) $1.50 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses as extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said several parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your petitioner prays:

a. That within the time provided by law this court may determine and decree that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final decree in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said decree provide that in default of the payment as ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount decreed against the same, shall severally be sold as the law provides;

d. That your petitioner may have such other and further relief in the premises as to this court may seem just and equitable.

And your petitioner will ever pray, etc.

Dated: December 16, 1960

OTIS M. SMITH,
Auditor General of the State of Michigan for and in behalf of said State

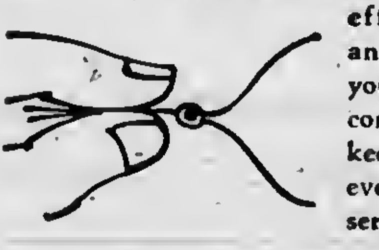
Telephone lines

By **LES JOHNSON**, *Manager*

AN ENCOURAGING WORD for parents whose teenagers seem to talk on the phone for hours: child psychologists say they're only trying to banish moods of dejection and raise their spirits. Adolescents, it seems, are particularly vulnerable to depression. And telephoning is one way they avoid feeling "down." Perhaps the best psychology for parents is to get their teenagers an extension phone of their own—it costs just a few cents a day. Or, better yet, a separate line. It can raise the spirits of the whole household!

* * *

A VERSATILE LITTLE INVENTION called the thermistor (short for thermal resistor) has proved a boon to your telephone service. This supersensitive device—no bigger than a tiny bead—keeps telephone voice transmission at uniform volume. Volume can vary with temperature, and thermistors, reacting to heat and cold, keep the voice level constant. Developed by Bell Telephone Laboratories, millions of them today are hard at work in your nation-wide telephone network. Tiny and efficient, thermistors are another example of how your Telephone Company is constantly working to help keep down the cost of your ever-improving telephone service.



* * *

A NEW HOME TELEPHONE service is now available from Michigan Bell. It's called Home Interphone. Here are some of the wonderful things you can do with it • talk by phone from room to room; the person you call can answer "hands free" • answer the door from any phone (via a microphone-speaker by the door) • "hold" and transfer incoming calls to another telephone in the house by using the telephone to page the person being called. Home Interphone is a new Bell Telephone product that makes your telephone service more useful and convenient than ever.

New '61 Chevy with *Jet-smooth* ride!

Impala 4-Door Sedan—Jet-smooth traveler that rivals the luxury cars in everything but price

The '61 Chevy loves to go because it goes so well. Purrs along pavements like a happy tabby. Takes rough roads in stride and all roads in style.

Just why does a Jet-smooth Chevy treat riders as royally as the high-priced luxury cars? It all came about through a delightful blend of Full Coil suspension, precision-balanced wheels, unique chassis cushioning, and a superb Body by Fisher insulated to hush away road sounds. All this adds up to less sway, less jounce, less dip, less dive, less tilt, less noise, less . . . well you name it.

Now combine this Jet-smooth ride with conveniences to pamper you and roominess to relax in. Add a full measure of quiet good looks. *Voilà*, you've got Chevy's formula.

And the proof is in the riding. When you sample a Jet-smooth Chevy at your Chevrolet dealer's we think you'll find it just to your taste.

March of Dimes Campaign Fund Goes Over Top

The 1961 March of Dimes fund campaign now drawing to a close has reached a new high according to Mrs. L. R. Hooper, local fund chairman.

As of Monday $1,661.49 had been contributed in the Charlevoix area. This is $137.07 more than the total conntributed in 1960, Mrs. Hooper added.

Among the contributions made are: $5.62 given by the Ironton school, $6.00 by the Murray school and $50 by the four grades of the Charlevoix high school. This brings the total contributed through the schools to $201.91.

Other contributions include $58.10 contributed in the Mothers March in the Phelps district where Mrs. William Himebauch was chairman; a new total for the Norwood community, $46.50; a corrected total on Beaver Island $143.60; Barnard Grange, $14.00; Barnard Farm Bureau, $5.00; Charlevoix Rod and Gun Club auxiliary, $5.00; Garden Club, $5.00; Hayes township, $68.60 including $3.05 in canisters, $23.50 in mailers and $42.05 at the Bay Shore card party.

Mrs. Don Brown and Mrs. Richard Donaldson, co-chairman of the recent benefit buffet held at the Weathervane Inn, would like to thank all the individuals who assisted in any way in making the event a success. Special thanks goes to the management of the Inn for offering its facilities and to its personnel who contributed their services, the Johnny Kay Trio, Edwards Florist, Frank's Flowers and Maxbauer's Creamery, Edward Food, Neff Brothers, Groen Produce, Stanny Morris Livingston, Thompson-Cain, Farmer Peet, Michigan Bakery, Mueller Bakery, Bay Shore Meats, Essenberg Grocery, and the Kroger Co. wich contributed foods and the Weathervane Lodge wich contributed the coffee.

Freedman Artcraft Calls Back Twelve Laid Off Employees

Freedman Artcraft Engineering Corp., today is calling back to work 12 of the employees laid off Feb. 1, Gordon L. Freedman, president of the firm has announced. Additional people will be called back during the month and he expects to have 50 people back on full time work by the last of March.

He states it is difficult to project at present the improvements of general business conditions for the next few months. Generally an upturn in business is expected. If business conditions improve as anticipated, the majority of the people laid off Jan. 4. will be called back by June 1.

Recovering of unemployment at Freedman Artcroft is dependent upon some factors beyond the control of management, Mr. Freedman said. During the past few years competition from plants located in the South has become increasingly serious, and partially contributed to the culmination of conditions requiring the recent layoffs here. He points out that continued success of Freedman Artcraft's operations in Charlevoix dependent upon improvements in those conditions to enable the company to be competitive with plants in the South and Mid-west, that have been aided by state and community projects.

The management at Freedman Artcraft feels that condsiderable greater effort must be made by the community as well as the state to provide conditions comparable with those in the competitive areas.

A successful manufacturing organization can only continue to be successful in a progressive community.

During the month of March, Harry F. Damon Jr., will become operations manager at Freedman Artcraft. Mr. Damon comes to Charlevoix extremely well qualified, Mr. Freedman says. He has had a wide experience in the woodworking industry in New England and the South. Mr. Damon will leave his family in Ashville, N. C., until he is able to obtain suitable housing in Charlevoix.

Frank Waubezle, 60 Asphyxiated in Trailer Home Fire

Frank Waubezie, about 60, was burned to death early Wednesday morning in a fire which completely gutted the metal-covered trailer-like shack located on west Robinson st. where he had lived for the past five years.

Following an investigation conducted Wednesday, Detective Sgt. John Girocco of the Fire Marshall's Division of the Michigan State Police, at Traverse City, said that there was evidence that the fire had resulted from malfunction of a three-burner oil stove which was used for cooking and heating purposes. One of the burners on the stove was in the 'on' position and the path of the fire seemed to start at the stove, Sgt. Girocco said. It is possible that Waubezie was awakened by the smoke though partilly overcome by carbon dioxide and tried to escape but collapsed at the door where his body was found by police and firemen, Sgt. Girocco added. He lived alone.

Police were called at 12:55 a. m. after members of the Thomas Murphy family who live across the street from Waubezie were awakened by the barking of their dog. Believing they saw smoke coming from under the door of the trailer-shack they called a neighbor, Dewey Bruce, a volunteer fireman, to investigate. The latter notified the police before leaving for the shack, arriving at the same time Officers Kenneth Sweet and Glenn Pemberton reached the scene in the police car. When they were unable to force the door of the metal covered structure, they called the fire department. Firemen chopped a hole in the side of the structure. Waubezie's badly burned body was found at the door. Dr Robert G. Martin, cordner, said death was due to asphyxiation.

The body was taken to the Winchester Funeral Home.

Waubezie had lived in Boyne City until coming here about five years ago. He was a veteran of World War I and was a member of the Smelt City V.F.W. Post No. 3675. He received a non-service disability pension, according to post officials.

Graveside services will be held at Maplelawn cemetery in Boyne City Thursday (today) at 2 p.m. under the auspice of V. F. W. Post No. 3675.

Rev. James Sherman To Speak Wed. Noon

The Rev. James P. Sherman will speak on the subject of "Teaching in the City" at the weekly pre-Easter service to be held at the First Methodist church from 12:30 to 12:50 p.m. Wednesday.

The Rev. George Majors will lead the devotions at this noontime service which is open to the public.

The service will be the third in a series sponsored by the Charlevoix Ministerial Association.

Community Chest Elects Directors

One new director was elected and two others re-named to the Charlevoixx Community Chest board at the annual meeting held Wednesday evening at the elementary school building.

Robert O. Pearl was named to succeed Hal M. Hill whose term expired and Mrs. Dean Davenport and Franklin Ochs, other directors whose terms expired, were re-elected to succeed themselves.

At the election of board officers, Mr. Ochs was re-elected president for 1961; Fred deCastro, vice pnesident; Mrs. Wilson Baker, secretary and J. Lawrence Feindt, treasurer.

Other members of the board of directors are: Frank M. Olesky who was named earlier to fill the unexpired term of Karl Schultz who resigned last fall after serving several years on the board, Mrs. J. K. Reed and Mrs. Gerald Left.

A treasurer's report revealed that the 1960 Community Chest Fund drive to raise funds for 11 agencies and campaign expenses brought in $9,094.11. The campaign goal had been $8,475.

Checks in the following amounts have been mailed to the agencies listed below: Community Nurse, $1,550; American Red Cross, Charlevoix county chapter, $1,000; Charlevoix Girl Scout Council, $750; Charlevoix Association to Aid Retarded Children, $950.00; City Recreation, $800; Emergency Fund which includes extra money to underwrite the cost of Salk vaccine, $450 which were the amounts each agency requested. Other agencies which received funds were the Scenic Trails Council of the Boy Scouts, $750.00 or approximately 52 per cent of this organization original request of $1,450; Salvation Army, $200 or approximately 62 per cent of the organization's request for $325.00.

The Michigan United Fund and the Charlevoix Hospital which were included in the 1960 budgets for amounts of $1,000 and $500 respectively, were later given the full amounts of their original requests after representatives of those two groups appeared before a special meeting of the board of directors to explain the need for the amounts of their requests. The Michigan United Fund received $1,564 and the Charlevoix Hospital $1,121.06.

The Charlevoix Service Organization which was included in the original budget for $225.00 for 1961 was promised an additional $25 after an explanation of the organization's needs were reviewed at Wednesday's meeting.

G.B.VanDusen, Cashmere Store Founder Dies

Garfield B. Van Dusen, 82, of Grand Rapids, founder of the Cashmere store here, died Thursday at Butterworth hospital in Grand Rapids where he had been a patient for a week.

Funeral services were held Monday at the Metcaff Chapel in Grand Rapids with the Rev. Joseph Q. Mayne of the East Congregational church officiating. Burial was in Woodlawn cemetery.

Born in Norwood township, Mr. VanDusen spent his childhood in the Charlevoix area and attended the Charlevoix schools before going to Grand Rapids. In 1936 he established the Cashmere store in Grand Rapids and in the early 1940's established summer shops here and in Harbor Springs. He and Mrs. VanDusen were cofounders of the Grand Rapids Riding Club. For 15 years he was master of ceremonies of the Grand Rapida Charity horse show.

He was a member of East Congregational church, the Optimist Club and the Oakleigh School P.T.A.

He is survived by his wife, Vera V.; a daughter, Geraldine Sue; a son James G.; two brothers, Forrest D. and Claire L. and a grandson, James G. Van Dusen Jr., all of Grand Rapids.

Construction of Fish Hatchery Has Approval

A resolution urging early construction of the proposed Jordan Valley Federal Fish hatchery was adopted by the Northern Michigan Development Council at an area meeting held Friday in Gaylord.

The resolution was adopted unanimously after prominent state and national fisheries authorities recommended the hatchery as necessary for early restoration of lake trout fishing in the Great Lakes area. Copies of the Council resolution were forwarded to members of the Appropriations committee.

Funds to underwrite the cost of the proposed hatchery are included in the 1961-62 budget now before Congress. The installation which would be built in Antrim county will cost just under a million dollars. If the funds are approved, tentative plans call for an access road to be constructed this summer and construction of the hatchery to begin in the spring of 1962 with completion scheduled for late in 1963. At that time surplus eggs would be available in quanity from domestic stock thus permitting partial production in 1964. Lake trout fingerlings from other hatcheries might also be transferred to the new hatchery. If this schedule could be followed, two million yearling lake trout would leave its raceways in the early summer of 1965.

The proposed new hatchery would have the capacity to produce two million yearling lake trout annually as compared with the present production potential of 1,200,000 at Pendill Creek, Marquette Forest and Charlevoix federal hatcheries. The combined efforts of existing facilities and the new hatchery would provide more than three million fingerlings annually.

The proposed Jordan Valley hatchery would become the hub of the Bureau of Sports Fisheries and Wildlife's lake trout production program. Control of lamprey eels is progressing rapidly and is expected to be completed in 1967 or '66.

Speakers who attended the meeting Friday were Robert W. Saalfeld of the Great Lakes Fisheries Commission and chairman of the special study committee of 20 scientists from all over the United States who recommended the Jordan Valley hatchery for the rehabilitation of lake trout. Others who spoke in favor of the hatchery were W. A. Elkins, Chief of the Division of Sport Fisheries at Minneapolis; Dr. James W. Moffett, Laboratory director of the U. S Bureau of Commerical Fisheries and A. B. Cook, Chief of the Fisheries Division of the Michigan Department of Conservation.

Among the area representatives attending the meeting were District 16 M.U.C.C. members who represented the Antrim Board of Supervisors and John Wege of the Fisheries station of the U.S. Fish and Wildlife Service.

First Pre-Easter Hymn-Sing to Be Held Sunday Night

The first in a series of four Sing-Spirations to be sponsored by the Charlevoix Ministerial Association will be held at the Community Church of God Sunday evening, the Rev. George L. Majors, president of the sponsoring organization, has announced.

The special service which will feature congregational singing of familiar hymns, special vocal and instrumental selections, Scripture readings and prayers will be held from 9:15 to 10 p. m. Sunday evening. The host pastor, in this case the Rev. Mr. Majors, will be in charge of the service.

The hour of the service is so arranged that those attending evening services in their own churches may attend this united Sing-Spiration to which persons of all faiths are invited.

Plans call for Sing-Spirations to be held at other community churches throughout the spring. On April 12 the first Congregational church will be the site of the event; May 7, the Assembly of God church asd June 4, the Barnard Reformed church.

Council Approves $191,048.40 Budget; Valuation Upped

A budget of $191,048.40 for the 1961-62 fiscal year was approved by the City Council at its regular meeting Monday night.

A 17 mill tax levy on the city's estimated assessed valuation of $5,260,200 will raise an estimated $89,423.40 toward the budget. A breakdown reveals the millage will be divided thusly: 12.18 mills or $64,069.24, the general city spread; 2.5 mills, $13,150.50, Streets District Tax and 2.32 mills, $12,203.66, general obligation bond tax. Until this year the latter has been earmarked for the electric bond; However, because this year's payment will retire the bond, funds in the electric utility fund will be used for the final payment and the revenue derived from the millage will be place in the general fund.

Estimated revenues from other sources which will be applied to the budget include: property taxes and related items, $93,923.40 (this figure includes the $89,423.40 mentioned above); revenues from other governmental agencies (Motor Vehicle Highway Tax, Liquor Tax, Sales Tax, Trunkline Maintenance, etc), $61,925; public service enterprises (golf course, cemetery, docks and airport), $15,600; miscellaneous revenues (business licenses, parking meters and fines, fire department, sale of property, street department, etc. $19,400.

Revenues will be dispersed as follows: legislative and administrative, 1.5 mills; protective (police, fire and health', 3 mills; recreational (parks and skating rink), 1.1 mills; public works (streets, sewers and city hall), 5.9 mills; public service enterprices (golf course, airport, cemetery and dock and harbors), 1.3 mills and miscellaneous (social security, insurance, and related costs) 1.2 mills and promotion, .5 mills.

The city's estimated assessed valuation of $5,260,200 is a decrease of $57,200 over last year's valuation of $5,317,400.

The 1961-62 budget is an increase of $15,661.60 over last year's budget of $175,166. Included in the budget are funds for establishing a city dump, construction of a street department garage and the purchase of property to enlarge the airport.

The city utility department which includes, electric, water and sewage sections are handled separately and expenditures and revenues relating to these departments are not included in the above budget.

In other action at the council, Richard Donaldson was named chairman of the Mayor's Exchange Day program. This year Charlevoix will exchange city officials with Reed City.

Bills totaling $15,516.52 were approved and ordered paid. The figure includes $2,895.75 for fuel oil for the utility plant and $2,477.07 for insurance.

Band Receives First Rating at Festival

The Charlevoix high school band directed by C. A. Odmark received a coveted first division rating in the annual District Qualifying Festival held at Petoskey Saturday.

The top rating, highest possible in the festival, qualifies the band to participate in the State Band and Orchestra Festival to be held in Ann Arbor April 22.

The 73-piece Charlevoix band received straight 1 ratings from the three concert judges and the sight reading judge.

Only two other bands of the 12 entered in the district festival won top ratings. They were Petoskey in Class B and Boyne City in Class C.

The first division rating awarded the local band Saturday was the fourteenth in 15 years of competition. During those years Charlevoix bands have gone on to win eight first divisions in state competition.

The Charlevoix Reserve band, composed of eighth and ninth grade musicians and the only band entered in the Junior high division, received a second division rating denoting a good performance but with minor flaws which kept it from being a top-rated group, Mr. Odmark explained.

Judges comments, while technical in nature for the most part, were unanimous in their praise of the senior band.

A PRAYER

O Lord, teach me to be tough with myself and tender with others. Amen.

Voice of Our Readers . . .

To the Editor,
Charlevoix Courier

The advisability of bringing the subject matter to the attention of your readers at this late date may seem questionable. However, it does afford the opportunity to show how unfair and dangerous it can be to come to conclusions based on nothing more than rumors, gossip and unfounded personal opinions.

I realize that the office of Secretary-Manager of the Chamber is vulnerable to many abuses that it can do nothing about simply because the people who enjoy this sport do not have the intestinal fortitude to come to the Chamber office and get the facts.

We solicit helpful suggestions and constructive criticisms so we can build on them and by so doing, do a better job. This invitation applies to every phase of the management of the Chamber of Commerce, an invitation to all fair, civic minded citizens of Charlevoix. Come in and help us. Getting back to the subject matter.—It has to do with an advertisement run in three editions of THE COURIER prior to the elections last November urging voter support of the 4% Sale Tax in preference to a state income tax.

I was informed last Friday by a Chamber member that a number of Charlevoix citizens are under the impression that Chamber of Commerce funds were used to finance these advertisements.

Nothing could be further from the truth.

The facts are that these advertisements were financed by 17 individuals, all Chamber members, out of their own pockets because they were firmly convinced that the 4% Sales Tax should become a state law in preference to a state income tax. A list of these contributors may be examined at the Chamber office.

The Chamber of Commerce is non-partisan, non-sectional and non-sectarian and it will continue to be so as long as I am in office.

Sincerely yours,
Paul Kohler,
Secretary-Manager
Charlevoix Chamber
of Commerce

To The Editor:

Because of the interest in our municipal light plant sparked by the items in your last two issues, Charlevoix electric utility users could conceivably seek answers to the following questions:

1. Since Consumers Power or REA are the only logical utility concerns who could serve Charlevoix, why not invite a proposal?
2. Will not an engineering firm making a study and deriving their income from municipalities be pro-municipal, and shouldn't we know directly from private utilities what they can do?
3. Considering power for street lighting and other city uses by the city, what rates can be guaranteed by a private utility either by just furnishing power or by taking over the whole system?
4. Would not our present employees be absorbed into the system and perhaps be better off employed by a private concern?
5. Is it economical or good business to set aside funds for replacement or maintenance of a system whose method of electric generation may be outmoded within a few years?
6. Can a municipal lighting system begin to compete with modern systems of generation and distribution?
7. Are we now getting the voltage to our meters that we are paying for on our bills?
8. Is it good business to stay in municipal lighting with the system becoming worth less each year — would it be better business to sell while the system has some value?
9. If manufacturing plants want to locate here, can the city plant furnish the necessary power?
10. Why not find out at no cost what a private utility can do, along with the fairly expensive study to tell us what our city plant can do?

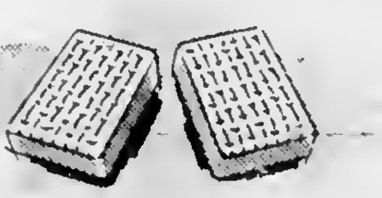
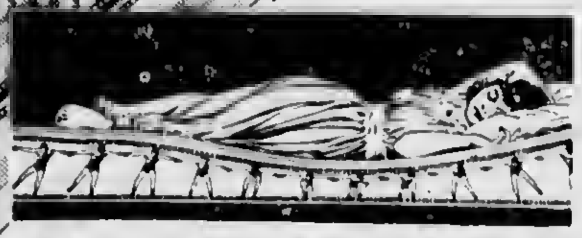
Made only by **SIMMONS**

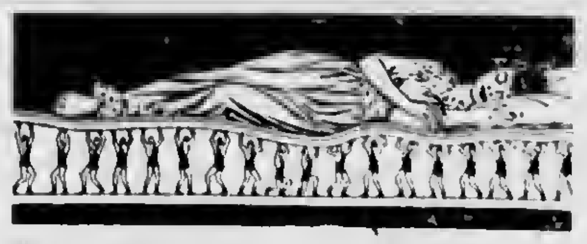


$79.50

Normal Firm or Extra Firm Box Spring $79.50



Ordinary mattress is made with about 200-300 springs. Wired together, they sag together under your weight. When you push down on one, you push down on all. They're not free to push up and correctly support the shape of your body. This "sagging support" is bad for your back, your comfort, your rest.



Beautyrest mattress is made with over 800 separate springs. Not wired together, they can't sag together. Each is free to push up under you. Together they firmly support the weight and shape of your whole body. In the new Beautyrest springs have been power-packed to give 12% more firmness.

Mitchell-Hartlep Vows Spoken In First Congregational Church

Amy Mitchell, daughter of Mr. and Mrs. Carl C. Mitchell, became the bride of John P. Hartlep, son of Mr. and Mrs. John D. Hartlep of Boyne City, at a ceremony solemnized at the First Congregational church here Saturday evening.

The Rev. Harold E. Kohn officiated at the double ring service in the presence of more than 150 guests. Arrangements of white carnations and chrysanthemums formed a setting for the ceremony. Mrs. Leonard Burns, at the organ, played a program of traditional music and the wedding marches.

Escorted to the alter by her father, the bride chose a floor length gown of white lace for her wedding. Fashioned with a fitted bodice, sweetheart neckline and long tapered sleeves, the gown featured a hoop skirt of lace over tiers of net. A seedpearl tiara secured her short veil and she carried a bridal bouquet of white sweetheart roses centered ed taffeta styled with a scoop with pink rosebuds.

Judy Hartlep of Petoskey, sister of the bridegroom, as maid of honor, wore a street length sheath dress of Dior blue brocad- neckline and bracelet length sleeves. She wore a matching blue hat and accessories and carried a bouquet of blue and white carnations.

Joan Hartlep of Boyne City, another sister of the bridegroom, and Hilda Bruce, as bridesmaids, wore gowns and accessories identical to the honor attendant's in light blue and carried a bouquet of blue and white carnations.

Mickey Kane of Boyne City assisted his cousin as best man. Seating the guests were Carl Mitchell and Keith Mitchell, brothers of the bride, Michael Jacobson of Boyne City, cousin of the bridegroom, and Edward Young of Petoskey.

Mrs. Mitchell chose a navy and white sheath dress and matching accessories for her daughter's wedding. Mrs. Hartlep, mother of the bridegroom, wore a black and white sheath and black and white accessories. Their corsages were of white carnations.

Immediately following the ceremony a reception was held at the Charlevoix Rod and Gun club. A tiered wedding cake topped with a miniature bridal couple centered the refreshment table which was decorated with arrangements of white blossoms and tapers.

Mrs. Arthur Krulik aunt of the bride, and Mrs. Keith Reynolds assisted.

After a brief northern Michigan wedding trip, the couple will be at home at 416 E. Huron, Apt. 4, Ann Arbor. For traveling the bride wore a light blue wool dress and black accessories.

The bride is a graduate of the Charlevoix high school and Carnegie Institute in Detroit. Mr. Hartlep, a graduate of the Boyne City high school, is a fireman with the Ann Arbor Fire Department.

Wedding guests were present from Boyne City, Petoskey, East Jordan, Elk Rapids, Traverse City Ann Arbor, Ypsilanti and Grand Rapids.

Mr. and Mrs. John L. Kaines to Make Their Home in Ludington

The First Methodist church was the scene Saturday evening of the wedding of Helen Marie Schwab and John L. Kaines.

Parents of the couple are Mr. and Mrs. Kenneth Cellner and Warren Kaines of Ludington and Mrs. Katherine Kaines of Grand Rapids.

Fan-shaped arrangements of white gladioli and mums and lighted tapers formed a setting for the double ring service at which the Rev. Raymond J. McBratnie officiated in the presence of more than 150 guests. Mrs. Leonard Burns, at the organ, played a program of traditional music and the wedding marches and accompanied the soloist, Mrs. Lee Moerland.

Given in marriage by her father, the bride chose a ballerina length gown of lace and net for her wedding. The bodice was fashioned with a scalloped neckline and long tapered sleeves and was scattered with sequins as was the bouffant skirt. Her short veil fell from a cap of matching lace and she carried a cascade bouquet of white carnations and hyacinth florets.

Barbara Schwab, as her sister's only attendant, wore a gown of light blue nylon styled with a square neckline, cap sleeves and flounced skirt with a matching overskirt. Her head-dress was of matching velvet with a tiny nose veil She carried a bouquet of pink carnations and hyacinth florets.

William Anderson of Ludington assisted the bridegroom as best man. George Andrews and James McKay, also of Ludington, seated the guests.

Mrs. Cellner selected a gown of blue lace, blue accessories and a corsage of pink roses for her daughter's wedding. Mrs. Kaines, mother of the bridegroom, wore a beige satin gown, matching accessories and a corsage of white roses.

A tiered wedding cake was a feature of the refreshments at the reception which followed at Harmony Hall. Barbara White, Mrs. Mark White and Mrs. Jake White Jr., aunts of the bride, Patricia O'Dell of London, Ont., cousin of the bride, and Peggy Laldle of Spring Lake assisted.

For traveling on their wedding trip to an undisclosed destination, the bride chose a winter white suit, black accessories and a corsage of white roses. After Feb. 26 the couple will be at home at 305 Ludington ave. in Ludington.

The bride is a graduate of the Charlevoix high school and Grace Downs Airline School in New York City and attended Davenport Institute in Grand Rapids. Mr. Kaines is a graduate of Ludington high school and attended Grand Rapids Junior College.

Wedding guests were present from Ludington Grand Rapids, Pontiac, Detroit, Petoskey and London, Ont.

Reveal Betrothal of Audry Krulik

Mr. and Mrs. Arthur Krulik have announced the engagement of their daughter, Audry Lou, to Allan C. Shepard.

The prospective bridegroom is the son of Mr. and Mrs. Ralph Shepard of East Jordan.

Wedding plans have not been completed.

The bride-elect is a senior student at the Charlevoix high school. Mr. Shepard is a 1959 graduate of the East Jordan high school and attended North Central Michigan College. He is presently enrolled at Northeastern School of Commerce in Bay City.

Offers Aid With Intangible Tax

Many Michigan residents will be subject to two state taxes the last day of March, the intangibles tax and the business activities tax, according to Dare A. Harrington of East Jordan, area representative for the Michigan Department of Revenue.

Persons wishing information or help in filing these returns may get help from Mr. Harrington by appointment. He points out there are severe penalties for failure to file a return when tax is due.

Everybody wastes nervous energy over worries that later appear ridiculous.

Graveside Rites Held Tuesday for Geo. F. Weaver

Masonic graveside services were held at Brookside cemetery Tuesday for George Franklin, D.D.S., former local resident, who died unexpectedly at his office in Farmington Friday.

Funeral services were held Monday at the Heeney Funeral Home in Farmington.

A native of Charlevoix, Dr. Weaver was graduated from the Charlevoix high school and the University of Michigan School of Dentistry. He had practiced in Farmington for 37 years.

He was a member of the Oakland County Dental Association, the Exchange Club and the Masonic lodge.

Surviving are his wife, the former Hilda Glassford; a daughter, Mrs. Thomas (Mary Elizabeth) Sechler of Farmington; one son, George Robert of Traverse City; six grandchildren and a sister, Mrs. Lou See of Glendale, Calif.

55,750 men and women serve in America's 12,400 public, school and special libraries.

Rayders Drop to Fourth Place in N.M.C.C. League

The Grayling Vikings downed the Charlevoix Rayders by a score of 75 to 58 Friday night to assume possession of third place in loop standings. The loss dropped the Rayders to fourth place.

In the game Friday night, a bad second quarter in which the Rayders were outscored 25 to 8 made the difference in an otherwise fairly evenly matched battle. Grayling edged to an 18 to 14 first period lead but the second quarter gave the Vikings a 43 to 22 lead which the Rayders were never able to overcome though they outscored their opponents 18 to 17 in the third period and 18 to 15 in the final quarter.

Starting for the Rayders were Jim Dennis, John Pearl, Sam Supernaw, who went to the bench with his fifth personal foul early in the second half, Stan Martin and Henry Wagner. Gary Spencer joined the line-up later in the first period, George Majors in the second and Don Nowland, Tom Martin, Perry Smith, Terry DeYoung, Barry Pierce, Tony Duerr and Lee Wielenga in the final period when Coach Don Carey emptied the bench.

In the first period Grayling scored six field goals and the same number of free throws for 18 points while Charlevoix had 14 points including one field goal and four free throws by Supernaw, a field goal and three charity shots by Martin, a field goal by Dennis and a gift shot by Wagner.

The Vikings poured in 25 points in the second peeriod on 11 field goals and three free throws for a 43 to 22 halftime lead. Charlevoix's scoring was limited to three field goals by Pearl and two free throws by Supernaw.

Going into the second half the Rayders regained their stride but were unable to overcome the 21 points halftime deficit. Martin and Majors had five points each, Supernaw four before he went to the bench early in the period and Pearl four free throws to account for the Rayders' points in the third period.

In the final period, with the line-up changing rapidly, the Rayders added another 18 points including six by Stan Martin, four by Tom Martin, and two each by Pearl, Wagner, Duerr and Wielenga. Grayling had 15 points on four field goals and seven gift shots.

Frank Gross dumped in 28 points including 11 field goals for the victors. Stan Martin had 16 and Supernaw and Pearl 12 each for the Rayders.

Rayder Reserves Lose to Petoskey

Petoskey's Reserves downed Charlevoix's Little Rayders Tuesday night by a score of 38 to 32.

Charlevoix got off to a 13 to 8 first period lead but trailed 22 to 17 at halftime after a bad second quarter in which they were outscored 14 to 4. They continued to trail 30 to 22 at the three-quarter mark, a deficit they failed to overcome as time ran out.

Bruce Murray led the scoring for the Rayders with 11 points. Treloar and Bare had 12 each for Petoskey.

Little Rayders Topple Grayling 57 to 45

It was Victory No. 12 for Charlevoix's Little Rayders Friday night when they toppled the Grayling Reserves 57 to 45.

Until now the local J-V's have a 12 to one record in loop play plus two losses to the Class B Petoskey Reserves who, for the first time, have juniors in their J-V line-up. In last week's game, for instance, three of the five players who played most of the game were upper classmen. In the league there is an understanding that only lower classmen make up J-V rosters.

In the game at Grayling Friday night the Rayders took a slim 9 to 7 lead which the Vikings Reserves trimmed to one point, 21 to 20 at halftime and held to 38 to 37 at the three quarter mark scored their hosts 19 to 8 for the victory.

Dan Pearl, Frank Curtis, Bruce Murray, Gary Balch and Gary Stutzman started for the Rayders with Bruce Kroken, Pete Ance, Brendan LaBlance, Rick Miller, Larry Edwards, Jim Stewart and Dwight Boss joining the line-up after the first period.

Curtis scored four, Balch three and Pearl two points to put Charlevoix out in front 9 to 7 after the young Vikings had tallied three field goals and a free throw.

In the second period Charlevoix had six field goals including three by Curtis, two by Balch and one by Murray for a 21 to 20 lead after the Vikings had scored four field goals and three free throws.

Going into the second half the two teams battled it out toe to toe as they each scored 17 points. Charlevoix's were scored by Curtis who had seven, Murray who had four, Pearl, Balch and Miller two each. Grayling had five field goals and seven free throws.

In the final period, the Rayders found their stride and dumped in 19 points to eight for the Vikings for the victory margin. Murray accounted for six, Curtis four, Pearl, Balch, Ance and Miller two each and Boss one point. Grayling had four charity shots and two field goals.

Curtis with 17 points paced the game for the victors. He was followed by Murray with 16, Balch with 11, Pearl with six, Miller four, Ance two and Boss one. Kroll had 20 for Grayling.

This Week with Class C Teams

Boyne City edged Gaylord 52 to 51 in the final 10 seconds of play and East Jordan dumped Harbor Springs 61 to 38 to keep their Northern Michigan Class C title hopes alive. In other games played Friday Mancelona defeated Pellston 57 to 50 and Grayling won over Charlevoix 75 to 58 to retain possession of second and third spots in loop standings.

Boyne City 52 Gaylord 51

Playing at Boyne City, the Gaylord Blue Devils jumped into an 11 to 10 first quarter lead and headed the Ramblers until the final 10 second when a mield goal by Tracey Newville put Boyne City out in front for the first time in the game. The field goal also gave the Ramblers the victory and kept them in the running for the title. Dave Dresback with 23 points paced the Blue Devils who led Boyne City 24 to 20 at the half and 39 to 32 going into the final period. Glen Tatham who left the game with 5½ minutes remaining with five fouls was top scorer for the victors with 15 points. Jack Dixon who went to the bench with two minutes gone in the final period had 10 points. Dick Bottomley of Gaylord also left the game with six minutes remaining. The Blue Devils played without John Johnston who was benched for disciplinary reasons.

East Jordan 81 Harbor Springs 38

The East Jordan Red Devils had no trouble defending their position against Harbor Springs who trailed 14 to 7; 23 to 14 and 38 to 28 by quarters as Louis Kraemer paced the Jordanites attack with 17 points. Gary Stutzman had 14 for the Rams.

Mancelona 57 Pellston 50

Paced by Denny LaCroix with 17 and Walt Klein with 16 points, the Mancelona Ironmen led the Pellston Hornets 18 to 10; 27 to 20 and 44 to 37 to tighten their hold on second place in league standings. Merle Cameron had 22 points for the Hornets.

Winner of Class C Title To Be Decided in Final Games Friday

For the first time in recent years the Northern Michigan Class C title will be decided on the final night of scheduled play.

Principals in this battle for the title are Boyne City and East Jordan who have identical records of 10 wins in 13 games.

Mr. and Mrs. Orin Miller of Scttville visited with the Wm. families over the weekend.

Mr. and Mrs. Lester Anderson of Fountain visitd Mr. and Mrs. Wm. Hable over the weekend.

Both teams will have tough adversaries in their final games, Charlevoix and Mancelona. The Ramblers will take on the Rayders on the local floor while the Red Devils will be playing at Mancelona.

Boyne City will be out to regain the title they held from 1956 through 58 while East Jordan will be seeking its first since the 1949-50 season.

With so much at stake both these games are bound to be the hardest fought games of the year.

Of course league leaders will be favored, by virtue of their records, over their opponents. The Ramblers defeated the Rayders 47 to 38 in their first meeting and to date have lost to Mancelona twice by slim margins and to Grayling. Charlevoix, on the other hand, has a record of seven wins in 13 games. The Rayders, however, have played some good ball and could well play the role of the spoiler, espeiilly in this game which brings together arch rivels of long standing. The Rambler defense has been their strong point all season. If the Rayders can break through it or shoot over it, they may well upset the title-bound Ramblers. But regardless of the results this is touted as THE game of the season for both teams.

The East Jordan Red Devils will have their work cut out for them when they travel to Mancelona to take on the second place Ironmen in a battle for survival. Tho Jordanites have been defeated twice by Boyne City and once by Grayling while Mancelona has been defeated by Harbor Springs, Charlevoix, East Jordan and Grayling. Again this will be a battle all the way but the bigger Red Devils ball handlers, barring an upset, should come through with another win over the smaller, scrappy Ironmen.

Other games this week will bring together 'neighborhood' teams with Pellston crossing to Harbor Springs and Grayling commuting to Gaylord.

In the former meeting, the Rams are favored though the Pellston Hornets' one victory thus far was over Harbor Springs by a one-point margin earlier in the season. However, since then, the Rams have shaped up and now have a record of four wins so will be favored in the meeting.

The Grayling-Gaylord game will also kindle old fires in a game which may result in an upset. The Blue Devils came close to dumping Boyne City last week and if they play the same kind of ball against Grayling may topple the Vikings althohgh the latter will be favored, by virtue of their record.

Annual Tax Sale

STATE OF MICHIGAN
In the Circuit Court for the COUNTY OF CHARLEVOIX
In Chancery

In the Matter of the Petition of Otis M. Smith, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon. } No. 664-4

On reading and filing the petition of the Auditor General of the State of Michigan praying for a decree in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the March term of this Court, to be held at Charlevoix in the County of Charlevoix State of Michigan, on the 6th day of March A. D. 1961, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be taken and entered as prayed for in said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such decree, on the first Tuesday in May thereafter, beginning at 10:00 o'clock a.m. on said date, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the county of Charlevoix, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the decree shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered, and if, on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. Charles L. Brown, Circuit Judge, and the seal of said Circuit Court of Charlevoix County this 30th day of December A. D. 1960.

Charles L. Brown, Circuit Judge.
Countersigned, Fenton R. Bulow, Clerk.

STATE OF MICHIGAN
In the Circuit Court for the COUNTY OF CHARLEVOIX
In Chancery

In the Matter of the Petition of Otis M. Smith, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Charlevoix, in Chancery:

OTIS M. SMITH, Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this petition under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 155 of the Public Acts of 1937, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off to the name of the State and thus held and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) $1.00 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said several parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your petitioner prays:

a. That within the time provided by law this court may determine and decree that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final decree in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said decree provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount decreed against the same, shall severally be sold as the law provides;

d. That your petitioner may have such other and further relief in the premises as to this court may seem just and equitable.

And your petitioner will ever pray, etc.

Dated: December 16, 1960

OTIS M. SMITH,
Auditor General of the State of Michigan
for and in behalf of said State

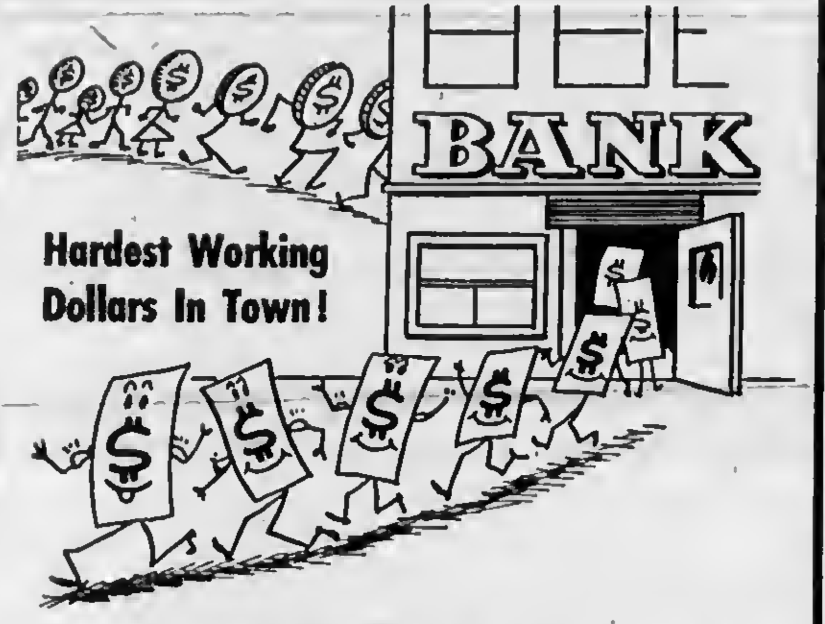
Shakespeare Club Hears Book Review

Mrs. Harry Stewart presented an inetresting and timely book review of Shirley Siefert's "Look to the Rose", a historical novel of the Civil War period, at the regular meeting of the Shakespeare Study Club Monday.

The theme of the novel was taken from letters written by a confederate soldier, Willie Washington Gordon, to his family in Savannah, Ga. One of his daughters, Juliette, was to become the founder of the Girl Scouts of America and the family home in Savannah the National Girl Scout Shrine.

Twenty-two members and guests gathered at the home of Mrs. James Taylor for the business meeting and to hear the book review. Mrs. Harold Gelken presided at the business meeting at which members voted to support with cash donations the local Youth for Understanding Fund and the following projects supported by the State Federation of Women's Clubs: Radio Free Europe, CARE, Girlstown, Indian Scholarship Fund, Nursing Scholarship Fund and the Penny Art Fund.



Hardest Working Dollars In Town!

Just as soon as you place a dollar in our bank it reports for duty to the loan department. The first job may be to help a man buy a car or tractor. It may be used to finance a merchant, improve a home or for any of a hundred duties that create employment and stimulate business. When money is invested out of town it does nothing to help local people. Business stagnates.

Buy at home and bank at home. That's the way to keep our community a good place in which to live and raise a family.

Betrothed

The engagement and approching marriage of Deanne Bartlett to Ronald Balch has been announced by the bride-elect's parents, Mr. and Mrs. Gordon Bartlett.

The prospective bridegroom is the son of Mr. and Mrs. Kenneth Balch.

Plans have been completed for an April wedding.

Both are 1960 graduates of the Charlevoix high school. Miss Bartlett also attended Davenport Institute in Grand Rapids.

Campus Comments

Chris Campbell is among the 43 students enrolled in the Optical Technology program at Ferris Institute. This unique course is offered at only two other U.S colleges and is the only one in the midwest.

Aimed at supplying highly skilled manpower for a health-vital field, the program trains technicians to cope with the intricacies of processing optical lenses to prescise prescriptions, serving the eye doctor in the same manner the pharmacist serves the physician.

The program, offered under the purview of the college's Collegiate Technical Division, is one of many Ferris offerings geared to training critically needed manpower.

Chris is a 1960 graduate of the Charlevoix high school and the son of Mr. and Mrs. Herbert A. Cambell.

I.O.O.F Cut Masons' Lead by 21 Points

The Mason's lead in the winter cribbage tournament with the Odfellows was cut to 247 points last Thursday evening when the IOOF won the eighth round by 21 points.

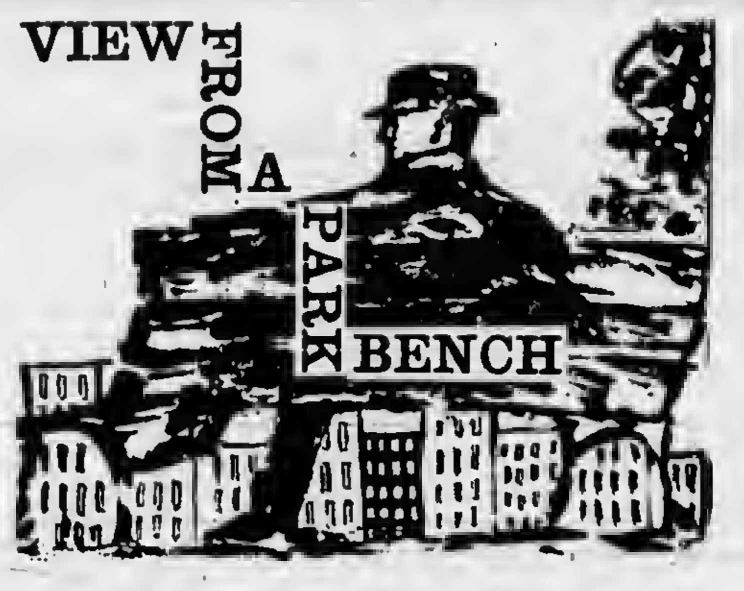
Dewey Hosler took top honors with a 960 score for the Oddfellows. Abe VerWys was high score player for the Masons with 926 points.

Three Appointed to Grange Committee

A new member, Mrs. Howard Campbell was accepted at the regular meeting of Barnard Grange held Friday night at the Grange hall.

Emerald Bolhuis, Clyde Warner and Charles Weisler were appointed to the llegislative committee.

Mrs. Lloyd cummings showed movies of the Grange Christmas program and other pictures of local interest.



When's the last time you sat down on a park bench? They're in the park — but who uses them?

The tired — the retired — the unemployable or the un-hired. But busy people like you — you haven't the time.

Are church pews in about the same category? When's the last time you sat down in a church pew? The Park Department ought to set out benches — somebody or other will want to sit on them; and the Christian Church ought to have buildings with pews — for somebody else.

Would you be interested in a place on the park bench next to a man who has made millions and isn't averse to passing on tips about a good thing on the market?

Would you be interested in a place in the church — where God Himself is with those who gather in His name — where God Himself gives His Son, Jesus Christ, as the way to new life, forgiveness, and eternal joys?

In these weeks of Lent the Christian Church invites you to watch with Christ one hour. Is it nothing to you, all you who pass by?

MICHIGAN IS SKILLED LABOR

The success of Michigan industry and the rewards of working in Michigan have developed a great supply of skilled workers in our state.

Michigan's workers are recognized for the ability to produce well above the national level. Recent government figures place their output at 18 per cent above.

Our workers are a highly diversified labor force, manning 365 different types of industry found in Michigan. Whatever the challenge from specialization to mass production, Michigan's skilled labor has the know-how to meet it.

Help carry Michigan's message to the nation. Clip this ad and mail it to someone in another state with your own comment. Let's talk up Michigan and its advantages for industry. Together, we can assure a greater future for all of us.

This ad is one of a series published as a public service by this newspaper in cooperation with the Michigan Press Association and the Michigan Economic Development Department.

RaydersBeatCheboygan Catholic; Meet Pellston In Semi-Finals Tonight

The Charlevoix Rayders will meet the Pellston Hornets in the semi-finals of the Class C district tournament at Petoskey at 8:50 p.m. tonight (Thursday) after trimming Cheboygan Catholic 74 to 52 Tuesday night.

In the first game tonight, Boyne City will clash with Harbor Springs.

The Class C finals will be held at 8:50 p.m. Saturday. The Class D finals will open the Saturday tourney at 7:15 p.m.

In Tuesday's game the Rayders led all the way, as the Cheboygan outfit, which plays with the Northern Lakes Class D league, offered little opposition to the Charlevoix team.

Jim Dennis, John Pearl, Sam Supernaw, Stan Martin, and Henry Wagner started for the Rayders. Gary Spencer, George Majors and Don Nowland joined the action in the second period. In the final period Coach Don Carey emptied the bench at Tom Martin, Perry Smith, Terry De-Young, Barry Pierce, Tony Duerr, Lee Weilenga and Dan Pearl saw action.

The Charlevoix five romped to a 24 to 5 first period lead over the Cheboygan Eagles as Martin scored eight points, John Pearl five, Dennis and Wagner, four and Supernaw three points. The Eagles had three free throws and a single field goal.

In the second period the Rayders slowed down but held a 41 to 22 halftime advantage after Dennis had scored five, Martin and Pearl four each and Supernaw and Nowland two each. Cheboygan found their stride and scored 17 points including seven field goals and three free throws.

As the game went into the second half, the Rayders took advantage of the Eagles' lack of defense to score 21 points including nine by Supernaw, four each by Pearl and Martin and two by Dennis and Nowland. Cheboygan had 11 points on four fields goals and three free throws as Charlevoix went ahead 62 to 33.

In the final period the Rayders were outscored 19 to 12 by their opponents as the line-up changed often. Supernaw accounted for seven points, Martin for three and Dennis for two. The Eagles had seven field goals and five free throws.

Supernaw paced the scoring with 21 points followed by Martin with 19, Dennis and Pearl with 13 each and Wagner and Nowland four each.

Tom Yankoviac had 12 and Steve Chimner nine for the Eagles.

Rev. Kohn to Give Third Lecture on Mental Health

"Adventures in Insight", the third in a series of lectures on mental health, will be delivered Monday evening in Friendship hall of the First Congregational church. The subject topic for this informal address will be "How Can I Improve My Personality?"

Among the questions to be discussed will be such as "What Is Personality?" "What is the difference between personality and 'charm'?" "What are the signs of an inadequate personality?" difficulties that characterize "What are the chief personality juvenile delinquency?" Other equally pertinent topics will be included.

The usual 20 minute question and answer period will be held immediately following the lecture.

A light lunch will be served following the session by the Women's Fellowship sponsors of the lecture series. Proceds from the free will offering will be turned over to the new lighting fund.

Interest in this series of lectures on mental health has attracted many persons from neighboring northern Michigan communities as well as from the Charlevoix area.

County Farmers Asked to Record Grain Production

Farmers in Charlevoix County who may be interested in a possible feed grain production adjustment program in 1961 are urged to call the County Agricultural Stabilization and Conservation office, according to Robert W. Reidel, Chairman of the ASC county committee. The request is made to farmers at this time because farm feed grain and other crop acreage information will be needed for any feed grain program that may be authorized for the coming crop season.

Farmers who supply feed grain and other acreage figures at this time will not be obligated to participate in a feed grain program if one becomes available, but will be eligible to participate. However, Mr. Reidel points out that a program can be quickly put into operation if the necessary farm acreage information is on file at the county office. He asks farmers cooperation in providing information that will be needed before a program can be put into effect.

Interested farmers are asked to bring into the county ASC office their records of the acreage of cropland used for field corn, oats, barley and other crops for the 2 crop years 1959 and 1960. The report should be on the basis of the acreage planted and the use made of the crop produced. Accurate information must be obtained immediately for possible establishment of farm feed grain base acreages.

Since Charlevoix County is classed as a minor feed grain producing area, only interested farmers are being asked to make reports. In counties classed as major feed grain producing areas, acreage reports are being obtained for all farms.

Leo M. Butzel, 86 Former Summer Resident Passes

Leo M. Butzel, 86, former summer resident here and one of Detroit's leading attorneys for more than 60 years, died Feb. 27 at Palm Beach, Fla., where be was on vacation.

He also was a director of more than 20 financial institutions.

As a prominent attorney and banker, Mr. Butzel was credited with knowing more about Detroit and Detroiters than any other person in his profession. As a corporation lawyer he was associated through the years with all the great men of the automobile and newspaper industries in Detroit. His law firm, Butzel, Eaman, Long, Gust & Kennedy was said to be as well known to many of the concerns it represented as the companies' names are to the public.

A native of Detroit, he was a graduate of the University of Michigan. In 1919 he became the first president of the First National Co., an investment affiliate of the First National Bank of Detroit. In 1825 he became a director of the bank.

Mrs. Butzel, the former Caroline Heavenrich whom he married in 1904, died several years ago.

He is survived by a son, Martin Leo Butzel of Detroit, an attorney and member of the law firm, and two daughters, Mrs. Phillip T. VanZile II of Detroit and Mra Leonard T. Lewis of Birmingham.

This Buck Was Second Best

Courier Photo

The young buck pictured above made the mistake last week Wednesday of running into a car on the Boyne City-Charlevoix road. When the driver of the car, John Kroken, reached home he called the sheriff's department to report the mishap. Mr. Deer was already in the sheriff's office to answer the charge. He had been picked up by the three boys in the picture, (l to r) Dale Burke, Charles Bergmann and James Bergmann.

The deer was still alive but apparently dazed when the three boys loaded him into a pickup truck with the intention of turing him loose in the area where they found him. The ordeal, however, proved fatal according to rports later that evening.

March Term of Circuit Court Opened Monday

The annual March term of circuit court opened Monday with Judge Charles L. Brown presiding.

Donald Charles Dexter, 37, of Boyne City, pleaded guilty to a charge of driving while under the influence of intoxicating liquor. The case was referred to the probation department for investigation. He will be sentenced later.

The case against Allen C. Collins, 31, of Charlevoix, charged with larceny by conversion, was dismissed.

Mrs. Jane M. Barnhart of Ironton pleaded not guilty on a charge of allowing a minor to drive her car without a license when she appeared for arraignment. The case was appealed from Justice Court. The case was continued to a later date.

Three others appeared for arraignments, entered pleas of not guilty and the cases continued to later dates. They were Martin Sobleskey, 20, of East Jordan, charged with bastardy; Gerald Gibbons, 24, of Boyne City, rape, and Robert Clark, 32, of Charlevoix, paternity.

Nomination Is Rejected in Marion

The name of Rowley Williams will not appear on the Marion township ballot as a candidate for the office of highway commissioner, Charles Mascho, township clerk, has announced.

Mr. Williams was reported to have received the nomination following the recent township caucus at which he received 12 votes, Tony Mutz 11 votes and Sam Straw 7 votes. Mr. Mascho roports that an opinion by the attorney general, obtained by George LaBlanec, disqualified the nomination of Williams because be did not have a majority of the votes cast.

New Business Name 'The Carey Agency' Now Effective

The business name of the Hamlin Insurance Agency has been change to The Carey Agency, according to William "Bill" Carey who purchased the business in July 1958. Since the establishment of the agency in 1929 by the late Charles A. Hamlin the enterprise was devoted exclusively to the insurance business.

Recent expansion of the business to represent King, Merrit & Co., in the sale of securities has prompted the new name under which the business will now operate.

Mr. Carey is a native of Charlevoix who was acknowleded as a football and basketball star in high school athletics here and at Michigan State University. Since returning to Charlevoix he has taken an active interest in civic activities and is presently president of the Charlevoix Chamber of Commerce.

Development Corp. Negotiating for New Industry in Charlevoix

Notices were mailed this week to shareholders in the Charlevoix Development Corporation asking them to retain their stock if negoations with a new manufacturing plant in Charlevoix materialize, according to Joseph R. Williams, secratry of the corporation. The alternative option would give shareholders an opportunity to take their money out of the corporation.

Negotiations have been underway for the last three weeks between the Charlevoix Development Corporation and a large manufacturing firm that has made a previous survey of the area and has indicated a desire to locate a branch plant in Charlevoix. In order to co-operate in this project the local development corporation must first offer its shareholders and opportunity to cash-in their stock or leave their money in the corporation for the new development.

Nature of the proposal by the manufacturer is similar to the transaction negotiated with American Mold Engineering Co. when they located here. The prospective manufacturer, however, intimated agreement to a plan whereby money invested locally would draw nominal interest. Mechanics of such a plan are now in the making.

The prospective manufacturer has requested the name of the firm be withheld until such time as details of the negotiation indicate a plant can be located here. It can be stated, however, the firm has an excellant reputation with assets of more than $6 million.

The manufacturer has proposed that the development corporation construct a building which can be leased with the option of purchase. This will entail a sizeable investment by the Charlevoix Development Corporation which makes it imperative that present stockholders leave their money in the corporation. At the same time further investment will be necessary.

Tentative arrangements have been made with the Charlevoix State Savings Bank and the Charlevoix County State Bank to finance the building providing the development corporation makes a reasonable investment. Cost of the necessary building could be in the neighborhood of $60,000.

Present stockholders invested their money, without interest, in the Charlevoix Development Corporation with the understanding that when the loan to American Mold was paid off the stockholders would be repaid at par value of their stock. The directors of the corporation recently voted to retire the outstanding stock in the hope that enough of the shareholders would leave their money in the corporation to carry on the new project.

Traverse City Trio Recognized in Sat. Evening Post

A team of three Traverse City high school students who won recognition last year for their work with JETS, a national organization for high school students which is cultivating engineers and scientists, were mentioned in a feature story in the March 4 issue of the Saturday Evening Post.

The story written by John Bird, is entitled "The Space Generation" and tells what the author saw when be attended the National Jets projects Exposition at Michigan State University. The exposition the eighth, presented a dazzling display of youthful technical skill and imagination by 121 individuals and teams from seven states. More than 2400 students and adult instructors attended the show with their projects which were divided into nine catagories varying from aeronautics to astrophyics.

The Traverse City team appearing at the exposition was composed of Joe Wollam, grandson of Will Bellinger, Nick Crain, grandson of Mrs. Nita Newman and Fitch Williams.

Their project was a 24 ft. wind tunnel which won the trio a Superior ribbon, one of 24 Superior awards given at the exposition.

Joe is the son of the George Wollams and Nick is the son of the Earl Crains.

Name Karl Erber President of Beaver Is. Boat Co.

Karl J. Erber was elected president of the Beaver Island Boat Co. at a meeting of the organization's board of directors held recently at the county building here.

He was named to succeed Henry C. Allen of Ann Arbor who had resigned earlier because of conflicting interests. He will continue as a member of the board, however.

Vice president is Lloyd McDonough of St. James and the secretary-treasurer, D. Archie LaFreniere also of St. James. A. J. Roy of Pontiac is the fifth member of the board.

A report by the business manager, James W. Gallagher, revealed that approximately 9,000 passengers, a 1,000 more than in '59, and approximately 1,800 cars were carried during the 1960 season aboard the ferry, Emerald Isle, which the company operates between Charlevoix and Beaver Island.

The schedule for the coming season was discussed. Present plans call for the ferry to begin operations by April 1 or when ice conditions permit. The boat will make three trips weekly during the month of April and effective May 1 six trips weekly operating out of St. James harbor. The summer schedule will go into effect in Mid-June when the craft will make Charlevoix its headquarters during the summer months.

Michigan Is Skilled Labor

It has taken many hands and many kinds of skills to push Michigan to the top as an industrial great.

These hands, these skills have meant industry could count on the best in workmanship and a growing supply of skilled workers to meet any of its demands.

Today, as yesterday, we can point with pride to the fact that the men and women in Michigan's labor force are eight per cent better in productive activity than the national average.

These statistics are official U. S. Census Department percentages—but we, as citizens, need only to know that Michigan's skilled labor produces better work, in less time, With fewer mistakes than workers elsewhere.

This means greater efficiency with mutual benefits to both industry and labor when other factors are comparable.

It isn't enough, however, that we in Michigan know what our state's labor force is capable of producing—we must make sure that all industry throughout the country is made aware of it, and at the same time assure a business climate that is equally attractive and competitive.

The same idea is true if thinking is reduced to the local level. Charlevoix's industries are manned by skilled persons who are producing products second to none in their respective fields.

It is suggested these advertisements be clipped and mailed to friends in other states. It would be well at the same time to point out some of the further advantages selected types of industries will find in Charlevoix.

In a community such as ours persons are recognized as individuals and not just as a part of the masses. Residents are likely to find the church of their choice. Children may attend modern and acredited schools. The community is served by a modern, well staffed and well equipped hospital. And here one can live and work in the heart of a year around vacation land of beauty.

Launch Easter Seal Campaign In Charlevoix

LAUNCH EASTER ....

A total of 1,110 letters bearing Easter seals, the symbol of hope for all the physically handicapped, were placed in the mail in the Charlevoix area this week according to Mrs. William Lusk who with M. J. Foster is co-chairman of this year's Easter Seal Campaign.

Approximately 4,500 letters will be mailed in the county, Mrs. Lusk said.

Funds derived from the sale of Easter seals provide service for nearly a quarter of a million crippled children and adults through a nation-wide network of treatment centers, programs, camps and other Easter Seal services. Easter Seals fight crippling on many fronts including birth defects, muscular dystrophy, cerebral palsy, polio, multiple sclerosis, accidents, arthritis, strokes, paraplegia, speech defects and others.

Funds derived from the program support scholarships, fellowships and grants that have helped train nearly 2,300 doctors, therapists, teachers and social workers. Easter Seal societies also maintain equally important national programs of research and education.

MEMO . . .

From the Editor's Desk

According to figures recently released by Tax Foundation, Inc., the per capita burden of federal, state and local taxes was $109 in 1940, $369 in 1950 and $715 in 1960.

In virtually all state and local governments, no less than the federal government, proposals are advanced for more and more tax revenue. Unless the people restrain their demands on government, and put their foot down on unnecessary government expenditures that curry favor with pressure groups, Karl Marx's plan "to wrest all capital from the bourgeoisie", may become a reality in the United States.

If socialism engulfs the United States—and it has a good start—it will be due to the cupidity of people who think they can get something for nothing from the government.

• • •

These days a voice crying in the wilderness is usually a real estate developer advertising a new tract.

• • •

There are devious ways of putting on the tax bite that apparently enable the beauracy of government to hypnotize the public into believing it is getting something for nothing. Tax with-holding by the employer is just one.

Employees of the Truman (Min.) Tribune are getting part of the full impact. As of last January 1 Publisher Don R. Peterson started taking the full month's with-holding out of the last pay check in the month. Thus, the single man who got $100 for three weeks found only $14 in his envelope for the fourth week.

Mr. Peterson says his employees are still on the job but his shop foreman has not let up on his earthy descriptions of the federal tax program. Mr. Peterson concludes by stating, "For the first time, our employees comprehend when I tell them they are working for three months on up for the federal government each year."

A late report says that the salaries of American public school teachers rose 72.4 per cent in the last decade— from $3,126 to $5,389 according to the Industrial News Review.

'Story of Michigan' Wins Award For Mrs. Kenneth Wagner

"Michigan's long search for a state song all its own may be over, although the author of a recently published composition would be the very last person to say so".

This paragraph taken from a recently published story in a Midland newspaper best tells of the accomplishment of a former local resident, Mrs. J. Kenneth Wagner of Midland, a former teacher who has been interested in Michigan history, music, teaching and writing as long as she can remember.

Mrs. Wagner will be remembered as the former Vera Belding, daughter of Mrs. A. C. Belding and the late Mr. Belding. She formerly taught in the local school.

The lyrics of Mrs. Wagner's song, which she has entitled "The Story of Michigan" and which is being promoted as a possible state song by the Michigan Historical Society, point out the geographical and historical traditions of the state. The music, which she also composed, is purposely designed for easy singing.

According to Mrs. Wagner, a friend who is a member of the Midland County Historical Society, happened to see the original poem which later became the lyrics of the song and encouraged her to complete it and set it to music. She then submitted it to the Michigan Historical Society for its consideration. This organization, always on the look-out for anything .... songs, poems, stories . . that will stimulate consciousness of Michigan's proud heritage, thought highly of the song and has placed it in limited circulation and had it recorded for inclusion on its state archives. Mrs Wagner holds the copyright.

Recently she was presented with an award in recognition of her work by the Midland Historical Society.

Though without the music the song's impact is somewhat reduced, the words of "The Story of Michigan" have a lyrical quality that appeals to young and old alike:

"This is the story of Michigan,
Song of the Inland Sea!
This is the Glory of Michigan,
How it came to be!
Spawned by a glacier, sired by the sun,
Cradled in rock, the new land won
A strong Peninsula pointing the way
For old salt seas to hide away,
And a Mighty Hand rose high to hold
New blue water, clear and cold!
North Wind spread the rocks with sand;
West Wind woke the forest land;
And South Wind's birds and living things
Came on foot and came on wings.
And East Wind beat the Indian Drum,
Calling men to hear and come!
Sing to Brule, who found the "Soo",
Jean Nicholet, who followed through.
Rember, too, whenever you pray
Father Marquette and a shining way,
And Cadillac's dream of a lighted shore
Will light our hearts forevermore!
This is the story of Michigan,
This is the glory of Michigan,
Song of ages,
In her pages—
Michigan! Michigan! Michigan, My Home!"

Mr. and Mrs. Charles Powell of Columbia, S. C., and Mr. and Mrs. William VonDohlen of Tampa, Fla., have been called here by the serious illness and death of their daughter, Sandra VonDohlen.

Mrs. Glenn Cummings returned home recently from an extended visit with relatives in Rochester and Hazel Park.

Walloon Hills ski club was the scene of this happy gathering during the second annual Explorer-Boy Scout Co-Ed Day held recently for Scouts of the northern district of the Scenic Trails Council.

Among the local Scouts and their guests who enjoyed the day of winter sports followed by a movie and dance during the evening were (l to r) Diane Uhrick, John Flynn, Steve Bourgoin (in background), Howard Majors, Teri Freedman and Dave Rader.

The group who spent the day at Walloon Hills was accompanied by Bob Foss of the Boy Scout committee and Miss Judy McKnight of the Charlevoix school faculty.

Arrangements for the event were made by Harvey Griswold, northern district Scout representative.

Poll Parrot SHOES FOR BOYS AND GIRLS

One of the first signs of spring is a boy shinnying up the backyard tree. It's a sure sign of extra wear and tear on shoes, too. That's where Poll-Parrots come in, for they take the same rough treatment when pretested by active boys and girls. That's how we know they'll last longer on *your* children. Come in soon and see our Poll-Parrot Shoes.

They're PRE-TESTED to wear longer

V.F.W. Auxiliary To Hold Annual Election March 16

The Auxiliary of the V. F. W. Post no. 1153 will hold its annual election of officers at a meeting to be held at the post home at 8 p. m. Thursday, March 16.

The president, Mrs. Kenneth Staley, announced that the organization would serve banquets for class reunions to be held next summer. The reunion of the class of 1936 will be held July 1; class of 31, August 5, class of 51, July 29 and the class of 46 on a date in August to be set later.

The organization voted to subscribe to the Auxiliary Cancer Insurance program.

Mrs. Leland Warner reported that there had been an enthusiastic response to the Civil Defense Letters mailed by the Auxiliary.

During the social hour Mrs. Eugene Gibelyou and Mrs. Etienne served refreshments. Members sewed together knitted blocks for Mrs. Zitka of East Jordan.

Notice of Meeting of the Board of Review

TO THE TAXPAYERS OF THE CITY OF CHARLEVOIX, MICHIGAN

Notice is hereby given that the Board of Review of the City of Charlevoix will meet in the Council room in the City Hall in the City of Charlevoix at 9:00 A.M. on Monday, March 13, 1961, and will there continue in session at least four successive days through March 16, 1961, for the purpose of reviewing and equalizing the assessment rolls of the City of Charlevoix. Hours of meeting shall be 9:00 A.M. to 12:00 A.M. and 1:30 P.M. to 4:30 P.M.

Any person or persons desiring to do so may appear before the Board of Review at said time to examine his, her or their assessment on said rolls and may show cause, if any exists, why the valuation thereof should be changed.

The Board of Review has set aside its meetings of March 15th and 16th for hearings and it is suggested that persons desiring to appear before the Board do so on those days.

NOTICE TO ALL PERSONS CLAIMING A TAX EXEMPTION

All persons claiming a tax exemption, because of the military service of themselves or another and all persons claiming a tax exemption because of being poor are required to file a written application for such exemption with the City Treasurer prior to the meeting of the Board of Review. Application forms may be obtained at the office of the City Treasurer. The law prohibits the consideration of any application submitted after the meeting of the Board of Review.

DATED: FEB. 28, 1961.

683 times "around the world"...they pounded the pavements and proved that

concrete outperforms asphalt these ways...

17 million miles of test traffic in 2 years . . . loads up to 54 tons

Sponsored by the American Association of State Highway Officials (AASHO), the 27 million dollar National Road Test was set up to establish basic facts of design and construction for concrete and asphalt pavements.

Test pavements were built on the same soil, to carry the same vehicle loads to designs currently used in various states. 99 loaded trucks—pickups to semi-trailers—pounded them 19 hours a day for 2 years. Millions of scientific measurements were made.

The test has demonstrated concrete's superiority for streets, roads and Interstate highways!

1 **Concrete is more durable!** A count after 2-year test showed concrete outlasted asphalt 3 to 1! Concrete gives you more for your tax money.

2 **Concrete rides easier!** In rideability measurements, concrete won decisively over asphalt. Only concrete can give you lasting driving comfort.

Your state helped finance this test to bring you better roads, full value from tax dollars.

Holm- Lent Vows Exchanged At Community Church of God

The Community Church of God was the scene Saturday evening of the wedding of Louise Marie Holm and Charles O. Lent, EN3, U.S. Coast Guard.

Parents of the couple are Mr. and Mrs. Louis Holm Sr. of Charlevoix and Mr. and Mrs. Otis Lent of Newberry.

The Rev. George L. Majors officiated at the double ring service in the presence of more than 100 guests. Baskets of snapdragons in pastel shades and ivy formed a setting for the ceremony.

Mrs. William Kerr, at the organ, played the wedding marches and accompanied the vocalists, Mr. and Mrs. Glenn Bearss.

Given in marriage by her father, the bride chose a full length gown of French lace over chiffon for her wedding. Fashioned with a scalloped neckline outlined with seedpearls, long tapered sleeves and fitted bodice, the gown featured a bouffant skirt with ruffles from the waist to the hemline adding back interest. A seedpearl crown secured her fingertip veil and she carried a bouquet of white carnations and red roses on a white lace fan with streamers of white satin entwined with white hyacinth florets and ivy.

Mrs. Gene Kroush, aunt of the bride as matron of honor, wore a ballerina length gown of lavender chiffon and lace fashioned with a draped neckline with back streamers and white accessories. Her bouquet was of white carnations and yellow snapdragons mounted on a lavender lace fan.

Vivian Pardee and Charlotte Belford of Boyne City as brideesmaids wore gowns of blue and pink lace and chiffon, respectively, fashioned similar to the honor attendant's and white accessories and carried bouquets of white carnations and pink hyacinths mounted on blue lace fans.

Sharon Kay Holm, sister of the bride, as flower girl, wore a gown of pink chiffon and carried a basket of pink and yellow snapdragons. Wayne Kroush, cousin of the bride, was ring bearer.

Charles Hart EN2 assisted the bridegroom as best man. Groomsmen were Charles Hanshaw EN3 and Richard Selissen BM3. Richard LeLievre BM3 and John Currier BM3 seated the guests. All are fellow crewmen with the bridegroom aboard the U.S.C.G. Cutter Sundew.

Mrs. Holm selected a two piece dress of royal blue silk and navy accessories for her daughter's wedding. Mrs. Lent wore a navy suit dress and matching accessories. Their corsages were of white carnations and red roses.

A reception at Fellowship hall immediately after the wedding was followed by a second reception at the V.F.W. post home.

Following a two weeks wedding trip to Wisconsin the couple will make their home at 306 W. Upright ave. here. For traveling the bride wore a beige sheath dress and matching accessories.

The bride is a 1959 graduate of the Charlevoix high school. Mr. Lent is a graduate of the Newberry high school and veteran of four years in the U. S. Coast Guard.

Wedding guests were present from Southfield, Bay City, Detroit, Newberry, Boyne City, East Jordan and Elk Rapids.

The bride was honored at a bridal shower given Feb. 27 by Mrs. Erwin Belfy Jr., Mrs. Creighton Kerr and Mrs. Kroush at the Kerr home.

Twenty-five guests enjoyed a social hour and games followed by refreshments served at a table centered with a miniature bridal couple. The bride-elect was presented with a variety of lovely gifts.

Lutheran Church to Host Girl Scouts

In observance of Girl Scout week, all local Scouts will attend church in bodies this Sunday.

Leaders have asked Scouts to meet at the Bethany Lutheran church at 8:45 a. m. to assemble before attending the 9 a. m. service at the church.

Scouts attending St. Mary's church will attend the 10:30 a. m. Mass with Leaders who will join them at the church.

Foreign Exchange Students Need Foster Homes

Foster homes for prospective foreign exchange students who will spend the school year of 1961-62 in this community under the Youth for Understanding program sponsored by the Michigan Council of churches are needed according to Rev. James P. Sherman, chairman of the local committee following a meeting Monday night.

Local residents desiring more information about the program and the students may call Rev. Sherman.

Three local students who have applied for participation in the program this summer were also screened at the meeting. The trio will spend two months this summer in one of several countries where they will live as a member of the family, much as the exchange students do when living in this country.

Tentative plans for a weekend of entertainment for foreign exchange students in northern Michigan were made. Mrs. Harold E. Kohn said she was sure the National Honor Society would assume the responsibliity for the proposed project which would include visits to various local places of interest, a luncheon and cooperative dinner and other special events typical of American entertainment. There are nine students in the area including Lia Drenth who is spending the school year at the home of Dr. and Mrs. Robert G. Martin.

Initial plans for a scholarship for students wishing to participate in the summer program were discussed.

It was reported that the Shakespeare Study Club and the Women's Fellowship of the First Congregational church had contributed to the Youth for Understanding program.

Fran Martin was named treasurer of the organization.

Methodists to Hear Exchange Student

Plans for a family night supper to be held at the first Methodist church Thursday, March 16, have been announced by the Rev. Raymond McBratnie.

Following the 6:30 p. m. cooperative dinner, Lia Drenth, foreign exchange student from Sneek, Holland, will show slides of her homeland and speak briefly on her experiences as an exchange student under the Youth for Understanding program.

The dinner and program are being arranged under the direction of the local church activites committee headed by Mrs. Emerald Chew.

Two Club Members Make Solo Flights

Two members of the recently-organized Charlevoix Flying Club Inc. soloed over the weekend.

They were Des Milligan who went aloft by himself on Saturday and Ralph Hess Jr. who soloed on Sunday. Both had received at least 10 hours of instruction under the direction of Joseph McPhillips.

This active new group now boasts 11 members with several others preparing to try their wings shortly.

The bright red four-passenger Stinson seen aloft fequently in the area is owned by the local club.

Campus Comments

Sandy Richardson is one of the very good reasons why Davenport Institute's basketball team is undefeated in the Michigan Business Schools League and heading for the championship play-offs at Chesaning Saturday, according to an announcement from the school.

At Davenport she is a member of the six-girl cheerleading squad while taking a medical secretarial course.

A 1960 graduate of the Charlevoix high school, she was a cheerleader here for four years prior to graduation. She is the daughter of Mr. and Mrs. Orva Richardson.

What is this thing called Love?

Song Title

Yes. But you knew that. And we don't pay for ads to tell you what you already know.

Boy Meets Girl

You married? Did you two "fall in love?" Then, perhaps, you know by experience. It was more than rhyming moon and croon and spoon. It was being ready to give yourself to him. It was being ready to "forsake all others." It was an unselfish readiness to do anything to make her happy. It's hard to describe — you have to experience it.

The Real Thing

"God is love." He's the real pattern of love. "Love is of God" — He's the real giver of love. He's hard to describe, too; and so is His love. That's why He made His love a part of our experience by being born as a man, living in the likeness of man, dying — for men. "Greater love hath no man than this, that a man lay down His life for His friends." And Jesus Christ did just that — for you!

One More Chorus

Once more — in these weeks of Lent — you've the chance to experience this thing called love — God's love for you. Come to these special services at our church. See the Savior. Hear His Word of love. Experience this greater love that He has for you.

Public Service Ad Highlights Michigan Power

Electric power to keep the wheels of industry turning flows out from generating plants strategically located throughout Michigan. In the Upper Peninsula and in Lower Michigan, privote and Municipol utilities and co-operatives ore equipped to provide all the power needs of industry, along with furnishing electricity to homes, offices, farms, and public buildings.

Our rivers are harnessed to provide power and there are steam generating plants. But, in Michigan our producers of electric power are not content to remain constant. Nuclear plants are being constructed to put the otom to peaceful use and to make a valuable contribution to the industrial and economic well heing of Michigan.

There are international connections between Michigan and Canadian electric utilities to insure a continuoos supply of power. One of these is the largest international electrical interconnection, in point of capacity, in the world. As further insurance against power failures, there are connections between utilities, both private and public.

Michigan's ample supply of power, its ever abundant supply of fresh water, its transportation, its skilled workers and industrial know-how, and natural resources make it an advantageous location for industry, whether a new one or an established one seeking to expand in the heart of the great market of the midwest.

Through the cooperation of the Michigan Press Association and the Michigan Department of Economic Development, Michigan's advantages for industry are being presented in a series of advertisements. The Courier today presents another in this series of advertisements. Clip these and send them to your friends throughout the United States so that Michigan's true advantages will be known and recognized everywhere.

A Safe Heat Lamp

Many farm fires are started by makeshift heat lamp installations. As a result, many fire insurance companies have either adjusted their rates or now require that farmers have an approved heat lamp installation. A correct installation can provide safe and efficient supplemental heat. Here are the essentials for a safe system: (1) unit plugged directly into a permanent circuit outlet; (2) rubber-jacketed, asbestos-insulated cord approved by Underwriters' Laboratories (type HSJ); (3) unit hung by chain or No. 9 wire, never by the cord; (4) heat-resistant porcelain switchless receptacle; (5) strong bail or guard band on reflector to provide mechanical protection as well as to roll the unit over and direct the heat rays upward should the lamp ever fall with the cord still connected.

Masons in Lead By 817 Points

The Masons topped the IOOF by 570 points in the ninth evening of cribbage play to up their lead to 817 points with one round left in the tournament.

John Grey scored 949 points for the Masons. Top scorer for the Oddfellows was Robert Mitchell with 945 points.

Mrs. Donald Falting Honoree at Shower

Mrs Donald Falting of Gaylord was honored at a pink and blue shower given recently by Mrs. Francis Left.

Sixteen guests gathered for a social hour, games and refreshments served at a table decorated in a pink and blue motif. Mrs. Falting was presented with a number of lovely gifts.

Vending Machines Can Dispense Trouble

The editor of a weekly newspaper recently brought to our attention the fact that certain operators are attemping to use the classified sections of our daily and weekly papers to sell vending machine routes owned by non-Michigan business.

The ad informs the reader that a company representative will be in a local hotel on a certain day. The company will supply the machines, select the sites and renew the stock, and all that you need is a little money, a pleasant personality and some extra time.

We have found that despite the rosy picture painted by the ad, many people lose a great deal of money in this operation in the following ways:

1. They invest their savings to purchase the vending machine in order to assure the traveling agent of their "good faith."
2. They invest valuable time and energy in replenishing and publiclzing the machines.
3. They write, wire, and finally telephone the company when the machines break down or the supplies cause to come, only to dicuover often that the company is non-existent or judgment-proof.

Some newspapers are doing a splendid job of protecting their readers by closely checking these ads before they are used, but the ultimate protection is your own common sense. Check into the agent's claims very carefully and check with the Michigan Corporation and Securities Commission to make sure that the company has a resident agent in Michigan. Think twice before you invest!

Experts Comment On Family Life

Here's what some experts say about American family life in a University of Michigan television series "Family Living."

One watching television--"parents who worry about their younger children becoming a nation of spectators might take a look at themselves."--Edward Stasher, U-M professor of speech.

On religion--"Religion is caught --not taught. Parents need to recognize that everything they do is communicating their religious fath to their children. It's the parents example that is the most important thing."--William Genne of the National Council of Churches.

As Rutherford B. Hayes's inougural day fell on Sunday, he broke precedent by taking his oath privately at the White House.

Girl Scout News

In observance of Girl Scout week, all troops are interviewing former Girl Scouts or Camp Fire Girls typical of "Yesterday's Girl Scouts . . . . Today's Career Women".

The Brownie Scouts of troop 18 composed of third grade students feature as their former Scout who today is a career woman, Mrs. Robert Gill.

Mrs. Gill, the former Louise Young, was a member of the first Girl Scout troop in Charlevoix in the mid-1930's. She continued in Scouting until 1939. After graduating from the Charlevoix high school, she entered nurses' training at Ford Hospital School of Nursing in Detroit. Upon graduation she followed her profession at the Charlevoix hospital and Presbylerian Mission Hospital in New Mexico. She later attended Wheaton College in Wheaton, Ill., where she earned a degree in nursing education.

She returned to Scouting as a leader of an eighth grade troop in 1948 and '49 and as an ossistant leader in 1959-'60. She is presently a troop committee member for two troops.

Girl Scout troop 17, composed of fifth grade students, has chosen Mrs. C. A. Odmark, homemaker teacher in the Charlevoix public schools, as "Yesterday's Girl Scout—Today's Career Woman".

Mrs. Odmark first joined the Girl Scouts in Detroit at the age of 10 years. She continued through Senior Scouting and then served as an assistant leader while attending college. She also did counseling during 10-week summer camp programs. Following graduation from college, she was a troop leader in Petoskey before coming to Charlevoix. Brownie troop 17 was started in 1957 with Mrs. Odmark as leader for two years. She then became a member of the Troop committee.

Mrs. Odmark said the homemaking field in Girl Scouting inspired her interest in becoming a homemaking teacher. "Once a Girl Scout, always a Girl Scout" was her way of explaining her continued interest in Scouting.

Annual Blue & Gold Banquet Staged at V. F. W. Post Home

More than 150 Cub Scouts, Den Mothers, Den Chiefs, Scout officials and their respective families plus members of their sponsoring organization, the Kiwanis club, met at the V.F.W. post home Tuesday evening for the annual Blue and Gold banquet.

Leonard Burns welcomed the guests and served as master of ceremonies introducing the Cub Master Robert Hooper who spoke on the pack and the urgent need for adult committee members if the Pack is to keep its charter. Mr. Burns also introduced the Den Mothers and their assistants who are: Den 1, Mrs. Billy Six and Mrs. Don Anders; Den 2, Mrs. William Downing and Mrs. Carl Johnson; Den 3, Mrs. Richard Fochtman and Mrs. Guy Smith; Den 4, Mrs. Jerold Murdick and Mrs. Gerald Selph; Den 5, Mrs. Lawrence Swanson and Mrs. Harold DeYoung; Den 6, Mrs. Alfred Bergmann and Mrs. Bernie Ward. He also introduced the Webelo leaders, Earl Holburn and Robert Cook of Webelo Den 1 and Harvey Hamilton of Webelo Den 2.

Mr. Holburn who also is assistant Cub Master then presented awards to Cubs who had earned them in recent months.

The movie, Boy Scout Jamboree 1960, was shown by Harvey Griswold, Northern District Boy Scout representative. The Rev. James P. Sherman gave the invocation and Lawrence Foley led group singing. Webelo Denl presented the flag to open the program.

The Cub Scout committee and den leaders would like to thank the V. F. W. for the use of the post home for the banquet, the Kiwanis club for the cake, rolls and coffee supplied for the dinner and Maxbauer Creamery for the milk. Acknowledgments were also made to Harbor Hardware for the use of the store window and business places for tours by Scouts.

MICHIGAN IS ELECTRIC POWER

Power? Michigan, in all its industrial history, never has been hampered by electric power shortages. With everything that industry needs, Michigan stands high in the ranks of the industrial states. It's a fact to be proud of, for even in this nation of plenty, most states are not as fortunate.

Michigan has an abundance of electric power and skilled workers, a combination which has made Michigan a mighty industrial empire.

What about electric power costs? Michigan, cradled by the Great Lakes, enjoys economical rates for water transportation of coal, the source of most of the state's electrical energy.

Soon there will be electricity flowing from two Michigan nuclear energy plants to provide an even greater source of power to meet the needs of the state's growing industrial community.

Help carry Michigan's message to the nation. Clip these ads and mail them to people in other states with your own comment. Let's talk up Michigan and its advantages for industry. Together, we can assure a greater future for all of us.

Rayders Win 8 Games In Season

* * *

Bow to Boyne City in Last Conference Game

The Charlevoix Rayders wrapped up their 1960-61 basketball season Friday night with a record of eight wins in 14 games in league play after dropping their final game to Boyne City by a score of 49 to 48.

The Ramblers victory over Charlevoix and East Jordan's loss to Mancelona by a 48 to 47 score gave Boyne City the Northern Michigan Class C title. Until Friday's game, the Jordanites were in the running for the championship.

In a game which was a close one from opening whistle to final horn, Charlevoix trailed Boyne City 12 to 11 at the quarter but regained the lead at halftime, 29 to 27. In the third period the Ramblers fought back but managed to trim only one point from the Rayders advantage as the period ended 39 to 38. In the final period, however, the visitors scored five quick points for a 43 to 39 lead before the Rayders hit on one from the free throw line. They then increased their advantage to 47 to 40 before the Rayders, in less than 2½ minutes cut the victory margin to one point as time ran out.

Jim Dennis, John Pearl, Sam Supernaw, Stan Martin and Henry Wagner made up the starting line-up. Don Nowland replaced Wagner in the first period and in turn was replaced by Gary Spencer late in the final period.

With both teams playing a tight defensive game Boyne City took an early three point lead before Supernaw put the Rayders in the scoring column from the free throw line. After two buckets by the Rayders, Supernaw added a two-pointer midway in the period.

As the period ended the Ramblers held a 12 to 11 lead on five field goals and two free throws. Charlevoix's points were scored by Supernaw who had two field goals and two free throws; Dennis who had one field goal and one free throw and Pearl a field goal.

In the second period three field goals and four free throws by Dennis, a field goal and two free throws by Supernaw and field goals by Pearl and Martin put the Rayders ahead 29 to 27 at halftime after Boyne City had scored seven field goals and a free throw.

As the game went into the second period Dennis scored a field goal but the Ramblers countered with seven points for a 34 to 31 lead before the Rayders got back in the game with buckets by Supernaw and Martin. The Ramblers scored two free throws as they went ahead 36 to 35 before Supernaw knotted the score 36-all from the free throw line. Boyne City came back with a field goal but Martin hit on one from the free throw line and Supernaw with a field goal for a one-point lead, 39 to 38 as the period ended.

Going into the final period, Boyne City scored five points to go ahead 43 to 39. Supernaw scored a free throw to make the score 43 to 40 before the Ramblers dumped in a field goal and two free throws to go ahead 47 to 40 as the Rayders went for the ball when the visitors started to stall. With 2:25 remaining Supernaw scored two quick buckets, Boyne City added one for 49 points, Pearl countered with a two-pointer and with seconds remaining Supernaw added a third bucket for 48 points at the final horn.

Supernaw with 22 points paced the scoring for the game with Dennis adding 15; Pearl six and Martin five. Jack Dixon had 13 and Art Kujawski 10 for the Ramblers.

Boyne City Cages Northern Michigan Class C Title

Boyne City wrapped up the 1960-61 Northern Michigan Class C title by edging Charlevoix 49 to 48 after getting an assist from the Mancelona Ironmen who knocked East Jordan out of the running by a score of 48 to 47.

In other games Grayling trounced Gaylord 69 to 38 to finish in third place and Harbor Springs defeated Pellston 52 to 49.

In other games Grayling trounced Gaylord 69 to 38 to finish in third place and Harbor Springs defeated Pellston 62 to 49.

Mancelona 48: East Jordan 47

As was anticipated, this game turned into a battle from the opening whistle to the final blast of the horn as first one team and then the other held the lead throughout the game.

East Jordan, their sights on a share of the title, forged into a 10 to 7 first period lead only to trail 25 to 20 at halftime. As the second half got underway the contenders made a comeback but at the end of eight minutes were behind 41 to 32. As the game progressed the margin was cut to one point but the Ironmen, intent on trying for a share of the title, held on for the victory. Had Charlevoix defeated Boyne City there would have been a three-way tie for the title.

Tom Moeke, Denny LaCroix and Walt Klein shared scoring honors with 12 points each for the victors. Louis Kraemer had 17 for East Jordan.

Grayling 69 Gaylord 38

The Grayling Vikings finished the season with a nine and five record after trouncing the Gaylord Blue Devils 69 to 38 in a game in which the victors led 14 to 5; 32 to 15 and 51 to 27 by quarters. Frank Gross paced the game with 18 points. Art Teboe had 10 for Gaylord.

Harbor Springs 52 Pellston 49

The Pellston Hornets, intent on dumping the Harbor Springs Rams for the second time this season, jumped into an 18 to 13 first period lead and after seeing the score tied 32-all at halftime, re-gained the advantage 43 to 41 but ran out of steam in the closing minutes as the Rams came from behind to win by a three-point margin. Gary Stutzman paced the game with 20 points for the Rams. Clyde McMichaels had 15 for the Hornets.

Harbor Springs played without Frank Lauer who suffered a laceration of the lower leg in an accident with a power saw last week. In the game Friday, Fran Laner went to the bench midway in the third period, leaving the Rams without their regular forwards.

Little Rayders Close Season Winning 12

Charlevoix's little Rayders completed the season with a 12 win-two loss record in league play Friday night after losing to the Boyne City Reserves 84 to 51.

The local reserves' other loss was to Pellston in January. They also lost two games to the Petoskey Reserves.

In the last game of the season the young Rayders jumped into a 12 to 7 first quarter lead only to be outscored 20 to 10 in the second period to trail 27 to 22 at halftime. Both teams scored 18 points in the third quarter as the Rambler reserves kept a seven point lead 45 to 38 going into the final period when they dumped in 21 points to 13 for Charlevoix and the victory.

Frank Curtis, Dan Pearl, Bruce Murray, Rick Miller and Gary Balch started for Charlevoix with Gary Stutzman, Pete Ance, Bruce Kroken, Brendan LaBlance, Larry Edwards, Steve Bergmann, Ben Cunningham, Nick DeYoung, Charles Mort, Dave Novotny, Joe Smith, Jim Stewart, and Dwight Boss seeing some action.

Five points by Curtis, three by Pearl, two each by Miller and Balch gave the Rayders a first quarter lead after the visitors scoring was limited to two field goals and three free throws.

In the second period, however, the advantage changed as Boyne City poured in seven field goals and six free throws for 20 points as Curtis scored four and Murray, Balch and Ance two points each.

Going into the second half, the Rayders got back into the swing of things to score eight field goals including three by Murray, two each by Pearl and Balch and one by Curtis. The visitors scored the same number of points on two fields and 14 free throws.

Six field goals and nine free throws gave the Ramblers 21 points in the final period for the victory. Charlevoix scoring included 13 points, five by Curtis and two each by Miller, Edwards, Smith and Stewart.

Thompson with 20 points paced the game for the victors who scored 17 field goals and 30 of 43 free throws while collecting only nine personal fouls.

Curtis with 18 points was top scored for Charlevoix who had 20 field goals, nine of 13 free throws and 28 personal fouls.

LANSING OBSERVER

By FRANK G. MORRIS

The sensation created by Gov. Williams when he announced in 1959 that the State government had no funds to meet its payroll was a gentle rumble compared to the explosion ahead for the people of Michigan.

The Unemployment Compensation Fund is plunging with sonic speed toward bankruptcy.

The blow, unprecedented in the history of the national system, may fall before the year ends.

If it does, Michigan will be the only state in the union to be rocked by such a major catastrophe.

When shocked citizens angrily accused Williams of dirty pool in an attempt to force an income tax, Soapy very quickly "found" the necessary millions to meet the payroll.

But when the Unemployment Compensation Fund goes broke, it will be as busted as the average father the day after Christmas. There will be no money secluded in the dark corners of the till.

Republican legislators have become alarmed, but are being ignored or are being accused of needlessly reaching for a panic button. Gov. Swainson has said casually that he is asking a report from "technicians". He did not say whether they need a Harvard degree to be recognized.

Well, even those first graders who are being taught geometry instead of reading and writing can figure the outcome if given these facts:

The Trust Fund started 1961 with $219 million. (Of this total $193 million is on loan from the Federal government and must be repaid before 1967.)

On present Michigan unemployment tax rates—the highest in the world— employers this year will contribute about $125 million to the state fund.

Unemployment last week reached 320,000, or 11.2 of the work force. Unless we jump out of the recession suddenly, the fund this year will be drained by about $350 million.

The system is costing $12 million a week now and will go higher.

President Kennedy has an answer that would shock every taxpayer in Michigan if they were given the truth.

You read that the President has asked Congress to increase the tax base for every employer, and to extend compensation to 39 weeks instead of 26 weeks.

Instead of taxing only the first $3,000 paid to each worker annually (a tax paid by the employer and never by the worker), Kennedy wants to raise the tax base to $4,800 per employe.

This change would not mean much in low-wage states which have been attracting industry. But Michigan has the highest industrial wages in the country.

No one yet has told the people of Michigan that Kennedy's plan would add another $90 million a year to the staggering tar load that is helping to drive employers from the state.

More astonishing, press reports have failed to point out that the President is demanding that an additional $20 million a year from Michigan employers to be kept in Washington to bolster the unemployment comp systems of other states if they start to totter.

Maybe Michigan will be able to borrow back part of its own money. If so, the debt will have to be repaid.

When the Federal government loaned money for unemployment comp in 1958, only three states applied. Michigan got $113 million; Pennsylvania $96 million and Alaska $8 million.

Because only these three states are indebted, there is no possibility of for-giveness which would wipe the slate clean.

One reason for the tangle in Michigan is the pro-labor policy of the state government. Only in Michigan has it been held that payments must be made to those who are out of work as a result of a strike in a feeder plant in another state. Only in Michigan has it been held that payments must be made to an employe fired for constant drunkenness.

Only in Michigan has it been held that compensation must be paid to an employe fired because of five successive garnishments.

"Employers are obligated to compel their employes to live within their income," says our paternal government.

Enemies are psually frightened people.

SUNDEW REPORT

The Sundew was underway Tuesday, Feb. 14, enroute to Chicago for ice breaking operations.

Our first assignment was to break out Gary, Ind., harbor, a narrow channel by the U. S. Steel Mill. On completion of this operation, we proceeded to Chicago where we docked Wednesday night.

With favorable conditions, the ice situation did not appear to be serious in the Chicago area. The ice field was about 40 miles in length but had been blown well out of the harbor areas where it had caused trouble.

Friday afternoon we were underway for Manitowoc, Wis., for dry dock repairs at the Manitowoc Shipbuilding and Dry Dock Co. We moored at Manitowoc Saturday morning.

The ship entered dry dock Monday morning for the installation of a new propellor to replace the original one which was cracked and the relocation of the overboard discharge pipes for the main engines. These repairs should enable us to obtain full power from our engines.

We left the dry dock Friday and attempted to calibrate our radio direction finder before departing Sunday for Charlevoix. We moored at the city dock here Monday morning.

During our return trip, a full power trial run was conducted. This involves the running of the engines at maximum speed for four hours continuously. The results were good and we were able to maintain a speed of 18 MPH.

Sundaw Scuttlebutt

Harvey Cole and Carter Miller were admitted to the Charlevoix hospital recently for in-patient treatment. Both men recovered and re-joined the ship at Manitowoc. . . . Garabed 'Arab' Arslanian returned from USPHS hospital in Detroit on completion of in-patient dental treatment. . .

Many of the crew were able to visit parents and friends during our stops in Chicago and Manitowoc.

New president of the 1700-member Michigan Library Association is Robert Armstrong of the Detroit public library.

Larry Smith, 1958 Grad Passes 'Automated' College Course

Larry Smith, a Charlevoix high school graduate, was among the three University of Michigan students who passed the world's first completely automated college spoken-language course with flying colors, according to F. Rand Morton, director of the U-M Language Laboratory and designer of the unique audio-lingual teaching machine.

The U-M student trio are among the first experimental subjects for a National Defense Education Act language development project now under way at the U-M under a contract with the U.S. Office of Education.

The student learns to speak Spanish much the same way as a Spanish child would. He settles himself in an individual 'learning' booth with his machine 'teacher'. He simply dials a number on a telephone-like control to select his lesson. Actually he is tuned in to a bank of contalnously playing tape recordings of specially prepared teaching material. The 'teacher' presents material in small easy segments, which the student learns by repetition.

For example, the student would learn how to form all the special sounds used in the language. The machine would them teach him through short drills when to use each sound. Finally, it would make the correct use of these sounds a 'habit'. Once a student has learned a segment in this way he is unlikely to forget it or make a mistake.

By this method, the three students learned to speak Spanish like natives in less than 200 hours. Normally, this would require at least four semesters' work in conventional methods.

All this, however, puts them at a disadvantage in competing with conventionially trained third and fourth semester students who have been trained to read, write and analyze the language with grammatical rules. But reading and writing the language will be taught in the same way, Prof. Morton said.

Smith a junior at the University, commented on the method: "I learned French in the conventional method and Spanish with the teaching machine. I found the latter considerably easier". Other students who participated in the test were Adrian Palmer and William McNaughton, both seniors from Ann Arbor.

Larry, a 1958 graduate of the Charlevoix high school, is the son of Mrs. Mary Smith.

The Sponsors of some radio programs seem to think that all the listeners are irregular, thirsty, broke, smelly, arthritic, or hungry.

Rayders Beat Frankfort in Surprise Upset

Courier photo by Kroll

The jubilant Charlevoix Rayders, pictured after dumping Boyne City 38 to 31 to capture the 1961 District Class C title.

Pictured are (l to r on floor) Jim Dennis and Tom Martin: seated: Tony Duerr, Parry Smith, Terry DeYoung, Team Captain Sam Supernaw, who accepted the trophy in behalf of Coach Don Carey and the Rayders, Stan Martin, Dan Pearl: standing: Dan Pearl, Don Nowland, manager Carlton Smith, Keith Wagner, George Spencer, Lee Wielinga, Barry Pierce.

The underdog Rayder squad had to come from behind to defeat the Ramblers who had defeated them twice during the regular season.

Rayders to Be Matched With Houghton Lake In Semi-Finals Tonight

The Charlevoix Rayders upset the high flying Frankfort Panthers Tuesday night to advance to the semi-finals against Houghton Lake tonight (Thursday).

The Rayders, underdogs as they went into the game against Frankfort, jumped into a 6 to 0 lead and were never headed as they led 17 to 12 at the quarter, 35 to 27 at halftime and 49 to 42 going into the final period for a 63 to 55 victory.

Tonight will find the Rayders again the underdogs as they go against the Houghton Lake Bobcats who have been listed among the top 10 Class C teams in the state a good part of the season.

The Bobcats have a record of 14-4 coming into the regional tourney after drawing a first round bye. East Jordan and Traverse City St. Francis who also drew first round byes were scheduled to play last night.

The winner of the East Jordan-Traverse City St. France game will meet the winner of the Charlevoix-Houghton Lake game in the finals at 7:30 p.m. Saturday.

In Tuesday's game the Rayders jumped into a 6 to 0 lead on two free throws by Sam Supernaw and buckets by John Pearl and Jim Dennis before Del Parsons put the Panthers in the game with two points from the free throw line.

Free throws by Supernaw and Pearl and a field by Stan Martin put Charlevoix ahead 10 to 2 before the Frankfort offense started to click with Bill Johnson and Sten Larson hitting from outside. Dennis countered with a long one from the corner, Supernaw added a single from the free throw line and Henry Wagner connected with a long shot from outside the key before Parsons hit on two shots from under the basket to make the score 15 to 10. Martin and Johnson scored as the quarter ended with the Rayders out in front 17 to 12.

As the game went into the second quarter the Rayders continued to lead as Supernaw scored two and Martin one field goals after Parsons had hit early in the period. Field goals by Parsons and Erickson cut the Rayders lead to five points before Dennis added a field goal and Supernaw one and Majors two points from the free throw line.

Parsons, handicapped with a bad knee that was re-inforced with an awkward brace, kept the Panthers in the running as he scored three field goals with an assist from Erickson who had one as Supernaw and Dennis scored a field goal apiece and then added three from the free throw line to give Charlevoix a 35 to 27 lead at halftime.

As the game went into the second half, Supernaw scored two quick buckets. Parsons scored two points on free throws and Martin made the score 41 to 29 before the panthers rallied and scored two singles and two field goals. Pearl hit on a free throw and Wagner on a field goal to make the score 44 to 38. Two field goals and a free throw by Frankfort cut the Rayders margin to 44-40.

Supernaw added one and Martin two free throws for a 47 to 40 lead. Parsons scored on a dog shot and Supernaw on a lay-up as the period ended with the Rayders still ahead by a seven point margin 49-42.

As the game went into the final eight minutes, the Panthers

Kujawski Estate Wins Judgement In Circuit Court

A judgment of $35,000, the largest ever awarded in Charlevoix county, was awarded to the estate of the late John S. Kujawski Sr. in circuit ciurt here last week.

The jury returned its verdict after two hours deliberation following a three-day trial.

The judgment was against Boyne Mountain Lodge Inc. which was charged with negligence in not providing a railing on a stairway down which Mr. Kujawski fell. The fall resulted in his death on Jan 22, 1958. Edward S. Kujawski of Boyne Falls, administrator for the estate of his father, bad brought the suit against the ski resort. He had asked $110,000. At the time of the Senior Kujawski's death, there were four minor children in the Kujawski family of ten.

Counsel for the family was Norman D. Ance with Charles H. Menmeir of Traverse City, consultant. Benjamin V. Halstad of Petoskey and Guy C. Conkle Jr. of Boyne City represented Boyne Mountain Lodge.

Robins Herald Signs of Spring

The show, featuring the newest in flower designs for the newest in spring fashions, will climax the spring School of Design sponsored by Little Traverse Florists Association and Unit 4-A of F.T.D. to be held during the day at the theatre.

Displays featuring the use of flowers and holders will be viewed by those attending the show beginning at 7:30 p.m.

Mrs. Lorraine Elliott of Fremont has joined the other designers who will be in charge of the all-day workshop. Others are Norm Kesel of East Lansing, Donald Patterson of ..eed City, Robert Pranger of Edmore and Arthur Paselk, former Grosse Pointe florist now living here.

The public is invited to attend the evening fashion show according to Frank Novotny, local florist, who is general chairman of the popular event.

Charlevoix Hosts Annual Scenic Trails Council

Thirty-five members of the operating board of the Scenic Trail Council, Boy Scouts of America, met here Tuesday evening for their annual meeting.

Following a dinner at Liston's Grill, the group gathered at the Charlevoix high school for the business sessions. John Stevens of Elk Rapids, as president, preided at the meeting.

Charlevoix's invitation to hold the annual Boy Scout Camporee at the Charlevoix Rod and Gun club property May 19-20-21 was accepted after the Camporee committee had inspected the site.

Other issues discussed were sustaining memberships, Camp Grielick and membership and growth. Dr. Baker of Traverse Traverse City Exchange Club is City spoke on Protestant and Catholic Awarda available to Scouts. It was reported that the Traverse City exchange club is giving a barbecue pit to Camp Grielick.

Board members from nine communities in the 18-county council were present for the meeting Leonard Burns, neighborhood commissioner representer Charlevoix at the meeting.

City Asks Bids On Dock Repair; To Build Slips

Bids for the repair of the south section of the municipal dock adjacent to the sewage disposal plant will be accepted until 8 p.m. Monday, March 27, following action taken at the regular meeting of the City Council Monday night.

Plans and specifioations are available at the office of R. S. Scott Engineering Co. of Alpena. The dock was undermined and collapsed in December.

Bids for the construction of two slips on the south end of the city's yacht basin were received at Monday's meeting. The bid submitted by the Northern Marine Constuction Co. of Cheboygan, in the amount of $5,551, being the lowest, was accepted. Four bids ranging from this amount to $11,475 were received.

A petition, signed by 21 businessmen, asking the city to offer mooring space to the U.S.C.G. Cutter Sundew while its regular bulkhead adjacent to the buoy depot is being re-built, was presented to the Council by a delegation headed by Claire C. Martin. A discussion followed but no formal action taken on the request.

Approval was given the followink election inspectors who will serve during the forthcoming General Election: Edna Miller, Irene Seymour, June Heise, Edna LaBlance, Henrietta Gill, Helen Meggison, Anna Scott, Vivian Trimblo and Billie Smith.

A request to post a sign on city-owned property at the junction of M-66 and the Leob School Road was denied. The request was made by William Potter.

Bills totaling $41,730.11 were approved and ordered paid. The figure includes $22,805.41 in taxes collected paid to the county treasurer; $2,557.38 in school taxes paid to the school district; $3,358.11, accounts receivable; $1,018.30, city-used utilities; $1,377, purchase of transformers and $6,365.85, payroll.

City Council Accepts Proposal to Discuss Electric Power Issue

Discussion of electric power for the city highlighted the regular meeting of the city council Monday evening when Alderman Richard Donaldson offered a proposal that Consumers Power Co. be invited to make a study of the municipal operation at no cost or obligation to the city. Mayor E. James Hiller immediately voiced his disapproval of the proposal until such time as the present study by the engineering firm of Cummins & Bernard is completed. He said he could see no reason to invite Consumers until the present survey is completed.

This was apparently the subject that the 30 or more citizens present were waiting to hear and the mayor expressed his disapproval of "pressure groups" attempting to influence deliberations of the council.

Aldermen Clare Staley and Edward Hansen indicated they were in agreement with the mayor. Alderman Kenneth Staley supported the proposal, which was not a motion, by providing the councilmen with copies of a form outlining the information that would be needed for a survey by Consumers. Alderman E. D. Hawley said he was not opposed to having the second study. Alderman Grubaugh's only comment was that he did not favor selling a source of income to the city.

Only two of the visitors entered the discussion. Ralph Gillam considered rates for electric power excessive and out of line with competitive rates. This brought a reply from Alderman Hansen that the city is in a position to meet competition.

Ted Miller questioned the advisability of continuing to put money into a plant that will eventually be an unprofitable project. He cited the Bellaire hydro plant which the city could have sold for $80,000 about ten years ago. Alderman Clare Staley answered with the statement that the Bellaire plant had earned $80,00 since 1952.

During the discussion the mayor stated he had extended an invitation to Consumers to meet with the council to discuss power. This was a verbal invitation which left the way open for Consumers to ask for a definite meeting with the council. This brought a proposal by Donaldson that a written invitation be sent to Consumers, specifying a definite time for such a conference. No objections were offered by the other aldermen and the mayor instructed City Superintendent James Taylor to write to Consumers and specify a time and place to discuss electric power proposals.

It is no secret that Comsumers Power Co. is interested in selling electricity to the city, either as a supplier of power with the city handling distribution and making a profit from the sales, or purchase of the entire system along with a franchise to supply the entire needs of the city.

Outlines Procedure in Delinquent Tax Sales

The Auditor General, Otis M. Smith, who is responsible for the sale of lands delinquent for taxes and the many technical operations in connection with such sales, has furnished the following little known information about the conduct of delinquent tax sales, purchase of taxes, and the right of property owners to redeem:

At the tax sale to be held May 2, 1981, the unpaid taxes of 1958 will be sold. The list of lands to be offered for sale in Charlevoix County appeared in the Charlevoix Courier. The name of the newspaper for other counties may be obtained at the office of the county treasurer. A complete list of newspapers for all 83 counties may be secured from the office of the Auditor General, Lansing, Michigan.

The owner may withhold from sale any description included in the advertised list by payment of the taxes prior to the date of the sale.

The tax sale is not an outright sale of the properties offered, rather it is a sale of the lien for the unpaid taxes and charges.

The delinquent taxes are offered for sale at the office of the county treasurer in each county. The tax sale is a competitive sale. The tax lien covering the properties is sold to the person who will pay the accumulated taxes and charges and take the least undivided interest in the premises. The successful bidder at the tax sale receives from the county treasurer a certificate indicating his purchase of the delinquent tax lien.

If the sale of the tax lien is for an interest less than the entire, and the purchaser forecloses, he becomes a tenant in common with the owner to the extent of the undivided interest he purchased.

The owner has the right to redeem at any time prior to the next annual tax sale by paying the amount of the sale plus one per cent per month. Redemption may be made at either the county treasurer's office in the county where the lands are located or at the office of the Auditor General.

If the lands are redeemed by the owner, the holder of the tax certificate is notified of such redemption by the Auditor General, and upon surrender of the certificate of purchase he will receive from the State the amount paid by the owner to redeem.

If the tax sale is not redeemed by the owner prior to the next annual tax sale, the purchaser must surrender his purchase certificate to the office of the Auditor General, and a tax deed will be issued.

The tax deed in itself does not convey absolute title to the premises. Redemption from the tax deed may be made by the owner by payment of the purchase price, plus 50 per cent, plus $5.00 and the cost of the service of the sheriff's notice, if service has been made. This redemption may be made by payment to the purchaser himself or by depositing the amount in the county clerk's office.

Before the holder of the tax deed may acquire title to the premises, under the law he must cause a sheriff's notice to be served upon all owners of interest and occupants of the premises. This notice calls attention to the owners that their properties have been offered for sale and that the person making service does hold the tax deed covering the properties involved.

The owner has six months after service of notice to effect redemption by paying to the purchaser or by depositing in the county clerk's office a sufficient amount to effect redemption. If the redemption is not made within this period of six months, the tax deed holder has absolute title to the premises under our law.

Why A Municipal Electric Plant?

The question is prompted by the recent public interest in the operation of Charlevoix's city owned electric power service.

Operation of any business by any unit of government, city, county, state or federal, is justifiable only when it benefits those who operate it. That basically is the principal upon which our government was founded as opposed to the socialistic ideology.

Why did Charlevoix get into the electric power business? Probably to supply a service that was not otherwise available at that time. Despite ups and downs, the locally owned and operated plant has rendered a valuable service. Whether or not it can continue to operate for the benefit of those who own it has raised a question.

Increasing development of Northern Michigan presents a new situation accompanied by increasing competition from other producers of electric power, who without doubt, can generate electricity for less cost than a locally operated plant. This inevitably results in a lower cost to the consumer.

What is the status of a municipally operated plant in the face of this competition? A locally operated plant must at least be selfsupporting and at the same time provide adequate and dependable service at rates comparable with those available from independent companies.

If the locally operated plant can, in addition, make a profit, the citizens who are the owners are entitled to lower rates or lower taxes as a result of the profits being diverted for general city operating expenses.

Apparently the city does not at present have sufficient facts on the operation to definitely determine the status of future operations—thus the present study by the engineering firm of Cummins & Bernard. Since the city is paying $4,500 for the study there should not be hasty judgment until the final report can be analyzed. By the same token, it appears reasonable to accept a similar study and report, which is available gratus, for comparative purposes.

MARCH in MICHIGAN

By Harold E. Kohn

Now come days of hope. Winter's sorrowful visage breaks into a smile, and Nature's melancholy silence gives way to cheerful sound. We hear now, nearly every day, the booming laughter of Old Man Winter, playing his second-childhood pranks, breaking up the ice on Lake Charlevoix as a last gesture of brattish violence before he retreats to the Far North. Crows gather in committees along the beach and hoarsely discuss the "new business" of spring. Streams laugh. Tiny morsels of bird song are sometimes found hanging on the frosty air.

Soon spring rains will absolve the sins of a dark and inert earth that seems almost to have forgotten the Living God. Forgiving grasses will return to cover the ice-blighted North, and, when a kindly sun has set them free, leaves will clothe graceless limbs of forest and orchard with new life. Warn winds will caress woods and fields until the leafy mold responds with petaled beauty.

This is March. As the sap of life ascends trunks and branches of trees, so now hope rises everywhere, and all the world seems heavy with the promise of better things to come.

—†—

SOME THINGS TO NOTICE THIS WEEK:

- Watch red squirrels slit the bark of maples to nibble and suck on sweet icicles of sap.
- Look for the few robins that are now appearing. Probably these early birds have not arrived from the Southland as will most of their kind, but have overwintered in the swamps and are just now emerging from the deep white silences.
- Keep watch for the first hepatica thrusting its pale, delicate blossoms through the snow to unlock winter's dark door and let bright Springtime in.

Voice of our readers

The Jordan Valley Forest became a reality for the people of East Jordan community, through the efforts of East Jordan people, and the land came from people of East Jordan with a portion from our neighbors in Boyne City.

To this day there is a natural and human resentment felt when others attempt to dictate the terms as to what should and what should not be done, and the attempts thus far have been only toward destruction. We are, however, most happy to share with others the enjoyment of the valley, and solicit the help of others toward saving it as was originally planned and pledged.

Because of the way things happened, East Jordan area people became in spirit the custodians and defenders of the Valley, and will continue to be looked to with hope and prayer that there may be saved for the future even a small spot of what little now remains of the outdoors heritage that God gave to mankind.

The Jrodan Valley, of course, is of deep interest to me personally. Conservation was in my heart from childhood. After witnessing the destruction of forests through over harvest and reckless slashings, fires, pollution and soil erosion of our lakes and streams, and the later spread of "No-trespass" signs, I was greatly impressed when I first saw the headwaters of the Jordan river, and perhaps received added inspiration because of the name having come from the Bible.

We came to live in East Jordan in the spring of 1932. In the early part of 1933 the Jordan River Sportsmen Club was formed. I wrote the by-laws and became its first secretary. I gave abundantly of my services in support of the conservation principles upon which the Club was founded.

As secretary of the Club I personally surveyed the possibility of creating the Jordan River State Forest, as it was first called and I also personally solicited and obtained in behalf of the state options on lands within the valley to make the projeit possible.

At that time there was no money for such acquisition by the Conservation Department, or perhaps even a program inviting the saving of wilderness areas. The Valley lands had previously been optioned toward private club operations, which was common practice with solid blocks after the lumbering operations by the larger companies. We learned that there were only two such solid blocks remaining intact and unsold in the lower peninsula of Michigan, and they were in the Jordan Valley, contiguous, and over which meandered the beautiful Jordan river, clear, pure, and cold water supplied by numerous small springs bubbling in the Valley and against nearby hillsides. No buildings of any type, except a decaying reminder of lumbering times. Only an occasional road to the streams, relics of lumbering trails. And nowhere was there even a single "keep-out" sign. When I first saw this property in 1932 I was sure that God must have saved it that way for a purpose.

After extensive efforts we had reasonable assurance that the White Co. lands in the upper reaches of the valley could be secured, likewise isolated small parcels not within the two solid blocks previously mentioned. To accomplish the goal of preserving the valley we had then ONLY to secure the extensive holdings of the East Jordan Lumber Co., and to find the funds necessary to purchase the respective holdings.

We could obtain only short-time options. These expired several times for lack of funds, and I repeatedly begged for their renewal, always in the hope that some way would be found or a miracle happen toward placing this valuable property in the hands of the state for protection as a true conservation heritage, on Leave-It-Alone basis, to forever protect the pure spring-fed water and the adjacent wilderness surroundings.

Negotiations were undertaken with agencies in Washington, without success. The state had no funds, nor the formula for such a project. We faced the problem of raising the funds by popular subscription with which to purchase the lands and then place them with the state for protectinn as a trustee.

Then a miracle did come. The Federal goverment undertook to establish the Manistee National Forest, and I made trips to their offices and conferred with their officials and eventually the government bought the valley lands for us, and gave the title to the state in exchange for lands the state owned by reason of tax-delinquency in National Forest areas. This is how the Jordan Valley was saved for public enjoyment in the long future. The state later made further purchases, and the area now consists of about twenty-two thousand acres: A solid block, no isolated parcels for cottages, or other" developments".

To acquire the East Jordan Lumber Co. lands I negotiated with Mr. W. P. Porter personally. I pictured to him the proposed Jordan forest as a shield necessary to protect the river.

I promised to Mr. Porter that no more timber cutting would be done; that trees would grow and die according to nature's prescription. That wildlife would continue to have a home.

I promised that no roads would be built through the forest, that the old logging trails would remain as they were without becoming highways.

I promised that if we acquired the lands, there would forever be no construction of buildings, cottages, etc., within the Jordan forest, or on the river.

I discussed thoroughly and received agreement that the area would be open to hunting and fishing only under regulations of the Department of Conservation, and that care would be taken that wildlife be not exterminated.

I gave assurance that the Department of Conservation could be trusted, and that special reservations in the deeds were not needed. The subject was discussed.

These promises and pledges were made in good faith, and they gave true reflection of what was in my mind and heart that motivated the effort. I would gladly make those same promises today for the same reasons. As difficult as it has already become, I shall, with God's help, continue in the effort to remain worthy of the trust that was placed in the promises and our conservation goals. No man with a sense of honor can do less.

The efforts were with full knowledge and kindly encouragement from key personnel of the Conservation Department with whom I enjoyed friendly acquaintanceship. I hold in my files, with appreciation, a letter written by the late Fred Struhsaker, chief of the Lands Division, men Club and me for an outstanding public service in connection with the Jordan project. thanking the Jordan River Sports-

It costs nothing to leave the Jordan Valley alone as planned. Its values are deeper and even greater than can be measured by the dollar standard. Its richness will increase each passing year as human needs expand. Any threat of injury or destruction has aroused thousands of good people toward its protection, not only all over Michigan but also adjoining states. Does this not generate pride and appreciation that such an asset exists at our front door? Will you not join us to help defend and protect it?

Home Extension Club Sets Date for St. Patrick Party

The Charlevoix County Home Extension Clubs will hold their annual St. Patrick's Day party at the Church of God Education Building in Charlevoix on Friday, March 17.

Joanne Carpenter of Boyne City will show slides and talk about her trip to Europe last summer. Mrs. Carpenter, her daughter and son-in-law visited ten countries in a small foreign station wagon. Her lively report of European living will be of interest to all.

Another feature of this year's St. Patrick's party will be a fashionshow. All ladies who made skirts, jackets or suits at the winter workshops in Extension will model them. Mrs. Brown says that the teacher is going to have to hustle to catch up with the class by Friday!

A pot luck lunch will start at 12:30. Coffee will be furnished. Club members are asked to bring their own table service and a dish to pass.

Legionaires Honor Col. Charles J. Gray

The Lower 11th District of the American Legion held its regular quarterly meeting in Ellsworth Saturday. The event honored Col. Charles J. Gray, U. S. Army (Ret) of Petoskey who has been active in Legion affairs since the organizations inception.

Attending from Charlevoix were Fred Tyler, James Earl, F. R. Bulow, Vern Jones, Harry Stewart, and Clifton Sundberg of the local American Legion and Mrs. John Johnson, Mrs. Martin Pedersen, Mrs. Mary E. Howe, Mrs. Luther Hannah, Mrs. Edgar Smith and Mrs. Leo Allard.

A testimonial dinner honoring Dr. Gray was a highlight of the observance.

Community Affairs Discussed at Joint Meet of Study Clubs

A symposium on community affairs was the subject of a program at a joint meeting of the Shakespeare and Dickens Study Clubs held Monday at the City Hall. Mrs. Charles A. Duerr, president of the host Dickens Study Club, welcomed the guests and introduced the speakers.

Appearing first on the informative program was George Hutchinson, supervisor of the Bureau of Social Aid, who explained the agency's services. He was followed by L. R. Hooper, Child Welfare worker for Charlevoix and Emmet counties, who outlined his work. City Superintendent James Taylor then introduced F. L. VonVoightlander, of Cummins & Barnard Inc. of Ann Arbor, the company which is currently making a survey of the city's municipally-owned and operated electrical system. Gen. George Ely, Charlevoix county Civil Defense Director, speaking on Civil Defense in the county, concluded the program. All spoke briefly and then answered questions relating to their respective organizations.

Church Group to Have Family Party

" Sure and it's to a family party yore being invited to celebrate St. Patrick's Day" is the invitation being issued by the members of Christ Episcopal church for a family party at the Charlevoix Rod and Gun club at 7:30 p. m. Friday.

Games, dancing, refreshments and door prizes will be features of the party to which the public is invited to join with members of Christ church in celebrating the day set aside for the Irish.

To this formal declaration, George Washington added the familiar ending. "So help me God," the National Geographic Society says.

Bible Baptists to Hold Youth Rally

A youth rally to be held at the Charlevoix high school auditorium at 7:30 p. m. Saturday is expected to attract youth and adults from at least 20 churches of different affiliations throughout Northern Michigan according to Rev. James Lugibihl, pastor of the host church, the Bible Baptist church.

The Rev. William Richards of Reed City where he is pastor of the First Baptist church will be the guest speaker at the rally. Rev. Richards is widely known as a colorful youth minister.

The rally will also feature solo vocalists and instrumentalists as well as group presentations by cooperating churches and congregational singing led by the Rev. Paul Bone of the Eastport Baptist church. Mrs. Klaus Anderson will be the accompanist.

A get-acquainted period will open the rally which will be closed with a social hour and refreshments.

All youth in the junior high age group and older are invited to the rally.

New Telephone Book to List 2,900 Local Phones

Charlevoix residents, whose names appear in the 1961 telephone directory, will find their names printed more times this year than ever before, announced C. Lester Johnson, manager here for Michigan Bell Telephone Company.

"If one of our customers took the time to count, he'd find that his name appears 2,900 times, because that is the number of Charlevoix telephone directories which were printed this year," Johnson said.

Michigan Bell will begin distribution of the Charlevoix directory Friday, Mar. 31, and as the new one is delivered to the homes and business establishments, the old one should be discarded, Johnson said.

He also suggested that personal lists of frequently-called numbers be transferred to the new book, and emergency numbesr be entered in the special spaces provided for them in the front of the book.

He added that the local directory also contains separate listings for Boyne City, East Jordan, and Petoskey.

Modern Medication has reduced the mortality rate of eight major infectious diseases — pneumonia, whooping cough, poliomyelitis, tuberculosis, measles, strp. throat, diphtheria, and influenza—by an estimated 56% in the last ten years.

In the last fifty years, better medical care and newer drugs have produced an increase of about 25 years in the human life expectancy.

Health progress has meant greater national prosperity. The National Health Education Committee has stated that, as a result of the decline in mortality rates since 1937, the United States Treasury has gained more than one billion dollars in taxes, and almost six billion dollars were added to the national income.

In 1930, approximately 6,500,000 people were over the age of 65. In 1958 this figure has risen to about 15,000,000. Because of better medical care, the people of the United States are living longer and producing greater quantities of consumer goods than ever before.

Mrs. Sarah Crist Dies In Hayes Township

Mrs. Sarah Crist, 91, pioneer resident of the Higgins Lake area, died Friday at the Hayes township home of her son and daughter-in-law, Mr. and Mrs. Peter B. Crist, with whom she had made her home for several years.

Funeral services were held Monday at the Steuernol Funeral Home in Roscommon with the Rev. Carl Ferguson officiating. Burial was in a Higgins Lake cemetery.

Born at Batavia, N. Y., Nov 22, 1869, the former Sarah Stone came to Saginaw valley area as a small child. On May 20, 1889, she was married to Peter Crist at Saginaw. They always made their home in the Higgins Lake area. She later lived in Roscommon where she was a member of the V.F.W. Auxiliary No. 4159 and the Rebekah lodge. Her husband, a Spanish American War veteran, preceded her in death April 5, 1951.

Surviving are two sons, Peter B. of Charlevoix and Robert of Grayling; seven grandchildren; 21 great-grandchildren and five great-great-grandchildren.

Rites Held Monday For Mrs. H. G. Clarke

Mrs. H. G. Clarke, 83, mother of Mrs. Catherina C. Bergeon, died Thursday at a Traverse City hospital following a long illness.

Funeral services were held Monday at the Winchester Funeral Home with the Rev. Robert J. Yonkman officiating. Burial was in Brookside cemetery.

Born in Springfield, Mass., May 23, 1877, the former Fannie Taylor was married to Mr. Clarke at Springfield in 1900. They made their home there and in Newport, Vt., and Chicago before coming here in the mid-1940's. Mr. Clarke preceded her in death in 1948. She was a member of Christ Episcopal church.

Surviving are her daughter, Mrs. Bergeon, former local resident who now lives in Ann Arbor; a son, Gilson, who is stationed at Honolulu, Hawaii, with the U.S. Army; five grandchildren and three great-grandchildren.

A taxpayer is one who does not have to pass a civil service exam in order to work for the government.

Garden Club Hears Lesson on Birds

"Strictly for the Birds", a discussion on birds which frequent her bird feeder, was the subject of the lesson given by Mrs. Harley Ochs before the members of the Garden club meeting at her home recently.

She illustrated her talk with pictures of the birds. During the meeting a flock of purple finches visited the feeder station.

The roll call listed shrubs enjoyed by the birds.

Hold Open House At M. E. Parsonage

An openhouse at the First Methodist church parsonage hosted by the Rev. and Mrs. Raymond McBratnie was attended by more than eighty friends Wednesday evening.

The occasion also marked the birthday anniversary of Rev. McBratnie who was surprised with a lovely birthday cake made by Mrs. Nathan Smith of the Greensky Methodist church.

The birthday cake was made in a square centered with lighted white tapers entwined with daffodils and ivy.

Mrs. Lyla Arvilla and Mrs. Harold Totten presided at the refreshment table. The Susanna Wesley circle was in charge of arrangements.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our relatives, neighbors and friends for the kindness and sympathy shown us in the recent death of our dear husband and father. Also the Church of God missionary society and pastor George Majors for his comforting words. To all those who helped in many kind ways.

SORRY

The March 9 issue of the Charlevoix Courier erroneously stated that the local rereserves had ended the season with a 12 win-two loss record in league play while losing twice to the Petoskey Reserves.

The Rayders defeated the Petoskey Reserves 50 to 41 on Dec. 30 and lost to the same outfit 38 to 32 on Feb. 21 thus earning a 13 to 3 overall record for the season.

LANSING OBSERVER

By FRANK G. MORRIS

Listening to Detroit election officials testify in Lansing last week that a cleanup is needed in the voter registration system in that city, I was reminded of young Mary Jo and her disillusioning experience as a Republican challenger in the last election.

Mary Jo is sweet and charming and not far above college age, and she is a dedicated Republican. She is the daughter of a prominent Port Huron attorney, and she was a secretary for an important Detroit public relations firm. Having been overseas for a couple of years for the State Department, she really was not as naive as she sometimes appeared.

But Mary Jo had been taught that the ballot is sacred and that election laws were written to be observed.

She sure raised a lot of hell in Detroit last election day when she discovered she had been misled. At one point during her adventurous day she was surrounded by emissaries from the UAW, the Democratic Party and the City Election Commission. Everyone was saying:

"Shush, Mary Jo."

But she couldn't understand why police whistles weren't penetrating the city; why grand juries weren't being called; why prosecutors weren't issuing warrants left and right.

For Mary Jo had discovered the election was not strictly following the rules.

Being dedicated to a cause, Mary Jo joined the Young Republicans when she arrived in Detroit. She was the willing kind of young voter who attended all meetings, organized rummage sales to raise funds and toured her neighborhood in an attempt to convert Democrats to a better way of life as she saw it.

For many years, the Republican Party has been missing a bet by not sending challengers to the east side precincts where Republicans are almost as scarce as American flags in the Kremlin.

But there are 1,742 precincts in Wayne County. Enlisting even a couple of hundred volunteers has been difficult. So the Wayne County Republican Committee turned for aid last November to the Young Republicans.

And Mary Jo, of course, was as willing as ever to serve.

By some twist of fate this consciencious, dedicated young woman was assigned to an east side precinct in the 1st Congressional District where a Republican challenger had not been seen since 1928.

Although Democratic election veterans were surprised by her arrival shortly before 7 a. m. at the polling place, they quickly regained poise when they discovered that Mary Jo. was acting as a GOP challenger for the first time.

"Until the poll opened, everyone was polite and gentlemanly," Mary Jo said afterward.

Mary Jo soon discovered the practice of the allegedly "bi-partisan" election board was to ask each voter whether he or she knew how to operate the voting machine. Invariably, the voter said instruction was needed.

"Those Democrats would take the voter into the machine, close the curtain and show the citizen how to vote," explained pop-eyed Mary Jo next day.

Well, she blew the whistle. She screamed so loudly and often, she finally reached the ears of Detroit Election Director Louis Urban, an honest and dedicated official. He sent a couple of investigators.

The rule was established in that precinct that the election board members could not close the curtain before explaining the intricacies of the voting machine to the citizen.

But when the precinct board began letting improperly registered citizens use the machine, Mary Jo started an earthquake. In the end, the Democrats and the UAW and the Election Commission had investigators in on the scene.

"Only 18 men and women told the board they did not need instruction to use the voting machine." said Mary Jo. "That night there were exactly 18 Republican voies—and 234 for the Democrats.

In the new instructions to challengers for the April election, Rule 3 says in bold type:

"Use the eyes only, not the bands."

The admonition is repeated in Rule 6. And Rule 11 says:

"Make a note, not a scene."

As Urban testified about a third of the voters in one Detroit area not being properly registered when they cast ballots, I wondered whether Mary Jo was responsible for the new instructions to challengers.

Michigan Mirror

By ELMER E. WHITE

"The only answer to unemployment is more jobs," a legislative leader said not too long ago.

This observation, which may seem perfectly obvious to some and downright superfluous to others, may in reality contain more truth than fiction.

The Michigan economy has been studied, prodded, poked, diagnosed, examined and analyzed by almost anyone who could find an excuse to do so.

The results of these investigations, in a nutshell, are that Michigan needs more jobs.

Recommendations, most of them intricate and detailed, and having to do with industry incentive taxes, needs, advantages and sites, have been made.

Now comes a legislative committee to study the studies. It hopes to analyze the analyses and come up with the best of the lot, then translate it into specific legislative action to improve the state's much-maligned economic climate.

This, perhaps, is what Michigan needs most. That is, less talk and a program of action.

The latest study, proposed by freshman Rep. Gilbert Bursley, R-Ann Arbor, if it comes up with the needed action, could put the state on the road it seeks.

Other studies have laid out for all to see what is wrong and what is right in Michigan. It is in the hands of lawmakers to lay out a program of action to correct the wrongs and take advantage of the rights in the complicated economic situation.

* * *

Just how much does the weather influence driving?

More specifically, does good weather cause bad driving, and vice versa?

Obviously, more cars are on the road when the sun is shining and many of them are going faster because of dry pavement. Is it possible, however, that good weather can cause a frame of mind that will lead to violations of the reckless driving variety?

Secretary of State James M. Hare thinks people's driving often gets worse as the weather gets better.

* * *

He says conviction abstracts, which are sent to his office for each offense chargeable under the state's point-system law of determining when to take away a driver's license, showed a decline early this year that would reflect periods of bad weather during the winter.

If this indicated "better driving" in bad weather, it contradicts the statistics on traffic deaths. These usually follow a different pattern. Deaths are high during the winter months when there are more hours of darkness.

* * *

Hare says that as the snow and ice disappear, spring time friskiness infects too many drivers, causing them to take chances they normally wouldn't, and consequently receiving a violation.

Still unexplained, however, are the periods of atrocious traffic records and the periods of very safe driving by Michigan motorists which occur without rhyme or reason throughout the year.

* * *

Colorful Fall Festivals in Michigan, the well-known county fairs, can get money from the state department of Agriculture for putting on their show if they qualify under a rule recently established.

Matching funds up to $2,500 from the state to any one fair are available annually, the department has announced.

The new system works this way:

* * *

Duly authorized officials of the fair have to contact the director of agriculture requesting that the matching funds be furnished. After the preliminary approval is given, the fair organizers must furnish any additional information that the director of agriculture might ask for.

Then, the authorized work must be completed as quickly as possible after the final approval is handed down.

Only "new constructions, remodeling, maintaining, repairing and I or other wise making fair buildings more suitable for fair purposes, and I or making race tracks more suitable for racing at said fairs," would be eligible for the state assistance.

* * *

The money would be paid only after the director of agriculture or his representative has inspected the new construction and found it suitable for the matching fund program.

Then half of the cost would be turned over not to exceed the $2,500 limitation from state coffers.

* * *

Aim of the whole program is to give the county fairs a badly needed shot in the arm. Many of the buildings have become run down through disuse except for the fall fairs, and the department of agriculture believes that these traditional shows should continue in Michigan because of their numerous advantages to the rural communities.

STRENGTH FOR THESE DAYS

from The Bible

Jesus came and stood in the midst, and saith unto them, Peace be unto you.

—(John 20:13:20).

We come to life at Easter, for the resurrection Spirit is in us. We love the account of the triumphant overcoming of Jesus Christ, because it is our story, too. Easter reassures us: "Man was not meant to die. You were not meant to die."

These gloved hands are placing sensitized film on a radioactive piston. This produces a "radio autograph," from which Shell can study the effect of deposits on top performance.

BULLETIN:

Super Shell with 9 ingredients now contains 1 quick-start component; 1 fast warm-up ingredient; 1 mileage booster; 1 anti-knock mix; 2 octane boosters; 1 gum preventive; 1 anti-icer and new improved TCP—to give your car top performance

Read the facts about today's Super Shell. You'll learn why each of its *nine* ingredients is essential if you want top performance from today's engines.

ENGINES TODAY are much more finicky than they were even a decade ago. That's why your car *needs* all of the ingredients in today's Super Shell.

Test drivers, noted for conservative statements, call many recent engines "critical." In fact, some say that you may not know how good your car's engine really is, simply because it is running below peak efficiency. Today's Super Shell is designed to help correct this state of affairs.

Read on to learn exactly how Super Shell helps every car deliver its *top performance.*

1. The quick-start component in Super Shell is so volatile it's kept underground.

The Butane in Super Shell is like the priming charge in a shotgun shell. Its quick-firing volatility is what gets you started fast on cold days. Butane, in fact, vaporizes so easily that it is kept under pressure—22 million gallons of it—400 feet underground! Because of Butane, your car can start in a hurry. You save your battery. You don't waste gasoline by pumping raw fuel through your engine before it catches.

2. The fast warm-up ingredient in Super Shell acts like kindling for a fire.

The fast warm-up you get with Super Shell comes from its Pentane mix. Pentanes are "kindling" molecules—split from heavier hydrocarbons.

They release their energy quickly, giving you top cold-weather performance in a hurry.

3. The mileage booster in Super Shell owes its energy to carloads of platinum catalyst.

Shell uses eight million dollars' worth of platinum catalyst to produce Platformate, the extra-energy, extra-mileage ingredient in today's Super Shell.

The platinum catalyst, which gives the Platformate its name, helps re-form petroleum into super-energy components—such as benzene, xylene, toluene.

These three alone release 11 per cent more energy per gallon than the best 100-octane aviation gasoline.

The super-energy of Platformate is teamed with the eight other ingredients in Super Shell, where it gives you that welcome extra mileage.

4. The anti-knock mix in Super Shell is so effective that one teaspoonful treats a gallon.

To detect the slightest trace of knock, Shell scientists depend on an astonishing set of instruments. This registers the faintest knocks on a delicate picture tube, and then photographs it with a high-speed camera.

Such data help Shell research men to prescribe an anti-knock mix so effective that one teaspoonful per gallon of gasoline can boost the octane rating 5 full points.

5. & 6. Both octane boosters in Super Shell have a story. One is linked with Jimmy Doolittle. The other comes from heating petroleum to 900 degrees.

Jimmy Doolittle helped pioneer the first of these high-octane ingredients for Shell aviation fuel. It is called Alkylate.

Alkylate—which took the dream of 100-octane gasoline out of the lab and put it into the sky—is now in Super Shell. It controls knocking in hot engines at high speeds far better than anything else yet available.

The second octane-boosting ingredient is "cat-cracked" gasoline for power with a purr. This is petroleum that has actually been cracked under 900-degree heat and catalytic action

The result is a super-octane ingredient that asserts its authority the moment you put your foot down.

7. The anti-gum ingredient in Super Shell uses a chemical "policeman" to guard against gum-fouled carburetors.

Even the purest gasoline can form gum when stored. This gum clogs carburetors and fouls automatic chokes. But, with Super Shell, you needn't worry. A special gum preventive does the trick.

It acts like a policeman controlling a mob. Regulates unstable elements to help keep them from clotting. Hence no gum problem.

8. The anti-icer in Super Shell takes care of the most mysterious stalls of all.

Super Shell's formula is adjusted as often as eight times a year to beat the weather. For example, whenever the temperature is likely to drop below forty-five degrees, an anti-icer is added.

Why add anti-icer at forty-five degrees? Because, even at that temperature, frost can form in your carburetor just as it does in your refrigerator. It can choke your engine dead.

Super Shell's anti-icer tackles the problem by discouraging ice from sticking to metal parts. Result: you can forget about carburetor icing problems.

9. TCP in Super Shell increases power, mileage and plug life.

In 1953, Shell first introduced TCP*—a revolutionary additive that neutralized certain harmful effects of combustion deposits.

Today, Shell has developed a new improved TCP, *cresyl-diphenyl-phosphate.*

TCP can give your car as much as 15 per cent more power and up to 17 extra miles per tankful. It can also make spark plugs last up to twice as long.

Ponder these statistics. They can have a refreshing effect on your car bills.

Test Super Shell for yourself

Try today's Super Shell. You'll soon *feel* and *hear* a difference in the way your engine runs. That difference is *top performance.*

Shell's Butane Storage Cavern at Wood River, Illinois. Some 230,000 tons of rock were removed through a pipe only 42 inches wide. This tiny entrance posed quite a problem when getting a bulldozer down. Shell's solution? Cut the 'dozer up and weld it together again down below.

Charlevoix Rayders Capture District Class C Title

District Champs Defeat Boyne City 38 to 31

The Charlevoix Rayders, coached by Don Carey, captured the 1961 District Class C title at Petoskey Saturday night after defeating the favored Boyne City Ramblers 38 to 31.

The defending district champions were the underdogs going into the game with the Ramblers who had defeated them twice in League play during the regular season.

But it was a determined quintet of youngsters who overcame seemingly unsurmountable odds including Boyne City's 10 point lead to retain the title that many thought was lost when the Rayders trailed 12 to 9 at the quarter and 20 to 13 at halftime. With a total of 12 personal fouls at halftime it looked like a lost cause for Charlevoix but the Rayders came back in the second half to play cautious ball and their efforts paid off as they trimmed the Ramblers lead to 27 to 26 at the three-quarter mark after overcoming a 10-point deficit. In the final period the collness of the young squad kept them in the game all the way for the victory.

In the first period Sam Supernaw scored a field goal and one free throw and Jim Dennis, John Pearl and Henry Wagner had one field goal apiece as the Rayders trailed 12 to 9 after the Ramblers had hit on six field goals and one free throw.

The Rayders' scoring in the second period was confined to field goals by Dennis aand Stan Martin as they trailed by seven points, 20 to 13 at halftime. Boyne City had tallied eight points on two field goals and four free throws.

At this point Supernaw had four personal fouls and Dennis and Martin three each.

As the game went into the second half, Boyne City went ahead 23 to 13 before Martin scored a field goal and hit on two free throws to cut the Ramblers lead to six points. Boyne City again scored but Dennis came through with a shot from outside and George Majors hit on two from the key while holding Boyne City to one field goal to make the score 27 to 23. As time ran out in the period Supernaw scored a field goal and Martin added a free throw, his third of the period, to trim the Ramblers lead to one point, 27 to 26.

With 40 seconds of the final period gone, Martin hit on the first of two free throws to knot the score for the first time and with 1:50 gone in the period stepped to the free throw line and put the Rayders ahead for the first time 29 to 27. The lead, however, was short-lived as the Ramblers added three points to go ahead 30 to 29.

At this point, Supernaw countered with a field goal and Martin added two from the free throw line to put the Rayders ahead 33 to 30. In the scramble for the ball that followed, Supernaw fouled out of the game with three minutes remaining.

With two minutes left, Martin hit on the first of two free throws to give Charlevoix a four-point lead but Boyne City added a free throw to cut the advantage to three points 34 to 31.

With 1:02 remaining Gary Spencer went in for a lay up shot. As time ran out the Rayders managed to control the ball and with less than 10 seconds left Martin hit on two more from the free throw line to make the score 38 to 31 at the final gun.

Boyne City was held to 11 points in the last half including four points in the final period.

The team effort which had brought the Rayders their 17th district title since 1928 resulted in 13 field goals, 12 of 22 free throws, 11 of which were scored by Martin. Boyne City had 11 field goals and nine free throws in 22 tries.

Martin was high point man for the game with 15 points. He was followed by Supernaw with seven; Dennis six; Majors, four; John Pearl, Wagner and Spencer two each. Don Nowland was the only other Rayder to see action.

Jack Dixon had 11 points for the Ramblers followed by Doug Grubbe with seven.

The victory, truly a team effort in every sense of the word and poise when it was needed most, advanced the Rayders to the Regional Class C tourney, also being played at Petoskey.

Charlevoix and Boyne City advanced to the District Class C finals at Petoskey after defeating Pellston and Harbor Springs in the semi-finals Thursday night

The Rayders dumped Pellston 69 to 42 while Boyne City edged Harbor Springs 44 to 42.

In their game with the Hornets the Rayders romped to a 17 to 11 first period lead, increased their advantage to 32 to 23 at halftime and 49 to 31 going into the final period.

Sam Supernaw tallied 24 points for the Rayders followed by Jim Dennis with 15, Stan Martin with nine, John Pearl, eight, Perry Smith, five, George Majors, four, Terry DeYoung and Danny Pearl, two each. Others who saw action were Henry Wagner, Gary Spencer, Don Nowland, Tom Martin, Barry Pierce, Tony Duerr and Lee Wielenga.

Clyde McMichaels had nine, Merle Cameron, eight, Rick Anderson and Denny Steele, seven each for Pellston.

Charlevoix had a total of 28 field goals, 13 of 22 free throws and 19 personal fouls. The Hornets had 14 field goals, 14 of 28 free throws while collecting 16 personal fouls.

Boyne City defeated Harbor Springs from the free throw line to advance to the finals.

The Rams, paced by Paul Ranney, a sophomore, with 11 points and Gary Stutzman with 10 points, scored a total of 16 field goals to 13 for the Ramblers. The later, however, capitalized on their trips to the free throw line to score on 18 in 28 attempts for the victory margin. The Ramblers had 16 personal fouls compared to 20 for the Hornets who connected on only 10 of 24 free throws attempts.

Harbor Springs went ahead early in the game to lead the Ramblers 10 to 8 at the quarter. However, Boyne City outscored the Rams 13 to 5 in the second period to go ahead 21 to 15 at halftime.

As the game went into the second half, the Rams regained their stride and lead 31 to 28 going into the final period when a seesaw battle developed with the score tied and one or the other teams leading until the final three minutes when the Ramblers went into a stall, forcing the Rams to foul as they battled for possession of the ball. Repeated trips to the free throw line resulted in victory for the Ramblers.

Doug Grubbe had 15 points including six free throws in the final period to lead the Ramblers scoring attack. Jack Dixon had 14; Tom Kujawski, eight; Terry Newville, four and Glen Tatham three points for Boyne City.

The Rams lost Frank Lauer midway in the final period via the foul route after he had been benched a good part of the first half after collecting his fourth personal foul. Fran Lauer had six points each, Tom Graham, five, Don Van Avery and Jay VanHoven, two each.

Charlevoix defeated Cheboygan Catholic 74 to 52 Tuesday night to win a position in the semi-finals Thursday night.

Tourney Athletes to Conclude Hi School Basketball Career

Thirty-nine young high school athletes will conclude their high school basketball careers during the basketball tourneys now being played.

Listed among the players who will graduate in June are two regulars and five other members of the Charlevoix Rayders who have given the team much needed bench strength all season.

The regulars are Sam Supernaw, forward and center plus top scorer and Jim Dennis, forward, who has been an important cog in the Rayder offense. Others who have added much to the Rayders successes are Don Nowland, Tom Martin, Perry Smith, Terry DeYoung and Lee Wielenga.

At East Jordan six seniors are listed including Louis Kraemer, top scorer for the squad, Pete Knudsen, Duane Raymond, John Neumann and Bill Sherman who played regularly and Doug Hayden, a regular substitute.

Mancelona will lose four of their starting five including their top scorers, Walt Klein and Denny LeCroix, both guards, and starting forwards Larry Bengtson and Tom Moeke plus Terry Webster and Bill Sanders who have been regular substitutes all season.

Boyne City forwards Jack Dixon and Glen Tatham and center Art Kujawski will be lost to next year's squad. The latter is a junior who will be inelegible because of his age. Louis Gray, a regular substitute, will also graduate.

Frank Gross, top scorer in the loop, and Joe Robertson and Jim Sorenson, starting guards, are among the seniors at Grayling.

Dave Dresback and John Johnston, both regulars, and Fred Moore, Virgil Koronka and Pete Burd are the only senior members of the Gaylord squad.

There are only two seniors among the starters at Harbor Springs, Fran Lauer and Tom Graham, plus regular substitutes, Pat Proctor and Tom Cassidy.

Pellston will lose only one player from its starting five, Denny Steele. Other seniors on the squad are Gary Judson, Dan Boda and Jim Winegarden.

Sam Supernaw Rated With Top League Scorers

Sam Supernaw, Charlevoix senior forward and center, was among the top scorers in the Northern Michigan Class C league during the 1960-61 basketball season which drew to a close last week.

Supernaw scored a total of 255 points in 14 loop games including 126 during the first half of the season and 129 during the final seven games for an average of 18 plus points per game. In addition he scored 29 points against Petoskey in December and 34 in the return game here last month.

A senior and mainstay of the Rayder squad, Supernaw scored 24 points less than the top scorer, Frank Gross of Grayling who had 150 during the first half of the season and 129 during the final games for a total of 279 for the season or an average of just under 20 points per game.

Walt Klein of Mancelona, another senior, had 270 for the season including 147 during the first half and 123 the last half. He also had the distinction of having scored the most points in a loop game, 30 against Grayling.

Close on Supernaw's heels in the scoring department was Louis Kraemer of East Jordan with 253 including 141 for the early games and 111 for the last seven games.

Fifth among the scorers was a Harbor Springs junior, Gary Stutzman, a scoring guard with a total of 204 for the season including 110 during the final seven games.

Others among the top ten are Jack Dixon of Boyne City, 192; Merle Cameron, Pellston junior, 190; Denny LeCroix of Mancelona who shared scoring honors with Klein, 188; Tim Neal, Grayling sophomore and team-mate of the top scorer, with 166 in 13 games and Glen Tatham of Boyne City with 157 points.

Among the next five are John Pearl, Charlevoix sophomore, with 146; Frank Lauer, Harbor Springs junior, 141 in 13 games; Duane Raymond of East Jordan, 125; Stan Martin, Charlevoix Junior, 123; Tom Moeke of Mancelona, 122.

Others who scored 100 points or more were Pete Knudsen of East Jordan, 118; Dave Dresback of Gaylord, 103; Larry Simpson, Gaylord junior, 101. Rayder Jim Dennis tallied 98 points in 13 games.

All are seniors unless listed otherwise.

Bestow Service Award to Kiwanis International

Kiwanis International has won its tenth top award in the annual Freedoms Foundation citizenship contest, according to Edward K. Shanahan, president of the Kiwanis Club of Charlevoix. The honor, specified as the Distinguished Service Award, came to Kiwanis on Feb. 22. It was presented at the annual Freedoms Foundation award ceremony at Valley Forge.

Commenting on the award, Mr. Shanahan said, "The Freedoms Foundation award has long enjoyed the same stature in the community service field as the 'Oscar' in the motion picture field, and the 'Emmy' in the television field.

About 1,200 Kiwanis clubs in the United States and Canada are operating what is known as citizenship quotient programs and several other organizations of other types, including manufacturers, trade associations, other service organizations, etc., have also started the so-called CQ program.

To Play Second Annual Boy Scout Leaders B. B. Game

Something new in the way of basketball will be in store for fans attending the second annual Boy Scout-Leaders game scheduled for Friday night.

Last spring this event was one of the highlights of the 'fun' season and promises to be equally as good this year.

The preliminary game will feature two Cub Scout teams coached by the Webelo Leaders, Earl Holborn and Harvey Hamilton.

The feature game will find the Boy Scouts clashing with the adult leaders, members of the Boy Scout committee and other recruits. Among them will be Scoutmaster Louis Edwards, assistant Scoutmaster Dale Meredith, Bud Bergmann, committee chairman, Pete Burns, neighborhood commissioner, Howard Parsel, Institutional representative, Jack Rader, secretary of the Northern district of the Scenic Trails council, Bob Somerville, Sea Scout skipper, Charles Bergmann, merit badge counsellor, Jack Mol, fingerprint counsellor, Frank Oleksy, home improvement counsellor, Harry Ladd and Russell Lewis of the committee, Al Bergmann of the Cub Scout committee, Bob Foss of the Explorer Scout committee, Mr. Holborn, and Bob Neff, an independent.

The Boy Scouts will be coached by Harry Stewart, George Hutchinson and Robert Hooper.

The first game will be played at 8 p. m. followed by the feature game. A small admission charge will be made.

Masons Win Cribbage Tourney

The Masons won the final round of the cribbage contest with the Oddfellows by 271 points to make them champs of the '961 tournament.

High man for the Masons was Abe VerWys. Robert Mitchell was top scorer for the I.O.O.F.

The annual supper staged by the losers will be held Thursday night (to-night) at the K. of P. hall at 8:45 p.m.

SUNDEW REPORT

The Sundew was underway Wednesday morning for Grand Traverse Bay to assist the oil tanker Blue Comet. The Tanker was unable to approach the dock as four inches of blue ice was encountered. On completion of the assistance, we moored at Traverse City for the night.

On Thursday, gale force winds concelled sailing plans for the tanker and we remained at Traverse City with the vessel.

Friday morning we were underway to lead the oil tanker to open water. The winds ot fhe previous day had blown in and badly jammed the ice in the immediate area resulting in about a mile of heavy ice between the dock and open water. Once in open ice, the tanker proceded on its way to Chicago and we headed for Charlevoix. On the way back a stop was made at Mission Point light for the installation of new batteries.

Sundew Scuttlebutt

LCDR Jacob Bursey departed for home Saturday on completion of two weeks training aboard the Sundew . . . Interest in running high in our new bowling league which is currently in full swing. 'Frenchy' Letourneau holds top honors at the moment with a high game of 233 and a high series of 579.

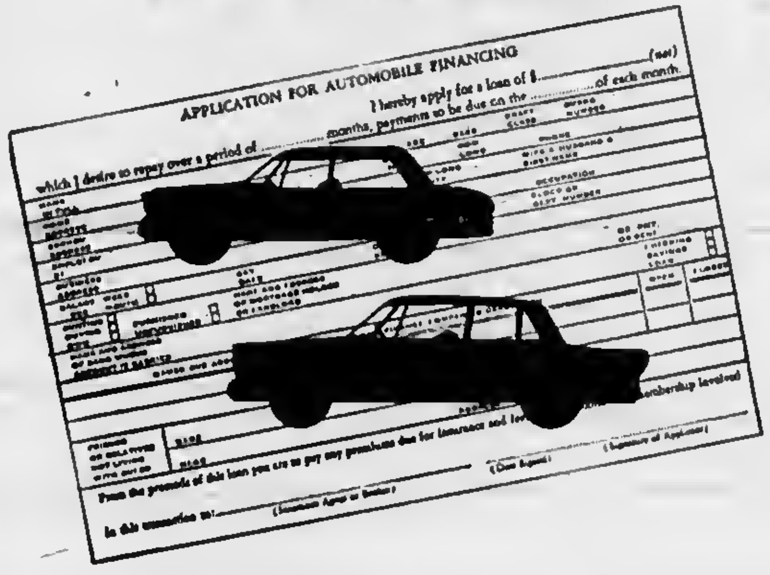
"COMPACT" also describes our BANK AUTO LOANS



In automobiles themselves you get pretty much what you pay for, as a rule. But it's possible to increase that value by careful selection of your financing method.

Our Bank Auto Loan plan gives you an all-cash buying advantage, saves you money on time-payment cost, and stretches the financing over a convenient budget-fitting period.

COMPACT means a lot packed into a little. So does a BANK AUTO LOAN from us: Come in and apply!

Are You In The Insurance Business Without Knowing It?

You probably are—unless you insure through an independent insurance agent.

If you can't answer these important questions about your business insurance, then you need our professional services:

(1) What are your fire and sprinkler leakage coinsurance requirements? (2) Is your burglary coverage subject to a deducible clause . . . or your theft coverage . . . or neither? (3) Which form of fidelity bond is best for you?

If you buy insurance directly from an insurance company, you had better be able to answer these and dozens of other questions. But if you insure through us, you needn't worry. We know the answers. And our services cost you nothing.

You can be sure your business has the right insurance coverage when you insure through an independent insurance agent. Look for this Big "I" Seal when you buy insurance. To display it, we have had to meet professional standards designed to protect you.

Justice Court News

Justiie John Connolly reports the following cases which appeared in his court recently.

Richard Wells, 26, charged with furnishing intoxicating beverage to a minor, was fined $100 and ordered to pay $5.00 court costs. He was ordered to pay an additional $100 fine and an additional $5.00 court costs on a second charge. He also was sentenced to 60 days in the county jail. However, upon payment of the fine and costs the sentence was suspended and he was placed on six months probation. The arrests were made on citizens' complaints. Earlier he had pleaded not guilty to the first charge but changed his plea to guilty on March 7 when the second charge was made against him.

Mrs. Donna Pardee, 20, charged with contributing to the delinquency of a minor, was ordered to pay $5.00 fine and $5.00 costs and sentenced to 30 days in jail. Upon payment of fine and costs the sentence was suspended and she was placed on six months probation. Summons was issued by the Sheriff's Department.

Robert Balch, 10, charged with furnishing alcoholic beverage to a minor, was ordered to pay $100 fine and $5.00 costs and sentenced tn 60 days in the county jail. If fine and costs are not paid he must serve an additional 30 days. Summons was issued by the Sheriff's Department.

Robert Zitka, 25, pleaded nnt guilty to a charge of furnishing alcoholic beverage to a minor. Bond was set at $100. A date will be set later for the justice court trial.

Milton R. Smith, 22, of Traverse City, charged with recklenn driving, was ordered to pay $50 fine and $5.00 costs and senteneed to 10 days in jail. If fine and costs are not paid he must serve an additional 50 days. Summons was issued by the City Police.

Gerald T. Celeskey of Detroit, charged with speeding, was ordered to pay $5.00 fine and $4.30 costs. Summons was issued by the Sheriff's Department.

she loves her doll best of all

You can tell — in loneliness she reaches for her doll. If others rebuke or ignore her, the doll is always a friend.

Who is your best friend? What do you reach for when sorrow or trouble presses hard?

Is it God?

Why would you prefer anything less? If God is ready to stand by, if He is willing to hear your problem and promises aid, why settle for anyone, anything less?

Your problem may be that you're not sure of God. Does He really love you? Will He help? There is a proof so great that there can be no doubt. God gave Himself for you. Jesus Christ, the Son of God, gave up His life for you. If you wonder about it, come to church this Lent and hear God give His own proof of His love.

This is life's most wonderful truth — God loves *you* best of all.

Rayders Matched With Houghton Lake

(Continued from page 1)

made one last effort to take the lead and nearly succeeded as they scored two free throws and a field goal before Pearl hit on a field goal for the Rayders. Two quick buckets by Parsons and Jim Orr cut the Rayders lead to 51 to 50 but Pearl came back with two baskets from the side and Supernaw added two from the free throw line to pull Charlevoix out of danger. Two free throws by Parsons made the score 59-54 but as time ran out Charlevoix added field goals by Majors and Supernaw and two free throws by Dennis to a single point by Erickson as the final horn sounded.

The game was won on the free throw line as Charlevoix scored on 19 of 28 attempts while collecting 16 personal fouls. Frankfort was successful on 11 of 23 attempts and had 19 personal fouls.

Both teams had 22 fields goals.

Supernaw paced the scoring for the victors with 23 points including seven field goals and nine of 13 free throws. He was followed by Dennis with 12 points; Pearl and Martin with 10 points each and Wagner and Majors with four points each. Gary Spencer also played in all four periods.

Johnson, had 19 points Parlson 12 and Parsons 11 for Frankfort.

C. G. Headquarters Announce Plans for New Lifeboat Station

The Ninth Coast Guard District Headquarters in Cleveland have announced plans for a new Coast Guard Lifeboat Station to be constructed here.

Preliminary drawings show a modern, compact structure to replace the present station which was built in various stages between 1909 and 1937.

Bids will be issued in April and construction started as soon as an acceptable bid is received by the Coast Guard.

The announcement describes the new station as one "that will provide sufficient space to combine the Lifeboat Station and the Coast Guard Moorings, now operating in separate locations. There will be adequate berthing facilities to house personnel now manning the two stations. The new station will consolidate rescue facilities at the two existing stations to provide more complete rescue service from one location".

The new station, to be constructed on property already owned by the Coast Guard located on the channel between Round Lake and Lake Charlevoix, will be brick-faced concrete block with glass used proportionately to give that 'big area' look.

Lifeboat Station and Group Charlevoix offices will be located in the area to the right of the architect's drawing with a mess hall-day room combination with folding partition in the center section. A complete galley and related storage area and freezers will be located behind this section. Five rooms for enlisted men's quarters, the chief's quarters and related rooms will be located at the left of the building.

The new Lifeboat Station is part of an estimated $300,000 project which will also include the construction of a new steel and concrete bulkhead (dock) to replace the one now used as a mooring for the U.S. Coast Guard cutter Sundew, berthing areas for patrol boats used by the Lifeboat Station personnel and inprovements on the present mooring station and buoy depot.

Music Department To Sponsor U of M Singers April 8

A rare musical treat is in store for the residents of the Charlevoix area when the Michigan Singers present a concert at the Charlevoix high school auditorium Saturday, April 8, while on their annual spring tour according to C. A. Odmark, head of the local music department in the local school which is sponsoring the organization's appearance here.

The Michigan Singers are a 50 voice mixed choir selected from the 250 voice University of Michigan choir. All members are voice majors in the University Music School and form one of the finest vocal groups in the country today.

Prof. Maynard Klein, who in addition to being head of the University choirs is in charge of the choral department at the National Music Camp at Interlochen, is director of the Michigan Singers.

In making the announcement regarding the concert by the Michigan Singers next month, Mr. Odmark said "I'm excited over the possibility of presenting the Michigan Singers. All of the music directors in this area who have heard them agree that there is none finer. I hope the people of Charlevoix will not only purchase tickets to the concert but will use them".

Basketball Coaches And Squad Honroed

The 1980-61 Charlevoix high school Rayder basketball squad and their coaches, Don Carey and Terry Rice, were honored at a dinner given Monday night by their parents.

A U-shaped table centered with a basketball and pennants bearing the team-members names in an arrangement of white mums formed the setting for the cooperative dinner. The event was held at the Community Church of God Fellowship hall.

Following the dinner they enjoyed a movie made by a local group of 'actors' depicting a local hold-up.

The dinner was planner and served by a committee of mothers composed of Mrs. Keith Wagner, Mrs. Perry Smith, Mrs. Franklin Curtis, Mrs. Bert Pearl and Mrs. Jerry Green

Hold Graveside Services Tuesday For Mrs. Geo. Emery

Graveside services were held Tuesday for Mrs. George R. Emrey, former local resident who died Friday at Daytona Beach, Fla., where she had made her home for several years.

The Rev. Harold E. Kohn officiated at the service at Brookside cemetery.

Funeral services were held Saturday at Daytona Beach.

Born at Ironton in Eveline township, the former Anne Galbriath lived here until her marriage to Mr. Emrey, an engineer on vessels of the Pittsburgh Steamship Co. for 29 years prior to his retirement in 1945. He preceded her in death in October 1053. They had made their home in Charlevoix and Conneaut, Ohio, spending their winters in Florida. Until recent years Mrs. Emrey divided her time between here and Daytona Beach. She was a member of the First Congregational church here and the Charlevoix chapter of the Order of the Eastern Star.

She is survived by one daughter, Mrs. Thomas Finucan of Muskegon and two grand-daughters.

William Golden Joins Jackson Newspaper Staff

He is the son of Mrs. Ada Y. Golden of this city and Edward Golden of Petoskey.

To Hold Annual Sports Banquet At V.F.W. Post Home

Plans for the annual All-Sports banquet honoring Charlevoix high school athletic teams and their coaches were announced this week.

The event will be held at the V.F.W. and members of the for-3 under the sponsorship of the V.F.M. and members of the former mer Knights of Pythias lodge.

Bob Carey, Charlevoix's own All-American football player who now lives in Evanston, Ill., will be the guest speaker. His twin brother, Bill Carey, will be toastmaster.

Charlevoix Rayder football, basketball and track squads and their coaches, Don Carey, S. E. Coleman, Terry Rice and Leonard Burns and Rayder cheerleaders will be guests of honor at the annual event.

Tickets for the banquet may be purchased from William Supernaw, who is heading the planning committee, Dan Geneit, Ken Cellner or Joe Williams.

Christ Drost, 95 Pioneer Resident Succumbed Friday

Christ Drost, 95, a pioneer lumberman and farmer in this area and one of the community's oldest residents, died Friday at the Charlevoix hospital where he had been a patient for two weeks after suffering a fractured hip in a fall.

Funeral services were held Monday at the Winchester Funeral Home with the Rev. Arthur A. Austin officiating. Burial was in Brookside cemetery.

Born in Holland, Michigan, Dec. 25, 1865, Mr. Drost had come to Northern Michigan as a young man and worked in the lumber woods. In 1010 be was married to the former Nellie Brown at Bellaire. They lived there before coming to Marion township in 1906. Mrs. Drost preceded him in death in 1938. In recent yeara he has made his bome with his only daughter, Mrs. Nina Ouderkirk. He attended the Assembly of God church.

Besides his daughter, Mrs. Ouderkirk, he is survived by five sons, George of Alpena, Benjamin, Louis, Cecil and Willard of Charlevoix; 20 grandchildren and 18 great-grandchildren.

Mr. and Mrs. Nicholas Hamilton and family of Traverse City visited Sunday with the former's parents, Mr and Mrs. Ralph S. Hamilton.

Local Churches Will Observe Palm Sunday

Special services in most local churches on Palm Sunday will usher in Holy Week when all local churches will observe the solemn and meaningful days preceding the glorious celebration of Easter, marking the close of the Lenten season.

At Christ Episcopal church, Holy Eucharist and the blessing of the palms at the 8 a.m. service will usher in the obersvance of Palm Sunday.

The pastor, the Rev. Robert J. Yonkman, has selected as his sermon topic at the 11 a.m. service "Along the Way". The Holy Eucharist will also be a part of this service.

On Maunday Thursday there will also be Holy Eucharist and a sermon "The Mandate" at 8 p.m.

Theme of the Good Friday service from 1 to 3 p.m. will be "You Were There". There will also be the litany and evening prayer.

First Methodist Church

The Rev. Raymond McBratnie will speak on the sermon topic "The Reception of the King" at the 11 a.m. worship service on Palm Sunday.

A solo by Donald Bogart entitled "Follow Me", Ira Stamphell, and a special selection, "Soft Were Your Hands, Dear Jesus" by Geoffrey O'Hara sung by a quartet composed of Mrs. Lee Moerland, Mrs. Mark White, Mr. and Mrs. John Kroken will also be features of the service.

Community Church of God

A special Palm Sunday message by the pastor, the Rev. George L. Majors, and choir selections in keeping with the special day will be features of the 11 a.m. worship service at the Community Church of God.

At the 7:30 p.m. service a special Passion film in color entitled "Gates of Glory" will be shown.

Other local churches will devote sermons to the Passion of Our Lord at worship services Sunday.

Funeral Services Held Tuesday for Arthur A. Barnes

Arthur A. Barnea, 78, retired Argo Milling Co. employee, died Friday at Lockwood General Hospital in Petoskey where he had been a patient for three days. He had been in failing health for some time.

Funeral services were held Tuesday at the Winchester Funeral Home with the Rev. Arthur A. Austin officiating. Burial was in Brookside cemetery.

Born at Chestonia Jan. 28, 1883, Mr. Barnes lived tbere and in the East Jordan area before moving to Charlevoix 40 years ago. He was employed at the Argo Milling Co. for 35 years prior to his retirement several years ago. His wife, the former Effie Clark whom he married at East Jordan in 1902, preceded him in death in 1946.

He is survived by five daughters, Mrs. Marie Todd of Flint, Mrs. Vivian Perry of Dania, Fla., Mra. Ethel Brown of Carp Lake, Mra. Erma Dechermeier of Bay Shore and Mrs. Thelma Wallace of Sault Ste. Marie; two sons, Merton of Grand Rapids and Lyle of Lake Orion; 18 grandchildren; 20 great-grandchildren; a half-brother, Irving Defore of Flint; a half-sister, Mrs. Laura Jackson of California.

Churches Plan Good Friday Union Service

The annual Union Good Friday service will be held at the First Baptist church from 1 to 3 p.m. Friday, March 31, under the sponsorship of the Charlevoix Ministerial Association, the Rev. George L. Majors, president of the group, has announced.

Theme of the traditional service in which seven local and area churches will participate is "The Seven Steps to the Cross".

The Rev. Charles A Stoppels of the Barnard Reformed church will speak on the topic of "The Lord's Supper in the Upper Room", the Rev. Raymond McBratnie of the First Methodist church, "Gethsemane"; the Rev. George L. Majors of the Community Church of God, "The Betrayal"; the Rev. William Harmon of the Ironton Congregational church, "Before Pilate"; the Rev. James P. Sherman of the First Congregational church, "The Denial"; the Rev. L. L. Lewis of the host church, the First Baptist church, "On the Way to Galgotha"; and the Rev. Arthur A. Austin of the Assembly of God church, "The Cross".

Special music for the service will include a solo, "O God of Love" by Mrs. Lee Moerland; a solo, "The Glory of His Presence", by Mrs. John Fratrick and a solo by Mrs. Robert Tollas.

There will be appropriate Scripture readings, prayers and hymns during the solemn service to which members of all churches are invited

An offering will be accepted at the close of the service for the work of George P. Dominick, chaplain at the State Hospital in Traverse City.

Globe Trotting Wallace Taber to Show New Films

Our 49th state and the world's greatest outdoor zoo provide settings for adventure seeker Wallace Tabers latest living color attraction to be presented Wednesday evening, April 5, at the Charlevoix high school auditorium. This will be Taber's third visit to Charlevoix with new and exciting films which are presented under the sponsorship of the Charlevoix Rod and Gun club.

The far-traveled former newsman from Colorado combines hunting and fishing at two of the world's extremes— Alaska and Africa— to provide a full evening of entertainment for the whole family in his newsest films, "Caribou Country" and "River Safari".

Bow and Arrow has been added to Taber's equipment, along with rod, rifle and camera, for his latest adventures.

Taber is probably the first to bounce rubber-tipped arrows off a rhino, according to Orlin Cunningbam, president of the Rod and Gun club. He did it to show the ease with which one could hit so tremendous a target, but he admits the folly of the stunt advising that a Weatherby-magnum rifle is more in keeping with the strain. However, the arrows he put into lake trout, grayling, caribou and gazelle were intended to provide food and they were tipped with steel.

Co. Farm Bureau Opposes Con Con

Opposition to the proposed constitutional convention was the attitude of the Charlevoix County Farm Bureau at the director's meeting Mar. 14, according to Fred Willis, secretary. It is the opinion that the proposed convention is not necessary and an enormous waste of money. They consider the present constitution an excellent instrument and point out that it provides definite procedurea for making provisions when they are necessary.

The Farm Bureau is backing up its stand with the distribution of literature and advertising in the Charlevoix Courier and other newspapers in the county.

In other action the directors tabled a proposal that the Farm Bureau sponsor construction of a 4-H livestock exhibition building at Whiting park.

Consumers Offers Complete Study Of City Power System

Representatives of Consumers Power Co.,in a joint meeting with the city council Friday evening, offered to make a complete study of the municipal power system which would be a basis for placing a cash value on the entire system. Upon completion of such a study Consumers Power Co. would be in a position to make a purchase offer for the consideration of the council, according to B. D. Hilty, northern division manager.

Consumers representatives met with the council by invitation culminating from a proposal by Alderman Richard Donaldson at the council meeting of Mar. 13 tbat Consumers Power be invited to make a study of the local power system. Such a study would be made at no cost to the city.

At the meeting Friday evening Mr. Hilty suggested that action be authorized which would lead to consideration of the following:

1 Over the years, the people of Charlevoix have invested in and have established value or equity in the city electric system. Does this investment now return to the people of Charlevoix the greatest value? If the value of the plant and system were invested in suitable bonds would the return to the city be greater than the amount regularly transferred to the general fund?

2 If all the customers of the city system were billed on Consumers Power Company's standard rates, how much would the annual savings be? How would such a reduction affect the present operation of the system?

3 What would the taxes mean to the city and to the school system if the system were owned and operated by Consumers Power Co.?

4 Is it possible to distribute the proper quality and quantity of electricity with the present system? Are improvements needed to reasonably supply tbe necessary volume and pressure of electicity? What would be the cost of improvements if and when they might be required?

5 Would the knowledge and the fact that Consumers Power Co. responds quickly with proper service to growth requirements be of value to the city now and in the future? Would this help permit the expansion of present industrial plants facilities or aid in attracting new industries?

Mr. Hilty pointed out that reliable answers to these questions and others depend upon a thorough analysis and study. From conclusion of the study, the council would be in a knowledgable position to consider a course of action that would return the most value to the city of Charlevoix.

The city is presently having a study of the electric system made by the engineering firm of Cummins & Bernard. It is understood this study will cover the advantage or disadvantages of the city generating its own power as compared to purchasing power. The study also is to include the local rate structure with possible recommendations.

In the discussion which followed Mr. Hilty's suggestions, none of the aldermen voiced an objection to Consumers proposed study. Definite action, however, is likely to be taken at aregular meeting of the council.

In addition to Mr. Hilty, Consumers was represented by Ray Richardson and Gerritt Ellenback.

Boyne City to Host 4-H Achievement

The annual spring achievement day for Charlevoix county 4-H club members will be held at Boyne City Wednesday and Thursday, April 12 and 13, according to Ed Rebman, county extension director.

The event will be held at the Boyne City High school gymnasium.

Duane Patrick, Antrim county 4-H club agent, will judge the boys' entries in the event. Jane Venable, Wexford county home agent, will judge the girls' entries.

The all-day exhibit will be climaxed by the annual dress revue Thursday evening. Winners in the revue as well as in all other catagories will be announced during the evening program.

All exhibits must be in the gymnasium and in place by 8 p. m. Wednerday evening when judging will begin.

Phillips In Race For Supervisor In First Ward

Ivan Phillips, incumbent first ward supervisor, yesterday verified reports that he will be a "sticker" candidate for reelection to the post in the April 3 election. He will oppose E. J. Edwards who won the primary election by two votes.

Mr. Phillip had no further comments to make beyond the fact that he is in the race. He is presently chairman of the board of supervisors and has been the first ward representative for the past six years.

School Musicians To Participate in State Festival

Ten young Charlevoix high school musicians will travel to Jackson Saturday to participate in the State Solo and Ensemble Festival, C. A. Odmark, head of the high school music department, has announced.

These students, all members of the Charlevoix high school band, qualified for state competition by winning first division ratings in the district festival held recently at Gaylord.

The students will participate in five events including a flute-oboe duet, a cornet trio and a brass sextet as well as French Horn and oboe solos.

Making the trip will be Sandra Tuomela, Richard Odmark, Evelyn Peters, Ted Tunison, George Majors, Joan Riley, Robert Odmark, Bruce Kroken, Steven Kroll and Gary Stutzman. Mrs. Leonard Burns will ba the accompanist for all entries except the brass sextet which does not require one.

They will make the trip with Mr. Odmark and the parents of one of the participants.

From the Editor's Desk

The proposed constitutional convention has aroused considerable interest among service clubs in Charlevoix and neighboring cities and Edward K. Shanahan has rather suddenly emerged as a popular speaker on the subject. A week ago he relinquished the president's chair at the Charlevoix Kiwanis club to be the speaker on the program. Since then he has had three more speaking engagements on the subject. He appeared before the Petoskey Lions club Monday evening of this week and the Rotary club of East Jordan Tuesday noon. Next Monday he speaks to the Boyne City Rotary club.

Hugh H. Holloway of Sault Ste. Marie, candidate for the office of State Superintendent of Public Instruction, paid us a visit Monday. I was immediately prompted to ask him about the federal aid to education bill now before congress. In reply he asked me why Michigan citizens should be asked to pay higher tax rate and get back less from the federal government than do other states which pay a lower rate thus enabling those states to attract industry from Michigan. He cited Louisianna as an example where recently tax expemptions fere ordered for new industrial facilities.

"No matter how the bureaucrats try to slice it," he said, "it costs more to educate a child in Michigan than it does in Louisianna, but this isn't taken into consideration at all. Maintenance costs alone in school buildings make a big difference; particularly on fuel bills."

He charges the state administration is not fighting for a better deal for Michigan as it should be. He wants equal treatment for us. I certainly can't disagree.

●

Just learned that Roy Cain, manager of the local branch of the Thompson-Cain Meat Co., is a hockey fan and well he might be: His firm sponsors a team in the Midget Hockey league and last week this team of teenagers won the regional play-offs at Sault Ste. Marie. The goal is to capture the national Midget Hockey championship.

The team had only one defeat in the Detroit Recreation league and won all games on its 14 trips to meet Canadian teams. It's possible the Red Wings will one day have a supply of player material from their own home town.

—†—

City police, the sheriff's department and the Michigan State Police launched a state-wide search Monday evening when a public spirited citizen reported his car had been stolen. While being given a lift home by the city police he remembered—he had driven his wife's car instead of his own and failed to recognize it. What these so-called recessions won't do when a man can't keep track of the cars in his family.

MARCH in MICHIGAN

By Harold E. Kohn

Spring entered the North this week, on Monday at 3:23 P. M. and, as always, without a sound. A spectacular such as springtime should appropriately be opened with nothing less than an earthquake, and would always be if we earthlings could create a world. As it is, 3:23 P. M. can come and go with hardly anyone taking notice.

Soundlessly the great earth tips the north toward the sun: not a creak or a groan is heard from the colossal, hidden machinery. Silently snow drifts disappear as residual snow melts and fills underground reservoirs against the heat and drought of oncoming summer. Barren twigs swell with buds. Pussy willows crawl out of their nurseries. Urgent plants break through the soil. All make their moves with stealth, afraid to disturb a neighbor's sleep.

Now the whitetailed deer quietly troop from the swamp and can be seen in large numbers in the fields. Hibernating animals sleepily emerge from their winter hiding—woodchucks and chipmunks, skunks and bears, snakes, frogs and insects. Damp breezes make motion without a murmur, like children playing "deaf and dumb."

These are tender days, gracious days, days of gentle, silent stirrings—meaningful, hopeful, promising stirrings like the movements of an unborn child. Now Nature demonstrates what she has always sought to teach: life's most important business is its quietest activity.

SOME THINGS TO NOTICE THIS WEEK:

- Look for the red and purple tints appearing in brambles and other shrubs, and for the rosy hues suffusing the maples.
- Watch for the first raccoon to venture from his den, for the first weasel that has changed his whtie winter coat to springtime brown, for the first skunk cabbage to lift its head above patches of lingering snow. While the woods are still naked, watch for the first butterfly, like a flower afloat, drifting about on moist air currents and searching for early flowers.
- One of the wonders of this season is the way the sap rises high not only in trees, but in "teenagers." Now boys who, a few short months ago, claimed to be disinterested in girls will be seen holding hands with fair damsels. Romance buds and blooms everywhere. (I am told that one eager swain, an "early bloomer" no doubt, jumped the gun on spring and asked his girl on a cold February day if she would marry him. The lass replied that she couldn't think of marriage until the boy had saved "at least a thousand dollars." However, spring arrived, and the world was abloom, and when the young man appeared for a Saturday night date she asked him how much money he had saved.

  "Oh, about $35," he replied. "Well," the girl said with a sigh, "that's near enough! "Lets get married")
- Almost any day now you will see farmers and golfers ploughing together.
- Before many days have passed the first thin, fragile, sweet notes of the spring peeper will be heard in the swamps and marshes. This "peeeep, peep, peeeeeep" is one of the oldest, and yet ever-new, sounds in nature, a faintly whispered announcement that the earth has awakened from its winter sleep. Listen for it, and rejoice.

VOTE NO ON CON CON

The Charlevoix County Farm Bureau, in complete agreement with Michigan Farm Bureau, is steadfastly opposed to the calling of a Constitutional Convention at this time. Our reasons are many.

In the first place those who favor Con-Con, those who are the real instigators of this movement, fail to do two things. They fail to identify themselves and they fail to be specific in what they wish to accomplish through a Con-Con.

In the second place their criticisms of the present Constitution are vague, are emotional, and are not factual. They use such terms as "obsolete" "horse and buggy" "ancient" "antiquated" and "wordy". Anyone who will take fifteen minutes to look at our Michigan Constitution will see that none of these terms can accurately be applied to it.

Farm Bureau's stand is that our Constitution is a most useful and important document and that any wholesale changes to it inevitably include the risk of grave damgers to our way of life. Our position is that if there are changes that are believed to be necessary let them be considered, discussed, and voted on as amendments. Let each change stand or fail on its own merits.

MORE NEXT WEEK.

Retired Teachers Hear Discussion On Legislation

Proposed legislation effecting public school employees who retired prior to 1954 when Social Security became effective for Michigan teachers was discussed by Walter MacMillan and H. C. Spitler at a special meeting of tme Great Pines chapter of Michigan Retired Public School Employees Association held Wednesday at the Boyne City home of Mrs. C. G. Cooper.

During the business session at which Mrs. Cooper, the vice president, presided, letters from Edwin Clark, president of the state association, and State Senator Thomas Schweigert were read.

Twenty-one members were present for the business session and refreshments which were served by Boyne City members.

Plans also were made for the April meeting to be held at the home of Miss Frances Durance.

Mr. and Mrs. Lee Moerland and son, Timmy, returned home recently from a vacation trip to Florida. They returned via the Smokey Mountains.

Girl Scout News

"Happy Birthday, dear Brownies Happy Birthday to you!" rang out Thursday afternoon as 75 of Charlevoix's 84 registered Brownie Scouts gathered at the Scout room of the City Hall for their annual birthday party in observance of Girl Scout Week.

Highlight of the party was the birthday cake decorated with a large Brownie.

Mrs James W. Gallagher, president of the Charlevoix Girl Scout Council, wished the girls and their leaders a happy birthday and spoke very briefly on the Scouting program in Charlevoix. Mrs. Chester Belfy led the the girls in group singing.

Two troops, Troop 9 with Mrs. Ray Wood as leader and Troop 7 with Mrs. Shelby Goss as leader had 100 per cent representation.

The party was planned by Mrs. Robert Pearl, chairman of the program committee.

Justice Court News

Justice John J. Connolly reports the following cases which appeared in his court recently:

Aubrey E. Snyder, 50, of Cheboygan, charged with carrying a concealed weapon, waived examination and was bound over to the May term of circuit court. Bond was set at $500. He was released after furnishing the bond.

State police said his wife, Ruth M., 42, shot herself with a .39 cal. revolver in Boyne City. Snyder said the gun, which was registered, had been in the car for two weeks. He took his wife to Little Traverse hospital in Petoskey after she had shot herself with the gun following an argument. The shooting occurred while he was eating in a Boyne City restaurant after his wife had refused to accompany him.

Gerald N. LaFreniere, 20, of St. James, charged with failure to yield right-of-way, was ordered to pay $5.00 fine and $5.00 costs. Summons was issued by City Police.

Arlene Kay Bayha, 17, of Petoskey, charged with ignoring a stop sign, was ordered to pay $5.00. Summons was issued by the City Police.

telephone lines

By LES JOHNSON, *Manager*

WHAT'S "ALL NUMBER CALLING"? It's the latest development in telephone numbering. Now, in many communities throughout the country, you dial seven numerals to make a local call—no letters. For example, KL 5-2368 becomes 555-2368—a true telephone "number." Why was this done? Simply because we're running out of usable letter-number combinations. If we're to continue to grow and provide good service, we need to use the more flexible "all numerals" system. Some Michigan communities already have it. More will begin to use it soon. You'll find this new system more accurate and we think you'll like it.

* * *

MICHIGAN'S NATURALLY the motor center of the world. We've got drive-up banks and mail boxes, drive-in restaurants and movies . . . even a place where you can drive up to return a library book. Well, the telephone company is right up-to-date, too. We're installing new drive-up telephone booths! Small, handy, well-lit, these drive-up phones are a welcome aid to the motorist who wants to make a call in a hurry. They supplement the regular roadside telephone booths that are already a familiar sight along many of our highways.

* * *

A SLIMMER, LIGHTER yet stronger spring telephone cord has been developed by Bell Telephone Laboratories and Western Electric. One secret of its new, sleek strength is the use of nylon, instead of cotton, thread. Slimming a cord seems like a small change—until you realize that it will save more than half a million dollars annually in cord costs! It's another instance of your telephone company's constant search for new ways to improve the equipment you use, while keeping the cost of your service low.

Houghton Lake Meets Houghton In Quarterfinals

The Houghton Lake Bobcats, regional Class C champions at Petoskey, advanced to the quarterfinals in the 1960 state tournament against the Upper Peninsula entry, Houghton, after edging Traverse City St. Francis by a score of 59 to 58 in the regional finals Saturday night.

The Houghton Lake-Houghton game was to be played at the Traverse City Central gymnasium Wednesday night with the victor advancing to the state semi-finals.

In Saturday's game, the Bobcats who had defeated Charlevoix 72 to 60 to advance to the regional finals, trailed the Traverse City outfit 17 to 15 at the quarter before taking a 31 to 29 half-time advantage. In the final half, the score changed or was tied countless times before the Gladiators went ahead by one-point, 45 to 44 as the period ended. As the game went into the final eight minutes, the Houghton Lake quintet went ahead early in the period and managed to hang on for the victory. Most of the scoring was done from the free throw line as both teams sought possession of the ball in the hectic last minutes of the game.

Dick Gage had 18 and Lyle Carrick 15 points for the Bobcats. John Briethaupt paced the scoring with 24 points for the Gladiators. He was followed by John Schamerhorn with 14.

3 good Reasons

WHY YOU SHOULD VOTE NO ON THE CON-CON PROPOSAL!

1 A Constitutionol Convention is *not* necessory to moke any *changes in our Constitution which are desired by the voters.*

2 A Con-Con would cost taxpayers on estimoted $3,500,000 plus additional costs in choos, confusion and uncertointy. It would require two speciol stote-wide elections.

3 No provision unable to win support of a majority of voters on its own merit should be "smuggled" into our Constitution os a part of a large "package."

Concert Goers To Hear Chicago Little Symphony

Thor Johnson, one of the nation's leading symphony conductors, is scheduled to bring the Chicago Little Symphony to northern Michigan for a concert in the Petoskey High School Auditorium on Saturday evening, March 25th under the auspices of the Northern Michigan Community Concerts Association. This will be the last in the 1960-61 series of concerts sponsored by the Association.

Charles Treger, distinguished violinist of New York City will be one of the featured soloists.

The conviction that an artist is complete only when all phases of his art are developed has led Charles Treger into exery medium of violin performance. His amazing versatility and musicianship, as a solo artist and as an outstanding chamber musician, have earned the Detroit-born violinist the respect and praise of audiences throughout the country.

The concert will start at 8:30 P. M. and admission will be by membership in the Northern Michigan Community Concert Association only.

Rayders Lose Regional Title to Houghton Lake By a Score of 72 to 60

The Charlevoix Rayders, 1961 District Class C champs at Petoskey, bowed to the new regional champions, the Houghton Lake Bobcats by a score of 72 to 60 in their second game of the tourney Thursday night.

The loss shattered the hopes of the Rayders who were aiming for a regional title after upsetting the dopesters by taking the district title last week. The Bobcats defeated Traverse City St. Francis 59 to 58 Saturday night to advance to the State Quarter-finals.

The Charlevoix Rayders, who had failed to draw a bye in the district tournament and who had to play three games to win the title, were playing their second game in the regional meet when they were downed by the Houghton Lake team who were making their initial appearance in the tourney. The Bobcats had only two games in the District Class C tournament at Grayling.

The Rayders had avenged their 1960 loss to Frankfort in the opening game of the regional meet by a score of 63 to 55 before going against Houghton Lake. The finals pitted the Bobcats against Traverse City St. Francis who had advanced to the final by trimming East Jordan 57 to 53 Wednesday night.

In their game with Houghton Lake, a team that had appeared regularly in the top 10 teams in the state in the AP poll all season, the Rayders edged into a 14 to 13 first quarter lead only to be outscored 25 to 16 in the second period as the taller and more experienced Bobcats went ahead 36 to 32 at halftime and held on 52 to 44 before winning by a 12-point margin.

The Rayders had to depend on field goals to keep them in the game against Houghton Lake as they made only six trips to the free throw line after that number of personal fouls were called on the Bobcats. When the smoke died away Charlevoix had a total of 29 field goals to 30 for the victors. The victory margin for the latter came on 12 of 16 free throw attempts while the Rayders collected only two points on six tries. The Rayders had 13 personal fouls called on them.

John Pearl scored 10 field goals for 20 points. He was followed by Stan Martin with 15 points; Sam Supernaw with 13; Henry Wagner with 10 and George Majors with two. Jim Dennis who started sat out the last half. Others who saw action were Gary Spencer who played in the second period and Tom Martin who joined the line-up late in the final period after Majors had collected four personal fouls.

The game marked the close of their prep school careers for Supernaw and Dennis as well as Tom Martin, Perry Smith, Terry DeYoung, and Lee Wielenga who are seniors.

Bob Thompson paced the victors with 18 points followed by Lyle Carrick with 16, Dar Frantz with 13 and Dick Gage with 12.

Name Sam Supernaw To All-State Team

Sam Supernaw, Charlevoix Rayder forward and center, received state-wide recognition this week when he was named to the Detroit Free Press Coaches' All-State Class C fourth team.

He was among the 120 players in all classes to be named to the six teams in each class selected by coaches from throughout the state. He was the only member of a Northern Michigan Class C league team to receive all-state honors.

A senior, he is the son of Mr. and Mrs. William I. Supernaw.

He was top scorer for the Rayders and third among the scorers in the loop.

One Rayder Placed, One Received Honorable Mention on NMCC All-Conference Team

The Charlevoix Rayders placed one player on the 1961 Northern Michigan Class C All-Conference team with a second player receiving honorable mention on the 'dream team' selected recently by league coaches.

Sam Supernaw, Rayder senior forward and center, was among the ten players named to All-Conference team. He also was among the top csorers in the loop, placing third with a total of 255 points in regular season play for an average of better than 18 points per game.

Another senior forward, James Dennis, received honorable mention.

Among the other players named to the All-Conference squad were Frank Gross of Grayling, top scorer in the league with a total of 279 points for an average of 19 plus points per game. This is the third year that Gross, a senior, has received All-conference recognition.

Gary Stutzman of Harbor Springs, who received honorable mention last season, was the only junior to be named to this year's honor team. He also is among the top scorers, placing fifth with 204 points.

Dave Dresback of Gaylord, the Blue Devils' top scorer, who had 103 points in 12 games.

Jack Dixon and Glen Tatham of Boyne City, both forwards, who played major roles in leading the Ramblers to the league title. Dixon with 192 points placed sixth among the conference scorers and Tatham with 157 was in tenth place. Dixon received honorable mention last season.

Walt Klein and Denny LaCroix, Mancelona's scoring guards, who were second and eighth among the scorers with total of 270 and 166 points, respectively. This is the second year Klein received All-Conference recognition.

Louis Kraemer, a forward, and Pete Knudsen, a center, both of East Jordan, rounded out the All-Conference team. Kraemer, who was named to the top ten players last season, was fourth among the league scorers this season with 253 points. Knudsen who was given honorable mention last season was sixteenth among the scorers with 118 points in 12 games.

All are seniors with the exception of Stutzman who is a junior.

Receiving honorable mention were Joe Robertson of Grayling, John Johnston of Graylord, Tom Kujawski of Boyne City, Duane Raymond of East Jordan, Jerry Bengtson and Tom Moeke of Mancelona, Tom Graham and Frank Lauer of Harbor Springs. All are seniors with the exception of Lauer who is a junior.

Only team not represented on the honor squad was Pellston.

Coaches naming the All-Conference team were Bruce Smith of Grayling, Francis McMahon of Pellston, Charles Paige of Harbor Springs, Jake Sehurmann of Mancelona, Tom Regan of East Jordan, James Mongeau of Gaylord, Paul Pfahler of Boyne City and Don Carey of Charlevoix.

At the business session of the annual meeting of conference officials William Baker of Harbor Springs was named president of the league and Coach McMahon, vice president. Mr. Mongeau was re-elected secretary-treasurer.

The annual NMCCC track and field meet was tentatively scheduled for May 8 at Petoskey. The regional Class C-D meet will be held at Traverse City May 13 and the state meet at Mt. Pleasant May 20.

Changes in the track and field rules were outlined by Don Burnison of Gaylord, a member of the rules committee.

This would be a better world if we had more wild life in our forests and less in the big cities.

It's pretty hard to convince the kids that the shortage of teachers is a calamity.

TABER'S COMING BACK

FROM DARKEST
AFRICA
TO AMAZING
ALASKA
AND BEYOND

See and Hear
Wallace Taber
ALIVE AND IN COLOR
With His Newest
Living-Color Films
"RIVER SAFARI" &
"CARIBOU COUNTRY"

ANOTHER WALLY TABER SAFARI SAGA

Journey with one of America's foremost explorer - photographers in quest of high adventure. Hunt with primitive man's weapons — the bow and arrow — on two continents. Float on uncharted rivers — be first to fish their waters. Go on a monkey hunt and punch a rampaging rhino in the nose with a blunt arrow. Watch the spectacular leaping impala and the unbelievably nimble baboon in ultra-slow-motion, super-close-up and fantastic color. Visit the untamed Mosai who live off their cattle, and the world's only Inland Eskimos who live off the caribou. Stalk the elusive white mountain sheep and go after gerenuk steak for dinner . . . with bow and arrow! Do all this and you'll see why thousands have acclaimed Wally Taber America's No. 1 photographer-lecturer.

It's wholesome entertainment, popularly priced for the whole family attendance. Too, Wally Taber's Safari-Saga series always are locally sponsored to assist in financing one of your growing city's civic-minded organizations.
